That Ghou! Ava and the Queen of the Zombies

Ava Birch killed herself and woke up a ghoul with an attitude and a hunger for the dead. With no manual and very little help coming from the supernatural community, Ava offers her services to the regional psychic. Her newest job? Apparently zombies have been spotted in a small town nearby. Ava wades in thinking that this job will be a piece of cake...or at least as tasty. Navigating meddling vampires, bothersome witches, and a peculiar case of memory loss...and now her best friend and human companion has up and walked out. Things go from bad to worse when Ava discovers that there is a force behind these recent zombie sightings that may date back to the time of the Black Plague. Sometimes a ghoul would just rather stay in bed...or at least her sound proof basement where nobody can hear you scream.

That Ghou! Ava...on a Roll: Book 6 of That Ghou! Ava

Ava Birch is just your average ghoul next door. It has only been a short while since the lamia was slain, and life has not come close to settling down. With renegade Templars in possession of a powerful weapon that can end her existence, Ava has a lot to worry about these days. So, when a phone call from Texas comes and her services are requested to deal with possible Valkyries infiltrating a roller derby league, Ava does just what you would expect. First she hangs up; then she agrees to come down and do the job. Of course it is never that easy. Morgan also enlists her to finish off the Dallas region's Psychic, Claude Mortier and then hand over the region to a friend and (hopefully) potential ally as the coming war in the Supernatural community looms closer. With Nose Wart the goblin at her side, Ava heads off on her latest adventure... That Ghou! Ava on a Roll.

That Ghou! Ava...on the Lam

Children are being murdered. What's a ghoul to do when the latest job dropped in her lap involves the sudden disappearance and murder of several children in the area? It's not like she doesn't already have enough on her plate; what, with being recently declared Public Enemy Number One by the Templars (an organization of which her roommate and best friend, Lisa Jenkins, is a member), and a problem

involving the neighbor's massive dogs using her lawn as a toilet which is becoming a real issue for the goblin horde living in her basement. When Ava discovers the source of the killing might blow the lid off the Supernatural community, she charges in like she has so often in the past: unprepared. Can she defeat this monster, or will she finally find that she has bitten off more than she can chew? That Ghoulish Ava...on the Lam!

Next on a Very Special That Ghoulish Ava

There comes a time when a ghoul has to grow up and accept her role. Be it hero or villain, Ava Birch is about to make the choices in her life that may shape her future and have a drastic impact on those around her. Secrets will be revealed and a path will be chosen. The question remains...will Ava take it. Tune in and find out... Next, on a very special "That Ghoulish Ava..."

That Ghoulish Ava Sacks the Quarterback

Ava Birch is a ghoul with needs. She is also finding herself in demand more often these days...and not just by the Psychic Morgan. Her reputation for taking care of business in the Supernatural world is spreading. When she is hired to protect the professional quarterback of the local team, she thinks it is going to be just another job. As is so often the case with Ava, she has it all wrong. Events are beginning to unfold around her that indicate this rumored war that has the Supernatural community buzzing hits closer to home than she would like. Also, it looks like there will be no way she can avoid it. Toss in a major change in the relationship between Ava and Morgan...as well as her budding romance with Race Mitchell, a member of the Order of the Templar--a group sworn to eliminate all female ghouls from existence--and it is just business as usual for everybody's favorite ghoul.

That Ghoulish Ava Kicks Some Fairy A**

Ava Birch is a ghoul. Still wading through the world of Supernaturals, she is discovering that daytime soaps have nothing on the drama in her life. Lisa Jenkins, her best friend and human companion, is training to join an organization that tried to eradicate every ghoul on the planet. Morgan, her so-called adviser, continues to answer in as little detail as possible...and now the faeries are causing people to have orgies in the middle of a shopping mall. Welcome to the REAL WORLD of the Supernaturals where all that stuff you read is based on fact.

That Ghoulish Ava Finds an Appetite for Deception

Ava loves her 80s rock. Imagine her surprise when she discovers a thriving Tribute Band scene in Portland! A night out to catch the World's greatest Guns-N-Roses Tribute Band, Appetite for Deception proves to be amazing. It was a perfect night...until a succubus kidnapped the lead singer. Now, Ava has to try and find a way to rescue him before midnight when the demoness will return to the abyss with her prize. Can't a ghoul just enjoy a simple night out? Apparently not.

Torvald Dragon Riders

Three young Dragon Riders. One magical world... This exciting collection includes three complete trilogies set in the dragon-riding world of Torvald. Nine books of breathtaking fantasy adventure, featuring three unforgettable heroes... Neill Torvald is desperate to prove himself to his warlord father—until a chance meeting with a princess places father and son at odds. To unite a fractured kingdom, this reluctant hero must rise to the challenge and lead the Dragon Riders against a rogue sorcerer... High-born Agathe and scruffy Sebastian seem an unlikely pair at first glance. But this duo must forge an unbreakable bond and find the sacred Dragon Stones. Can they defend the realm from an ancient evil—before endless darkness swallows them all? Dragon Rider Saffron's wild and untamed magic is not enough to defeat the evil Dark Mage that threatens Torvald. To fulfill a mystic prophecy, she'll have to help a reclusive heir to a decaying noble house claim his rightful place on the throne... And the fate of the entire kingdom hangs in the balance. Immerse yourself in a world filled with mighty dragons, epic magic, and brave heroes. This collection includes all nine books in Ava Richardson's Torvald Dragon Riders series...

Fanged After Forty Volume 2

Hailey Whitfield is fed up with being told what to do, when to do it, and how she should be going about it. Don't tell her how to live her life. It's time for Hailey to stand up and do what needs to be done. First up, saving her brother if he can be saved. Next, completing the mating bond with Jax, the US vampire leader. After that, who knows? Maybe she'll take on the world. Or at least the vampire council. While she figures out what she's going to do next, Hailey's bond recovery agency, The Bond Girls, is thrown into a skip-trace that pulls at the heartstrings. What are the ladies supposed to do when the skip is being unfairly targeted? They do what's right, of course. Too bad it's not so cut and dry. But Hailey is determined now. She's the master of her destiny, and she'll figure this out, too. This collection includes: Book 4 - Bonded in the Midlife Book 5 - Dominating in the Midlife Book 6 - Wanted in the Midlife

Faery Odd-Mother

Olivia Thompson has lived a big life. Married straight out of high school, she had two kids, went through a messy divorce, but then, she had a second chance. She found love again with one Sam Thompson, Shipton Harbor police officer and all around good guy. Then came Sammie, her late in life son, and a few years later, Ava, her now best friend and partner in crime. Ava changed Olivia's life for the better, introducing her to the world of witchcraft, necromancy, and all sorts of other paranormal goodies. Olivia was always on the outside of it, though, helping her witchy best friend through her supernatural life. Until Olivia discovered that her birth mother is a Fae. And then, shock of her life, she discovered her birth father is none other than Lucifer himself. Or maybe he's Loki. He's been called both. Now, Olivia must come to grips with her new reality, meet her new magical family, all the while keeping her grown kids from losing it over this new development! Is it bad that she's low-key so excited about it all?

Zomblog: The Final Entry

It has been over two years since the dead began to walk. The shattered remnants of civilization continue desperately to try and rebuild society...for better or for worse. As far as Meredith Gainey is concerned, they can do it without her help. Fixated on a mysterious radio message, she sets out on an unlikely adventure. This time she is joined by her dog and an unlikely companion. Eric Grayfeather. On her journey, she will encounter everything that is good and bad about humanity. Everything from a group of children who have no trust left in adults, to an all-female clan who lure men to their doom using themselves as live bait. It's all there, and it only serves to prove Meredith's point that maybe the world would be a better place without humans. As always, she documents her travels, allowing you to see the dead world through her eyes. This is Zomblog: The Final Entry

Ava & Carol Detective Agency

It's Christmas--so why not accept a dare to explore a creepy old haunted house? Fearless best friends Ava and Carol set out to prove that the Butcher house isn't haunted. Only, Carol is pretty sure she saw something inside one of the windows--and moments later, they are chased by a headless monster?! The girls receive an ominous threat: Stay Away or Else! Now, more than ever, the girls are determined to find out who is trying to scare them away. But before they can continue their investigation, a string of mysterious robberies take place. The thieves simply vanish without a trace. Join Ava and Carol as they race against time to track down a headless monster terrorizing the neighborhood, solve the mystery behind the Butcher house and stop a band of ruthless thieves before they strike again!

A Ghoulish Midlife

Widow and empty nester, Ava Harper, never dreamed of turning forty without the love of her life. Nor did she know she would bury her favorite aunt, who raised her after the death of her mother, a few years later. Then again, she doesn't have the power of foresight. No, her powers are much darker. Powers she has kept behind lock and key. With her only son off to college and her life savings depleted, Ava returns home to Shipton Harbor, Maine. She's only there to clean out, fix up, and sell the family home. But like everything in her life in the last five years, things change. Plans get canceled. Arriving in Shipton

Harbor is like stepping into another world. Her high school rival is married to her best friend and is set on making up for every devious thing she did when they were teens. The magic in the house reawakens, making it impossible to sell. It doesn't want new owners, apparently. And to top it all, the sheriff looks like he belongs on the cover of a romance novel. When an old friend of the family turns up dead, Ava must delve deep into the powers she's repressed all her adult life to find the killer. Only a necromancer could've killed her friend. Now she must open up to her own wells of dark magic to find the murderer while working with the hottie sheriff she's sure has his own secrets.

Witching After Forty Volume One

Witching After Forty follows the misadventures of Ava Harper – a forty-something necromancer with a light witchy side that you wouldn't expect from someone who can raise the dead. Join Ava as she learns how to start over after losing the love of her life, in this new paranormal women's fiction series with a touch of cozy mystery, magic, and a whole lot of mayhem. This Volume includes: A Ghoulish Midlife Cookies for Satan (Christmas novella) I'm With Cupid (Valentine novella) A Cursed Midlife A Girlfriend for Mr. Snoozerton (Novella)

A Royal's Touch

Two worlds, two hearts, one desire. For half-fey, half-Royal vampire Ava Gordano, keeping everyone at arm's length has been the only way to protect them. With a vengeful enemy hunting her down, she can't afford to bring anyone into her world, so she is none too pleased when she awakens in a cell along with Marc, a human who stirs feelings she both fears and longs for. Marc has no idea what he's getting himself into, but one thing's for certain—Ava is in danger. While he pushes her to reunite with her estranged family, the desire between them is far too hot and the emotions binding them far too great for either of them to ignore. They may come from two different worlds, but Marc will march through hell and back in order to protect and claim Ava as his own.

Dirk Bogarde

English actor Dirk Bogarde dominated the films in which he starred. Exploring the tension between his matinee idol appeal and his own closeted sexuality, this book focuses on the wide variety of genres in which he worked, and the highly charged interaction between his life and his roles. Beginning with an expose of gay life in post-war Britain and his relationship with partner/manager, Anthony Forwood, each chapter explores Bogarde's performances by genre--his juvenile delinquent movies, his military roles, his contribution to Basil Dearden's overtly gay thriller *Victim* (1961), and his "outsider" roles in such films as *The Servant* (1963), *The Fixer* (1968) and *Despair* (1978). Bogarde's "camp" cinema, espionage thrillers and various roles as artists are also examined, along with the misogyny of the Doctor films and his later television work.

Interpreting Devotion

Devotion is a category of expression in many of the world's religious traditions. This book looks at issues involved in academically interpreting religious devotion, as well as exploring the interpretations of religious devotion made by a sixth century poet, a twelfth century biographer, and present-day festival publics. The book focuses on the female poet-saint K raikk I Ammai y r, whose poetry is devotional in nature. It discusses the biography written on the poet six centuries after her lifetime, and suggests ways of interpreting K raikk I Ammai y r's poetry without using the categories and events promoted by her biographer, in order to engage her own thoughts as they are communicated through the poetry attributed to her. In the same way that the biographer made the poet 'speak' to his present day, the book looks at how festivals held today make both the poetry and the biography relevant to the present day. By discussing how poetry, story and festival provide distinctive yet overlapping interpretations of the saint, this book reveals the selections and priorities of interpreters in the making of a living tradition. It is an accessible contribution to students and scholars of religion, Indian history and women's studies.

Birthday Blunder

Olivia has to throw Drew a birthday party with the help of the magical menagerie. And it all goes wrong. Despite her best intentions, Olivia can't make things happen today. Winston, Ava's semi-aware house, doesn't like the fact that Olivia is there baking while Ava isn't home. Hey, at least Ava can be sure she doesn't need a security system.

Hell

About the Book A bloody war in Europe. A desolate wasteland in the American continent. An over-lording technological superpower, scouting the American wastes they burned for claim; victims of the Chinese-Russian Alliance, risen back to life with unholy superpowers without the mind to withstand them. Follow the surviving Americans as they fight for survival, utilizing the very same hellish abilities that are used against them, persevering through the hellish assault of Infected, CRA soldiers, and something else – something powerful. About the Author Joshua Harrington is currently a junior in high school who resides in Arizona. He is an avid gamer with a large interest in music. Joshua, his siblings, and his parents have moved around the country quite a bit due to his father's career in the military. Prior to this novel, his writing has been primarily third-person, and this is his first writing in the first-person point of view. Witching After Forty follows the misadventures of Ava Harper – a forty-something necromancer with a light witchy side that you wouldn't expect from someone who can raise the dead. Join Ava as she learns how to start over after losing the love of her life, in this new paranormal women's fiction series with a touch of cozy mystery, magic, and a whole lot of mayhem. This Volume includes: Birthday Blunder (Novella) A Haunted Midlife An Animated Midlife Faery Odd-Mother (Novella) A Killer Midlife

The Rock Star of Vampires

Did Hollywood get it wrong? A year after transforming into a mortal vampire, Ava Lilith continues to have a lackluster life. The new dietary requirements and the intensifying of her senses aside, she continues to face unhappiness rather than the glamorous and provocative lifestyle that television and movies would suggest. She then learns of an underground society of immortal vampires, led by the mysterious 'rock star of vampires'. Cloaked in shadow, this Immortal sect controls the major powers of the world - from business and finance to science and politics - all manipulated for personal gain and to keep their existence concealed. Ava finds herself drawn to this secret world where she could live forever and pursue all her dreams. But what will she lose, in order to gain immortality?

A Powerful Midlife

Half-witch, half-necromancer, Ava Harper has finally accepted her destiny, her inheritance, and her insane power. Yet, there is still so much more to learn. And it's time to use it to do some good. Necromancers are being held captive at the vampires' headquarters in Milan. No big deal for our Ava. She's the most powerful necromancer in like... possibly ever? She can handle those fanged suckers. Things go a little crazy and Ava gets some help from a very unexpected ally. Together, the group of friends and ghouls have to free the world from the influence of a couple of very corrupted vampires. That's not to mention the rest of her to-do list: wedding planning, figuring out the souls in the Viking blade, helping Olivia deal with her family's new magic, and don't forget the mess Crystal left with the shifters. It's all going to be okay. Ava is powerful, right? She's got this.

Dead

"The unthinkable has happened. The dead are walking! Humanity's fragile thread may be reaching its bitter end. Individuals and groups struggle to survive... some at any cost. Where there be anybody left? Or, is this just The ugly beginning?"--Back cover.

A Grand Midlife

Ava Walker: Mom, Bonus Mom, almost-mother-in-law, and soon-to-be grandmother! The entire Howe-Harper-Walker clan is through the roof excited for Michelle and Wallie's baby. Nobody more so than Lucy-Fur. In the midst of all the last-minute baby preparations, Zoey faces immense familial challenges of her own. After receiving a mysterious message from her cousin, Zoey goes on a journey to learn about her family and pride. Ava is at her side every step of the way. Not all of the news is good. Ava and Drew are determined to help Zoey and Larry find out what happened to Zoey's parents. Zoey's uncle, a gigantic man with an easy smile, doesn't quite seem to be who he says he is. Could he be hiding some big clue that will help solve the mystery of Zoey's parents' deaths? Only time will tell. Sam and his new psychic powers would be very helpful in digging to the bottom of this if only they could pull

him away from his own family research...With Olivia spending so much time dealing with her family, Ava's support system is rather scattered at the moment. Oh, well, Ava can always call on her friends to help if push comes to shove. After all, what's the point of knowing the ruler of hell, ruler of the vampires, ruler of the hunters, and being the most powerful necromancer in the world if Ava doesn't use those connections?

An Animated Midlife

Ava Harper's resume keeps getting updated. It started with witch, then necromancer, author, bookstore clerk, vampire wrangler, and most recent, medium. Yes, you heard that right, she can talk to ghost. New powers bring more responsibilities and things to add to list of magic she needs to learn. Especially when Ava finds out her mother isn't in a happy place. What else can she do but try to rescue her mother from the in-between place she's been suffering all these years? That doesn't mean it'll be easy. She's going to need the help of all of her team, from her ghoul Alfred to her mischievous cat, Mr. Snoozerton—and his new girlfriend. And Olivia, her best friend, of course. She might even have to call her son home from college for this level of magic. But Ava's life wouldn't be Ava's life if things didn't go a bit awry. Luci tries to help, but just infuriates all of them, as usual. Larry (the skeleton) is still hanging around, and he's lost a finger bone, have you seen it? It might be a lot of hullabaloo, but Ava is determined to figure it out and bring her mother home. And Drew, the town sheriff and Ava's boyfriend is at her side every step of the way and almost every waking hour and sometimes sleeping hour. Could the sheriff be plotting something of his own and try to tame the necromancer/witch hybrid?

A Grave Midlife

Ava Harper is ready to settle into her new life of witchcraft, necromancy, and being a bonded mate. All she wants to do is help her best friend learn about her powers and write her next bestselling book. Unfortunately, new events conspire to keep her on her toes. Wasn't almost dying bad enough? In addition to dealing with the chaos in her personal life, now a group of necromancers want to make sure Ava doesn't abuse her changing power. As she focuses on calming down that drama, a new and separate threat appears out of nowhere to make things more difficult. And all this while trying to plan a wedding. Really, it's all getting deadly depressing. Ava will have to rely on her strength, her family, and her friends to make sure everyone comes out of this alive.

Dominating in the Midlife

Newly mated vampire, Hailey Whitfield has a long to-do list that involves protecting her brother, dealing with newfound powers, and plotting to take over the entire vampire political leadership system. It's not enough that she and Jax have done everything the council asked. Yeah, sure, there were some rocky roads and a little defiance on her end, but they managed it. Still, Soran and Gretchen aren't happy. Something to do with a prophecy about Jax and Hailey being the new power couple that could bring an end to the council. Well, they have a right to be paranoid. Don't mess with Hailey and her tight circle of family and friends. It won't end well. When Hailey and the Bond Girls track down a skip who isn't human, they have decisions to make. But this skip has information Jax and Hailey need to implement their plan for dominating the midlife. Their lives, along with those of the vampire race, are about to change forever.

Wanted in the Midlife

Now that the council has been dealt with, things should be coming up roses for Hailey and Jaxon. Dealing with the corruption within the vampire council was supposed to return their lives to normal, but it turns out nothing is normal in the life of a Bond Girl, and it isn't long before she realizes that downtime isn't in the cards for her or her new extended family. When Jax gets devastating news, he and Hailey will be in the fight of their lives. It turns out hunters know vampires aren't extinct, and witches aren't on their hunting list anymore. And the matriarch of the hunters? She's fierce, not taking any ish, and wants every last vampire dead. Convincing the hunters not to attack, or figuring out how to be stronger, faster, and deadlier than ever, are the only options Hailey and Jax have. When the council puts a bounty on vampire rogues, Hailey's who they'll count on to bring them all in with the help of her trusty friends and brother, who suddenly thinks he's going to be the best bounty hunter the vampire world has ever seen. Yeah, this is going to go well. If that wasn't enough, they still have to figure out what to do about Paige and Claudia, Kendra burning the candle at both ends, and Goldie's missing family. A little shifter has no business being raised by vampires, right? Something clearly has to give, but they're determined that

it won't be them. After all, they're a team, and they're going to face everything together because that's exactly what teams do.

Cookies for Satan

Part-time bookstore clerk, part-time author, necromancer in training, and full-time caretaker of a ghoulish are titles that Ava Harper never dreamed of applying to herself. Even with all the crazy going on around her, she's determined to make this Christmas as normal as possible—without raising the dead or some other fiasco. When her best friend's wife comes up with the idea to throw a community-wide holiday party, Ava is all in. After all, the holidays have been a dark time for her ever since her husband died. This year will be different. She has a new start in life with family and friends, new and old. Then someone has the bright idea to conjure the real Saint Nick to surprise the kids. But the surprise is on Ava when the spell goes wrong and she summons the devil himself. Christmas in Shipton Harbor will never be the same again.

Bela Lugosi and Boris Karloff

Dracula and Frankenstein's Monster are horror cinema icons, and the actors most deeply associated with the two roles also shared a unique friendship. Bela Lugosi and Boris Karloff starred in dozens of black-and-white horror films, and over the years managed to collaborate on and co-star in eight movies. Through dozens of interviews and extensive archival research, this greatly expanded new edition examines the Golden Age of Hollywood, the era in which both stars worked, recreates the shooting of Lugosi and Karloff's mutual films, examines their odd and moving personal relationship and analyzes their ongoing legacies. Features include a fully detailed filmography of the eight Karloff and Lugosi films, full summaries of both men's careers and more than 250 photographs, some in color.

Saved by Darkness

From USA Today bestselling author Leslie Langtry comes the next laugh-out-loud Merry Wrath Mystery! Let the good times roll! It's Spring Break, and ex-CIA agent Merry Wrath decides to take her precocious scout troop to a small town in Louisiana for Mardi Gras. Who Dat, LA is Who's There, Iowa's sister city, so naturally the whole town turns out to greet them with carriage rides, a swamp tour, and a cake party. Unfortunately for them, someone isn't happy they're in town... Bring the big guns—we'll have some fun on the bayou! Strange stories of a local half-gator/half-man, a weird ritual at a voodoo queen's grave, and a tea room filled with taxidermy make Who Dat seem like it's another planet, but Merry's gut tells her there's something unnervingly familiar about this town. Southern hospitality gives way to suspicion when two people are murdered and Merry was the last to see them alive. Is the killer really a vampire, like the police believe? What is their Bed and Breakfast host hiding in the locked third floor? How is Merry going to explain to the girls that they can't name the pelican that follows them around Deep Throat? Merry doesn't have any answers, but when someone close to her is arrested, and a dangerous threat is revealed, she has to find the killer quickly, before Fat Tuesday becomes Fatal Tuesday! The Video Movie Guide 2001

I never considered myself special... far from it. But when my father told me I'm marrying a demon, I did the next best thing. I opted to attend a supernatural academy to escape. Next thing I know, I'm whisked away to a place filled with shifters and vampires. There is no welcome committee with my father being the Master Vampire in town. Instead, I'm an outcast and on everyone's hit list. When I find a dead body in my room, I definitely know I'm in over my head. It seems everyone is set to remind me of my place... including the three devastatingly handsome wolf shifters who are paying me too much attention. And falling for them is asking for trouble when they are my family's direct enemy. I know I should escape, but that's not an option with what is waiting for me beyond the academy walls, so I have to fight for what I want. Fate has a crappy sense of humor, way worse than mine, and it seems my destiny is filled with danger and temptations. Prepare yourself for side-splitting hilariousness and super hot Wolf shifters in this slow-burn romance. Perfect Silence (A DI Callanach Thriller, Book 4)

In 1993, elderly and wealthy Ken MacDonald's young and beautiful second wife goes missing from their home in the acclaimed Shire of Noosa on the Sunshine Coast, Queensland. Her car, a packed suitcase and expensive jewellery disappeared along with her. Twenty five years later and facing imminent death, Ken came to realize that the original police investigation into his wife's disappearance was botched. He now believes that someone in his family was somehow involved. Ken understands it is too late for him to know what really happened. But his obsession to reveal the truth is fixed within his controversial Will. Deeply hidden and disturbing secrets, jealousy and lies will be uncovered beneath the innocence of a family basking in perceived harmony. I loved the book. It's a page turner. I read it all in one day. Pam, Brisbane. I've just finished reading your book. I couldn't put it down. I loved it. Annette, Brisbane. It's a compelling story with great character descriptions. I liked the insertion of the family tree, I did refer to it. The book's a very good read. Wendy, Gold Coast. I was enjoying your book so much that when I was unexpectedly admitted to hospital I insisted that the book come too. Ray, Brisbane.

The House on the Cliff

Necromancer-witch hybrid Ava Harper has accomplished many things in the year since moving back home to Shipton Harbor. She's checking things off a bucket list she never knew she had. Met—and started dating—a hot cop Caught a murderer. More than once. Sent a couple of lunatics to Hades with the help of her devilish neighbor. Visited Paris. Saved a bunch of shifter kids. Animated her cat's girlfriend. Sold her old house and found closure. Discovered her aunt's ghost. Saved her mother's ghost

from a dark evil blob. The list goes on and seems to be never ending. Now Ava is faced with a new entity to deal with. Faeries! Who knew? They've dropped a bombshell on Ava and her best friend Olivia. While they come to terms with all the insanity their lives have thrown their way, Ava gets more news from her mother. Mommy dearest learned some interesting and relevant information while in the Inbetween. She has news about Ava's father that will change the course of Ava's life and take her down another new, exciting path. Will this new thread in Ava's life prove to be more dangerous than she could've dreamed of? Maybe. But it's more likely that the truth about her father will be killer.
