You are fortunate to have found it here.

We provide you with the full version of The Ascension Of Freya completely free of charge.

## Rise of the Goddess Freya

Freya Moreton is a vibrant and attractive young yoga instructor, working out of her own studio in New York's Greenwich Village. Brought up in impoverished circumstances by a selfish and psychotic single mom, she's only just getting acclimatized to teaching mind-blowingly wealthy clients. But when one client, Blake Lucas, invites her to his thirtieth birthday party, she and her best friend, Daniela, are introduced to a whole new world. Finding herself attracted to Blake's brother, the smooth, handsome attorney, Freya is also bowled over by his obvious interest in her. Keen to make a good impression on the billionaire, Freya willingly returns to his apartment and spends the night with him. However, Tristan is not the attentive lover she'd hoped for, and the hasty fumble is over quickly, leaving her completely unsatisfied. But when things don't improve, Freya starts to question her own sensuality. She's aware that Tristan has no similar complaints regarding their physical intimacy. In fact, he enthuses about how hot it is. Freya, on the other hand, recognizes that she's only ever been able to achieve orgasm through masturbation, and so begins to blame herself for her complete lack of enjoyment in sex. And sexual dissatisfaction isn't the only thing she's willing to ignore. Don't miss out this is a pure and beautiful erotica literature.

## The Rise of the Goddess

In a world older than time, a portal stirs from its long slumber. From out of its cerulean mists, the warship of the scion of darkness and destroyer of worlds emerges. With its gods long gone, Elati is a world ripe for the taking. Marduk intends to take it all. Corrupted by Marduk's devices, Sethi succumbs to the grip of evil. A brutal, merciless commander, he oppresses the kingdoms of Elati, his violence awakening a weapon of the deepest darkness. Poisoned by lies and tainted by hate, he thirsts for its power to obliterate the light of the one he once loved beyond all reason. Desperate to reprieve Sethi from his corruption, Istara pursues her last hope, risking everything to retrieve powerful artifacts of Thoth's, her light her only defense against the growing darkness--and the one determined to annihilate her.

Bound by love and driven by duty, Urhi-Teshub reaches the threshold of his destiny, where he faces the horrifying price he must pay to protect Istara. And at the heart of an abandoned island of gods, surrounded by an endless storm, an eternal tower awaits. Caught in the crosshairs of a primordial war for supremacy, Sethi and Istara must face each other one final time. Darkness and light. Enemies. Lovers. Gods.

### Norse Goddess Freya

Journey into the heart of Norse mythology and discover the radiant power of Freya, the Norse Goddess of love, beauty, fertility, and war. Through "Norse Goddess Freya: A Pathway to Feminine Power and Self-Discovery," immerse yourself in the intricate tales and teachings of Freya, revealing timeless truths about love, strength, and personal growth. Through guided meditations accompanying each chapter, tap into your inner reservoirs of courage, passion, and wisdom. Embrace the duality of love and power, of vulnerability and resilience, just as Freya did. Whether you're a long-time admirer of Norse mythology or seeking a fresh perspective on feminine empowerment, this book weaves ancient tales with contemporary insights, leading you on a path of profound self-discovery. Walk hand in hand with Freya, finding your own strength, beauty, and magic in her ageless stories. Prepare to be enchanted, empowered, and inspired. Dive into a narrative where the past and present converge, guiding you to harness the divine feminine power that has always been within you.

### Crowning of the Goddess Freya # 2

Rise of the Goddess Freya Freya Moreton is a vibrant and attractive young yoga instructor, working out of her own studio in New York's Greenwich Village. Brought up in impoverished circumstances by a selfish and psychotic single mom, she's only just getting acclimatized to teaching mind-blowingly wealthy clients. But when one client, Blake Lucas, invites her to his thirtieth birthday party, she and her best friend, Daniela, are introduced to a whole new world. Finding herself attracted to Blake's brother, the smooth, handsome attorney, Freya is also bowled over by his obvious interest in her. Keen to make a good impression on the billionaire, Freya willingly returns to his apartment and spends the night with him. However, Tristan is not the attentive lover she'd hoped for, and the hasty fumble is over quickly, leaving her completely unsatisfied. But when things don't improve, Freya starts to question her own sensuality. She's aware that Tristan has no similar complaints regarding their physical intimacy. In fact, he enthuses about how hot it is. Freya, on the other hand, recognizes that she's only ever been able to achieve orgasm through masturbation, and so begins to blame herself for her complete lack of enjoyment in sex. And sexual dissatisfaction isn't the only thing she's willing to ignore. Don't miss out this is a pure and beautiful literature.

### Freya

Move over, Aphrodite! In Norse mythology, Freya rules over love and beauty. Learn the story behind the Norse goddess of love in this empowering and engaging narrative. Hear the compelling myths that surround this powerful goddess and find out where she fits in a family of gods. Additional facts explore Freya's role in Scandinavian culture and how the goddess's influence appears in popular culture today.

### Freya

Freya in the Gods and Goddesses of the Ancient World series explores the fascinating drama, love stories, and destruction in the myths surrounding the goddess of love and beauty. Book includes history, myths, and a family tree. Written with a high interest level to appeal to a more mature audience and a lower level of complexity with clear visuals to help struggling readers along. Considerate text includes tons of fascinating information and wild facts that will hold the readers' interest, allowing for successful mastery and comprehension. A table of contents, glossary with simplified pronunciations, and index all enhance comprehension.

### Freya

Shares the story of the beautiful Norse goddess Freya, who found true love with a blind god.

### The Rise of a Goddess

The depth and breadth of this series is not widely appreciated. At the core of the work is the timeless interplay between good and evil that has bedevilled mankind throughout his history and is developed at the physical, religious and psychological levels. During the unfolding of the story, the method of delivery alters from reported fact as the legend to favour mental imagery when events are reported in parallel as though they relate either to the legend or occur in the mind. The intention of the author is to hit that special chord at the end where the reader yearns for Debden, the main character, to be real. She is obliged to rise in stature both in terms of her physical powers and intellectually from a protected childhood. Her powers are incredible and without any known limit and so advanced that she must learn, not only what they are, but how best to use them without guidance. Despite this, her responsibilities are also beyond comprehension for she has jurisdiction over the entire Earth. Soon however, it is clear that even this is well within her capabilities and she is soon beyond even the higher gods in intellectual brilliance and highest magic. But despite it all, our heroine is a paradox of the most brilliant star that humankind will follow anywhere and self-reproach, and on whom pressure is unrelenting. The breaking point is never far below the surface and she continuously sails close to the wind. This story is developed over a canvas of many centuries and is forged robustly in terms of scale and action but with great sensitivity with respect to the key characters. Several parallel threads run through the work and there are many sub-plots. Three of them in order of importance are as follows: the vulnerability of Debden, the early loss of her husband, for whom she is destined to search desperately for several centuries and thirdly, the consequences of immortality on relationships and the weariness of experience. But there are others and some are extremely pressing emotionally. The aRise of a Goddess presents a great richness of landscapes and weathers. Wonderful kingdoms are described not only on the surface but deep beneath the Earth and in distant galaxies in a manner that is bold and expansive in nature. The raging battles of epic magnitude take place in these environments and Debden's abilities take her into other times and dimensions. The story fuses our common knowledge of the weakness of man and imagination using a tale that passes from past to future and concludes in the furnace heat of the Pillars of Creation in the Eagle nebula, where Debden fights, on behalf of mankind, for the continuation of life itself.

### Rise of the Goddess

The Goddess: a female deity who represents strength, love, dignity, sexuality, motherhood, wrath, peace, the elements, and so much more. She is the symbol of every woman who has ever been or will ever come to be. She comes from a myriad of places and beliefs, her image always changing, but her presence always there. In this collection of fourteen beautifully written stories and three lovely original artworks, the Goddess rises in many unique forms to remind the world of the strength and beauty that is woman and the connection she has with all things. Stories Include: Warrior Goddess ..... Rebecca Poole Down came the Queen of Heaven ..... Aubrey Diamant Bia ..... Samantha Kettelman Carmaterdea ..... Sinead MacDughlas Goddess of My Heart ..... Michael Cross Her ..... Rebecca Poole A Goddess's Revenge ..... Catherine Stovall Love, Lust, Beauty ..... Jackie McMahon Hunting the Dark ..... Marion C. Lanier Mother of Monsters ..... Andrea L. Staum Goddess Touched ..... Elizabeth L. Lance The Cast Iron Skillet ..... Shebat Legion The Weaver ..... Zoe Adams Shield of Light ..... Beth W. Patterson Beautiful Secrets of the Sea ..... Jackie McMahon Vanquish ..... Mariana Thorn Falling For You ..... Cecilia Clark

## Rise of the Morrigan

Not even the god who made her could tame her. When the Dagda took three girls and combined them into a single goddess--that he might have for himself a divine wife--he thought she'd be an obedient sub-deity and an extension of his rule. But the Morrigan is subservient to no man, no matter how powerful a god he fashions himself to be. If she is to rule, however, she must do more than defy the god who made her. She must win the heart of a mortal... Cú Chulainn didn't want to be a warrior. He dreamed of becoming a bard, a poet... But when he discovers he has the ríastrad, that he transforms into a werewolf when enraged, he finds he has little choice but to serve the whims of his king and defend Ulster. But can the beast be controlled? A faerie touched his heart... it calmed his rage... and he longs for her still... But there's another who pursues him, who hopes to win his heart... a goddess... Will the Morrigan win the heart of her beloved? Will Cú Chulainn find peace, or will he be destined to a life of battle? *Rise of the Morrigan* is a stand-alone epic in fantasy mythology. It is also a prequel to Theophilus Monroe's *Gates of Eden* world. Readers of Monroe's *Voodoo Legacy*, *Druid Legacy*, or other modern Arthurian fantasies will be captivated by this epic fantasy adventure romance: *Rise of the Morrigan: The Queen of Samhuinn*.

## Goddess Rising

Civilization as we know it has been destroyed, not through war or asteroid impact, but by a geologic holocaust of planetary proportions. The scattered survivors live simply, primitively, bonded to the earth and the Great Goddess. Their one hope lies in the dream-given prophecy that Greer the Sibling, a female savior, will rise and restore them to greatness. An epic and magical story of one woman's exceptional destiny during exceptional times, *Goddess Rising* follows Greer's journey from simple obscurity to her prophesied reign. Acknowledged as the face of the Goddess on earth, Greer discovers the rewards of power--and the price--as she struggles through her own labyrinth of fear and desire, sexuality and sacrifice, love and death.

## Freyja, Lady, Vanadis

An Insightful Look at a Complex Deity *Freyja, Lady, Vanadis: An Introduction to the Goddess* examines Freyja, perhaps the best-known goddess of Norse mythology. Using original source material, extant writings, and scholarship the author builds an image of the goddess as she may have appeared to her followers in pre-Christian Northern Europe. Patricia Lafayllve then uses the knowledge she has compiled to speculate on aspects of modern worship of this complex deity.

## Medusa

\*\*\*"A new perspective into Medusa...giving [her] a new and expanded story in this enlightening new work. The author humanizes her and evokes the reader's pity for her tragic plight." 9.5 - The BookLife Prize\*\*\**Medusa: The monster from legend, with snakes for hair and a gaze that turns humans to stone. Cursed by Athena for the crime of being raped, she was destined to be slain by Perseus. Except, she never died. The stories got it wrong. At the dawn of creation, the girl Medusa lives with her family on the Eastern Edge of the World, but she yearns for more. Fascinated by the newly-created humans, she leaves home to see it all for herself, the farms, the cities, and the temples. Little does she know that a sex-crazed God has been lusting after her for decades. He intends her for Himself, and His obsession will change the course of her life for millennia. In modern New York City, Chloe finally embraces her true self: After years of repressing it, she's willing to admit her own bisexual nature. Her religiously-conservative husband, however, is not, and Chloe flees the abuse that quickly follows. What she doesn't know is that a creature from legend, a myth come to life - Medusa herself - has been hiding in plain sight, and they are about to come face-to-face. One woman's deity cursed her for being true to herself. The other woman's deity won't allow her to become her true self. Together, they might have the strength to overcome, and to embrace the divine.*

## The Little Book of Goddesses

Embrace the power of the divine in this beginner's guide to some of mythology's fiercest females and most legendary ladies Across thousands of years and countless civilizations, goddesses have been a powerful presence. Whether as leaders, mothers, warriors or lovers, these indomitable divinities have always been able to fascinate and seduce us. This pocket guide offers readers an engaging and accessible introduction to a selection of the most powerful and influential goddesses throughout

ancient and modern history, retelling their stories and celebrating their awesome abilities. Each profile includes a concise history of the goddess and her origins, a summary of her main powers, a look at the goddess in myth and popular culture and an exploration of her best attributes. Learn about the Athena, the Greek goddess of wisdom and war; Bastet, the Egyptian goddess of pleasure and protection; the beautiful Freyja, the Norse goddess of love, and many others. Let yourself be inspired and empowered by tales of feminine power, strength and wisdom in this pocketbook of dazzling deities.

### Freya

The most beautiful of all Nordic goddesses was Freya, goddess of love. This is the story of how her greed for the precious Brisingamen led to her shame and grief.

### Freya

Abandoned. Imprisoned. Loved. Cora is the goddess Persephone, living in Greece in the fourteenth century B.C. In order to shelter her from prophecy, her mother, Demeter, sends her away to Azure Blue. The young girl is raised and protected by the nymph queen, Nephrea, in a dreamlike crystal palace among azure trees and amethyst fields under a green sun. She's adopted into the Amazon code of honor, bravery, and righteousness. But Cora is not an Amazon nymph. And prophecy holds quite a different fate for her as she grows into adulthood—Hades, Lord of the Underworld. Upon Persephone's fall, Demeter rages and threatens to freeze the entire world under ice and snow forever. Nephrea offers a sacrifice to quell her rage, but down in the fiery world below, it might be more than just the goddess who will need saving.

### Cora: Rise of the Fallen Goddess

I, Ryu, am the baddest bitch the Roman Legion ever came across, but now this cell phone addicted, clumsy, human girl has to be part of my clan? Goddess save me. As leader of the Night Clan, for centuries it has been my job to lead my sisters into battle against lowly men who dare harm women. And it's a task I revel in. Dressed to kill, there's nothing I enjoy more than the rush of war. Unfortunately, those calls eventually stopped. We hide from a world that no longer needs us. All that changes when a half-human, half-fae mess is thrown into my sisterhood. Unable to fly and clueless with a sword, it becomes clear she represents a new age unfamiliar to the Aguanes. While I loathe the idea of learning anything from her, it seems I have no choice. A foe far stronger than any we've faced has risen and he's impervious to our brand of magic. Now, the Night Clan's only hope is to rally every sister and embrace the digital age in orthodox methods of battle. With time running out, can I gather the Aguanes and save women everywhere? Or will the legacy of the people be crushed under the boot of a malicious enemy? Gryffyn Phoenix gives us a look at these legendary ancient fairies that will make you laugh, cry, and cheer--probably all at once. Meet the Aguanes, make sure you get the Goddess's blessing or you might meet their sword instead.

### Rise of the Night Goddess

The Goddess way has been lost to time, and no female calls upon the Aguanes to avenge them. Ryu has led the night clan for centuries. She loves high fashion, coffee, and destroying idiot men in a bloody battle. The arrival of a half-human, half-fae addition to her sisters, challenges her as nothing else has. The creature has no interest in learning how to fly, fashion, or even destroying men. The Aguanes have never evolved, and now Topsy expects them to embrace technology? No. Never. Going. To happen. Flutter off. But a new enemy is stalking her kind. One that has defeated their beloved Mother Goddess. It will take all of her sisters to destroy the evil-looking to end the Aguanes's protection of women everywhere, and they can only do it together.

### Rise of the Night Goddess

Saved by a goddess ... but only as a tool for revenge? The nascent goddess Desiree meets the Egyptian archangel Joseph while ghost-busting the myth of Saint Patrick. Aided by her psychiatrist, Sanantha Mauwad, Desiree discovers she is a pawn in a revenge quest that Isis has been planning for thousands of years. Once again, gods and demons war on Earth with our heroes fighting not just for survival — but justice.

### The Tree of Mythology, Its Growth and Fruitage

Goddesses have ways of getting what they desire. This is how our narrator finds himself licking a runestone early one morning. The runestone becomes warm, moist aroused flesh. Flesh of Freya, Viking goddess of love...and sex with hair that changes colour depending on her mood. There is always a lot of sex, some cooking, some danger, some laughter and even more sex.

### Goddess Rising

Experience the first trilogy of the Buried Goddess Saga. 1,500 pages of adventure, war, magic and twists you won't believe. The Warlock Redstar has waited for decades until the time was right to resurrect his Goddess. Now, they have a chance to gain vengeance upon a world which cast her underground for eternity. As the shadows of evil spread across Pantego, unlikely heroes rise from unexpected places. A master thief from a village in the middle of nowhere, going nowhere. An orphaned mystic barely able to control the magic coursing through her veins. A disgraced knight, dispatched on a suicide quest by his mad queen. They're not what the Glass Kingdom asked for, but they're the only ones who can stop Redstar before it's too late. If the Buried Goddess returns to exact her vengeance, not a soul will survive. Buy this Special Edition Box Set to experience a fast-paced epic fantasy series, perfect for fans of Michael J. Sullivan, David Estes and Jeff Wheeler. Books Include: Web of Eyes (IPPY Award Winner), Winds of War, Will of Fire.

### Freya Being Freya

The Destroyers are a group of specially and specifically designed, earth bound heaven warriors that are "called" to restore the world back to its natural balance of light and to prepare the way for the Second Coming of Christ. There are five of them and they fight according to the category or skill set that they possess. Kitara, the last living descendant of Atlantis, is a god slayer. She fights immortals that dare to challenge the throne of the Almighty, and she is the unspoken leader of the Destroyers. Isis, Egyptian goddess of magic, wife and sister of Egypt's first Pharaoh and Lord of the Underworld (Osiris); she has one single mission: to resurrect her fallen love and to bring back the power and glory of godhood that she once had. After positioning herself as the reigning "queen" of the music industry and taking on the undisputed "King of Hip Hop" as her consort, Isis is one step closer to accomplishing her goal of becoming Queen of the gods. Her only obstacle is acquiring a Potential (a human with the potential of becoming a Destroyer due to special gifts that are hidden in their DNA). Reunited with her closest friends, and with the help of her very special "sword", Kitara must realize her unlimited potential to finish what was started centuries ago.

### Buried Goddess Saga

For as long as we have sought god, we have found the goddess. Ruling over the imaginations of humankind's earliest agricultural civilizations, she played a critical spiritual role as a keeper of nature's fertile powers and an assurance of the next sustaining harvest. In *The Goddess*, David Leeming and Christopher Fee take us all the way back into prehistory, tracing the goddess across vast spans of time to tell the epic story of the transformation of belief and what it says about who we are. Leeming and Fee use the goddess to gaze into the lives and souls of the people who worshipped her. They chart the development of traditional Western gender roles through an understanding of the transformation of concepts of the Goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland. They examine the subordination of the goddess to the god as human civilizations became mobile and began to look upon masculine deities for assurances of survival in movement and battle. And they show how, despite this history, the goddess has remained alive in our spiritual imaginations, in figures such as the Christian Virgin Mother and, in contemporary times, the new-age resurrection of figures such as Gaia. *The Goddess* explores this central aspect of ancient spiritual thought as a window into human history and the deepest roots of our beliefs.

### Nubia Rising

A thousand years ago, the Nine Realms burned.....and the gods were driven to the brink of annihilation. To save themselves, a deal was struck with the Fates of Asgard so that all worlds could live on. As part of the bargain, every hundred years, fifty mortal boys and girls are chosen to become "The Favoured." These young men and women will inherit a gods' tremendous powers, using them in service of the Nine Realms. So it has been ever since the Nine Realms were restored. When perfectly ordinary 13-year-old Amanda West is claimed as the fifty-first "Favoured," neither god nor mortal can answer why. This is a tale of action and adventure for any young magician longing to attend Hogwarts; this is the

book for any aspiring hero who thirsts to battle alongside Percy Jackson. If you think you might be one of the chosen... Join Amanda in the land of the Norse gods. Feel the power of Thor, Odin, Freya, and Loki. Become "One of the Favoured!" This YA fantasy debut finds a teenager imbued with the power of a goddess from Norse mythology... A methodically complex series opener that should satisfy Hogwarts fans." - Kirkus Reviews

### The Goddess

This open access book analyzes the evidence linking *Toxoplasma gondii* to the increasing incidence of schizophrenia and bipolar disorder in the United States. Initially establishing that infectious agents are regularly transmitted from animals to humans, lead to human disease, and that infectious agents can cause psychosis, it then examines the protozoan parasite *Toxoplasma gondii* in detail. Infecting 40 million Americans, *Toxoplasma gondii* is known to cause congenital infections, eye disease, and encephalitis for individuals who are immunosuppressed. It has also been shown to change the behavior of nonhuman mammals, as well as to alter some personality traits in humans. After discussing the clinical evidence linking *Toxoplasma gondii* to human psychosis, the book elucidates the epidemiological evidence further supporting this linkage; including the proportional increase in incidence of human psychosis as cats transitioned to domestication over 800 years. Finally, the book assesses the magnitude of the problem and suggests solutions. *Parasites, Pussycats and Psychosis: The Unknown Dangers of Human Toxoplasmosis* provides a comprehensive review of the evidence linking human psychosis in the United States to infections of *Toxoplasma gondii*. It will be of interest to infectious disease specialists, general practitioners, scientists, historians, and cat-lovers.

### The Asgardian Exchange

There is a World not too far Away ... Beneath the north sea a land of magic lies undetected. The lives of many are drawn inexorably closer together in a race against time, as both energy companies and evil beings attempt to destroy the magic which is protecting not just this land but all worlds. The unwitting protagonists have no idea of how suddenly and irrevocably their lives are about to change. It is a race against time to try and recover the lost necklace, Brisingamen, which holds the ancient power of the Goddess Freya, and to prevent the undersea drilling from taking place. Are Aart, Matthias, Gemma and Dirck up to the challenges they now must face? Here there be Dragons, and all manner of Creatures .... PRAISE FOR THE BATTLE FOR BRISINGAMEN: By Tammy Dewhurst of Rabid Readers Reviews: FIVE STARS The author, Harmony Kent, provided me with a copy of this novel in exchange for my review. There are some books that a person reads and knows that the novel they've read, if it were to hit its market, would be a smash. Brisingamen is one of those novels. Deeply complex and intricately plotted, Kent brings the reader something into which a public can really immerse themselves and come out feeling as though they've read, but they've also learned something. If you think this means I loved the novel, you would be wrong. It could be the time in which I read, but I found myself somewhat confused while reading. This is a book that takes focus, and I just didn't have that focus at the time of reading. The novel starts by moving a bit freely in the time stream. We meet Aart - the widower and fisherman, Dirck - the professor looking to discover the ocean's secrets and Gemma - Dirck's lovesick assistant whose biological clock is pounding like a time bomb. Brisingamen, is a necklace that holds the ancient power of a goddess and can keep the humans from drilling for oil and saving the mystical land. Brisingamen is reminiscent of Alice in Wonderland in the respect that the characters are out of their element and fighting to survive. Kent gives the reader mystery, intrigue, sex, action and characters risking their lives for a greater good. Kent's writing is an immersive experience. Brisingamen is a very cleanly written work of fiction. This reader didn't note any errors in formatting or language presentation and believes that this novel could easily hold its own with any entry in the fantasy genre in your local bookstore. The tone is slightly foreign in keeping with a foreign setting but will not ring as false to the ear of a modern reader. This may sound like and in a sense is a rave review. I think a lot of people will really like the style and story. The presentation of the story line lends a reader to think toward popular fiction with deep undertones that seem to educate as read. Kent builds her characters subtly and her story isn't weighed down in exposition. This reader simply found the story hard to follow. This is a story that requires focus and I was not at a point where I could focus. I found myself going back several times to re-read and get a better sense of how the story got to certain points. There are a lot of characters and a lot of mystical lines to draw together. I believe the author successfully did so at the end but couldn't swear that she did. Brisingamen is a prime example of how life sometimes interferes with the perception of art.

### Parasites, Pussycats and Psychosis

In September of 1939, Hulda Schwarz arrives in Minnesota to recover an ancient runestone. A Nordic high priestess, Schwarz believes the stone will contain a revelation from the goddess Freya, who is guiding and blessing the rise of the Third Reich. Albert Frietag is a Dakota County deputy sheriff with ambitions of becoming an FBI agent. He craves adventure, but nothing prepares him for the bizarre events that unfold when Schwarz turns her eye toward his newborn daughter. Schwarz is convinced that Freya desires to possess the child's heart and soul in fulfillment of the runestone's prophecy. Albert's Christian beliefs, and his love for his family, are sorely tested by mysterious visions, dreams, and the apparently supernatural power of the seductive priestess. Will Albert be able to stop her from escaping to Nazi Germany with his daughter? About the Author Alvin Franzmeier is the author of two other novels in the Spiral Bridge Mystery Series that now includes *The Spiral Bridge*, *The Twins*, and *Freya's Child*. He has also written "The First Words of Jesus," along with numerous theological papers, and is editor of the monthly ezine *Reclaiming Our Heritage*. With graduate degrees in theology, church history, and counseling, he has pastored Lutheran congregations in Canada, Minnesota, and Texas, and has presented at conferences and retreats across the United States. He currently devotes his time to writing and research. His wife, Sylvia, and he are the parents of three and the grandparents of six. They reside in Texas and have a second home in Colorado.

### The Battle for Brisingamen

The story continues from *Immortal Journey: Surrender of Ego, Volume Two*. After Najahmara is conquered by invading foreign soldiers, lives are turned upside down. As the Najahmaran priestesses conspire against King Hattusilis, another immortal creature plots against them. With their leader, Niala Aaminah, dead and entombed in the sacred caves, who has the power to fight Kulika, the Sky God? Poisoned by the dwarf Cedalion, Ares is caught in the Shadowland, drifting between the worlds. Grief-stricken, Aphrodite mourns for her beloved, allowing Love's minions to run amuck. Anteros must find the stamina of a warrior and regain control of Love's Realm. Deimos is forced to assume the Mantle of War, and becomes the very thing he hates most: his father. Rebellion begins from within - who will step forward to right these wrongs? This is a novel of mythic proportions, bringing the mortal world of Najahmara, a village of peaceful folk, into a battle between Eternal Love and Endless War. Based on Greek mythology and the reason the old gods existed, many truths are not self-evident, but waiting to be discovered.

### Freya's Child

Have you ever heard of Anansi, the shape-shifting West African spider? Or of Tanuki, the sweet but troublesome raccoon-dog of Japanese folklore? With this encyclopedia as your guide, begin a magical tour of creatures from myths and legends around the world.

### Rise of Rebellion

The processes of new phase formation and growth are of fundamental importance in numerous rapidly developing scientific fields such as modern materials science, micro- and optoelectronics, and environmental science. *Crystal Growth for Beginners* combines the depth of information in monographs, with the thorough analysis of review papers, and presents the resulting content at a level understandable by beginners in science. The book covers, in practice, all fundamental questions and aspects of nucleation, crystal growth, and epitaxy. This book is a non-eclectic presentation of this interdisciplinary topic in materials science. The third edition brings existing chapters up to date, and includes new chapters on the growth of nanowires by the vapor-liquid-solid mechanism, as well as illustrated short biographical texts about the scientists who introduced the basic ideas and concepts into the fields of nucleation, crystal growth and epitaxy. All formulae and equations are illustrated by examples that are of technological importance. The book presents not only the fundamentals but also the state of the art in the subject. *Crystal Growth for Beginners* is a valuable reference for both graduate students and researchers in materials science. The reader is required to possess some basic knowledge of mathematics, physics and thermodynamics.

### Mythopedia

International bestselling author Josephine Angelini concludes her action-packed *Starcrossed* trilogy with *Goddess*—a romantically-charged page-turner that *Newsday* raved was a "clever reworking of Greek mythology." After Helen Hamilton accidentally unleashes the violent gods from their captivity on

Olympus, she and her friends must imprison them before their thirst for war—and blood—take over the world. But the gods' fury already has a body count, and time is running out. With Lucas Delos's life hanging in the balance, and their once-solid group of friends now divided, Helen must face this battle alone, while also deciding who has her heart—Lucas, or the possible Tyrant, Orion. With a masterfully-woven plot and epically-high stakes, the compelling twists and turns in Goddess will leave readers completely spellbound.

#### Crystal Growth For Beginners: Fundamentals Of Nucleation, Crystal Growth And Epitaxy (Third Edition)

First in a New Series!"My name is Kaeleen Donovan. I'm a Theosian—a minor goddess. They call me Fury."By day, I run the Crossroads Cleaning Company, and I also read fortunes and cast hexes at Dream Wardens, a magical consulting shop. But by night, I'm oath-bound to Hecate, goddess of the Crossroads. Hecate charged me from birth with the task of hunting down Abominations who come in off the World Tree and sending them back to Pandoriam. When the Thunderstrike—an ancient artifact from the time of the Weather Wars—is stolen by the Order of the Black Mist, Hecate orders me to find the magical device. The chaos magicians are out to upset the balance that Gaia instilled during the World Shift. But I soon discover that the leader of the Black Mist is out to do more than stir up trouble—he's looking to set up a new world order with himself on the throne. Caught between two rival forces, will my friends and I be able to survive as we search for the Thunderstrike and attempt to stop a war that could bring about the end of the civilization?

#### Goddess

"Ancient gods collide with the modern world when the goddess Freya tries to reclaim her lost power and take down an evil corporation"--

#### Fury Rising

Once part of the Shamrocked Anthology, Goddess of Mine is now the first book in the Celtic Gods Rising Series. Keridwen, a Celtic nature goddess, left everything behind centuries ago to live a simple life in Ireland away from the infighting and power struggles of the gods and goddesses. When she is ruthlessly ambushed by her cousin Morrigan and her werewolves, Keridwen is forced to flee her home in search of help. Poisoned and unconscious, Keridwen is found by a handsome farmer named Quinn, who pledges to nurse her back to health. Pretending to be a mortal, Keridwen stays with Quinn once she realizes that the crops are mysteriously failing and the animals are falling ill. Unsure of what is happening, she reaches out to an old ally to learn that Morrigan has waged war upon Otherworld and the Mortal Realm. Weakened and powerless, can Keridwen protect Quinn's town and all of Ireland from a fiendish plot by the gods and goddess to regain their former power by enslaving the mortals? Can she save the people she has grown to love from the dangers of her world before it's too late? \*Note that this book is intended for Mature Readers due to foul language, sex, and violence.

#### Freya

Every woman could use a little supernatural assistance now and then. With help from renowned psychic Sophia, now you can do as the ancients did and summon the power of a goddess. Need money? Summon Lakshmi, Hindu goddess of wealth and prosperity. Want to advance your career? Call upon Athena, Greek patroness of career women. Having a run of bad luck? Invoke Fortuna, Roman goddess of good luck and help in gambling. For every dilemma, there is a goddess who has the power you seek. Sophia brings the power of the ancients to you in this fun guide designed to help you get what you want out of life. Sophia describes each goddess in detail, listing her sacred color, symbol, element, stone, and scent. She offers a fascinating history of each goddess and her traits, including how she has been worshiped throughout history. Decide which goddess you need, then perform an invocation to summon her powers. Through a visualization exercise, you will "meet" the goddess in a dream. Finally, spells and empowerment charms help you "become" the goddess and bring her aspects into everyday life. With the wisdom of Athena, the prosperity of Lakshmi, and the luck of Fortuna, you can't lose!

#### Goddess of Mine

This collection of Norse-Icelandic mythological and heroic poetry contains the greater narratives of the creation of the world and the coming of Ragnarok, the Doom of the Gods.
