## HOFFNUNG UND TOD (The End 4)

Zehntausende begeisterte Leser! Der ergreifende neue Roman in einer der bekanntesten Dystopie-Serien. "Eine Geschichte mit Wendungen, wie sie überraschender nicht sein können. Ein tiefer Blick in die wahre - die düstere - Seele einer selbstverliebten Nation am Abgrund ihres Seins." Dieses Buch packt den Leser ab der ersten Seite mit seiner atemberaubenden Mischung aus Action, Abenteuer und politischen Intrigen. Im vierten Buch, HOFFNUNG UND TOD, befinden sich die Vereinigten Staaten am Rande der totalen Anarchie im Zuge eines Super-EMP-Angriffs. Gordon Van Zandt und seine Familie haben es geschafft, sich in Sicherheit zu bringen, doch wie stehen ihre Überlebenschancen, wenn ein erbitterter Krieg um Territorien und Macht ausbricht?

----- "Spannend bis zum Schluss." [Lesermeinung]  
"Die Geschichte konsequent und spannend weitergeführt" [Lesermeinung] "Das Buch von Michael Hopf stellt Szenarien dar, wie sie vielleicht in ein paar Jahren wirklich realistisch sein können, beziehungsweise Ausläufer schon geschehen sind. Gerade deswegen ist dieses Buch von Anfang bis Ende fesselnd für den Leser. Man möchte es gar nicht weglegen, weil man Angst hat, in den nächsten Zeilen gleich etwas zu verpassen." ## BLUT, SCHWEISS UND TRÄNEN (The End 5)

Krieg! Alles, was Gordon Van Zandt wollte, war einen sicheren Platz für seine Familie zu finden, nachdem die Zivilisation mit der Detonation einer Super-EMP-Bombe über Nordamerika zu einem abrupten Ende kam. Nach einem leidvollen Weg fand er eine Zuflucht in den Bergen Idahos. Allerdings suchte er dort vergeblich Ruhe, sondern fand sich zwischen politisch hochexplosiven Fronten wieder, denen sein Bruder Sebastian zum Opfer fiel, als er von einem ehemaligen US-Offizier ermordet wurde. Gordon sah sich gezwungen, in einen Krieg zu ziehen, den er nie wollte, wenn seine Familie überleben sollte. Mit Rache im Herzen und einer Armee im Rücken geht er in die Offensive gegen diejenigen, denen er vormals Treue geschworen hatte. Krieg ist die Hölle – und viele werden nun herausfinden,

wie wahr diese Worte sind. Lesen Sie auch: THE END (1) - Die neue Welt THE END (2) - Der lange Weg THE END (3) - Zuflucht THE END (4) - Hoffnung und Tod

### ZUFLUCHT (The End 3)

"Eine Geschichte mit Wendungen, wie sie überraschender nicht sein können. Ein tiefer Blick in die wahre - die düstere - Seele einer selbstverliebten Nation am Abgrund ihres Seins." Die Angriffe zu überleben bedeutet mehr, als sie sich jemals hätten vorstellen können ... Monate, nachdem ein Super-EMP-Angriff die Vereinigten Staaten verwüstete, ist das Land nicht mehr wiederzuerkennen. Alle großen Städte sind in der Hand von marodierenden Banden, während die Überlebenden Hungers sterben und die Regierung machtlos gegen die Gesetzlosigkeit im Land ist. Diejenigen, die glaubten, auf das Ende vorbereitet zu sein, müssen nun feststellen, dass sie niemals vorbereitet waren. Während einige nach Rache dürsten, für die Verluste, die sie erleiden mussten, sind andere entschlossen, die Nation wieder aufzubauen. Gordon, Samantha, Sebastian, Barone, Connor und Pablo - sie alle befinden sich auf verschiedenen Wegen heraus aus dem Chaos, in eine neue Heimat. Sie alle sind auf der Suche nach einer Zuflucht. Das Buch von Michael Hopf stellt Szenarien dar, wie sie vielleicht in ein paar Jahren wirklich realistisch sein können, beziehungsweise Ausläufer schon geschehen sind. Gerade deswegen ist dieses Buch von Anfang bis Ende fesselnd für den Leser. Man möchte es gar nicht weglegen, weil man Angst hat, in den nächsten Zeilen gleich etwas zu verpassen. [Testmania] ----- "Hochspannung pur!" [Lesermeinung] "Klasse Fortsetzung! Wermutstropfen ... veeeeeeel zu kurz, weil so spannend (hätte ruhig doppelt so lang sein können, ach was dreimal so lang!)" [Lesermeinung] "Der 3. Teil ist auch der absolute Hammer." [Lesermeinung]

### The Doll Maker

Detectives Byrne and Balzano return to the streets of Philadelphia to put an end to a macabre succession of murdered children. A quiet Philadelphia suburb. A woman cycles past a train depot with her young daughter. There she finds a murdered girl posed on a newly painted bench. Beside her is a formal invitation to a tea dance in a week's time. Seven days later, two more young victims are discovered in an abandoned house, posed on painted swings. At the scene is an identical invitation. This time, though, there is something extra waiting for Detectives Kevin Byrne and Jessica Balzano: a delicate porcelain doll. It's a message. And a threat. With the killers at large, Detectives Byrne and Balzano have just seven more days to find the link between the murders before another innocent child is snatched from the streets.

### Selina's Way

About the Book Do you have kids? Do you love them? Would you do anything for them? Really anything? Dan Meller once lived in a rundown trailer park. He was an alcoholic, addicted to drugs, and barely able to look after his little daughter, Selina. Today, Dan is clean and sober and seems to have made it. Together with his wife and two daughters, he lives in a pretty house on the outskirts of town, has a job, and only has the best intentions. The little girl from back then is now almost an adult. A pretty young woman. Daddy's pride and joy. And of course he does everything to make up for what he screwed up in the first years of her life. But Selina looks at things a little differently. A dark abyss hides behind her radiant façade, because deep in her broken soul, she is still a neglected toddler. She needs her daddy so much! And Dan will do anything to make his beloved daughter happy. Really anything! You don't want this girl to be your enemy! More than 100,000 enthusiastic readers. Without exception, all of Simone Trojahn's books can be found in the German Amazon Top 20 or in the Top 10 Thriller & Horror Charts. ### Brutal Planet

The experts all anticipated an influenza pandemic, after all these have occurred every ten to fifty years since the sixteenth century. They were just a natural part of being a highly mobile global species. We were ready. A million scenarios on thousands of computers all indicated we had the epidemiology down pat, we were looking for it. It never occurred to anybody that the next biological assault on

humanity would have nothing to do with pigs, chickens or ducks. John Patrick a middle aged biological anthropologist at UMaine Orono whose life is dovetailing into bliss. He finally has a girlfriend, research papers are just flying off his computer and grant money is flowing in. Working isolated in the driest and perhaps oldest desert on Earth, the Atacama, the last thing on his mind is the end of humanity. A poet from the show me state once declared that the end of the world will come with a whimper. He was wrong. It will come with a roar.

### The End of the World Running Club

A powerful post-apocalyptic thriller, perfect for fans of *The End of the F\*cking World*. 'A real find' STEPHEN KING When the world ends and you find yourself stranded on the wrong side of the country, every second counts. No one knows this more than Edgar Hill. 550 miles away from his family, he must push himself to the very limit to get back to them, or risk losing them forever... His best option is to run. ### A.I. Apocalypse

Leon Tsarev is a high school student set on getting into a great college program, until his uncle, a member of the Russian mob, coerces him into developing a new computer virus for the mob's botnet - the slave army of computers they used to commit digital crimes. The evolutionary virus Leon creates, based on biological principles, is successful -- too successful. All the world's computers are infected. Everything from cars to payment systems and, of course, computers and smart phones stop functioning, and with them go essential functions including emergency services, transportation, and the food supply. Billions may die. But evolution never stops. The virus continues to evolve, developing intelligence, communication, and finally an entire civilization. Some may be friendly to humans, but others are not. Leon and his companions must race against time and the military to find a way to either befriend or eliminate the virus race and restore the world's computer infrastructure. Praise for the Singularity Series: "Highly entertaining, gripping, thought inspiring. Don't start without the time to finish — it won't let you go." —Gifford Pinchot III, founder Bainbridge Graduate Institute, author *THE INTELLIGENT ORGANIZATION* "A tremendous book that every single person needs to read. In the vein of Daniel Suarez's *Daemon* and *Freedom(TM)*, William shows that science fiction is becoming science fact." —Brad Feld, managing director Foundry Group, cofounder TechStars "A fascinating look at how simple and benign advancements in technology could lead to the surprise arrival of the first AI. And like all good techno-thrillers, the reality of AI is less than ideal." —Jason Glaspey, *SILICON FLORIST* "An alarming and jaw-dropping tale about how something as innocuous as email can subvert an entire organization. I found myself reading with a sense of awe, and read it way too late into the night." —Gene Kim, author of *VISIBLE OPS*

### Not Forgetting the Whale

When a young man washes up, naked, on the sands of St Piran in Cornwall, he is quickly rescued by the villagers. From the retired village doctor and the schoolteacher, to the beachcomber and the owner of the local bar, the priest's wife and the romantic novelist, they take this lost soul into their midst. But what the villagers don't know is that Joe Haak has fled the City of London fearing a worldwide collapse of civilisation, a collapse forecast by Cassie, a computer program he designed. But is the end of the world really nigh? Can Joe convince the village to seal itself off from the outside world? And what of the whale that lurks in the bay? Intimate, funny and deeply moving, *Not Forgetting the Whale* is the story of a man on a journey to find a place he can call home.

## Skin Medicine

An unspeakable evil is stalking the territory. Civil war veteran and bounty hunter Tyler Cabe, who is tracking a merciless murderer, must find a way to battle something beyond the imagination of living man. "Tim Curran goes hell-bent for leather in this supernatural thriller set in the Wild West, and he scores a big, bloody bullseye. Writing in the rich language of a Dark Angel on hell brewed whiskey, Curran gives us the scariest beasts ever to fork legs over a horse. Skin Medicine is a wild ride into the Dark Frontier." Randy Chandler Author of Bad Juju

## The Age of Uncertainty

The epic, page-turning history of how a group of physicists toppled the Newtonian universe in the early decades of the twentieth century. Marie Curie, Max Planck, Niels Bohr, Werner Heisenberg, Ernst Schro dinger, and Albert Einstein didn't only revolutionise physics; they redefined our world and the reality we live in. In The Age of Uncertainty, Tobias Hu rter brings to life the golden age of physics and its dazzling, flawed, and unforgettable heroes and heroines. The work of the twentieth century's most important physicists produced scientific breakthroughs that led to an entirely new view of physics -- and a view of the universe that is still not fully understood today, even as evidence for its accuracy is all around us. The men and women who made these discoveries were intellectual adventurers, renegades, dandies, and nerds, some bound together by deep friendship; others, by bitter enmity. But the age of relativity theory and quantum mechanics was also the age of wars and revolutions. The discovery of radioactivity transformed science, but also led to the horrors of Hiroshima and Nagasaki. Throughout The Age of Uncertainty, Hu rter reminds us about the entanglement of science and world events, for we cannot observe the world without changing it.

## Those Who Remain

THE FINAL CHAPTER IN THE VAN ZANDT SAGA IS HERE The war between the Republic of Cascadia and the rogue nation Western Canada is raging. With support from President Cruz in the United States, Gordon Van Zandt has assembled a formidable army to march north and engage the forces of Western Canada, who have occupied much of the panhandle of Idaho. Gordon must defeat Jacques and his army swiftly, but to do so requires a final decisive battle. This battle will be do or die for Gordon and his fledgling republic, but is not the only problem Gordon is facing. With much of his attention focused on Jacques, he must also dedicate time to a political war brewing in McCall and Olympia. There he'll discover his adversary is the most cunning and cut throat of any enemy he has ever faced on the battlefield. When it all ends, some who've stood with Gordon will be lost and those who remain pray that their sacrifices will usher in the new world they've been fighting so hard for.

## Pretty Little Things

## The Long Road

The End was just the beginning of the new world... Only six weeks have passed since a super-EMP attack devastated the United States, but already, life has changed dramatically. Most of America has become a wasteland filled with starving bands of people, mobs and gangs. Millions are dead and millions more are suffering, with no end in sight. For Gordon, Samantha, Sebastian, Cruz and Barone, the turmoil and chaos they dealt with in the early weeks after the attack will seem trivial in comparison to the collapse of society that plays out before their eyes. Uncertainty abounds as they all travel different paths in search of a safe place to call home. The only thing that is definite is that The Long Road will take its toll on all of them. For readers of Going Home by A. American, Lights Out by David Crawford, Lucifer's Hammer by Jerry Pournelle and One Second After by William Forstchen

### The Girl With All The Gifts

In Venice, magic is not unusual. Merle is apprenticed to a magic mirror maker, and Serafin—a boy who was once a master thief—works for a weaver of magic cloth. Merle and Serafin are used to the mermaids who live in the canals of the city and to the guards who patrol the streets on living stone lions. Merle herself possesses something magical: a mirror whose surface is water. She can reach her whole arm into it and never get wet. But Venice is under siege by the Egyptian Empire; its terrifying mummy warriors are waiting to strike. All that protects the Venetians is the Flowing Queen. Nobody knows who or what she is—only that her power flows through the canals and keeps the Egyptians at bay. When Merle and Serafin overhear a plot to capture the Flowing Queen, they are catapulted into desperate danger. They must do everything they can to rescue the Queen and save the city—even if it means getting help from the Ancient Traitor himself.

## The Water Mirror

There's nothing moving outside. No cars. No buses. No people. No birds. Nothing. No one. Anywhere. An ordinary man wakes up on an ordinary day to find that he's the only living creature in the entire city. The radio and TV are suddenly filled with white noise, there's no newspaper, the Internet is down and no one's answering the phone. Jonas is the last living being on the planet. What happened? How? Why? And why is he still here? ## 36 Hours

Winner of the International Labor History Award Long before the American Revolution and the Declaration of the Rights of Man, a motley crew of sailors, slaves, pirates, laborers, market women, and indentured servants had ideas about freedom and equality that would forever change history. *The Many Headed-Hydra* recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world. When an unprecedented expansion of trade and colonization in the early seventeenth century launched the first global economy, a vast, diverse, and landless workforce was born. These workers crossed national, ethnic, and racial boundaries, as they circulated around the Atlantic world on trade ships and slave ships, from England to Virginia, from Africa to Barbados, and from the Americas back to Europe. Marshaling an impressive range of original research from archives in the Americas and Europe, the authors show how ordinary working people led dozens of rebellions on both sides of the North Atlantic. The rulers of the day called the multiethnic rebels a 'hydra' and brutally suppressed their risings, yet some of their ideas fueled the age of revolution. Others, hidden from history and recovered here, have much to teach us about our common humanity.

The Pentagon's New Map was one of the most talked-about books of the year - a fundamental reexamination of war and peace in the post-9/11 world that provided a compelling vision of the future. Now, senior advisor and military analyst Thomas P.M. Barnett explores our possible long- and short-term relations with such nations and regions as Iran, Iraq, and the Middle East, China and North Korea, Latin America and Africa, while outlining the strategies to pursue, the entities to create, and the pitfalls to overcome. If his first book was "a compelling framework for confronting twenty-first century problems" (*Business Week*), Barnett's new book is something more - a powerful road map through a chaotic and uncertain world to "a future worth creating."

### Landscapes of Resistance

'That is how it works in the City. Every time you think you know the answer to a question, you discover that the question makes no sense . . .' This is the story of Anna Blume and her journey to find her lost brother, William, in the unnamed City. Like the City itself, however, it is a journey that is doomed, and so all that is left is Anna's unwritten account of what happened. Paul Auster takes us to an unspecified and devastated world in which the self disappears amidst the horrors that surround us. But this is not just an imaginary, futuristic world: like the settings of Kafka stories, it is one that echoes our own, and in doing so addresses some of our darker legacies. In the Country of Last Things is a tense, psychological take on the dystopian novel. It continues Auster's deep exploration of his central themes: the modern city, the mysteries of storytelling, and the elusive and unstable nature of truth.

### In the Country of Last Things

BLOOD, SWEAT & TEARS is Book 5 in the exciting postapocalyptic series, THE NEW WORLD. War! All Gordon Van Zandt wanted was to find a safe place for his family to settle down after civilization came to an abrupt end following the detonation of a super-EMP over North America. Through hardship and loss he found a sanctuary in the mountains of Idaho; however, the realities of the new world again come crashing down when his brother, Sebastian, is murdered by a deranged U.S. Army officer hell-bent on crushing a secessionist movement Gordon had no part of. Forced to take sides in a conflict he sought to avoid, he comes to realize that if his family is to have peace, he'll have to go to war to secure it. With revenge in his heart and an army at his disposal, he goes on the offensive against the very country he once swore an allegiance to defend. President Conner's forceful determination to prevent the country from fracturing only hastened it. Faced with all-out war against the newly formed Republic of Cascadia in the Northwest and with other secessionist movements gaining steam, he discovers he's an isolated man with few options for victory. War is hell and now many will find out how true that is.

In Hector Umbra, Oesterle skilfully employs the stylistic devices of the detective novel and science fiction. He also enriches his abstruse and mysterious adventure by taking critical sideswipes at the widespread dissemination of conspiracy theories, the sensationalism of the media and the fashion fixation of club culture. The focal point of his stories is Hector Umbra, a painter, who goes in search of his friend DJ Osaka, who has suddenly disappeared. Readers will be entranced by this wild and colourful world packed with freaks, villains and aliens.
