Tom Brown's School Days

Heaven is for real, and you are going to like it! Colton Burpo came back from his trip to heaven with a very important message: Jesus really, really loves children. In an effort to reach even more families with this eternally significant story, this runaway bestseller is now told from Colton-kid to kids! Children will receive the same comfort and assurance that so many adults have received from the trade book. Beautifully illustrated under Colton's direction, he shares his experiences in first person and comments on things that will be important to kids. A letter to parents is included to guide them as they talk to their children about heaven. Scripture along with a Q&A section with answers from the Bible are also included in the book.

Ladybird Readers Beginner Level - Thomas the Tank Engine - Thomas and the Water Wheel (ELT Graded Reader)

How can we think more deeply about our travels? This was the question that inspired Emily Thomas' journey into the philosophy of travel. Part philosophical ramble, part travelogue, *The Meaning of Travel* begins in the Age of Discovery, when philosophers first started taking travel seriously. It meanders forward to consider Montaigne on otherness, John Locke on cannibals, and Henry Thoreau on wilderness. On our travels with Thomas, we discover the dark side of maps, how the philosophy of space

fuelled mountain tourism, and why you should wash underwear in woodland cabins... We also confront profound issues, such as the ethics of 'doom tourism' (travel to 'doomed' glaciers and coral reefs), and the effect of space travel on human significance in a leviathan universe. The first ever exploration of the places where history and philosophy meet, this book will reshape your understanding of travel.

The Treasure in the Tower

How much do you know about space? Are you an asteroid expert or a gravity guru? Can you tell the difference between a meteoroid and a meteorite? Would you be able to spot the Pole Star in the night sky? Test your skills with quick quizzes, diagrams, and charts. Power up your space knowledge with answers to your wackiest space questions!

Thomas' Really Useful Word Book

Thomas Wildus thinks he's an ordinary twelve year old, but when a man with gold-flecked eyes gives him an ancient text called The Book of Sorrows, he discovers hidden powers and a secret family legacy. As he tries to unravel the truth, dark forces threaten to end his rise to power and force him to fight for the future of all mankind.

Heaven is for Real for Kids

These six new storybooks are a perfect way to enjoy the adventures of Thomas and his Friends.

The Meaning of Travel

Easy-to-read, lyrical text tells how cautious Thomas gives a ride to a judge who is in a big hurry to get to a train show.

Out of This World!

Thomas is visiting the docks and is amazed at how busy all of his friends are! He wants to help out, but the other engines say they can do it on their own. It takes a big accident for Thomas to be able to prove what a Really Useful Engine he can be. From the Trade Paperback edition.

Thomas Wildus and The Book of Sorrows

From Onjali Q. Rauf, the award-winning and best-selling author of *The Boy at the Back of the Class*, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

Thomas' Busy Day

'Use of magic by teacher strictly forbidden.' Poor Mr Majeika goes to the bottom of the class when the school inspector comes to call. Things don't get any easier when Mr Majeika turns himself into a lobster by mistake. Class Three somehow has to get Wilhemina Worlock to undo the spell...

Go, Train, Go!

Mr Majeika and the School Inspector

From the author of *The Seed Collectors* comes a darkly comic take on power, privilege, and the pressure put on young women to fit in—and be thin—at their all-girls boarding school. It's already the second week of term when Natasha, the daughter of a Russian oligarch, arrives at a vast English country house for her first day of boarding school. She soon discovers that the headmaster gives special treatment to the skinniest girls, and Tash finds herself thrown into the school's unfamiliar, moneyed world of fierce pecking orders, eating disorders, and Instagram angst. The halls echo with the story of Princess Augusta, the White Lady whose portraits—featuring a hypnotizing black diamond—hang everywhere and whose ghost is said to haunt the dorms. It's said that she fell in love with a commoner and drowned herself in the lake. But the girls don't really know anything about the woman she was, much less anything about one another. When Tash's friend Bianca mysteriously vanishes, the routines of the school seem darker and more alien than ever before. Tash must try to stay alive—and sane—while she uncovers what's really going on. Darkly hilarious, *Oligarchy* is *Heathers* for the digital age, a Prep populated with the teenage children of the European elite, exploring youth, power, and affluence. Scarlett Thomas captures the lives of these privileged young women, in all their triviality and magnitude, seeking acceptance and control in a manipulative world.

Trip in the Dark

Tomos lives with his mother, and sometimes her boyfriend. He longs to return to another place, a place he thinks of as home, and the people who lived with him there. And for Cwtch, who he had to leave behind, too. He knows that there are some things he cannot talk about - except to Cwtch - and then, just before Christmas, the difficult things come to a head. There are men outside who want to come in, and his mum has said not to answer the door. From behind his chair, Tomos waits, trying to make himself small and quiet. He doesn't think it's Santa Claus this time. When the men break in, Tomos's world is turned on its head and the adults around him must fight to make it right again.

Thomas the Tank Engine Storybook

This book of over 230 old photographs features the parish of Camborne and district from Victorian times to more recent scenes. The work of many local talented Camborne photographers is featured in this book including W.J. Bennetts, J.C. Burrow, E.A. Bragg, E.J. Champion and W.J. Sandry. The Camborne of today is essentially the product of a thriving nineteenth-century mining community in the heart of the chief industrial area of west Cornwall. Some of Camborne's important industries are featured in the book including the great Dolcoath Mine and Holman Brothers Ltd. The parish is replete with places of worship of every size, type and denomination which are also documented, as well as memorable events, formative years at school and a community in moments of leisure. Some of Camborne's best known individuals are captured too, including William Quintrell the Camborne poet, Organ Joe a familiar character in Edwardian Camborne and Mr A. Edward Dunn, the Liberal candidate in the 1906 General Election. This book will be enjoyed by all who know and love this Cornish town and would enjoy a trip into its past.

Not Thomas

Thomas Dolby is a five-time Grammy nominee, whose 'She Blinded Me With Science' reached number 5 on the US Billboard charts in 1982, appeared in *Breaking Bad*, and was even covered by The Muppets... Based on his meticulous notes and journals, *The Speed of Sound* chronicles Dolby's life in the music business during the eighties; in Silicon Valley through the nineties, and at the forefront of the mobile phone revolution around the turn of the millennium – it was Dolby who created the synthesizer installed today on most mobile phones. With humour and a considerable panache for storytelling, *The Speed of Sound* is a revealing look behind the curtain of the music industry, as well as a unique history of technology over the past thirty years. From sipping Chablis with Bill Gates to visiting Michael Jackson at his mansion or viewing the Web for the first time on Netscape founder Jim Clark's laptop, this is both the view from the ultimate insider and also that of a technology pioneer whose groundbreaking ideas have helped shape the way we live today.

Camborne

For those who think that travel guidebooks are the gospel truth. **WANTED: Travel Writer for Brazil**
QUALIFICATIONS REQUIRED Decisiveness: the ability to desert your entire previous life—including well-salaried office job, attractive girlfriend, and basic sanity for less than minimum wage
Attention to detail: the skill to research northeastern Brazil, including transportation, restaurants, hotels, culture, customs, and language, while juggling sleep deprivation, nonstop nightlife, and excessive alcohol consumption
Creativity: the imagination to write about places you never actually visit
Resourcefulness: utilizing persuasion, seduction, and threats, when necessary, to secure a place to stay for the evening once your pitiable advance has been (mis)spent
Resilience: determination to overcome setbacks such as bankruptcy, disillusionment, and an ill-fated one-night stand with an Austrian flight attendant
As Kohnstamm comes to personal terms with each of these job requirements, he unveils the underside of the travel industry and its often-harrowing effect on writers, travelers, and the destinations themselves. Moreover, he invites us into his world of compromising and scandalous situations in one of the most exciting countries as he races against an impossible deadline.

Fun All Year

The classic ghost story from Penelope Lively, one of the modern greats of British fiction for adults and children alike. When James' family moves to a ancient cottage in Oxfordshire (with grounds that are great for excavations and trees that are perfect for climbing), it doesn't take long for odd things to start happening. Doors crash open and strange signs appear, written in an archaic hand. James soon discovers the culprit: a ghost! It's the spirit of Thomas Kempe, a 17th century apothecary who wants James to be his apprentice. The problem? No one else believes in ghosts. It's up to James to get rid of him... An iconic ghost story for children, *The Ghost of Thomas Kempe* is adored by generations of readers.
