Witchfather: From Witch Cult to Wicca

A Life of Gerald Gardner Volume 2. From Witch Cult to Wicca by Philip Heselton From the author of the highly acclaimed "Wiccan Roots"

Wicca

The past century has born witness to a growing interest in the belief systems of ancient Europe, with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world. By far the largest and best known of these Paganisms has been Wicca, a new religious movement that can now count hundreds of thousands of adherents worldwide. Emerging from the occult milieu of mid twentieth-century Britain, Wicca was first presented as the survival of an ancient pre-Christian Witch-Cult, whose participants assembled in covens to venerate their Horned God and Mother Goddess, to celebrate seasonal festivities, and to cast spells by the light of the full moon. Spreading to North America, where it diversified under the impact of environmentalism, feminism, and the 1960s counter-culture, Wicca came to be presented as a Goddess-centred nature religion, in which form it was popularised by a number of best-selling authors and fictional television shows. Today, Wicca is a maturing religious movement replete with its own distinct world-view, unique culture, and internal divisions. This book represents the first published academic introduction to be exclusively devoted to this fascinating faith, exploring how this Witches' Craft developed, what its participants believe and practice, and what the Wiccan community actually looks like. In doing so it sweeps away widely-held misconceptions and offers a comprehensive overview of this religion in all of its varied forms. Drawing upon the work of historians, anthropologists, sociologists, and scholars of religious studies, as well as

the writings of Wiccans themselves, it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft.

Her Hidden Children

A history of wicca and neopaganism in the United States focusing on the post-WW II period.

Wicca

My name is Rose MacEwan. The year is 1682. It's a hard time to be a witch. And an even harder time to be a Wodebayne. But now that I have found my soulmate, I feel almost safe. I will do anything to keep him. Pity the witch who comes between me and my true love. Seventeen -year-old Morgan is finding out about her wiccan ancestry - but how will this affect her future . . . and her love for Hunter?

Living Witchcraft

This is the only ethnography of a living community of witches in the United States. Ravenwood, based near Atlanta, is one of the largest American covens and has supported and encouraged this research through to publication. Of unprecedented importance in clearing the name of witchcraft, the leader of the coven is a civil rights activist, still dedicated in her wiser years to the individual's right to freedom of religion. A must read in women's studies, shamanism, comparative religion and American studies.

Magic and Witchery in the Modern West

This book marks twenty years since the publication of Professor Ronald Hutton's *The Triumph of the Moon*, a major contribution to the historical study of Wicca. Building on and celebrating Hutton's pioneering work, the chapters in this volume explore a range of modern magical, occult, and Pagan groups active in Western nations. Each contributor is a specialist in the study of modern Paganism and occultism, although differ in their embrace of historical, anthropological, and psychological perspectives. Chapters examine not only the history of Wicca, the largest and best-known form of modern Paganism, but also modern Pagan environmentalist and anti-nuclear activism, the Pagan interpretation of fairy folklore, and the contemporary 'Traditional Witchcraft' phenomenon.

The Triumph of the Moon

A fully updated new edition of Ronald Hutton's classic history of modern pagan witchcraft, published to mark the twentieth anniversary of this landmark text. *Triumph of the Moon* presents an authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood.

The Witch-Cult in Western Europe

The Witch-Cult in Western Europe is an anthropological book by Margaret Murray in which she developed her theory about witches, also known as the witch-cult hypothesis. The theory suggests that the witch trials of Early Modern Christendom were an attempt to extinguish a surviving pre-Christian, pagan religion devoted to a Horned God.

Being a Pagan

More than 60 pagan leaders and teachers describe in their own words what they believe and what they practice. • Addresses how Pagans view parenting, organized religion, and politics. • Introduces the wide range of possibilities within the neo-Pagan movement. • By Ellen Evert Hopman, author of A Druid's Herbal for the Sacred Earth Year; Walking the World in Wonder: A Children's Herbal; and Tree Medicine, Tree Magic. Who are the pagans and what do they stand for? Why would some of the members of the best educated, most materially comfortable generation of Americans look back to mystical traditions many millennia old? During the last few decades, millions of people have embraced ancient philosophies that honor Earth and the spiritual power of each individual. Ways of worship from sources as diverse as the pre-Christian Celts, ancient Egypt, and Native American traditions are currently helping their followers find meaning in life while living in the Information Age. In this book Pagan leaders and teachers describe in their own words what they believe and what they practice. From Margot Adler, an NPR reporter and author of Drawing Down the Moon, to Isaac Bonewits, ArchDruid and founder of a modern neo-Druidic organization, those interviewed in this book express the rich diversity of modern Paganism. Hopman's insightful questions draw on her own experiences as a Pagan and Druid as well as on her extensive research. With coauthor Lawrence Bond, she examines how Pagans address such issues as parenting, organized religion, and politics. The resulting dialogues illuminate the modern Pagan revival.

Trials of the Moon

The 'creation myths' of modern witchcraft and Paganism were decisively toppled at the turn of this century in Ronald Hutton's celebrated book, Triumph of the Moon. But did Hutton topple more than just myths? Are some truths also hidden in the rubble? Did paganism really die out centuries ago? Was witchcraft really no more than a fantasy? Were the Gods of Wicca really born out of the Romantic movement? Did Gerald Gardner lie about his initiation into witchcraft? Ben Whitmore has retraced many of Hutton's steps, critically evaluating the evidence, and he now suggests that the truth may be quite different and even more fascinating. Drawing on a wealth of scholarly material, Whitmore demonstrates that the field of Pagan history is anything but barren ground - it is rich and fertile, and we have barely begun to cultivate it.

Witchcraft

Witchcraft: A Secret History unravels the myth from the mystery, the facts from the legends. Meet all the witches of your imagination and discover the meanings of their rituals and rites, their lore, and their craft. Discover the significance of their sabbats and covens, their chalices and wands, their robes and their religion. Introduction to Pagan Studies

A text on the academic study of contemporary wicca and paganism throughout the world.

Magical Religion and Modern Witchcraft

Provides an overview of neo-paganism from the Goddess to magic and rituals, from history and ethics to the relationship of neo-paganism to Christianity.

The Dark Wind

The Dark Wind provides a survey of witches around the world, their prehistoric origin and how society has viewed them throughout history. Folklorist Gary R. Varner explores the use of magic, spells and curses among indigenous groups as well as state approved religions such as those observed in

ancient Rome and Greece, and how even contemporary Christianity uses many of the same "magic" combinations. Also examined is the current "witch craze" in several countries where thousands are being killed as witches, the underlying reasons for this tragedy and the history of anti-witchcraft laws. The Dark Wind is a book for everyone interested in anthropology, archaeology, ancient history, religion and the occult. Illustrated with contemporary woodcuts and drawings. The author is a member of the American Folklore Society and the Foundation for Mythological Studies.

Re-riting Woman

Re-riting Woman presents the first in-depth ethnographic study of Dianic Wicca. Its subject, Circle of Aradia, is a branch of the religion based in the Los Angeles area. This religion-of, by, and for women-conceives the Divine as exclusively female, and has infused feminism into Wicca worldwide. Kristy S. Coleman combines ethnography with theory to present a full account of what Dianic Witches' lived practice looks like and what it means. The theorist of focus, Luce Irigaray, asserts that women must reclaim their own space and imagine the Divine as female to achieve full emancipation. Moreover, Irigaray's critical analysis of Western culture creates a subtext that clarifies what is at stake in this practice. Thick description of seasonal rituals dispels fears and stereotypes about Wicca, and offers readers a comforting familiarity and shared healing. Coleman employs ritual theory to suggest why and how these rites wield such meaning-altering possibilities. Practitioners' statements that describe a shift in worldview and self-conception elicit Coleman's proposal that Dianic rituals re(w)rite the valuation and meaning of woman. Dianic women's stories reveal both the transformative power of the tradition's practice and the organization's challenges related to power politics.

Yorkshire Witches

Stories and witches and witchcraft in Yorkshire.

The Superstitions of Witchcraft

This 1865 volume offers a surprisingly sympathetic view of witchcraft, tracing its roots through several thousand years and pointing out similarities and parallels with the major world religions. Though dense and scholarly at times, The Superstitions of Witchcraft is a rewarding read for those with an interest in the history of the practice.

Wicca and the Christian Heritage

What is Wicca? Is it witchcraft, Paganism, occultism, esotericism, magic, spirituality, mysticism, nature religion, secrecy, gnosis, the exotic or 'other'? Wicca has been defined by and explored within all these contexts over the past thirty years by anthropologists, sociologists and historians, but there has been a tendency to sublimate and negate the role of Christianity in Wicca's historical and contemporary contexts. Joanne Pearson 'prowls the borderlands of Christianity' to uncover the untold history of Wicca. Exploring the problematic nature of the Wiccan claim of marginality, it contains a groundbreaking analysis of themes in Christian traditions that are inherent in the development of contemporary Wicca. These focus on the accusations which have been levelled against Catholicism, heterodoxy and witchcraft throughout history: ritual, deviant sexuality and magic.

Embracing the Darkness

As dusk fell on a misty evening in 1521, Martin Luther - hiding from his enemies at Wartburg Castle - found himself seemingly tormented by demons hurling walnuts at his bedroom window. In a fit of rage, the great reformer threw at the Devil the inkwell from which he was preparing his colossal translation of the Bible. A belief - like Luther's - in the supernatural, and in black magic, has been central to European cultural life for 3000 years. From the Salem witch trials to the macabre novels of Dennis Wheatley; from the sadistic persecution of eccentric village women to the seductive sorceresses of TV's Charmed; and from Derek Jarman's punk film Jubilee to Ken Russell's The Devils, John Callow brings the twilight world of the witch, mage and necromancer to vivid and fascinating life. He takes us into a shadowy landscape where, in an age before modern drugs, the onset of sudden illness was readily explained by malevolent spellcasting. And where dark, winding country lanes could terrify by night, as the hoot of an owl or shriek of a fox became the desolate cries of unseen spirits. Witchcraft has profoundly shaped the western imagination, and endures in the forms of modern-day Wicca and paganism. Embracing the Darkness is an enthralling account of this fascinating aspect of the western cultural experience.

Pagan Portals - Gods & Goddesses of England

Rachel Patterson unearths and shines light on England's ancient gods and goddesses - many of whom, until now, had long since been forgotten. Based on archaeological finds and ancient manuscripts, and including information about the tribes that once made their home in England's pleasant lands, this book serves as a guide to the gods and goddesses of England, with suggested ways to work and connect with these very special deities.

Pagan and Witch Elders of the World

The Pagan or Witch Elder is a leader who has lead by example, and teaches their wisdom to those that will listen, they have cleared the path for those to follow. We must remember and know who these Spiritual and Magical Warriors were and are, some who are still fighting in the world for our acceptance and understanding. This book is filled with hundreds of Elders (some known and some not well known) who stood tall and fought the establishment with compassion and strength, endurance and wisdom, courage, and determination, to share an ancient knowledge that has been awakened by them in the 21st century. I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth Warriors were and are, and what they have given, sacrificed, and shared for the future of our world. This book is to honour all our Elders, so they are never forgotten and always honoured. MERRY WE MEET, MERRY WE PART, AND MERRY WE MEET AGAIN!

Aradia

Aradia, or the Gospel of the Witches is a book composed by the American folklorist Charles Godfrey Leland that was published in 1899. It contains what he believed was the religious text of a group of pagan witches in Tuscany, Italy that documented their beliefs and rituals, although various historians and folklorists have disputed the existence of such a group. In the 20th century, the book was very influential in the development of the contemporary Pagan religion of Wicca. Thank you very much for looking at a book by One-Eye Publishing, we hope you enjoy it! We are always adding to our catalogue, so please check back or find us online! Happy reading!

The Sign of the Witch

The witch is a uniquely powerful image in Western society. It is a symbol alternately vilified, ridiculed and idealised by differing sectors of society and is a powerful symbol in Western mythology. This book traces the evolution of the modern representations of Witchcraft and Paganism from the popular imaginings of witchcraft in 16th-century England to their contemporary manifestations amongst neo-Pagan and Wiccan religious movements in America, Australia and Great Britain today. Tracing how this symbol is continually constructed and reconstructed by the neo-Pagan movement is indicative of broader social, political and cultural issues arising out of the interaction of Romantic and Enlightenment epistemes in Western society. Central to this process is the locating of representations of witchcraft within the twin discourses of romanticism and enlightenment modernity. Beginning with the aftermath of the English witch hunting craze of the 17th century, the book examines how the witch transformed from a symbol of ridicule during the enlightenment to an idealised symbol of romantic rebellion which led to its systemic adoption by romantic religious and political movements. Along the path it examines the development of the neo-Pagan movement from 19th-century Romantic pagan revivals, to Gardner's Wiccan movement, the sixties counter culture, the rise of eco-feminist neo-Paganism and the contemporary phenomena of "teen witches" and pop commercialization. This book is part of the Ritual Studies Monograph Series, edited by Pamela J. Stewart and Andrew Strathern, Department of Anthropology, University of Pittsburgh. "Modern Paganism is still in the process of finding its history. Dr. Waldron brings to the quest a very wide knowledge of all aspects of the subject and a good grasp of cultural theory. He is fair to all the players in a notoriously complex and fractious field, and covers it deftly and evenly, deploying his learning and his intellectual models with a light but sure touch." -- Ronald Hutton, Professor of Historical Studies, Bristol University "Waldron's identification and critique of the core aspects of the modern Witch's identity provide what should be seen as an invitation for practitioners to remove our rose-coloured glasses approach to our own history and instead to take on board the results of rigorous investigation. For the general public, by whom Witches are so often misunderstood, an academic examination of the movement can only enhance the likelihood of tolerance and understanding that are the essence of religious pluralism." -- Caroline Tully, Witchcraft Magazine "David Waldron has done the scholarly community, neo-Pagans, and anyone interested in the study of neo-Paganism and Witchcraft a great service with this volume. In addition to its historical, cultural, and social overview of the subject matter, it makes for an interesting study in the construction of identities and symbolism within witchcraft.

I highly recommend this book." -- John W. Morehead, Senior Editor, Sacred Tribes Journal and Director, Western Institute for Intercultural Studies "[Waldron] does an excellent job of summarizing the history of the English witch trials, their end, and the development and commercialization of the witchcraft and Pagan movements. The book will be useful for those who want to begin exploring that history as well as to scholars of ideas who want to consider and investigate his basic thesis of the relationship between the Romantic and the Enlightenment epistemes." -- Helen A. Berger, West Chester University, Journal for the Scientific Study of Religion

Aradia – Gospel Of The Witches

Indefatigable in research, Mr. Leland collects from the mouths of Italian peasants all the information still surviving concerning witches and their rites. Much of this he incorporated in his previous writings, and much more-some of it, we are glad to think, on the point of appearance-has yet to see the light. It is difficult to over-estimate the interest of these survivals in Italy of pagan faith and rite, and it is eminently desirable that so much of them as possible should be preserved. They are on the verge of disappearance, and what is not now reclaimed will inevitably perish. On this point Mr. Leland insists. There are still, however, some few people in the Northern Romagna who know the Etruscan names of the twelve gods. Invocations to Bacchus, Jupiter, Venus, Mercury, and the Lares may yet be heard, and there are women in the cities who mutter over the amulets they prepare spells known to the old Roman, and have lore which may be found in Cato or Theocritus. Aradia (Herodias), it may be said, is, according to the Vangelo of the witches, the daughter of Diana by her brother Lucifer, the god of the sun and of the moon, who for his pride was driven from Paradise. Aradia - not, Mr. Leland thinks, the Herodias of the New Testament, but an earlier replica of Lilith-is the chief patron of witches and the teacher of witchcraft. Deeply interesting is all that is said concerning her, and the book, which translates the poetic invocations, is a treasure-house to the student of witchcraft and myth.

Embracing the Witch and the Goddess

Embracing the Witch and the Goddess is a detailed survey of present-day feminist witches in New Zealand. It examines the attraction of witchcraft for its practitioners, and explores witches' rituals, views and beliefs about how magic works. The book provides a detailed portrait of an undocumented section of the growing neo-pagan movement, and compares the special character of New Zealand witchcraft with its counterparts in the United States, Great Britain, and Australia. Kathryn Rountree traces the emergence and history of feminist witchcraft, and links witchcraft with the contemporary Goddess movement. She reviews scholarly approaches on the study of witchcraft and deals with the key debates which have engaged the movement's adherents and their critics, and ultimately presents what Mary Daly declared was missing from most historical and anthropological research on witchcraft: a 'Hag-identified vision'. Based on fieldwork amongst witch practitioners, Embracing the Witch and the Goddess is an important contribution to the emerging profile of present-day witchcraft and paganism.

Witch

The witch has always been a figure electric with possibility and, sometimes, with menace. A legendary shapeshifter, she has recast her image to fulfil the dreams and nightmares of each passing century. She is the devouring mother, the vengeful wife, the possessed devil worshipper, the resentful old hag and the high priestess. Yet throughout her proud and painful history, she has remained shrouded in mystery.

Witchcraft Today

Alluring women, enchantresses, wise old ladies and bewitching women: they are all here and ready to haunt, entice, possess, transform, challenge - and sometimes even to help.

A Tapestry of Witches

A Tapestry of Witches is the first detailed history of the Wiccan religion in America based on primary sources; this first volume covers the history down to the mid-1970s. The author has been an active participant in the movement since 1967, in addition to being an editor, writer, and college teacher. He is the author *Crafting the Art of Magic* and of *Inventing Witchcraft: A Case Study in the Creation of a New Religion*.

Witchcraft Myths in American Culture

A fascinating examination of how Americans think about and write about witches, from the 'real' witches tried and sometimes executed in early New England to modern re-imaginings of witches as pagan priestesses, comic-strip heroines and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700 and a re-thinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing and visual culture. The discussion includes references to everything from Increase Mather and Edgar Allan Poe to Joss Whedon (the writer/director of *Buffy the Vampire Slayer*, which includes a Wiccan character) and *The Blair Witch Project*.

The Witch Ball and Other Short Stories

Posthumously published collection of short stories by one of contemporary Paganism's most loved authors. Featuring protagonists Charles Ashton imparting his deep knowledge to his young friend Jeremy Blake, these tales weave magic and folklore into a notable contribution to the genre of magical tales written by magical practitioners.

The A to Z of Witchcraft

A great deal has been written about the history of witchcraft, but much of what has been written is unreliable, exaggerated, or inaccurate. This problem is especially acute in regard to modern witchcraft, or Wicca, and its supposed connections to historical witchcraft in medieval and early modern Europe. *The A to Z of Witchcraft* provides a reliable reference source for both academics and general readers interested in the actual historical development of witchcraft in the western world.

The Grace children want to share their story, but the faeries will do everything possible to stop them...

Lucinda's Secret

Celebrate the 20th anniversary of the #1 New York Times bestselling Spiderwick Chronicles and get ready for the series soon to be streaming on Disney+ with this third installment in the adventures of the Grace children featuring an all-new look. As if being attacked by goblins and a bridge troll weren't enough, Jared is now being targeted by Thimbletack. Simon is keeping an injured and very hungry griffin hidden in the carriage house. And Mallory is convinced the only way to get things back to normal is to get rid of the Guide. But that doesn't seem to be an option. With more creatures from Arthur Spiderwick's Field Guide to the Fantastical World Around You popping up, the Guide seems to be the only protection the Grace kids have. But why do the faeries want it so badly? There's only one person to go to for answers—their fragile and confused Aunt Lucinda.

The Ironwood Tree

First a pack of vile, smelly goblins snatch Simon. Then a band of elves try to entrap Jared. Why is the entire faerie world so eager to get their hands on Spiderwick's Guide? And will the Grace kids be left alone, now that the Guide has mysteriously disappeared? Don't count on it. At school, someone is running around pretending to be Jared, and it's not Simon. To make matters even worse, now Mallory has disappeared and something foul in the water is killing off all the plants and animals for miles around. Clues point to the old abandoned quarry, just outside of town. Dwarves have taken over an abandoned mine there. And the faerie world's abuzz with the news that a creature with plans to rule the world has offered them a gift to join with him -- he's given them a queen...

With only the help of Thimbletack, Hogsqueal, and Byron, the Grace kids must defeat Mulgarath and his goblin army. But before they can face Mulgarath, they'll have to rescue Arthur Spiderwick from Lorengorm and the elves.

Red Glove

The cons get twistier and the stakes get higher in this second book of The Curse Workers trilogy: "a sleek and stylish blend of urban fantasy and crime noir" (Booklist). Curses and cons. Magic and the mob. In Cassel Sharpe's world, they go together. Cassel always thought he was an ordinary guy, until he realized his memories were being manipulated by his brothers. Now he knows the truth—he's the most powerful curse worker around. A touch of his hand can transform anything—or anyone—into

something else. After rescuing his brothers from Zacharov's retribution and finding out that Lila will never be his, Cassel is trying to reestablish some kind of normalcy in his life. That was never going to be easy for someone from a worker family tied to one of the big crime families, and a mother whose cons get more reckless by the day. But Cassel is also coming to terms with what it means to be a transformation worker and figuring out how to have friends. But normal doesn't last very long—soon Cassel is being courted by both sides of the law and is forced to confront his past. A past he remembers only in scattered fragments and one that could destroy his family and his future. Cassel will have to decide whose side he wants to be on because neutrality is not an option. And then he will have to pull off his biggest con ever to survive. Love is a curse and the con is the only answer in a game too dangerous to lose.

The Broken Ornament

When a beloved ornament breaks, will it ruin the holidays or save them? Jack wants this to be the best Christmas ever, and he knows just how to make it happen... More! More lights, more presents, more cookies, more treats. More. More. More! So, when Jack breaks a dusty old ornament, he's not sure why his mom is so upset. They can always get more ornaments, so what's the big deal? Turns out the ornament was an heirloom, precious for more reasons than one. And Jack has a lot to learn about the true meaning of Christmas. A fairy emerges from the shattered ornament. She has the power to make the most magical Christmasy things happen. Suddenly trees are sprouting, reindeer are flying, and snowmen are snowball fighting. All of it is so perfect, or it would be if she could fix Mom's ornament. But she can't. So it's up to Jack to make some Christmas magic of his own.

The Spiderwick Chronicles Movie Storybook

One day nine-year-old Jared discovers Arthur Spiderwick's Field Guide to the Fantastical World Around You in the upstairs attic, and his life changes forever. Despite the numerous warnings, Jared reads the book, and now he must keep the field guide out of harm's way, or else suffer the consequences. With a house brownie named Thimbletack to help him along, Jared, his twin brother, Simon, and their sister, Mallory, take on a world of fantastical creatures!

The Longest Way Home

The author, a travel writer and actor, delivers a memoir about how travel helped him become the man he wanted to be, helping him overcome life-long fears and confront his resistance to commitment. From time immemorial, travel has been a pursuit of passion, from adventurers of old seeking gold or new lands, to today's spiritual and pleasure seekers who follow in the footsteps of Elizabeth Gilbert. Some see travel as a form of light-hearted escapism while others believe it has the power to open your mind, forcing you to confront your demons, and discover your true self. The author belongs to this second category of traveler. His memoir follows his excursions to Patagonia, the Amazon, Costa Rica, Baltimore, Vienna, Kilimanjaro, Dublin, and beyond. He uses his wanderlust to examine his motives and desires, and explore his ambivalence about commitment. He ponders his personal life, his acting career, and his impulse to leave home, all building toward one of the most significant moments of his life: his wedding day. His message about the transformative power of travel is universal, and his exploration of the nature and passion of relationships, both fleeting and enduring, strikes a chord with every man and woman who has ever wondered at the vicissitudes of the human heart.

The Search for WondLa

Eva Nine was raised by the robot Muthr. But when a marauder destroys the underground sanctuary she called home, twelve-year-old Eva is forced to flee aboveground. Eva Nine is searching for anyone else like her. She knows that other humans exist because of a very special item she treasures ~ a scrap of cardboard on which is depicted a young girl, an adult, and a robot along with the strange word "WondLa". Tony DiTerlizzi honours traditional children's literature in this totally original space age adventure: one that is as complex as an alien planet, but as simple as a child's wish for a place to belong.

Troll Trouble

DiTerlizzi and Black receive a letter from three children who claim to know a lot about real faeries. One particularly thrilling part of their tale is recounted here along with a story that wasn't discovered until after the original Spiderwick books had been published.

A Hero for WondLa

Raised underground by a robot, twelve-year-old Eva Nine finally finds all she ever wanted in the human colony of New Attica, but something very bad is going on there and unless Eva and her friends stop it, it could mean the end of life on Orbona.

The Necromancer's House

"You think you got away with something, don't you? But your time has run out. We know where you are. And we are coming." Andrew Ranulf Blankenship is a stylish nonconformist with wry wit, a classic Mustang, and a massive library. He's also a recovering alcoholic and a practicing warlock. His house is a maze of sorcerous booby traps and escape tunnels, as yours might be if you were sitting on a treasury of Russian magic stolen from the Soviet Union thirty years ago. Andrew has long known that magic is a brutal game requiring blood sacrifice and a willingness to confront death, but years of peace and comfort have left him more concerned with maintaining false youth than with seeing to his own defense. Now a monster straight from the pages of Russian folklore is coming for him, and frost and death are coming with her.

The oddest part is that in entering that world, they didn't leave this one!

Revenge of the Witch

Young Tom, the seventh son of a seventh son, starts work as an apprentice for the village spook, whose job is to protect ordinary folk from ghouls, boggarts, and all manner of wicked beasts. The Last Apprentice.

The Spook's Secret

The Spook's Secret is the third book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'It's going to be a long, hard, cruel winter and there couldn't be a worse place to spend it.' As the nights draw in the Spook decides to travel to his winter house. His apprentice, Tom, hates the desolate place. There are feral witches in the cellar, menacing creatures stirring on the nearby moors and a sinister stranger threatening Tom's master. Is the Spook's past catching up with him? And what dangers will Tom face if his master's secrets are revealed?

The Spook's Nightmare

With his precious library burned to the ground and his arch rival, Bony Lizzie, free again, things are falling apart. As nightmares turn real, are the Spook's powers waning - just when he needs them the most? Can Tom, the Spook's apprentice, face the dark alone? This is the seventh chilling installment in the "Wardstone Chronicles".

The Spook's Curse

The Spook's Curse is the second book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'By now the dark has noticed you and will be trying to hunt you down . . .' It's the job of the Spook and his apprentice, Thomas Ward, to protect the County from the dark. But deep in the catacombs beneath Priesttown lurks a creature the Spook has never been able to defeat - the Bane. As they prepare to battle it, yet another deadly enemy emerges to threaten Tom and his master.

The Spook's Revenge

'He's the seventh son of a seventh son. His name is Thomas J. Ward and he's my gift to the County. When he's old enough we'll send you word. Train him well. He'll be the best apprentice you've ever had and he'll also be your last.' These were the words of Tom's Mam to the county Spook some years ago. As Tom, the Spook and their allies prepare to battle with the Fiend on a huge scale, to finally enact their revenge, it now remains to be seen whether Mam's declaration will come true.

The Spook's Sacrifice

"As the Spook's apprentice Tom's first duty is to protect the County from the dark. But now Mam needs his help in her homeland of Greece. One of the most dangerous of the old gods, the Ordeen, is about to return there, bringing slaughter and devastation. Meanwhile, the Devil himself is still loose and if he

and the Ordeen join forces, a new age of darkness will descend. Mam has summoned a powerful group to her side but among them are Tom's old enemy, the Pendle witches, including the assassin Grimalkin, and the cunning clan leader Mab Moldheel. Can Tom go against all the Spook has taught him and ally himself to the witches? What is the secret that Mam is keeping from him? And what sacrifices must be made in the battle against the dark?"

Grimalkin's one alliance is with Tom Ward, the Spook's apprentice. With Tom, she plans to rid the world of the most terrifying evil, the Fiend, who once did her great wrong. For the first time, fans of the Last Apprentice series will hear the story from Grimalkin's side, as she is hunted herself by creatures of darkness set on revenge. Grimalkin has never been defeated. But a new danger has emerged: an ancient water witch, Bloodeye, is roaming the County intent on destroying everything in her path. To strengthen his skills, Tom is sent to the far north to train with the demanding Bill Arkwright. Arkwright lives in a haunted mill on the edge of a treacherous marsh, and his training methods prove to be harsh and sometimes cruel. Will Tom's new bag of tricks be enough to overcome a critical mistake that leaves him confronting Bloodeye on his own?

And dare he accept the help of Grimalkin, the terrifying witch assassin?

Spook's: A New Darkness

'It's a dangerous job, but someone has to do it.' For years, the local Spook kept the county safe from evil. But now his time has ended, and there is only one boy who can take over – Thomas Ward, barely more than a child himself. Now he too must take on an apprentice, a girl called Jenny who is untested but willing to be trained in the dangerous life of a Spook. When girls start dying in mysterious circumstances, they soon find themselves on the path of a terrifying and deadly beast. Monstrous assassins are loose in the County, and far to the north, a new darkness is rising that threatens to engulf the whole world. Do Tom and Jenny stand a chance against the might of the Kobalos? The first terrifying tale in the Starblade Chronicles, from the bestselling author of The Spook's Apprentice

The Spook's Battle

The Spook's Battle is the fourth book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'I see your future clearly. Your master will be dead, and you will be alone.' The Spook and his apprentice protect the County from the dark, but not a terrible danger threatens. The witches are rising and the three most powerful clans are uniting to conjure an unimaginable evil - the Devil himself. If they succeed, will Tom and his master have the courage to defeat the most powerful enemy of all . . . ?

A New Darkness

The first book in a chilling new trilogy from the author of the internationally bestselling Last Apprentice series! Tom Ward is an apprentice no longer—he is a full-fledged spook battling boggarts, witches, and other creatures of the dark. A New Darkness is the first in a three-book arc that introduces brand-new readers to Joseph Delaney's haunting world. Tom Ward is the Spook, the one person who can defend the county from bloodthirsty creatures of the dark. But he's only seventeen, and his apprenticeship was cut short when his master died in battle. No one trusts Tom's skill, not until he's proven himself. And a fifteen-year-old girl named Jenny knows more about the three mysterious deaths in the county than Tom does. She is a seventh daughter of a seventh daughter, and she wants to be Tom's first apprentice—even though a female spook is unheard of. Together, Tom and Jenny will uncover the grave danger heading straight toward the county, and they'll team up with a witch assassin to confront it. A New Darkness begins a three-book arc that will introduce new readers to Joseph Delaney's deliciously scary imagination, and electrify his longtime fans. A New Darkness is perfect for every reader who loves thrills, chills, action, and adventure—no prior knowledge of The Last Apprentice series is necessary! The Last Apprentice series, the first internationally bestselling series about Tom Ward, is now a major motion picture, Seventh Son, starring Jeff Bridges, Ben Barnes, Alicia Vikander, Kit Harington, Olivia Williams, Antje Traue, Djimon Hounsou, and Julianne Moore as Mother Malkin.

Spook's 13: The Spook's Revenge

'He's the seventh son of a seventh son. His name is Thomas J. Ward and he's my gift to the County. When he's old enough we'll send you word. Train him well. He'll be the best apprentice you've ever had and he'll also be your last.' These were the words of Tom's Mam to the county Spook some years ago.

As Tom, the Spook and their allies prepare to battle with the Fiend on a huge scale, to finally enact their revenge, it now remains to be seen whether Mam's declaration will come true.

The Last Apprentice: The Spook's Tale

The Last Apprentice series follows the terrifying adventures of the Spook's apprentice, Thomas Ward. But Tom's is only one story. There are others. . . . The Spook himself was once an apprentice. How did he begin his training? And what of Alice, the young witch who is Tom's closest ally? How did she overcome her dark past? What did the witch assassin Grimalkin do to become the most deadly and feared witch in the county? And, collected in a gallery of horrors, discover the rest of the county's menacing villains and relive the vicious battles waged against them. Enter a land where creatures of the dark creep out of the shadows. Do you dare?

The Spook's Apprentice

The Spook's Apprentice is the first book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'Someone has to stand against the dark. And you're the only one who can' For years, the local Spook has been keeping the County safe from evil. Now his time is coming to an end, but who will take over? Many apprentices have tried. Some floundered, some fled, some failed to stay alive. Just one boy is left. Thomas Ward. He is the last hope. But does he stand a chance against Mother Malkin, the most dangerous witch in the County?

The Spook's Mistake

The Spook's Mistake is the fifth book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'The moment of danger is close. Very soon our enemies will be here.' The Spook has sent his apprentice, Tom, to be trained by another Spook whose methods are harsh and tough. But faced with a powerful water witch, Bill makes a fatal error, leaving Tom to face his enemies alone. Can the Spook get there in time to save his apprentice? Or will his own mistakes give final victory to the dark?

The Ghost Prison

'This is the entrance to the Witch Well and behind that door you'd face your worst nightmare. Don't ever go through there.' Night falls, the portcullis rises in the moonlight, and young Billy starts his first night as a prison guard. But this is no ordinary prison. There are haunted cells that can't be used, whispers and cries in the night . . . and the dreaded Witch Well. Billy is warned to stay away from the prisoner down in the Witch Well. But who could it be? What prisoner could be so frightening? Billy is about to find out . . . An unforgettable ghost story from the creator of the Wardstone Chronicles (Spook's Apprentice) series.

Spook's - Alice

For years Alice has fought side by side with the Spook and his apprentice, Thomas Ward. But now she is alone - in the realm of the dark. And the creatures she has helped to banish there have the chance to take their revenge. Alice must seek the final weapon needed to destroy the Fiend. But can she prevent the darkness from taking her over completely?

Brother Wulf

When young novice monk Brother Beowulf is sent to spy on Spook Johnson, he has no idea of the trouble he's about to find himself in. Johnson boasts to Wulf of his battles against demonic creatures, and even seems to imprison local witches, though Wulf is sceptical - not least because the church has taught him that Spooks are a force for evil, and not to be trusted. But then the monsters Johnson claims to fight turn out to be very real indeed, and soon Wulf is forced to seek help from another young Spook, Tom Ward, who terrifies and charms him in equal measure. But the forces of the dark are many, and it's not long until Wulf and Tom realise they've bitten off far more than they can chew. A horrifying new enemy is rising - and only Wulf can stop it.

But the country is terrorized by the creature Hob, an evil being who delights in torturing its people, displaying his devastating power by challenging an Arena 13 combatant in a fight to the death whenever he chooses. And this is exactly what Leif wants . . . For he knows Hob's crimes well. and at the heart of his ambition burns the desire for vengeance. Leif is going to take on the monster who destroyed his family. Even if it kills him.

The Last Apprentice: A Coven of Witches

Beware a girl in pointy shoes! A girl wearing pointy shoes might be a witch. And the first thing a spook's apprentice learns is never, ever to trust a witch. In this bone-chilling collection of tales, you will learn exactly why that is, as you encounter: a fair and beautiful woman with green scales running down her spine . . . a dead witch who lurks under rotting leaves and hunts for blood . . . Alice, Tom Ward's best friend, who once lived with one of the darkest witches of all . . . and a witch whose cry of revenge can kill. The dark is all around. Who will survive?

The Spook's Mistake

As danger increases in the County in the form of press gangers and the Fiend, Tom is sent by his master to another Spook, Bill Arkwright. Bill lives in the far north where the County is at its wettest. He has toughened up many previous apprentices and now he will do the same for Tom; he will prepare him for some of the biggest dangers of his life.

The Spook's Sacrifice

The Spook's Sacrifice is the sixth book in Joseph Delaney's terrifying Wardstone Chronicles - over 3 million copies sold worldwide! 'Witches, Mam? We've made an alliance with witches?' As the Spook's apprentice, Tom's first duty is to protect the County from the dark. But now Mam needs his help in her homeland of Greece to rise up against one of the Old Gods, the Ordeen. But what secret is Mam keeping from Tom? And what sacrifices must be made in the battle against the dark?

A New Darkness

Although his apprenticeship was not done when John Gregory died, Tom Ward spent years learning to fight boggarts, witches, demons, and more and feels prepared to be the new county Spook, but while his youth causes many people to distrust him, Jenny is determined to be his apprentice.

The Spook's Stories: Grimalkin's Tale

'I fear nobody. But my enemies fear me . . . Without ruthlessness and savagery I would not survive even a week of the life I lead. I am the witch assassin of the Malkin clan.' Meet Grimalkin, the fearsome witch assassin, and find out how she came to take the role she now holds. This exclusive digital short story set in the world of Joseph Delaney's best-selling series The Wardstone Chronicles first appeared in the spine-tingling collection The Spook's Stories: Witches. Now available separately for the first time, and including a preview of the first chapter of I Am Grimalkin, this is perfect for existing fans and newcomers alike. The only question is, are you brave enough . . .

The Last Apprentice: Fury of the Seventh Son (Book 13)

The thirteenth—and final—book in the internationally bestselling fantasy adventure series that inspired the forthcoming major motion picture Seventh Son. Finally, Tom Ward, the spook's last apprentice, will confront the Fiend for the last time. A stunning conclusion to the acclaimed series! Tom Ward has battled boggarts, ghaists, witches, dark gods, and the most terrifying creatures to roam the earth. He's allied with the witch assassin Grimalkin, with a powerful boggart, and with Alice . . . the young witch who is also his true love. And he has kept one step ahead of the Fiend, the most evil being in the world. Now he will vanquish the Fiend once and for all. But it will require a terrible sacrifice: not everyone Tom cares about will survive the final battle. The Last Apprentice series is soon to be a major motion picture, Seventh Son, starring Jeff Bridges, Ben Barnes, Alicia Vikander, Kit Harington, Olivia Williams, Antje Traue, Djimon Hounsou, and Julianne Moore as Mother Malkin. It's a suspenseful thrill ride that's "spine-tingling" (Publishers Weekly) and "anything but tame" (Horn Book). But don't read it after dark!

The Last Apprentice: Night of the Soul Stealer (Book 3)

It's going to be a long, hard, cruel winter. And there couldn't be a worse place to spend it than up on Anglezarke. Thomas Ward is the apprentice for the local Spook, who captures witches and drives away ghosts. As the weather gets colder and the nights draw in, the Spook receives an unexpected visitor. Tom doesn't know who the stranger is or what he wants, but the Spook suddenly decides it's time to travel to his winter house, Anglezarke. Tom has heard it will be a bleak, forbidding place, and that menacing creatures are starting to stir somewhere on the moors nearby. Can anything prepare Tom for what he finds there? What if the rumors about the evil beast called the Golgoth are true? And how much danger will Tom be in if the secrets the Spook has been trying to hide from the world are revealed?

The Spook's Apprentice - Play Edition

The novel is the inspiration for the movie *Seventh Son*, starring Jeff Bridges, Ben Barnes and Julianne Moore, but has now been adapted for the stage by Joseph and his son Stephen. Suitable for casts large and small, this script is ideal for use in drama groups, english lessons and school plays.

The Last Apprentice: Seventh Son

Read Book 1, *Revenge of the Witch*, and Book 2, *Curse of the Bane*, in one volume! This volume includes Book 1, *Revenge of the Witch*, and Book 2, *Curse of the Bane*, of the *Last Apprentice* series. Only the Spook has the knowledge and skill to face ghosts, bind witches, and bargain with boggarts. Now he needs an apprentice—Tom Ward, who is the seventh son of a seventh son. Other apprentices have come before. All have failed, or fled, or died. Will Tom learn what they could not? Can he trust anyone, even his one true love? He will find out—and soon, for the dark is getting powerful, and the Spook's time has come. Will Tom survive to carry on his master's battle? Will he be the Last Apprentice? Soon to be a major motion picture, *Seventh Son*, starring Jeff Bridges, Ben Barnes, Alicia Vikander, Kit Harington, Olivia Williams, Antje Traue, Djimon Hounsou and Julianne Moore as Mother Malkin. The *Last Apprentice* series is "tantalizingly creepy" (*Publishers Weekly*), and "anything but tame" (*Horn Book*). But don't read it after dark!
