Delphi Complete Works of Julius Caesar (Illustrated)

One of history's most monumental figures, the Roman politician and general Julius Caesar played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. A celebrated author of Latin prose, Caesar wrote detailed accounts of his military campaigns, composed in a vigorous, concise and unemotional style in the third person. These invaluable historical sources provide an engaging window into the world of the Roman army during the Republican. Delphi's Ancient Classics series provides eReaders with the wisdom of the Classical world, with both English translations and the original Latin texts. This comprehensive eBook presents Julius Caesar's complete extant works, with illustrations, informative introductions and the usual Delphi bonus material. (Version 2) * Beautifully illustrated with images relating to Caesar's life and works * Features the complete extant works of Julius Caesar, in both English translation and the original Latin * Concise introductions to the texts * Provides two translations of THE GALLIC WARS: W. A. MacDevitt, (1869) and H. J. Edwards (1917) * H. J. Edwards' translation previously appeared in the Loeb Classical Library edition of Julius Caesar * Excellent formatting of the texts * Easily locate the texts you want to read with individual contents tables * Provides a special dual English and Latin text of Caesar's works, allowing readers to compare the sections paragraph by paragraph – ideal for students * Features three bonus biographies, including Suetonius' account of the general – discover Caesar's ancient world * Scholarly ordering of texts into chronological order and literary genres Please visit www.delphiclassics.com to explore our range of Ancient Classics titles or buy the entire series as a Super Set CONTENTS: The Translations THE GALLIC WARS THE CIVIL WAR ON THE ALEXANDRINE WAR ON THE AFRICAN WAR ON THE HISPANIC WAR The Latin Texts LIST OF LATIN TEXTS The Dual Texts DUAL LATIN AND ENGLISH TEXTS The Biographies THE LIFE OF JULIUS CAESAR by Suetonius CAESAR by Plutarch THE HISTORY OF JULIUS CAESAR by Jacob Abbott Please visit www.delphiclassics.com to browse through our range of exciting titles

The Wars of Julius Caesar

The Wars of Julius Caesar: Complete Works. He is often considered the greatest man in history. He invented strategy and changed the shape of the Roman Empire. Julius Caesar's legacy survives not only in his conquests and buildings, but in his books as well. "The Wars of Julius Caesar" reunites his best known works, "The Gallic Wars" and "The Civil Wars" with the other three that are less known, but attributed to Caesar: "The African Wars," "The Alexandrian Wars" and "The Hispanic Wars," which may have been written by Aulus Hirtius. All works in this illustrated edition are translated by W. A. McDevitte

and W. S. Bohn. Beyond its importance as a source document for military and Roman history, It is also of interest because of his first-hand observations of the Celtic tribes that he was waging war on. For instance, refer to Book 6, which contains a long passage about Gaulish society, the Druids, and his famous description of the original burning man ritual.

Julius Caesar

Gaius Julius Caesar (July 100 BC - 15 March 44 BC) was a Roman general, statesman, Consul, and notable author of Latin prose. He played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. During his lifetime, Caesar was regarded as one of the best orators and prose authors in Latin—even Cicero spoke highly of Caesar's rhetoric and style. Only Caesar's war commentaries, however, have survived to modern day. Included in this collection are all the surviving war commentaries. These include: * Commentaries on the Gallic War * Commentaries on the Civil War * The Alexandrian War * The African War * The Spanish War (The Hispanic Wars)

Complete Works Of Julius Caesar. Illustrated

During his lifetime, Caesar was regarded as one of the best orators and prose authors in Latin—even Cicero spoke highly of Caesar's rhetoric and style. Only Caesar's war memoirs *The Gallic Wars* and *The Civil War* have survived. These narratives were written and published annually during or just after the actual campaigns, as a sort of "dispatches from the front". A few sentences from other works are quoted by other authors. Among his lost works are his funeral oration for his paternal aunt Julia and his *Anticato*, a document written to defame Cato in response to Cicero's published praise. Poems by Julius Caesar are also mentioned in ancient sources. THE GALIC WARS THE CIVIL WAR ON THE ALEXANDRINE WAR ON THE AFRICAN WAR ON THE HISPANIC WAR

The Landmark Julius Caesar

The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar. Together, these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire. The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France, Belgium, and Switzerland. The Civil War describes the conflict in the following year which, after the death of his chief rival, Pompey, and the defeat of Pompey's heirs and supporters, resulted in Caesar's emergence as the sole power in Rome. Accompanying Caesar's own commentaries are three short but essential additional works, known to us as the Alexandrian War, the African War, and the Spanish War. These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers. Caesar's clear and direct prose provides a riveting depiction of ancient warfare and, not incidentally, a persuasive portrait for the Roman people (and for us) of Caesar himself as a brilliant, moderate, and effective leader—an image that was key to his final success. Kurt A. Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style, and this, together with such Landmark features as maps, detailed annotations, appendices, and illustrations, will provide every reader from lay person to scholar with a rewarding and enjoyable experience. (With 2-color text, maps, and illustrations throughout; web essays available at <http://www.thelandmarkcaesar.com>)

The Complete Works of Julius Caesar

The Complete Works of Julius Caesar contains the following works: *The African Wars*, *The Alexandrian Wars*, *The Civil Wars*, *The Gallic Wars*, & *The Spanish Wars*. Gaius Julius Caesar (13 July 100 BC - 15 March 44 BC), known as Julius Caesar, was a Roman politician, general, and notable author of Latin prose. He played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. In 60 BC, Caesar, Crassus, and Pompey formed a political alliance that dominated Roman politics for several years. Their attempts to amass power as *Populares* were opposed by the *Optimates* within the Roman Senate, among them Cato the Younger with the frequent support of Cicero. Caesar's victories in the Gallic Wars, completed by 51 BC, extended Rome's territory to the English Channel and the Rhine. Caesar became the first Roman general to cross both the Channel and the Rhine, when he built a bridge across the Rhine and crossed the Channel to invade Britain. These achievements granted him unmatched military power and threatened to eclipse the standing of Pompey, who had realigned himself with the Senate after the death of Crassus in 53 BC. With the Gallic Wars concluded, the Senate ordered Caesar to step down from his military command and return to Rome. Caesar refused the order, and instead marked his defiance in 49 BC by crossing the Rubicon with the

13th Legion, leaving his province and illegally entering Roman Italy under arms. Civil war resulted, and Caesar's victory in the war put him in an unrivalled position of power and influence. After assuming control of government, Caesar began a programme of social and governmental reforms, including the creation of the Julian calendar. He centralised the bureaucracy of the Republic and was eventually proclaimed "dictator in perpetuity".

The Civil War

A military leader of legendary genius, Caesar was also a great writer, recording the events of his life with incomparable immediacy and power. The Civil War is a tense and gripping depiction of his struggle with Pompey over the leadership of Republican Rome - a conflict that spanned the entire Roman world, from Gaul and Spain to Asia and Africa. Where Caesar's own account leaves off in 48 BC, his lieutenants take up the history, describing the vital battles of Munda, Spain and Thapsus, and the installation of Cleopatra, later Caesar's mistress, as Queen of Egypt. Together these narratives paint a full picture of the events that brought Caesar supreme power - and paved the way for his assassination only months later.

Julius Caesar

The Wars of Julius Caesar: Complete Works. He is often considered the greatest man in history. He invented strategy and changed the shape of the Roman Empire. Julius Caesar's legacy survives not only in his conquests and buildings, but in his books as well. "The Wars of Julius Caesar" reunites his best known works, "The Gallic Wars" and "The Civil Wars" with the other three that are less known, but attributed to Caesar: "The African Wars".

Julius Caesar

Well-known as a brilliant general and politician, Caesar also played a fundamental role in the formation of the Latin literary language and history of Latin Literature. This volume provides both a clear introduction to Caesar as a man of letters and a fresh re-assessment of his literary achievements.

The Wars of Julius Caesar

Reinterprets Julius Caesar not as an autocrat seeking to overthrow the Roman Republic, but as an unusually successful political leader.

The Complete Works of William Shakespeare: Julius Caesar. Hamlet

Explores Caesar from a variety of perspectives: military genius, ruthless tyrant, brilliant politician, first class orator, sophisticated man of letters, and more Utilizes Caesar's own extant writings Examines the viewpoints of Caesar's contemporaries and explores Caesar's portrayals by artists and writers through the ages

Julius Caesar

The Commentaries of Caesar on the Gallic War, Books 1-8 Presented in a new format featuring both Latin and English, with new vocabulary presented in line as it's encountered. Each Latin paragraph is displayed with its English translation on the facing page, making this an easy and enjoyable read

for students and enthusiasts alike. Read the chronicle of Rome's military campaigns resulting in the permanent conquest of Gaul, written by the hand of the conqueror himself. In 58 BC, Julius Caesar set his armies against Rome's perennial enemies and at last achieved a victory that resulted in the expansion of the empire over the whole of modern day France. At the expedition's conclusion, he set the story down in this epic, which continues to delight readers into the modern age.

The Cambridge Companion to the Writings of Julius Caesar

The Gallic War, published on the eve of the civil war which led to the end of the Roman Republic, is an autobiographical account written by one of the most famous figures of European history. On one level a straightforward narrative of the campaigns Caesar fought against the Gauls, Germans and Britons, it also serves a deeper political purpose, revealing him as a commander of breathtaking flair, courage and persistence - a man of the people, a man without rival. This new translation reflects the purity of Caesar's Latin while preserving the pace and flow of his momentous narrative of the conquest of Gaul and the first Roman invasions of Britain and Germany. The introduction includes a survey of Caesar's role and reputation in later thought, while detailed notes, maps, a table of dates, and glossary make this the most useful edition available. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Julius Caesar and the Roman People

The story of one of the most brilliant, flamboyant and historically important men who ever lived. 'A superb achievement' LITERARY REVIEW 'Combines scholarship with storytelling to bring the ancient world to life: in his masterly new CAESAR he shows us the greatest Roman as man, statesman, soldier and lover' Simon Sebag Montefiore 'Magnificent' DAILY TELEGRAPH From the very beginning, Caesar's story makes dazzling reading. In his late teens he narrowly avoided execution for opposing the military dictator Sulla. He was decorated for valour in battle, captured and held to ransom by pirates, and almost bankrupted himself by staging games for the masses. As a politician, he quickly gained a reputation as a dangerously ambitious maverick. By his early 30s he had risen to the position of Consul, and was already beginning to dominate the Senate. His affairs with noblewomen were both frequent and scandalous. His greatest skill, outside the bedroom, was as a military commander. In a string of spectacular victories he conquered all of Gaul, invaded Germany, and twice landed in Britain - an achievement which in 55BC was greeted with a public euphoria comparable to that generated by the moon landing in 1969. In just thirty years he had risen from a position of virtual obscurity to become one of the richest men in the world, with the power single-handedly to overthrow the Republic. By his death he was effectively emperor of most of the known world.

Julius Caesar

If you've always wanted to read Shakespeare, but are intimidated by the older language, then this is the perfect edition for you! Every single Shakespeare play is included in this massive anthology! Each play contains the original language with modern language underneath!

The Complete Works of William Shakespeare: Julius Caesar; Hamlet

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Julius Caesar by William Shakespeare - Delphi Classics (Illustrated)

This series features classic Shakespeare retold with graphic color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 64-page, softcover book retains key phrases and quotations from the original play. Research shows that the more students read, the better their vocabulary, their ability to read, and their knowledge of the world. A triumphant Caesar enters Rome after defeating the sons of his old enemy, Pompey. Jealousy and fear over Caesar's reforms reveal a brewing conspiracy to assassinate him. As the plot thickens, Caesar's wife is plagued by terrible nightmares and begs him not to go to the Capitol. But Caesar shrugs off her fears and is accompanied to the Senate by the conspirators thus sealing his fate. Caesar's loyal friends rally to avenge his death and preserve his legacy.

A Companion to Julius Caesar

Enter, in procession, with music, CAESAR; ANTONY, for the course; CALPHURNIA, PORTIA, DECIUS, CICERO, BRUTUS, CASSIUS and CASCA; a great crowd following, among them a SOOTH-SAYER.CAESAR.Calphurnia.CASCA.Peace, ho! Caesar speaks.[Music ceases.]CAESAR.Calphurnia.CALPHURNIA.Here, my lord.CAESAR.Stand you directly in Antonius' way, When he doth run his course. Who c

The Gallic Wars (Latin and English)

"Imagine a book about an unnecessary war written by the ruthless general of an occupying army - a vivid and dramatic propaganda piece that forces the reader to identify with the conquerors and that is designed, like the war itself, to fuel the limitless political ambitions of the author. Could such a campaign autobiography ever be a great work of literature - perhaps even one of the greatest? It would be easy to think not, but such a book exists -and it helped transform Julius Caesar from a politician on the make into the Caesar of legend. This remarkable new translation of Caesar's famous but underappreciated War for Gaul captures, like never before in English, the gripping and powerfully concise style of the future emperor's dispatches from the front lines in what are today France, Belgium, Germany, and Switzerland. While letting Caesar tell his battle stories in his own way, distinguished classicist James O'Donnell also fills in the rest of the story in a substantial introduction and notes that together explain why Gaul is the "best bad man's book ever written"--A great book in which a genuinely bad person offers a bald-faced, amoral description of just how bad he has been. Complete with a chronology, a map of Gaul, suggestions for further reading, and an index, this feature-rich edition captures the forceful austerity of a troubling yet magnificent classic - a book that, as O'Donnell says, 'gets war exactly right and morals exactly wrong.'" -- Front jacket flap

The Gallic War

Retold in graphic-novel format, the epic tale of Julius Caesar's rule over Rome. Brutus and Cassius, friends and supporters of Julius Caesar, brood and worry over his increasing ambitions. Caesar's pursuit of power leads the two men to worry that Caesar will crown himself Emperor, which would ruin Rome's Republic of the people. Behind closed doors, Cassius and Brutus begin to concoct a scheme that will irrevocably alter the fate of the Roman empire.

Caesar's Gallic War

While in exile on St Helena, Napoleon dictated a commentary on the wars of Julius Caesar, later published in 1836. In each chapter he summarized the events of one campaign, then added comments from the standpoint of his own military knowledge. Over the nearly two millennia between Caesar and Napoleon some aspects of warfare had changed, notably the introduction of firearms. But much remained the same: the rate of movement of armies (at the foot pace of horse or man); human muscle power as the main source of energy for construction work; some military techniques, notably bridge construction; as well as the actual territory fought over by Caesar and later by Napoleon. Napoleons commentary thus provides a fascinating and highly authoritative insight into Caesars wars, as well as providing a window into Napoleons own thinking and attitudes. Napoleon in places detects mistakes on the part of Caesar and his enemies, and says what they should have done differently. Remarkably, this is thought to be the first full English translation of Napoleon's work. Napoleon Bonaparte was born to an obscure Corsican family but rose through the ranks of the French army to become Emperor of France, conqueror of most of Europe and acknowledged military genius. He wrote this book while in exile on St Helena. The translator, RA Maguire, is a former civil engineer with a long-standing interest in military and ancient history.

The Complete Poetical Works of William Wordsworth Volume 5 - Scholar's Choice Edition

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Complete Poetical Works of William Wordsworth Volume 5 - Primary Source Edition

Excerpt from The Complete Poetical Works of William Wordsworth, Vol. 5: 1806-1815 Who is the happy Warrior? Who is he That every man in arms should wish to be? It is the generous Spirit, who, when brought Among the tasks of real life, hath wrought Upon the plan that pleased his boyish thought Whose high endeavours are an inward light That makes the path before him always bright Who, with a natural instinct to discern What knowledge can perform, is diligent to learn Abides by this resolve, and stops not there, But makes his moral being his prime care; Who, doomed to go in company with Pain, And Fear, and Bloodshed, miserable train! Turns his necessity to glorious gain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Poetical Works Of William Wordsworth; Volume 5

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1892 edition. Excerpt: ...Adam can draw; With a thousand soft pictures his memory will teem, And his hearing is touched with the sounds of a dream. Up the Haymarket hill he oft whistles his way, Thrusts his hands in a wagon, and smells at the hay; He thinks of the fields he so often hath mown, And is happy as if the rich freight were his own. But chiefly to Smithfield he loves to repair, --If you pass by at morning, you 'll meet with him there. The breath of the cows you may see him inhale, And his heart all the while is in Tilsbury Vale. Now farewell, old Adam! when low thou art laid, May one blade of grass spring up over thy head; And I hope that thy grave, wheresoever it be, Will hear the wind sigh through the leaves of a tree. 1803. 1815. TO THE CUCKOO. Composed in the Orchard, Town-end, Grasmere. O BLITHE New-comer! I have heard, I hear thee and rejoice. O Cuckoo! shall I call thee Bird, Or but a wandering Voice? While I am lying on the grass Thy twofold shout I hear, From hill to hill it seems to pass, At once far off, and near. Though babbling only to the Vale, Of sunshine and of flowers, Thou bringest unto me a tale Of visionary hours. Thrice welcome, darling of the Spring! Even yet thou art to me No bird, but an invisible thing, A voice, a mystery; The same whom in my school-boy days I listened to; that Cry Which made me look a thousand ways In bush, and tree, and sky. To seek thee did I often rove Through woods and on the green; And thou wert still a hope, a love; Still longed for, never seen. And I can listen to thee yet; Can lie upon the plain And listen, till I do beget That-golden time again. O blessed Bird! the earth we pace Again appears to be An unsubstantial, faery place; That is fit home for Thee! 1804. 1807. "SHE WAS A PHANTOM OF...

The Poetical Works of William Wordsworth, Volume 5

Excerpt from The Complete Poetical Works of William Wordsworth, Poet Laureate, Etc., Etc Since the publication of the former American Edition, there have appeared in England the following publications of the Poems under the Author's own supervision: the Edition of 1839-40, in six volumes, containing some additional pieces: the volume, forming a seventh, entitled Poems of Early and Late Years, which appeared in 1842; the complete Poetical Works (with some additional poems) in one volume, issued in

1845; and the last Edition (containing some few later pieces) which appeared in six volumes in 1849 and 1850 - being completed a very short time before the Poet's death. In the summer of 1850, *Tau: Pumps* was published posthumously. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Complete Poetical Works of William Wordsworth Volume 1

Excerpt from Complete Poetical Works of William Wordsworth, Vol. 2: With an Introduction And now for a few words upon the scene where these interviews and conversations are supposed to occur. The scene of the first book of the poem is, I must own, laid in a tract of country not sufficiently near to that which soon comes into view in the second book, to agree with the fact. All that relates to Margaret and the ruined cot tage, etc., was taken from observations made in the south-west of England, and certainly it would require more than seven-league boots to stretch in one morning from a common in Somersetshire or Dorsetshire to the heights of Furness Fells and the deep valleys they embosom. For thus dealing with space I need make, I trust, no apology, but my friends may be amused by the truth. In the poem, I suppose that the Pedler and I ascended from a plain country up the vale of Langdale, and struck off a good way above the chapel to the western side of the vale. We ascended the hill and thence looked down upon the circular recess in which lies blea-tarn. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
