The World's Greatest Golf Jokes

Great Stories and Adult Jokes. This book makes an excellent gift for the golfer in your family or a relative or friend. These are little known amusing stories about the greats in the game like Arnold Palmer, Jack Nicklaus, and many others. A preview: "Phil Mickelson's dad, Phil Sr., finally gave in to Phil begging to go with his dad to play golf at the Balboa Park Country Club, but his dad didn't think the club would allow a three-year-old on the course. Phil persisted in begging his dad to play and Phil Sr. finally gave in. Three-year-old Phil loved it and moved along the course well except when they came to the 18th hole which Phil didn't want to play since it was the final hole and that meant he couldn't play anymore." Here's a sample joke: There once was a farmer whose wife had died and left him with three beautiful teenage daughters. They lived next to a golf course and many young men who played the course noticed the daughters and many young men sought eagerly to date them. All the young men had heard the beautiful teenage daughters went out on dates with different young men every Saturday. They had their pick of suitors and were choosy but loved it. But, the farmer would stand at the door with his shotgun, making it clear to their suitors he wanted no shenanigans from them. Another Saturday night came around. About 7 p.m., there was a knock on the door. The farmer answered the door with shotgun in hand. The young golfer said, "Hi, my name's Joe. I'm here for Flo. I'm taking her to the show. Is she ready to go?" The farmer thought Joe was very cool and told them to enjoy themselves. A few minutes later, another knock was heard. A second golfer appeared and said, "Hi, I'm Eddie. I'm here for Betty. I'm taking her for spaghetti. I hope she's ready." The farmer laughed and thought Eddie was very cool and told them to enjoy themselves. A few minutes after that, a third knock was heard. "Hi, I'm Chuck..." The farmer shot him. With over 200 pages of humorous golf stories, inspiring quotes from famous golfers, and original golf jokes, this book will chase the blues away and put everyone in a great mood! The Jokes

Fiction. A war veteran has a crisis on a beach. A woman experiences the stopping of time and is humbled and energized. A family takes a trip through Virginia. A college graduate gets a job as a cook on a boat. A little girl selects a gift for her grandmother. A little boy has a halting conversation with his parents before he leaves the house. A woman remembers an affair. A house is struck by lightning. We sit, hunched over the words that appear on our smartphone screens, altogether unaware of the story of our lives that is going on around us, even as we focus on the minutiae of our social media "friends" daily activities. These are the stories that draw our undivided attention, and these are the types of deftly observed, wholly engrossing narratives that make up Stephen Thomas's debut flash-fiction collection, *THE JOKES*. Presented in the form of a series of moments in a social media-like 'feed,' this collection of very short stories riffs on the form of 'the joke,' but as this might be understood by the best culture-critical comedians of our time: Andy Kaufman, Stephen Wright, Norm McDonald, Jon Stewart, Richard Pryor. And much like those stand-up artists who sanctified the joke-form, these stories deal with sometimes-intense subjects, yet with a kind of SSRI-like placidity that allows readers to cling to each word as the narratives unfold. Sad and funny, hopeful and determined, nostalgic and cerebral, the vignettes in *The Jokes* offer a very personal, yet amazingly relatable entry-point into some of the big ideas that trouble our times—religion, sexuality, life and death, and ways of being in the world—all while coloured by touches of weird otherworldliness that living in someone else's social media feed can bring. "Stephen Thomas is a writer who's smart, thoughtful, engaging, but also mischievous, like a little kid who knows he shouldn't misbehave, but does it anyway. His debut collection, *THE JOKES*, feels to me like an absent-minded Lydia Davis trying to write deadpan comedy skits for Cartoon Network's Tim & Eric. It's anti-humour that's actually funny, sketches in which nothing is ever resolved, mini-stories that start at Point A and then seem to forget what they were even talking about. This is a book full of surprises." --Guillaume Morissette "Lydia Davis and Etgar Keret move in together and decide to adopt a son. They settle on Stephen Thomas. He has a pithy style and a funny bone. Years later, at the launch of his book *THE JOKES*, Stephen reads a little story. It packs a novel's worth of material into two short paragraphs. At the back of the room, sipping their red wine, Lydia and Etgar beam." --Neil

Smith "Stephen Thomas writes little stories, but be wary of little things: they punch and expand and bruise and heal and break and reveal; they are revelatory. If you are an addict, the stories in Stephen Thomas's THE JOKES will be your next drug of choice. Not only can you not read just one, you must binge--and so you turn the page, blissful and aching."--Lily Hoang

Why the Long Joke?

This is a very silly book. If that's not your thing, then at least buy it for a wayward niece. Inside, you'll find thousands of ideas: dozens of stories, poems, diagrams, lists and cartoons, along with hundreds of jokes and approximations thereof. Is this the funniest book ever published? Well, that's very nice of you to suggest, but at least read it first. James Thomas, what wrote the book, is the elected President of Twitter. But don't let that put you off. He works hard at this nonsense, and has several other irons (books) in the fire (not literally). Why The Long Joke? is the consequence of several years of throwing away Brilliant Material in favor of Ultimate Stupidity. A difficult process, but as you'll see, the results speak for themselves. Inside you'll find countless nuggets of comedy bronze, including "How to Write a Sentence"; "Edgar Allan Poe Goes to a Music Festival"; and "The Three Letters from Saint Paul to the Venusians." Do not, also, miss the author's original illustrations, such as "Dinosaurs of the Future" and "How to Tell If You're Dead"--they're exactly as useful as they sound.

Winnie's Jokes

Abducted from his mundane existence by the mysterious Gwen, she tells him there are forces seeking his destruction – he has to run or die. Featuring a host of mysterious characters, cheese-on-toast based fast food, alt-right druids and the deadly all-knowing Taffia, Anthracite begins the battle to address the woeful lack of Welsh themed comedy cyberpunk. The fearsome Jones-Corporation might run the world but they have a dirty little secret they don't want to get out. Swansea has never looked more like near-future LA. It's already got the rain.

The irrepressible, hysterical, puntastical Tim Vine, star of stage and screen, treats all of us here in his first joke book. Packed full of zingers and hilarious illustrations, if this doesn't put a smile on your face, nothing will. What's not to like: The other day someone left a piece of plasticine in my dressing room. I didn't know what to make of it. I'm against hunting. I'm actually a hunt saboteur. I go out the night before and shoot the fox. I saw this bloke chatting up a cheetah. He was trying to pull a fast one. Black holes. I don't know what people see in them. So I fancied a game of darts with my mate. He said, 'Nearest the bull goes first.' He went 'Baah' and I went 'Moo'. He said 'You're closest.' Velcro. What a rip-off. Black Beauty. He's a dark horse. I've got a sponge front door. Hey, don't knock it.
