Azincourt

An extraordinary and dramatic depiction of the legendary battle of Agincourt from the number one historical novelist

Azincourt

After the Siege of Soissons, Nicholas Hook, and English archer and outlaw, is enrolled in the archer company of the doughty Sir John Cornwaille, a leader of Henry V's army. Sickness and the unexpected French defiance at Harfleur reduce the once surperb army to near-shambolic condition. Henry stubbornly refuses to accept defeat and, in appealing weather, leads his shrunken force to what appears to be inevitable disaster - the Battle at Azincourt.

Three Great English Victories: A 3-book Collection of Harlequin, 1356 and Azincourt

On the eve of the 600th anniversary of the Battle of Azincourt comes three classic battle books of The Hundred Years War by the bestselling master of historical fiction, Bernard Cornwell, in one three-book collection for the first time.

Agincourt

Slaget ved Agincourt i 1415 er et av verdenshistoriens mest berømte, og er udødeliggjort i Shakespeares skuespill Henrik V. Den engelske hæren vant over en fransk hær som var seks ganger større enn den. Kong Henry V var urokkelig i troen på at Gud var på hans side og nektet å gjøre retrett selv når all fornuft tilsa det. Heltene var de engelske langbuemennene, selve ryggraden i Henrik Vs hær og hans hemmelige våpen. I Agincourt følger vi Nicholas Hook, en bueskytter som ofte befant seg i trøbbel hjemme i England, men som ble en av Henry Vs beste krigere. Bernard Cornwell kalles mesteren av historiske romaner, med mer enn 20 millioner solgte bøker.

The Burning Land

The latest in the bestselling Alfred series from number one historical novelist, Bernard Cornwell.

The Fort

'Captivate, kill or destroy the whole force of the enemy' was the order given to the American soldiers. THE FORT is the blistering novel from worldwide bestseller Bernard Cornwell.

Harlequin (The Grail Quest, Book 1)

It was the time when the English came across the Channel to take the battle to the French.

Waterloo: The History of Four Days, Three Armies and Three Battles

The Sunday Times Number 1 Bestseller 'A fabulous story, superbly told ... cannot be bettered' Max Hastings 'Some battles change nothing. Waterloo changed almost everything.'

Heretic

Having spent three years fighting in the Hundred Years' War, archer Thomas of Hookton continues his search for the Holy Grail but discovers that his homeland has been torn by deadly rivalries, religious conflicts, and the Black Death

The Archer's Tale

From New York Times bestselling author Bernard Cornwell, the first book in the Grail Series—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. A brutal raid on the quiet coastal English village of Hookton in 1342 leaves but one survivor: a young archer named Thomas. On this terrible dawn, his purpose becomes clear—to recover a stolen sacred relic and pursue to the ends of the earth the murderous black-clad knight bearing a blue-and-yellow standard, a journey that leads him to the courageous rescue of a beautiful French woman, and sets him on his ultimate quest: the search for the Holy Grail.

Death of Kings (The Last Kingdom Series, Book 6)

1356

Go with God and Fight Like the Devil. The remarkable new novel by Britain's master storyteller, which culminates at the Battle of Poitiers.

Agincourt

"Two armies face off across a sodden plateau in northeastern France, each waiting for the other to make the first move. On one side are the English, suffering from dysentery and starvation, their numbers devastated. Arrayed against them is a rested and well-fed French army, a sea of burnished armor and menacing weaponry primed to slaughter the foolish invaders. Nevertheless, the charismatic and brilliant English king, twenty-eight-year-old Henry V, defies conventional military wisdom and leads his "band of brothers" forward. His troops are outnumbered six to one." "What follows is one of the most remarkable battles in history, celebrated for almost six centuries as the classic triumph of the underdog in the face of seemingly insurmountable odds. Immortalized by Shakespeare and by contemporary historians, the battle of Agincourt has been embellished and edited by the quill of unbridled nationalism. Now, drawing on a wide range of primary sources and original research, medievalist Juliet Barker casts aside the myth and shows us the truth behind Henry's invasion of France and the showdown at Agincourt. She paints a narrative of the entire campaign, from the preparations to the reaping of the spoils. We are there in the English camps as common men struggle to secure buckles and laces with numb fingers; in the French front lines as petulant noblemen squabble over positions in the vanguard; and in the deep mud as heavily armed knights stumble and struggle under a barrage of arrows so thick and fast that it darkens the skies." "Barker also takes us beyond the battlefield to bring into focus the dynamics of medieval life in peace and war. We meet ordinary and extraordinary people such as Margaret Merssh, a female blacksmith who forges arms in the Tower of London; Lord Grey of Codnor, who pawns his own armor to pay his soldiers' wages; and Raoul de Gaucourt, the gallant French knight who surrenders himself into English custody simply because the code of chivalry compels him to do so."--BOOK JACKET. Also

includes information on archers, armour, chivalry, coats of arms, gunpowder, heralds, horses, knights, men at arms, prisoners, ships, tournaments, Tower of London, wine, women, etc.

Gallows Thief

1820s Britain: after the wars with France, when unemployment was high and soldiers could be paid off, when the government was desperately afraid of social unrest, any crime was drastically punished and thousands were hung. But one could petition the King and an investigation might ensue...

L'arciere di Azincourt

«Bernard Cornwell è davvero insuperabile.» Lee Child «Il più grande scrittore contemporaneo di romanzi storici.» The Washington Post Può, chi nasce sotto una cattiva stella, sfidare la sorte e vincere? Può, un solo uomo, tener testa a un intero esercito e cambiare l'esito di una guerra? Quella di Azincourt è una delle battaglie più famose della storia, teatro di uno scontro disperato tra l'esercito inglese e quello francese. Era il 25 ottobre 1415. Per gli inglesi rappresentò una straordinaria vittoria, che assunse dimensioni epiche molto prima che Shakespeare la immortalasse nel suo Enrico V... Nicholas Hook è un arciere inglese di umili origini che, per salvarsi da una condanna a morte, parte come mercenario per difendere Soissons, la città in mano al duca di Borgogna. Le informazioni che riporta in patria sulle atrocità dell'assedio, unite alla sua abilità nel combattere, gli fanno guadagnare credito presso re Enrico V, che lo vuole con sé nella campagna diretta alla conquista della corona francese. Là, sulla piana di Azincourt, i nemici, in netta superiorità numerica, verranno sconfitti in una battaglia nella quale Hook avrà un ruolo cruciale. Dal maestro del romanzo storico Bernard Cornwell, che ha appassionato tanti lettori nel mondo con le sue popolari serie, un'opera che rappresenta un unicum nella sua produzione: una vicenda costruita su una rigorosa documentazione, capace di far rivivere in tutta la sua realtà una delle battaglie più drammatiche della storia.

Agincourt

Agincourt took place on 25 October 1415 and was a turning-point not only in the Hundred Years War between England and France but also in the history of weaponry. Azincourt (as it is now) is in the Pas-de-Calais, and the French were famously defeated by an army led by Henry V. Henry V's stunning victory revived England's military prestige and greatly strengthened his territorial claims in France. The exhausted English army of about 9,000 men was engaged by 20,000 Frenchmen, but the limited space of battle favoured the more compact English forces. The undisciplined charges of the French combined with the exceptional skill of the English archers contributed to a pivotal moment in European warfare. Not more than 1,600 English soldiers died; the French probably lost more than 6,000 men. Juliet Barker's shimmeringly brilliant narrative commemorates and analyses a canonical battle in British history.

Sword Song (The Last Kingdom Series, Book 4)

Sharpe's Fury

From New York Times bestselling author Bernard Cornwell, the eleventh installment in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam. In the winter of 1811, the war seems lost. Spain has fallen to the French, except for Cadiz, now the Spanish capital and itself under siege. Inside the city walls an intricate diplomatic dance is taking place and Richard Sharpe faces more than one enemy. The small British force is trapped by a French army, and their only hope lies with the outnumbered redcoats outside refusing to admit defeat. There, in the sweltering horror of Barrosa, Sharpe will meet his old enemy Colonel Vandal once again.

Excalibur

Arthur seeks peace, with the aid of his sword Excalibur ... After rebellions and betrayals by those he believed loved him most, Arthur looks at his most weak. His Saxon enemies decide to strike before he

regains his strength, plunging Britain into war. It will require all Arthur's leadership and military cunning to win this last battle. But in this final struggle of the warlord, the intrigues of Mordred, now the adult heir to the throne of Britain, and the dark magic of the priestess Nimue could conspire to bring about Arthur's downfall. Even his trusty blade Excalibur may not be sharp enough to save him.

Sharpe's Regiment

Mia Price is a lightning addict. She's survived countless strikes, but her craving to connect to the energy in storms endangers her life and the lives of those around her. Los Angeles, where lightning rarely strikes, is one of the few places Mia feels safe from her addiction. But when an earthquake devastates the city, her haven is transformed into a minefield of chaos and danger. The beaches become massive tent cities. Downtown is a crumbling wasteland, where a traveling party moves to a different empty building each night, the revelers drawn to the destruction by a force they cannot deny. Two warring cults rise to power, and both see Mia as the key to their opposing doomsday prophecies. They believe she has a connection to the freak electrical storm that caused the quake, and to the far more devastating storm that is yet to come. Mia wants to trust the enigmatic and alluring Jeremy when he promises to protect her, but she fears he isn't who he claims to be. In the end, the passion and power that brought them together could be their downfall. When the final disaster strikes, Mia must risk unleashing the full horror of her strength to save the people she loves, or lose everything.

Sharpe S Tiger

Part of the series describing Sharpe's experiences in India, this title depicts the 1799 campaign against Seringapatam that made the British masters of southern India, a campaign that pitted brutalized soldiers against an ancient and splendid civilization. It is set against dazzling wealth, poverty, gorgeous palaces, cruelty, and pitiless battles.

Sharpe's Honour

Bold, professional, ruthless, hero and man of action 'Reluctantly, pain in his eyes, Pakenham looked at Sharpe. "Is there anything else you have to say?" Sharpe looked back defiantly. "Permission to die in my Rifleman's jacket sir." "Denied." Pakenham looked as if he wanted to add that Sharpe had disgraced his uniform, but the words would not come. "These proceedings are over." He stood, and Sharpe was led from the courtroom, his hands tied, condemned to the gallows.' Burdened under the weight of grief and guilt for actions in the past, Sharpe must lead his men in to battle once more. Victory depends on the fragile relationship between England and Spain being maintained at all costs. But this is war, and the French Intelligence officer, Pierre Ducos in an unholy alliance with the Spanish inquisitor, and his brother, the sinister Slaughterman, is determined to win for France by any method, and central to his plan is the death of Richard Sharpe. When the manipulative spy La Marquesa enters the fray, violence meets deadly intrigue and Sharpe finds himself a fugitive, hunted by foe and ally alike. Soldier, hero, rogue - Sharpe is the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles whose green jacket he proudly wears.

Now is the Time

In this gripping novel, Melvyn Bragg brings an extraordinary episode in English history to fresh, urgent life. At the end of May 1381, the fourteen-year-old King of England had reason to be fearful: the plague had returned, the royal coffers were empty and a draconian poll tax was being widely evaded. Yet Richard, bolstered by his powerful, admired mother, felt secure in his God-given right to reign. But within two weeks, the unthinkable happened: a vast force of common people invaded London, led by a former soldier, Walter Tyler, and the radical preacher John Ball, demanding freedom, equality and the complete uprooting of the Church and state. And for three intense, violent days, it looked as if they would sweep all before them. Now is the Time depicts the events of the Peasants' Revolt on both a grand and intimate scale, vividly portraying its central figures and telling an archetypal tale of an epic struggle between the powerful and the apparently powerless.

Silk Road

The Holy Land, 1260. Josseran Sarrazini is chosen to escort the Pope's emissary on an embassy to the all-conquering Mongol horde in an effort to save all Christendom from destruction. But although he serves as a Templar warrior, Josseran is not all that he appears to be - and he despises the Pope's man on sight. Now they have to spend nine months in each other's company on the most dangerous and most inhospitable journey on the earth - across the legendary deserts of Persia, through the horrific black hurricanes of the Taklimakan, along the entire spider's web of the Silk Road to Khubilai Khan's legendary capital at Xanadu. When he sets out, Josseran cannot know then that he will never see Christendom again. Meanwhile, somewhere near the Roof of the World, a Tatar princess possessing a gift for prophesy, defies her father's attempts to marry her off to the sons of other tribal chiefs. She does not belong in her world any more than Josseran belongs in his. Now fate will bring their paths on a collision course somewhere on the Silk Road and change the course of her life, and Josseran's, forever. From the Storehouse of Winds to the Palace of Myriad Tranquillities, from the Pamirs and Hindu Kush to the legendary Xanadu and the dazzling court of Khubilai Khan, this is romance and adventure on a breath-taking scale.

Agincourt

The third installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series. The year is 878. Uhtred, the dispossessed son of a Northumbrian lord, has helped the Saxons of Wessex defeat the invading Danes. Now, finally free of his allegiance to the victorious, ungrateful King Alfred, he is heading home to rescue his stepsister, a prisoner of Kjartan the Cruel in the formidable Danish stronghold of Dunholm. Uhtred's best hope is his sword, Serpent-Breath, for his only allies are Hild, a West Saxon nun fleeing her calling, and Guthred, a slave who believes himself king. Rebellion, chaos, fear, and betrayal await them in the north, forcing Uhtred to turn once more, reluctantly, to the liege he formerly served in battle and blood: Alfred the Great.
