[#John Galt](#) [#Atlas Shrugged](#) [#Ayn Rand philosophy](#) [#individualism objectivism](#) [#self reliance freedom](#)

Discover the profound significance of 'I Am John Galt,' a powerful declaration originating from Ayn Rand's seminal novel, Atlas Shrugged. This iconic phrase embodies radical individualism, objectivist philosophy, and a defiant commitment to self-reliance, challenging societal norms and celebrating the unyielding power of the human mind.

General

John W. Gale

John W. Gale is an example of pioneer life. After his brother, Henry Wallace Gale died in the American Civil War, it was up to John to provide the labor and guidance needed to keep the family farm going. But fate was against him as it was against many during that time. To find out why, read on.

An Oration, Delivered on Tuesday, November 29, 1796, at the Great Room, in Brewer Street, on the Resignation of General Washington, ... by John Gale Jones

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Delve into what it was like to live during the eighteenth century by reading the first-hand accounts of everyday people, including city dwellers and farmers, businessmen and bankers, artisans and merchants, artists and their patrons, politicians and their constituents. Original texts make the American, French, and Industrial revolutions vividly contemporary. ++++ The below data was compiled from various identification fields in the bibliographic record of this title.
