World History in Brief

Emphasizes the major interactions among different peoples and societies. World History in Brief highlights key events in world history, giving adequate treatment to the major issues, while leaving time for analysis and use of supplemental materials for critical thinking. Part of the Penguin Academics Series, the text takes a truly global approach by balancing coverage of individual societies and focusing on forces that cut across them. Students are encouraged to compare societies, assess changes in interactions, and understand global forces such as migration and technological exchange. The 8th edition is tied closely to MyHistoryLab to help save time and improve results. MyHistoryLab icons connect the main narrative to an array of MyHistoryLab resources, including primary source documents, analytical video segments, and interactive maps. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning -- The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Features at the beginning and end of each part help students make connections among the societies examined in the chapters. Engage Students -- "Solving Problems," "History Debates," and "World Profiles" features allow students to approach history from different angles. Support Instructors -- MyHistoryLab, an Instructor's Resource Manual, a Test Bank, MyTest, PowerPoint presentations, a detailed timeline for each period covered in the text, and Class Preparation are available. For volume 1 of this text, search ISBN-10: 0205939368 For volume 2 of this text, search ISBN-10: 0205939422 Note: MyHistoryLab does not come automatically packaged with this text. To

World History in Brief + Myhistorylab With Pearson Etext

This package contains the following components: -020573555X: World History in Brief: Major Patterns of Change and Continuity, Volume 2 (Since 1450) -0136034713: MyHistoryLab with Pearson eText -- for World / Western Civ., 2-semester

World History in Brief

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! With its brief, global (rather than West-centered) approach, World History in Brief, Sixth Edition, seeks to show how different civilizations developed in a global context. Rather than overwhelm students, the chief goal of World History in Brief is to present the big picture, to facilitate comparison and assessment of change, and to highlight the major developments in the world's history. This text also emphasizes the global interactions of major civilizations so that students can compare and assess changes in the patterns of interaction and the impact of global forces such as migration and technology exchange. The compact size of this text gives instructors the opportunity to take advantage of additional supplementary readings.

Supplement

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. 0133828204 / 9780133828207 World Civilizations: The Global Experience, Combined Volume Plus NEW MyHistoryLab with Pearson eText -- Access Card Package Package consists of: 0205206549 / 9780205206544 NEW MyHistoryLab with Pearson eText -- Valuepack Access Card 0205986307 / 9780205986309 World Civilizations: The Global Experience, Combined Volume -- Presents a truly global history This global world history text emphasizes the major stages in societies' different interactions and assesses the development of major societies. Encompassing social, cultural, political and economic history, the authors examine key civilizations in world history. World Civilizations balances the discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact. MyHistoryLab is an integral part of the Stearns/Adas/Schwartz/Gilbert program. An integrated etext and and engaging resources bring history to life for students.

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! With its brief, global (rather than West-centered) approach, World History in Brief, Sixth Edition, seeks to show how different civilizations developed in a global context. Rather than overwhelm students, the chief goal of World History in Brief is to present the big picture, to facilitate comparison and assessment of change, and to highlight the major developments in the world's history. This text also emphasizes the global interactions of major civilizations so that students can compare and assess changes in the patterns of interaction and the impact of global forces such as migration and technology exchange. The compact size of this text gives instructors the opportunity to take advantage of additional supplementary readings.

For U.S. History survey courses This package includes MyHistoryLab® Frame American history through personal and collective journeys The American Journey: A History of the United States traces the journeys -- geographical, ideological, political, and social -- that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the Tenth Edition continues to show that our attempt to live up to our American ideals is an ongoing journey -- one that has become increasingly more inclusive of different groups and ideas. Enhance learning with MyHistoryLab MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MyHistoryLab does not include an eText. The American Journey: A History of the United States, Eighth Edition is also available via REVEL(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. 0134376862 / 9780134376868 The American Journey: A History of the United States, Combined Volume plus MyHistoryLab for U.S. History Survey -- Access Card Package, 8/e Package consists of: 0205999727 / 9780205999729 The American Journey: A History of the United States, Combined Volume, 8/e 0205967779 / 9780205967773 MyHistoryLab for U.S. History Survey Access Card

Out of Many, Volume 1 Plus New Myhistorylab for Us History -- Access Card Package

For courses in world history. A clear, compelling, concise rendering of world history that focuses on societal connections. In an age of growing global interconnectedness, an understanding of diverse world cultures and their histories has never been more essential. Revel (TM) Connections: A World History helps students achieve this understanding with its simple, straightforward narrative that tells the compelling story of the peoples and societies that preceded us and how they shaped the world. The title's concise chapters feature engaging, readable content that focuses on the central theme of connections among world societies. The 4th Edition features over 250 maps, History 360 interactive experiences, and updated interpretations and learnings throughout. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Out of Many, Volume 2 Plus New Myhistorylab for Us History -- Access Card Package

NOTE: You are purchasing a standalone product; MyHistoryLab does not come packaged with this content. If you would like to purchase both the physical text and MyHistoryLab search for 0134167562 / 9780134167565. Connections: A World History, Volume 1 plus MyHistoryLab for World History -- Access Card Package, 3/e. Package consists of: 0133841448 / 9780133841442 Connections: A World History, Volume 1, 3/e 0133861880 / 9780133861884 MyHistoryLab for World History Access Card. MyHistoryLab should only be purchased when required by an instructor. For courses in World History. Connections: A World History introduces students to the far-reaching study of world history in a comprehensible manner that is tailored to meet their diverse needs and interests. This Third Edition strongly emphasizes thematic connections between societies and events, making it easy for new history students to absorb a wide array of details, dates, and events. The title's concise chapters feature engaging, readable content, and avoid bogging students down with unnecessary detail. The authors have provided many visual aids to improve students' comprehension of the material, including over 200 maps. The result is a clear and concise rendering of world history that will appeal to students of all disciplines and backgrounds. Also available with MyHistoryLab. MyHistoryLab for the World History course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyHistoryLab does not include an eText. Connections: A World History, Third Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn.

The American Journey

America : Past and Present integrates the social and political dimensions of American history into one chronological narrative, providing students with a full picture of the scope and complexity of the American past. Written by award-winning historians, it tells the story of all Americans—elite and ordinary, women and men, rich and poor, white majority and minorities. MyHistoryLab icons are paired with images in the text for more thorough integration between the book and online resources. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning — The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking — Learning Objective Questions at the beginning of each chapter and review features ending each chapter help students understand the material. Engage Students — Feature Essays and “Law and Society” essays delve further into high-interest topics and help students understand the themes. These features are found in each chapter of the text and in MyHistoryLab. Support Instructors — MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available.

New Myhistorylab for Western Civilization -- Valuepack Access Card

Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West—how the definition of the West has evolved and has been transformed throughout history. It explores the ways Western civilization has changed as a result of cultural encounters with different beliefs, ideas, technologies, and peoples, both outside the West and within it. Presenting a balanced treatment of political, social, religious, and cultural history, this text emphasizes the ever-shifting boundaries of the geographic and cultural realm of the West. MyHistoryLab is an integral part of the Levack program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning— MyHistoryLab is online learning. MyHistoryLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking—Critical thinking questions throughout the text help students focus on what they need to learn. Engage Students—Fine art and photos engage students in the material. Support Instructors— A full set of supplements, including MyHistoryLab, provides instructors with all the resources and support they need. 0133841286 / 9780133841282 The Western Heritage: volume C Plus NEW MyHistoryLab with eText -- Access Card Package Package consists of: 0205206549 / 9780205206544 NEW MyHistoryLab with Pearson eText -- Valuepack Access Card 0205962394 / 9780205962396 Western Heritage, The: Volume C

Out of Many, Volume 1 Plus New Myhistorylab for Us History -- Access Card Package

Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West—how the definition of the West has evolved and has been transformed throughout history. It explores the ways Western civilization has changed as a result of cultural encounters with different beliefs, ideas, technologies, and peoples, both outside the West and within it. Presenting a balanced treatment of political, social, religious, and cultural history, this text emphasizes the ever-shifting boundaries of the geographic and cultural realm of the West. MyHistoryLab is an integral part of the Levack program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning— MyHistoryLab is online learning. MyHistoryLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking—Critical thinking questions throughout the text help students focus on what they need to learn. Engage Students—Fine art and photos engage students in the material. Support Instructors— A full set of supplements, including MyHistoryLab, provides instructors with all the resources and support they need. Note: MyHistoryLab does not come automatically packaged with this text. To purchase MyHistoryLab, please visit: www.myhistorylab.com or you can purchase a valuepack of the text + MyHistoryLab (at no additional cost).

Out of Many, Volume 2 Plus New Myhistorylab for Us History -- Access Card Package

This access code card gives you access to all of MyHistoryLab's grade-boosting resources! Want a complete e-book of your textbook, too? Buy immediate access to MyHistoryLab with E-Book online with a credit card at www.myhistorylab.com.

The West

America : Past and Present integrates the social and political dimensions of American history into one chronological narrative, providing students with a full picture of the scope and complexity of the American past. Written by award-winning historians, it tells the story of all Americans—elite and ordinary, women and men, rich and poor, white majority and minorities. MyHistoryLab icons are paired with images in the text for more thorough integration between the book and online resources. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning — The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking — Learning Objective Questions at the beginning of each chapter and review features ending each chapter help students understand the material. Engage Students — Feature Essays and “Law and Society” essays delve further into high-interest topics and help students understand the themes. These features are found in each chapter of the text and in MyHistoryLab. Support Instructors — MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available

Visions of America

For U.S. History survey courses. See history. Explore history. Understand history. Visions of America: A History of the United States uses images as primary historical evidence to bring history to life for a generation of visual learners. Emphasizing how key choices and competing visions of America shaped our nation's past, authors Jennifer Keene, Saul Cornell, and Edward O'Donnell help students realize that history is not just an endless list of names and dates, but the fascinating tale of human experience. In addition to updated visuals, the Third Edition includes chapter-level learning objectives tied to a set of learning outcomes for the course, which help instructors evaluate and demonstrate student achievement. Also available with MyHistoryLab® MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Created Equal

For U.S. History survey courses Examine American history through the lens of contested equality Created Equal: A History of the United States frames the American experience as the stories of various groups of men and women, all “created equal” in their common humanity, claiming an American identity for themselves. Presenting a rich historical analysis in a chronological framework, the authors challenge students to think critically about the ongoing struggles over equal rights and the shifting boundaries of inclusion and acceptance that have characterized American history. Updated with the latest data

and statistics, the Fifth Edition covers contemporary issues of inclusion such as marriage equality and the reopening of diplomatic relations with Cuba. Also available with MyHistoryLab® MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Created Equal

For U.S. History survey courses Examine American history through the lens of contested equality Created Equal: A History of the United States frames the American experience as the stories of various groups of men and women, all “created equal” in their common humanity, claiming an American identity for themselves. Presenting a rich historical analysis in a chronological framework, the authors challenge students to think critically about the ongoing struggles over equal rights and the shifting boundaries of inclusion and acceptance that have characterized American history. Updated with the latest data and statistics, the Fifth Edition covers contemporary issues of inclusion such as marriage equality and the reopening of diplomatic relations with Cuba. Also available with MyHistoryLab® MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. The African-American Odyssey

The African-American Odyssey is a compelling story of agency, survival, struggle and triumph over adversity. The authors highlight what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. The text provides accounts of the lives of ordinary men and women alongside those of key African-Americans and the impact they have had on the struggle for equality to illuminate the central place of African-Americans in U.S. history more than any other text.

The American Journey

For U.S. History survey courses Frame American history through personal and collective journeys The American Journey: A History of the United States traces the journeys -- geographical, ideological, political, and social -- that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the Tenth Edition continues to show that our attempt to live up to our American ideals is an ongoing journey -- one that has become increasingly more inclusive of different groups and ideas. Also available with MyHistoryLab® MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. African-American Odyssey, The, Volume 2

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A compelling story of agency, survival, struggle and triumph over adversity More than any other text, The African-American Odyssey illuminates the central place of African-Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. From Africa to the 21st century, this book follows the long and turbulent journey of African-Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African-Americans have sought to counter oppression and racism. This text also recognizes the diversity within the African-American sphere, providing coverage of class and gender and balancing the lives of ordinary men and women with accounts of black leaders and the impact each has had on the struggle for freedom. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Improve Critical Thinking—Features throughout the text encourage students to think critically about the material. Engage Students— Features such as “Voices from the Odyssey” engage students in the material. Note: This is just the standalone book.

The Heritage of World Civilizations

Written by leading scholars in their respective fields, The Heritage of World Civilizations offers compelling and thorough coverage of the unique heritage of Asian, African, Middle Eastern, European, and American civilizations, while highlighting the role of the world's great religious and philosophical traditions.

American Stories

"This is the philosophy behind American Stories: A History of the United States. A single purpose has motivated the creation of this book: to enhance the accessibility of American history and thereby increase students' chances of success. This goal is what brought me to the classroom, and it's one I think I share with you. If American Stories: A History of the United States contributes to achieving this goal, we all-teachers and students-will be the winners"--

African Americans

A compelling story of agency, survival, struggle and triumph over adversity African Americans: A Concise History illuminates the central place of African-Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. It follows the long and turbulent journey of African-Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African-Americans have sought to counter oppression and racism. By the People

"Combined volume" includes both volumes 1 and 2.

The African-American Odyssey

Explores American History through the theme of equality. With its inclusive view of American history, Created Equal, Brief Edition emphasizes social history-including the lives, labors, and legacies of women, immigrants, working people, and minorities in all regions of the country-while delivering the fundamental elements of political and economic history. In the new edition of Created Equal, the authors have preserved the chronological framework and strong narrative thread, the engaging and illuminating stories of everyday people and events, and the Interpreting History features of the previous edition, but have sharpened the presentation, prose, and pedagogy by incorporating additional examples and end of chapter review material.

By the People

Offering a blend of political and social histories, The American Journey shows that our attempt to live up to our American ideals is an ongoing journey one that has become increasingly more inclusive of different groups and ideas. With a goal of making American history accessible, the authors offer a strong, clear narrative and provide students with the tools they need to understand history.

Created Equal

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A compelling story of agency, survival, struggle and triumph over adversity. This text illuminates the central place of African Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. African Americans draws on recent research to present black history within broad social, cultural and political frameworks. From Africa to the 21st century, this book follows the long turbulent journey of African Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African Americans have sought to counter oppression and racism. This text also recognizes the diversity within the African-American sphere, providing coverage of class and gender and balancing the lives of ordinary men and women with accounts of black leaders. The American Journey

" . . . pioneering. . . This history, as Hine vividly depicts it, sheds light on the development of African-American professionals and offers as well the opportunity to analyze the intersection of race and gender." —The Nation " . . . well-researched and innovative . . . Highly recommended." —Library Journal "The book is full of poignant and sympathetic portraits of black nurses in their dedication and idealism, in their pain and anger at the relentless contempt of white nurses and in their deep concern for their community's health needs. . . . Hine has brilliantly fulfilled an aim other historians have neglected . . . " —The Women's Review of Books "This well-researched book adds breadth and depth to the existing literature on the educational and professional history of black nurses, including the development of black hospitals and training schools in the US. . . . Highly recommended." —Choice " . . . an important book not only because it is a serious effort to analyze nursing history in the context of American racism but also because it offers a vantage point on the experiences of black women at work." —Medical Humanities Review "Darlene Clark Hine has written a thoughtful analysis of the struggles of African Americans striving for professional status and recognition. . . . an illuminating study of the interaction of race and gender in the construction of a professional identity." —The Journal of American History This pathbreaking study analyzes the impact of racism on the development of the nursing profession, particularly on black women in the profession, during the first half of this century. Hine uncovers shameful episodes in nursing history and probes the nature and extent of racial conflict and cooperation in the profession.

Black Women in White

A collection of 14 essays by Hine (American history, Michigan State U.) from the past 14 years, covering African-American women's history. Topics include female slave resistance, Black migration to the urban

American Stories

The turbulent history of one of South Carolina's historically black colleges and its significant role in the civil rights movement Since its founding in 1896, South Carolina State University has provided vocational, undergraduate, and graduate education for generations of African Americans. Now the state's flagship historically black university, it achieved this recognition after decades of struggling against poverty, inadequate infrastructure and funding, and social and cultural isolation. In *South Carolina State University: A Black Land-Grant College in Jim Crow America*, William C. Hine examines South Carolina State's complicated start, its slow and long-overdue transition to a degree-granting university, and its significant role in advancing civil rights in the state and country. A product of the state's "separate but equal" legislation, South Carolina State University was a hallmark of Jim Crow South Carolina. Black and white students were indeed provided separate colleges, but the institutions were in no way equal. When established, South Carolina State emphasized vocational and agricultural subjects as well as teacher training for black students while the University of South Carolina offered white students a broad range of higher-level academic and professional course work leading to a bachelor's degree. Through the middle decades of the twentieth century, South Carolina State was an incubator for much of the civil rights activity in the state. The tragic Orangeburg massacre on February 8, 1968, occurred on its campus and resulted in the deaths of three students and the wounding of twenty-eight others. Using the university as a lens, Hine examines the state's history of race relations, poverty and progress, and the politics of higher education for whites and blacks from the Reconstruction era into the twenty-first century. Hine's work showcases what the institution has achieved as well as what was required for the school to achieve the parity it was once promised. This fascinating account is replete with revealing anecdotes, more than sixty photographs and illustrations, and a cast of famous figures including Benjamin R. Tillman, Coleman Blease, Benjamin E. Mays, Marian Birnie Wilkinson, Mary McLeod Bethune, Modjeska Simkins, Strom Thurmond, Essie Mae Washington Williams, James F. Byrnes, John Foster Dulles, James E. Clyburn, and Willie Jeffries.

South Carolina State University

For one/two-semester, undergraduate courses in African-American History, African-American Studies, and United States History. The Media and Research update edition includes a new CD-ROM-bound into every book-- that includes over 150 primary source documents in African American history each accompanied by essay questions. In addition, the CD ROM also contains media-rich activities that

explore key episodes and developments. Finally, free access to Research Navigator is included in the Evaluating Online resources booklet that is packaged with all new copies of the text. With it students can access this powerful research tool with one site. Written by leading scholars, *The African-American Odyssey* is a clear and comprehensive narrative of African-American history, from its African roots to the 21st century. This text places African-American history at the center, and in the context, of American History.

The American Journey

Divine provides a fascinating look at Eisenhower's handling of the early space race--a story of public uproar, secret U-2 flights, bungled missile tests, the first spy satellite, political maneuvering, and scientific triumph. The author re-creates the national hysteria over the first two Sputnik launches and the creation of NASA.

New Myhistorylab -- Standalone Access Card -- for Out of Many

NOTE: You are purchasing a standalone product; MyHistoryLab does not come packaged with this content. If you would like to purchase both the physical text and MyHistoryLab, search for ISBN-10: 0134126874 / ISBN-13: 9780134126876. Please note: this version of MyHistoryLab does not include an eText. *Out of Many: A History of the American People*, Eighth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn.

African Americans, A Concise History Volume 2

Great Ambitions chronicles one of black America's most violent and contradictory eras. For African Americans, stalked by fear, battered by injustice and cruelty, the years from 1896 to 1909 were dark and bloody times. But these years also flashed with courage, hope, and dreams that refused to die.

The African-American Odyssey Media Research Update

The essays assembled in *Crossing Boundaries* reflect the international dimensions, commonalities, and discontinuities in the histories of diasporan communities of colour. People of African descent in the New World (the United States, Latin America, and the Caribbean) share a common set of experiences: domination and resistance, slavery and emancipation, the pursuit of freedom, and struggle against racism. No unitary explanation can capture the varied experiences of black people in diaspora. Knowledge of individual societies is illuminated by the study and comparison of other cultural histories. This volume, growing out of the Comparative History of Black People in Diaspora Symposium held at Michigan State University, elaborates the profound relationship between curriculum and pedagogy. *Crossing Boundaries* embraces the challenge to probe differences embedded in Black ethnicities and helps to discover and to weave into a new understanding the threads of experience, culture, and identity across diasporas. Contributors include Thomas Holt, George Fredrickson, Jack P. Green, David Barry Gaspar, Earl Lewis, Elliott Skinner, Frederick Cooper, Allison Blakely, Kim Butler, and Rosalyn Terborg-Penn.
