Diplomacy

For a thousand years, being born with magic was a death sentence. Hart and his twin have survived by hiding who they truly were until their time came. It started as a whisper, rumors, but when they find out there truly is a mage uprising, they join the fight, tilting the balance in the mages' favor. The era of magicless mortals has passed in their multi-planetary kingdom. A war has started, and the mages will win it. Hart has lived and breathed for liberating their kind, thinking of nothing else, until Dara. When Dara's deluded father imprisons Kai Lor Hora's ambassador, she knows there will be reprisals. Her world stands at the brink of destruction. She has no love for mages, but trying to help this one escape might just save her family. They're two mortal enemies, who should never have met, and can never go back to a simpler time. Warning: Strands of Starfire is a space fantasy romance series, and each book includes some explicit scenes. Note that this series will only include standalone books.

Reign

They say the fae used to take the most beautiful maidens and make them their brides. They lied. What they do with them is much worse. After the seven lords of Sidhe are massacred in one day, the thrones of the fae realm pass down to their heirs. The Iron Circle remains leaderless, as its true lord lives in another world. The nobles of the realm will find the heir, and they will destroy him. Or her. West, in the Silver Circle, a new lord has taken the throne. A warrior who never hesitates to crush ants for the good of the world. A man whose rule will change the fate of their realms. Melpomene has never known where she came from, and after centuries, she's stopped caring. Until the fae take her, dragging her to a land where bloodlines and power is everything. To survive, she needs to embrace the monster buried inside. Lords of Sidhe is a fantasy romance trilogy. The series is unsuitable for sensitive readers.

King of Ruin

They believed humans were weak; until her. The aliens ruling over the galaxy knew humans were compatible with their species, but they never expected to find a match quite so perfect for their Emperor.

Lena should have been nothing more than an incubator - she was supposed to have the Emperor's child, and then get back to her life. But then, they made the mistake of threatening that child... The Emperor's Mate is a standalone sci-fi romance following three stories - previously published as Rise, Rage, and Rule between 2015 and 2016. It has been re-edited. Expect swear words and some adult situations.

The Emperor's Mate

A power has risen in the lands, a dark shadow no one seems to understand. As the newest Enchantress, Talia knows her duty lies in finding it. But she's failed the bonds of blood once, looking away as her sister was continuously abused; she can't leave while she can be of use to her. Especially since she may never come back. Vincent, the playful, bashful Prince of the Dragon Realm, knows a thing or two about concealing a dark secret behind pretty smiles; he can tell the frighteningly powerful Talia is hiding something, and he fully intends to find out what. To Catch a Prince is book two of the Age of Gold fantasy romance series. Disclaimer: Unlike many fantasy books, To Catch a Prince is NOT a clean read. Expect swear words and adult situations. If you enjoy your books free of f-words, this one isn't for you. To Catch a Prince is a follow up to To Claim a King and ought to be read after the first book. The story of Talia and Vincent ends there but the Age of Gold arch will carry on in the next volumes. Book one: To Claim a King. Book three: To Tame a Rogue. Scheduled Spring/Summer 2018. Spin off - happening simultaneously: Gold and Shadows.

Frostbound Throne

Long ago, in a distant part of the galaxy, two alien races met—and fought a war of mutual extinction. The sole legacy of that war was the weapon that ended it: the death machines, the BERSERKERS. Guided by self-aware computers more intelligent than any human, these world-sized battle craft carved a swath of death through the galaxy—until they arrived at the outskirts of the fledgling Empire of Man. These are the stories of the frail creatures who must meet this monstrous and implacable enemy—and who, by fighting it to a standstill, become the saviors of all living things. This is Saberhagen's classic book length collection of the first eleven Berserker stories. Meet Berserker hunter extraordinaire Johann Karlsen, his evil brother Felipe Nogara, The Third Historian of the Carman Race, gallant fighters of the killer machines and the deranged killer machine, Mr. Jester.

To Catch a Prince

The Sleeping King is the start of a new fantasy series by New York Times and USA Today bestselling author, Cindy Dees. Dees has won a Golden Heart Award, two RITAs for Category Suspense and Adventure and has also twice snared RT's Series Romantic Suspense of the Year. She is a great storyteller, and the adventures in her more than fifty novels are often inspired by her own life. Dees is an Air Force vet-the youngest female pilot in Air Force history-and fought in the first Gulf War. She's had amazing adventures, and she's used her experiences to tell some kickass stories. But as much as she love romances, Cindy's other passion has been fantasy gaming. For almost twenty years she's been involved with Dragon Crest, one of the original live action role-playing games. She's the story content creator on the game, and wanted to do an epic fantasy based on it, with the blessing and input of Dragon Crest founder Bill Flippin. The Sleeping King is the first in an epic fantasy series, featuring the best of the genre: near immortal imperial overlords, a prophecy of a sleeping elven king who's said to be the savior of the races . . . and two young people who are set on a path to save the day. The Sleeping King Trilogy #1 The Sleeping King #2 The Dreaming Hunt #3 The Wandering War At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Berserker

This revealing study considers the remarkable alliance between chemistry and art from the late eighteenth century to the period immediately following the Second World War. Synthetic Worlds offers fascinating new insights into the place of the material object and the significance of the natural, the organic, and the inorganic in Western aesthetics. Esther Leslie considers how radical innovations in chemistry confounded earlier alchemical and Romantic philosophies of science and nature while profoundly influencing the theories that developed in their wake. She also explores how advances in chemical engineering provided visual artists with new colors, surfaces, coatings, and textures, thus dramatically recasting the way painters approached their work. Ranging from Goethe to Hegel, Blake to the Bauhaus, Synthetic Worlds ultimately considers the astonishing affinities between chemistry and

aesthetics more generally. As in science, progress in the arts is always assured, because the impulse to discover is as immutable and timeless as the drive to create.

The Sleeping King

Not Quite the Fairy Tale is a series of paranormal romance written for a mature audience. Expect adult language and naughty stuff. Each book is a stand alone. Silvia Undine, otherwise known as the Sea Witch, has enough of hiding. All she did three years ago was saving a child and his father, but she stands accused of causing the storm that put them in danger in the first place, and as a consequence, has been banished from her seas. Enough of that. Defying the ruler of the seas, she goes back where she belongs. Everything would be peaceful, if it wasn't for the three Kings who fight over, against, and for her. The King of Alenia has taken a wife and Erik of Denker knows it's his turn; after three years spent searching for the one woman who's ever mattered - the one who saved him and his son from drowning - he has to give up and choose an alternative. He does so, tying himself to the first suitable option, just when Silvia steps in his kingdom.

Synthetic Worlds

Only the greatest sacrifice can turn the tide of war. War is brewing in the fifth book of the #1 bestselling Throne of Glass series by Sarah J. Maas. The long path to the throne has only just begun for Aelin Galathynius as war looms on the horizon. Loyalties have been broken and bought, friends have been lost and gained, and those who possess magic find themselves increasingly at odds with those who don't. With her heart sworn to the warrior-prince by her side and her fealty pledged to the people she is determined to save, Aelin will delve into the depths of her power to protect those she loves. But as monsters emerge from the horrors of the past, dark forces stand poised to claim her world. The only chance for salvation lies in a desperate quest that may take more from Aelin than she has to give, a quest that forces her to choose what-and who-she's willing to sacrifice for the sake of peace. Kingdoms collide in this fifth book in the #1 New York Times bestselling Throne of Glass series.

Empire of Storms

THE COURSE OF TRUE LOVE NEVER DID RUN SMOOTH ... WILLIAM SHAKESPEARE What could be sexier than a smoking-hot Russian man built like a brick house? One who is so into you... High on a hot, romantic love affair, young and pretty Kallie Margolis has everything—almost. She has a beautiful house, all the money she needs, and the undivided attention of the most magnificent man she could ever imagine. Only, she doesn't have to just imagine him because Sasha Petrov is gorgeous, larger than life, unbelievable in bed, and very real. Sasha is also the one who unwittingly helped ruin everything Kallie once had, and still she fell for him. He earns his living on the mean streets of Baltimore in ways Kallie doesn't want to know. She turns her head even though she was once a victim of his wicked ways. But their animal need for one another rockets them way beyond all that, and they have the time of their lives as Sasha makes it all up to her. Just when the world could not get rosier, their passion more off the hook, the bottom threatens to drop out. Has Sasha played Kallie for a fool? Is he going to take her for another ride? Or can Kallie trust the sensual bad boy when he says his for love her, not a life of crime, is what drives him? Just About Series: About Love About Truth About Forever

Realm of Darkness

Choosing between Heaven and Hell isn't as easy as it seems, especially when angels hunt you down and demons save your sorry derrière. After nineteen years of being treated like a time bomb by the witches who raised her, Lily Star Morgan tries her luck in the human world. She doesn't fit in, but she's determined to stay, and her decision pays off when gorgeous strangers lead her into a world she never knew existed. A world where she feels she may belong, despite the fact that some would stop at nothing to see her dead. Roth doesn't know what to do with his young, innocent mate, who was raised in the dark about everything she needs to know. Enlightening her about the lies and betrayals woven around her isn't an option, nor can he inform her of the history binding them together; for now, all he can do

is attempt to keep her alive. Although every day with her might just bring him closer to madness. Little Morning Star is a New Adult paranormal romance verging on Urban Fantasy. This is a second version extended in 2020.

A Clash of Kings

When her most closely guarded secrets are laid bare, how will Kira survive the inevitable fall out—and will anybody be standing beside her in the end? Traveling to the planet of Jettie in the hopes of finding safe harbor for her niece, Kira arrives only to find their destination host to the quorum—a series of dangerous contests that hold the power to decide the fate of empires. With little choice but to participate, it doesn't take long for Kira to find herself knee deep in enemies. Surrounded on all sides, Kira will have to face her worst fear. Trusting others with the truth. Because it's becoming clear the tsavitee are no longer content to exist in the shadows. War is coming—and everything Kira thought she once knew is about to change.

About Truth

Mortals fear Absolians. Hate them. They're right to do so. There is no place for weakness in the Kingdom of Fiery Shadows. Power is taken. Conquered. But the real challenge is keeping it. When rumors reach him, suggesting that his elder sister may be alive, Ash, King of Absolia leaves for Farden in secret, only to find that his real enemies might be closer than he thought. Disclaimer: To Tame a Rogue features a polyamorous relationship.

Little Morning Star

Angry gods. Vengeful witches. And in the middle of it all, Jack, half-hunter, half-immortal, full blooded disaster. Cut off from his paternal family since the day he was born, Jack never wanted his devastating abilities. Waking up covered in blood, without any idea of how he got to the heart of Russia, he has to face the fact that the powers he ignored are controlling him. To ensure he doesn't become the kind of creature he would have to hunt down, he needs a spell. If only the best witch for the job didn't hate his guts. Gwen knows the drill in the Institute. Kiss, don't tell. Love them and leave them. But after the hottest night of her life, the jackass doesn't even have the decency of acknowledging her existence. She's done with Jack Hunter, until he turns up on her doorstep, asking for favors. Messing with witches is a deadly game, and Gwen knows how to break all the rules.

Threshold of Annihilation

Accused of consorting with demons in her home town, Xandrie flees, only to find herself in a greater danger. She's a mere human woman, thrust in a brutal tournament pitting vicious dragons females against each other. Yet, she can't find it in herself to give up, as the winner will Claim the throne, and more importantly, the hand of the enticing Dragon King. Age of Gold is a series of fantasy romance novels. The first volume may be read as a standalone. Disclaimer Unlike many fantasy books, To Claim a King is NOT a clean read. Expect swear words and adult situations. If you enjoy your books free of f-words, this one isn't for you.

To Tame a Rogue

They've escaped the destruction of the Court of Night, only to find greater perils awaiting them. A demon has long watched in the shadows, biding his time. Now he's ready to strike, and the likelihood that Devi and Vale can stop him is close to nil. There is only one hope... Court of Sin isn't suitable for sensitive readers.

Wings and Shadowthief

They were almost The Pendletons--after the Pendleton wool shirts favored on chilly nights at the beach--then The Surfers, before being named The Beach Boys. But what separated them from every other teenage garage band with no musical training? They had raw talent, persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade. Following the musical vision of Brian Wilson, the Beach Boys blended ethereal vocal harmonies, searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music. Drawing on original interviews and newly uncovered documents, this book untangles the band's convoluted early history and tells the story of how five boys from California formed America's greatest rock 'n' roll band.

To Claim a King

Some rules are made to be broken. My name is Lucian Luck-but don't let it fool you. Fortune rarely smiles upon me. I've survived my hard-knock existence by the skin of my teeth. When a mistake puts me at death's door, I'm spirited away to Nitehelm's Wilderness Academy for shifters. The Wilds are a carnal place and the academy is no exception. Divided into four houses, the students make the rules-and here, only the strong survive. I can't tell if starting over in this strange world is a blessing or a curse. Yet when three powerful, handsome men from rival houses get their hands on me, I feel my luck start to change. There's only one problem: dating between houses is forbidden. Saber, Renard, and Tiberius are hotter than I can handle, and when we collide, rules are broken and sparks fly. Each of them wants a piece of me, and I'm more than happy to share. But their companionship-and devotion-puts a target on my back. What's worse, I learn my mortal life was a lie-and unsurprisingly, the truth isn't any better. There's a monster inside of me, and if I don't learn how to control it, I can kiss my men and my new life goodbye. INITIATION is the first novella in Xya Olsen's My Harem Academia series. Follow Lucian and his mates as they claim and fight for their happily ever after. This story is filled with love, magic, action, steamy m/m(+) scenes, and features harem and (in later books) mpreg. (Suitable for ages 18+)

Frostbound Throne

Twenty prospective brides. One prince. Who will survive when the competition turns deadly? When Prince Keir of the Court of Dreams sends out a summons in search of a bride, the Wraith King sees a chance to steal the powerful Dragon's Heart. He sends his best thief, Zemira Az Ghul, to penetrate the court as one of the potential brides. All Zemira wants is freedom from the chains that bind her to the king, and if she finds the relic she'll have it. But the Court of Dreams is more dangerous than she ever expected, and Zemira must soon choose between her freedom—and her heart. She's agreed to undertake the Trial of the Broken, a rite of passage every member of her father's House must pass. It offers a path to independence and freedom that is too tempting to deny. Not everyone welcomes this lost daughter of Roake. There are those who fear what her presence might bring to light. Betrayal stalks the halls of Kira's birthplace—its roots embedded deep in the events that claimed her parent's lives and set her on her current path. Walking the wire's edge between truth and deception will test the person Kira has become as she separates ally from betrayer. An old enemy has put into motion a plan that could topple the balance of power in the universe. Letting them succeed spells doom—but the price might be more than Kira is willing to pay.

Initiation

A smuggler running from her past, Mercy desperately wants answers to her mother's disappearance. All roads lead her to the one place she can't return: home. Killers. Thieves. Pirates. Family. Mercy has spent her life evading the Pirate Queen who attempted to murder her as a child. Now, living as a smuggler with the outlawed Talent of telepathy, she keeps her head down, takes jobs that keep her moving, and searches for answers about her mother's disappearance fifteen years ago. But living outside the law has consequences. Tricked and captured, Mercy must choose between two rival factions: the terrorists who will do anything to exploit her gifts for themselves, and the pirates she's been eluding since childhood.

Her only ally is the most dangerous killer of them all, and trusting him may be her final mistake. Star Wars meets Firefly in this space fantasy series readers compare to Ilona Andrews and Nalini Singh.

Thief of Dreams

A new generation of 'heroes' rules the world. Following the power of their forebears, but not their mortals, they threaten innocent lives in their cosmic battles. Now one preacher must bear witness to what comes next, as humanity and its 'gods' clash in a final battle that will change the world forever.

Age of Deception

An Amazon Top 30 Bestseller Yuri...He knew he wasn't looking for anything pure or righteous.He'd never known tenderness, nor did he want to know. It didn't fit with being Bratva.But when he met her, this tiny bundle of woman he almost wished he were different.There was something about her that appealed to something deep inside him.Something he never realized was even there.She had reached down deep into his soul and taken a piece of himself he didn't know was even there.For her, he almost wished he was different.Because now that he had tasted her he wouldn't let her go.Raven...She knew who he was and what he was but she never expected to be drawn to him,She had nothing to offer a man like him.He was one man she never should have met, let alone been allowed to taste.He was everything she'd ever dreamed of and so much more.She knew she should have walked away from him for her own sake.But if she did she'd be nothing more than a shattered soulNote: All books in the Bratva Blood Brother series are standalone, full length super sexy, raw mobster romance novels. They can be read in any order and do NOT contain cliffhangers. It includes lots of steamy scenes, slang, cursing, some violence, dark themes and elements about a fictional Russian mafia. HEA guaranteed. For a limited time, bonus content included.

Pirate Nemesis

Rain's family has summoned her and if she doesn't turn up, they intend to use her little sister in a dangerous ritual. Rain know she can handle the magic. The problem is extracting herself from New Orleans afterwards. Luckily, the alpha female of the Wyvern Pride owes her a favour or ten. When Luke is sent to Nola as one of Rain's bodyguard, his instincts tell him that the witch is far more powerful than she appears to be. One ritual goes wrong, showing him just how right he was.

Kingdom Come

Devi holds the power of all elements in her grasp. Vale can manipulate the minds of those who oppose him. They won't be enough. The bastard son of the last overking has moved to take the throne ruling over the entire Isle, and no army, no power can hope to win against his forces. They have but one option: claim the frostbound throne. Song of Heaven and Ice will complete the Frostbound Throne trilogy.

Yuri

No one was ever born less suited to ruling than Rissa, the thorn of the seelie realm-a half-fae so wild she's spent the better part of a hundred years in the woods. For all her flaws, she's the last of the high court bloodline, and the southern king seems to think that's reason enough to slap a crown on her feathered head. He needs her to unify the seelie forces. She needs him to forget about that nonsense. In an effort to aid her people without condemning herself to a lifetime of misery, she sets off on a journey to find the one person with a stronger claim to the throne than hers: the cursed prince. Sealed in the mountains of the Wilderness, under many spells, the heir of the first seelie queen is the only royal strong enough to protect the fae lands from their immortal invaders. Surviving the untamed tribes and awakening a thousand-year-old prince seem a lot easier than ruling an entire kingdom where everyone hates her very nature. And her choices won't come without consequences.

Magic Pussy

Vivien has roamed the lands of men, elves and dragons alone for twenty lifetimes. Her dark twin is almost all powerful, but Vivien has two weapons in the form of the dashing elven princes at her side: her fated mate, and her sister's. No one said it had to be a fair fight. Turin and Argon think they understand the agenda of the aether goddess tied to their dreams and nightmares. They have no idea what they're up against, or what their companion is capable of doing for the greater good. Gold and Shadow is a fantasy romance standalone.

Frostbound Throne

Essie would do anything for her kingdom...even marry an elf prince she just met that morning. The human kingdom of Escarland and the elven kingdom of Tarenhiel have existed in an uneasy peace after their last wars ended with both kings dead. As tensions rise once again, desperate diplomacy might be the only way to avert war. If only negotiations between elves and humans were that simple. When a diplomatic meeting goes horribly wrong, Essie, a human princess, finds herself married to the elf prince and warrior Laesornysh. Fitting in to the serene, quiet elf culture might be a little difficult for this talkative princess, but she's determined to make it work. With impending war and tenuous alliances, it will be up to Essie to unite her two peoples. And maybe get her hands on elven conditioner while she's at it.

The Cursed Crown

Driven to battle by a maniacal warlord, the once-peaceful Stone Giants of the Storval Plateau threaten to destroy the sleepy town of Sandpoint.

Gold and Shadows

Once upon a time, there was a princess with no notion of right and wrong, and a queen a thousand times more twisted. In the realm of Tenebris, home to the unseelie folk, curses are served for breakfast with a side of betrayal. Vlari was born a threat to Queen Morgana. She survived her wrath because she never stepped out of line. Until one night. One man. One war. Now that she's unchained, Vlari's consumed by a desire to drain the lives of all those around her. And yet her decisions shape the fate of the entire realm of the fae. Sometimes the world needs a hero. In a land of shadows, it might just need a monster. Ruled by Blood is a tale of magic, secrets, and schemes, perfect for fantasy readers who enjoy a dash of romance. This version combines both parts: Wicked Court and Shadow Cursed.

Fierce Heart

Flying the head-of-planet around isn't a job for the faint of heart. Especially not on Faldine, the planet in the Verdant String whose magnetic fields actively fight against technology, bringing down the ships of the unwary or the incompetent. Hana thrives on the challenge, though. Thrives on everything about her job. It keeps her from thinking too much about what happened to her during the war, and what she is becoming. A relationship with the head-of-planet himself, though, is more than she wants to deal with. Iver Sugotti feels like he fell into the role of head-of-planet by default. He knows he's good at the job, and he's enjoying the challenge of making tech work on a planet that eats tech for breakfast, but the one thing he really wants--Hana--seems out of his reach. His pilot has made it clear she's not interested, and he can only respect the boundaries she's set. But when someone wants him dead, he and Hana are plunged into an all-out race for their lives. Iver discovers those closest to him have betrayed him, but also, that his pilot is not as disinterested as she seems. As they try to outwit their enemies, they discover they are far better together than they are apart, and that Hana really is at her best when she's flying high.

Fortress of the Stone Giants

HBO's hit series A GAME OF THRONES is based on George R. R. Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A GAME OF THRONES is the first volume in the series.

Ruled by Blood

The world has learned to fear vampires and forgotten another threat. Before the bloodsuckers rose, the gods had perfected one race of predators. And they've decided to hunt again. Avani was raised in another world, away from the secluded werewolves of Oldcrest, but the Elder Pack was the only place where she could be safe. Until now. In his hundreds of years, Alexius has lived without allegiance, without purpose. But when a wounded, hunted wolf crashes into his life, everything changes.

High Flyer

The vampires have always feared the first of their kind and his descendants. Now all immortals know there's a new Eirikson threatening their way of life. And they don't intend to let her. Catherine Stormhale has spent decades trying to crawl out of her family's shadow. Now they're calling her back home, to serve their clan against her new friends, and she has a choice to make. Bash used to know who he was. A protector. A provider. A huntsman. After being bitten by a feral vampire and turned into a blood-craving thing, he's lost everything. Family, purpose, honor. When students are attacked outside of the Institute, all warriors are called to help secure their borders. Bash and Cat sign up for the same schedule. He's a newborn vampire with no control over his thirst and she, a princess born to this life. Neither knows what they're in for.

A Game of Thrones (A Song of Ice and Fire, Book 1)

A thirst for revenge . . . Ava is committed to vengeance against the man responsible for the death of her parents. The same man, the Queen's Herald, kept her prisoner for two years, until she escaped with Luc, a warlord bent on vengeance just as fierce as her own. He's forged a powerful army of people from all through the region, called the Rising Wave, to march on the Kassian royal family and smash its corrupt power under the weight of their anger. But for Luc, just as for Ava, his true motive is a lot more personal. A hidden magic . . . Luc suspects Ava has magical abilities, suspects he's benefited greatly from them, but he's no stranger to the burdens of power, and he's prepared to let her tell him in her own time-after all, she's his heart's choice and he will give her all the time she needs. Except time is running out for both of them. As they near the Kassian stronghold, forces from within their own camp and without will use every trick they have to stop both Luc and Ava and tear them apart. A secret laid bare . . . Luc knows Ava has a secret she's keeping from him-but what he doesn't realize is she has many. And when those secrets are exposed, everyone will have to grapple with the consequences. Ava is prepared to sacrifice her happiness and even her life to save the Rising Wave and Luc-but she would prefer to use her heart and her head to outwit her enemies instead.

Wickedly They Dance

The dramatic conclusion of the Sleeping King fantasy trilogy by New York Times and USA Today bestselling author Cindy Dees. Their rebellion in tatters, freedom fighters Raina of Tyrel, White Heart healer, and Will Cobb, woodsman turned battle wizard, race to wake the Sleeping King, who is their only hope to end the evil Kothite Empire. The Sleeping King's enemies are awakening and are more powerful than anyone feared. Old enemies will test their allegiance in the coming confrontation between good and evil. As our young heroes face their destinies, one question remains: will their shared loyalties and passion for freedom bring the world a peace that all who are oppressed so desperately desire?
