## Shamanic Mysteries of Egypt

A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness • Provides guided shamanic visualizations to invoke 26 of the most significant gods • Takes the reader through shamanic portals of death, rebirth, and illumination • Reconciles internal conflict through a sacred marriage of heart and mind In Shamanic Mysteries of Egypt, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the neteru. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.

Revealing the cross-cultural mythology and astrological significance of the individual Egyptian gods and goddesses, the authors link each of the 12 zodiac signs and 11 celestial bodies of Western astrology with its Egyptian ancestor, introducing new significance to their positions and interactions in a horoscope. For example, Leo is linked with Anubis and Taurus with Hathor. Venus is associated with the goddess Isis and Jupiter with Horus. Each chapter includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life--such as calling on Sekhmet for action or Thoth for clarity. With sample interpretations of the charts of Barack Obama and Gloria Steinem, this book provides a practical framework for accessing the wisdom of ancient Egypt and offers astrological and shamanic tools for spiritual guidance and the coming shift in planetary consciousness.

A natural follow-up to Scully's Alchemical Healing, this book serves as a guide to navigate the coming global transformation and help co-create a new Golden Age. A shamanic ritual with the Egyptian goddess Sekhmet to bring about alchemical transformation at the deepest levels of your being • Details how to work with Sekhmet to transform your negative behavior patterns and character flaws into creative impulses and higher energies • Leads you through guided visualizations, illustrated with photographs, to Sekhmet's chapel at the Temple of Karnak and through her shamanic ritual of transformation • Includes initiations, rites of passage, and transmissions from Sekhmet to release your fears and anger and rejuvenate your body, mind, and spirit Sekhmet is the lioness goddess of the Egyptian Pantheon, a fierce protector of truth, balance, and the Cosmic order of Ma'at. Known and feared as the goddess of war and destruction, she also represents the transformative power of kundalini energy, or sekhem, and is the main goddess to harness this power for healing. As "She Who Comes in Times of Chaos," she takes offerings of fear, rage, and weakness and transforms them into alchemical gold, the universal medicine for physical, emotional, and soul healing. In this book you are guided through a shamanic ritual of alchemical transformation and initiation with Sekhmet, working with this powerful goddess to release your most deeply rooted negative behavior patterns and be reborn into a more purified state of consciousness. Using intensive self-examination exercises to help you prepare to meet the goddess, the author leads you through a guided visualization, illustrated with photographs, to an ancient statue of Sekhmet in her chapel at the Temple of Karnak. There, you will be shamanistically devoured by the goddess, directly experiencing the alchemical process of transformation in the belly of Sekhmet until you are rebirthed as a fully realized adult child of the goddess. You will experience how your offering of pain, fear, rage, and self-sabotage is digested, absorbed, and assimilated by Sekhmet while you are initiated into the alchemy of total transformation. The initiations, rites of passage, and transmissions from Sekhmet included in the journey restructure the most important aspects of your body, mind, spirit, and soul. This journey of shamanic death, illumination, and rebirth in the belly of Sekhmet provides an opportunity to heal on all levels and allows you to release your rage, anger, and fear as you transform the energies that maintained them into creative and constructive solutions that benefit yourself, your community, and the planet.

## The Union of Isis and Thoth

An initiatic guide to temple construction on the spiritual and physical planes • Details the initiations for consecrating yourself as a divine vessel • Guides you in building a sacred inner temple for connecting with the gods of Egypt • Delivers shamanic journeys and initiations on ascension, shamanic death and renewal, soul retrieval and healing, multidimensional realities, and more Deep within each of us lives a primal memory of a time when the natural world was recognized as divine and our temples were built from sacred materials enlivened through magic. Temples were not places you visited once a week; they were centers of community, divine work, healing, and wisdom, places where Heaven and Earth meet. This union of Heaven and Earth--the sacred temple--is also a union of Thoth and Isis: the Egyptian god of wisdom and the creative cosmic force and the Egyptian goddess of civilizing knowledge. Their relationship established the celestial teachings on Earth, for Thoth taught Isis all the mysteries and magic she knows and Isis acted as Thoth's instrument to deliver the teachings in a form humanity could use. In this initiatic guide to temple building on the spiritual and physical planes, Normandi Ellis and Nicki Scully explain how to create a communal spiritual structure for connecting with

the ancient Egyptian pantheon as well as how to consecrate yourself and become a vessel suitable for divine wisdom and a home for your personal gods. The authors detail the construction, shamanic visioning, and ritual consecration of a Moon Temple dedicated to Thoth. They explore teachings that help you develop relationships with the Egyptian neteru and realize your place within the family of the Egyptian pantheon. They guide you as you create your inner heart temple, the adytum, a safe place in which to receive guidance and access your higher spiritual bodies and oracular gifts. They provide shamanic journeys and initiations on ascension, shamanic death and renewal, soul retrieval and healing, multidimensional realities, and more. By creating a sacred temple within and without, we each can take part in the union of Isis and Thoth and restore the magic of the Egyptian mysteries to our time.

## AUSET EGYPTIAN ORACLE CARDS

A hands-on method to heal the waters of Gaia using powerful elixirs created with a sacred altar and consecrated crystals • Reveals, step by step, the shamanic rituals and techniques to prepare crystal homeopathic elixirs to heal the waters of the Earth • Explains how to create a sacred water altar in your home for elixir preparation as well as program the crystals used with healing intentions • Includes shamanic journey meditations to connect with ancient water spirits and infuse your water-healing work with sacred intention When Hurricane Floyd ravaged the North Carolina coast in 1999, Kathryn Ravenwood--living thousands of miles away in Seattle--was called by Spirit to help heal the toxic waters left behind. Combining her longtime devotion to sacred altars with her newfound connection to crystals, she developed a process to make crystal homeopathic elixirs to cleanse bodies of water both near and far. Sharing her journey of spiritual calling and discovery, Ravenwood explains how to create crystal homeopathic elixirs using a sacred water altar and attuned crystals. Detailing how to create a personal altar in your home, the crystals most suitable for this work (such as amethyst and selenite), as well as how to program them with your healing intentions, she describes the month-long cycle--from full moon to full moon--of ritual and prayer at the core of the process that infuses the elixirs with their cleansing and healing powers. Ravenwood provides shamanic journey meditations based on Native American and Egyptian traditions to help you connect with ancient water spirits and guides and instill your water-healing work with sacred purpose. She explains how to ceremonially apply an elixir to a body of water and how the remedy will propagate outward to the ocean, bringing healing to the waters it spans as well as to the animals it encounters. Bringing spirituality into physicality and providing a practical application for the work of Dr. Masaru Emoto, this hands-on shamanic method enables each of us to take part in transforming our planet as well as our selves--for the health of Gaia and our own bodies is directly tied to the health of the waters that surround and are within us.

## How to Create Sacred Water

Shamanic practices to access your spiritual blueprint, communicate with the universal mind, and transform in to your highest spiritual self • Explains how to tune in to imaginal cells to heal the past, activate the shaman within, and download information from the future • Includes shamanic breathwork practices and rituals to open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and be more potent and powerful in the present We are in a highly transitional time on Earth as old structures break down in preparation for the new world that is coming. The accelerated pace of this time of spiritual evolution is forcing each of us to awaken the shaman within and reach our highest potential as quickly as possible. We no longer have the luxury of learning only from the past--we must also download information from the future in order to be fully present, fully conscious, in our most embodied and best self now. Incorporating the wisdom teachings of Seneca Wolf Clan Grandmother Twylah Nitsch with shamanic journeys and shamanic breathwork practices, Linda Star Wolf and Anne Dillon explain how to heal the past, learn from the future, and activate the imaginal cells within our human energy field. Imaginal cells are the energies of what has already happened and will happen stored in the blueprint of the invisible world. By tuning in to these imaginal cells, you can open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and accelerate your evolutionary potential in this lifetime. Including information received by Star Wolf from the future, the book explores how to develop a communication link with the universe, receive guidance from the universal mind, and draw information from the future to be more potent and powerful in the present, live in harmony with one another and the planet, and fully prepare yourself for the new world to come.

## Visionary Shamanism

A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead, Anubis • Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 • Reveals that the Sphinx was originally carved as a monumental crouching Anubis, the Egyptian jackal god of the necropolis Shrouded in mystery for centuries, the Sphinx of Giza has frustrated many who have attempted to discover its original purpose. Accounts exist of the Sphinx as an oracle, as a king's burial chamber, and as a temple for initiation into the Hermetic Mysteries. Egyptologists have argued for decades about whether there are secret chambers underneath the Sphinx, why the head-to-body ratio is out of proportion, and whose face adorns it. In *The Sphinx Mystery*, Robert Temple addresses the many mysteries of the Sphinx. He presents eyewitness accounts, published over a period of 281 years, of people who saw the secret chambers and even went inside them before they were sealed in 1926--accounts that had been forgotten until the author rediscovered them. He also describes his own exploration of a tunnel at the rear of the Sphinx, perhaps used for obtaining sacred divinatory dreams. Robert Temple reveals that the Sphinx was originally a monumental Anubis, the Egyptian jackal god, and that its face is that of a Middle Kingdom Pharaoh, Amenemhet II, which was a later re-carving. In addition, he provides photographic evidence of ancient sluice gate traces to demonstrate that, during the Old Kingdom, the Sphinx as Anubis sat surrounded by a moat filled with water--called Jackal Lake in the ancient Pyramid Texts--where religious ceremonies were held. He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult.

Subjects covered in these pages include: Egyptian Spirituality The Akhenaten Heresy and Its Impact on Religion and Mystical Thought Creation Mythology of the Four Centres The Soul and Its Journey in Egyptian Metaphysical Thought Secrets of the Book of the Dead The Nature of the Human Being Ra's Journey through the Underworld and Its Initiatory Significance Egyptian Mysteries as the Prototype of Ancient Mystery Schools Shamans, Hierophants, and the Initiatory Process Wisdom of the Egyptian Sages, from Ancient Egypt to the Hermetic Mystics of Alexandria The Heart as the Spiritual Self and Monitor of Morality in Human Behaviour KIRKUS REVIEW: A collection of insights into the esoteric meanings of ancient Egyptian religious and spiritual practices. This extraordinary book, the product of extensive research by author and Rosicrucian lecturer de Motte (*The Grail Quest*, 2003), is ideal for readers who want to go beyond ancient Egypt's pyramids, artifacts and mummies. Here, in highly readable form, the author presents the broad outlines of the ancient Egyptian spiritual belief system--from the founding cosmology of a watery, amorphous pre-creation mass to the rise of Ra, Osiris, Isis, Horus and Seth, and on to the highly developed use of symbols as keys to mystic truths, comprehended only by a chosen few. Why do ancient Egyptian renderings of human figures have bird heads? The book gives the answer: They depict, among other things, the soul in flight, freed from an earthly cage and able to access other realms of reality. The book also explains how the scarab, an insect that stores balls of dung to feed its offspring, is intimately linked to the mighty sun god Ra, who must successfully pass through the underworld each night. One of the book's main themes is the notion that, in every age, there's a body of secret knowledge about life, death and the afterlife known only to initiates and never preached or recorded. That knowledge is passed on exclusively by word of mouth over the millennia, lest it fall into the hands of those who would abuse it. In the Egyptian model, the priestly class served this function in so-called "mystery schools" with elaborate pageantry. Although de Motte's prose is highly readable, some readers may find this a difficult book to absorb. The author presents a very large amount of information here, and readers not well-acquainted with his topic may find it necessary to re-read it to keep from getting lost. Only bona fide Egyptologists can render scholarly judgment on de Motte's dazzling pages, but neophytes will appreciate the author's liberal citation of experts, even when he doesn't agree with them. An impressive work that brings light to a mysterious ancient culture.

### Egyptian Pyramid Oracle

A radical reinterpretation of the Pyramid Texts as shamanic mystical wisdom rather than funerary rituals

- Reveals the mystical nature of Egyptian civilization denied by orthodox Egyptologists
- Examines the similarity between the pharaoh's afterlife voyage and shamanic journeying
- Shows shamanism to be the foundation of the Egyptian mystical tradition

To the Greek philosophers and other peoples of the ancient world, Egypt was regarded as the home of a profound mystical wisdom. While there are many today who still share that view, the consensus of most Egyptologists is that no evidence exists that Egypt possessed any mystical tradition whatsoever. Jeremy Naydler's radical reinterpretation of the Pyramid Texts--the earliest body of religious literature to have survived from ancient Egypt--places these documents into the ritual context in which they belong. Until now, the Pyramid Texts have been viewed primarily as royal funerary texts that were used in the liturgy of the dead pharaoh or to aid him in his afterlife journey. This emphasis on funerary interpretation has served only to externalize what were actually experiences of the living, not the dead, king. In order to understand the character and significance of the extreme psychological states the pharaoh experienced--states often involving perilous encounters with alternate realities--we need to approach them as spiritual and religious phenomena that reveal the extraordinary possibilities of human consciousness. It is the shamanic spiritual tradition, argues Naydler, that is the undercurrent of the Pyramid Texts and that holds the key to understanding both the true nature of these experiences and the basis of ancient Egyptian mysticism.

### Shamanic Wisdom in the Pyramid Texts

Utilizing the healing power of breath to change consciousness

- Explains how to enter altered states of consciousness, increase paranormal abilities, and resolve old traumas using breathwork
- Introduces the Five Cycles of Change that bring about major life shifts and how to work with them
- Includes 70-minute audio download of chakra-attuned rhythms to play during the journey

Incorporating psychospiritual tools with her Shamanic Breathwork practice, Linda Star Wolf shows how to spiritually journey in the same way shamans entrain to the rhythms of drums or rattles using the breath, either alone or together with music. Much like traveling to sacred places or ingesting entheogens, this practice can be used to enter altered states of consciousness, connect to cosmic consciousness, increase paranormal abilities, and awaken the shaman within. Breathwork can also be used to resolve old traumas and shapeshift unproductive modes of thinking in order to move beyond them. Utilizing the healing power of breath along with chakra-attuned music, Linda Star Wolf explores the Five Cycles of Change--the Alchemical Map of Shamanic Consciousness--and how these cycles affect you as you move through major shifts in your life. Filled with personal stories and case histories, the book also includes 70-minute audio download of shamanic trance rhythms and a guided meditation to awaken the chakras during practice.

### Shamanic Breathwork

A guide to the open-heart wisdom and secret rites of passage of thirteen sacred temples in Egypt

- Provides information on how to thrive as we move from the Piscean to the Aquarian age
- Offers guided meditations and rituals that connect to the ancient power of the Flower of Life, the Djed Pillar, the Ka,

the energy body, and more The Temples of Light guides the reader, as the initiate, on a spiritual journey through thirteen of Egypt's sacred temples--a journey into the sanctuary of the open heart. Each sacred site is a portal to ancient wisdom that can assist the modern-day pilgrim with everyday life issues and struggles--love, purpose, money, and health--and the deeper questions of enlightenment and our divine origin. Danielle Rama Hoffman opens up sacred rites of passage that historically have been kept secret to forge a relationship with the temples of Egypt as allies and spirit guides. For example, the temple of Sakkara is associated with abundance; the temple of Abydos with remembering. The initiations in this book awaken intuition and the Sahu--the fully realized self--allowing connections to the power, magic, and wisdom of such sacred symbols as the Flower of Life, the Djed Pillar (the backbone of Osiris), the Ka, and the energy body. Hoffman's guided meditations, rituals, and exercises also raise the reader's vibration level, as we move from the Piscean to the Aquarian age. Embodying the wisdom of the open heart of these temples imparts a shift in consciousness from fear to bliss, from powerlessness to empowerment, opening the body, mind, and spirit to the infinite possibilities within.

### The Cavern's Wise Woman: The Bear Goddess

Reveals the secret language and words of power that enabled the ancient Egyptians to imagine the world into existence • Reveals ancient Egyptian Mystery teachings on immaculate conception, transubstantiation, resurrection, and eternal life • Explores the shamanic journeys that ancient Egyptian priests used to view the unconscious and the afterlife • Provides the essential spiritual tools needed to return to Zep Tepi, the creative source Drawing from the Egyptian Book of the Dead, the Pyramid texts, the Book of Thoth, and other sacred hieroglyphic writings spanning the three millennia of the Egyptian Mystery Traditions, Normandi Ellis reveals the magical language of creation and words of power that enabled the ancient Egyptians to act as co-creators with the gods. Examining the power of hieroglyphic thinking--how thoughts create reality--and the multiple meanings behind every word of power, the author shows how, with the Neteru, we imagine the world into existence, casting a spell of consciousness over the material world. Uncovering the deep layers of meaning and symbol within the myths of the Egyptian gods and goddesses, Ellis investigates the shamanic journeys that ancient Egyptian priests used to view the unconscious and the afterlife and shares their initiations for immaculate conception, transubstantiation, resurrection, and eternal life—initiations that later became part of the Christian mystery school. Revealing the words of power used by these ancient priests/sorcerers, she explains how to search for the deeper, hidden truths beneath their spells and shows how ancient Egyptian consciousness holds the secret of life itself. Revealing the initiatory secrets of the Osirian Mystery school, Ellis provides the essential teachings and shamanic tools needed to return to Zep Tepi--the creative source--as we face the transitional time of radical change currently at hand.

### Oracle of the Radiant Sun

During a sound meditation, Anubis, the jackal headed God of Egypt, makes himself known to Clara, a young woman from Germany. According to Egyptian myth, Anubis is the one who guides the dead through the underworld and weighs their hearts on a set of scales against the feather of the crown of Isis. Clara is fascinated by Anubis, but she is also taken aback by the mystery of her encounters with him and his animal features. Slowly, she grows to trust him and journeys with him into a cave deep inside the earth which she gradually understands is her own underworld, the place of her "sacred" wounds. She is confronted with her family history and traumata, in particular those connected to one of Germany's darkest chapters of history. With Anubis teaching her Egyptian spirituality and ancient tantric practices, Clara's ordinary sense of reality shifts dramatically. Then Anubis turns up in her apartment. Clara is mesmerized and terrified at the same time. Is he actually a part of her? Or does he exist in other dimensions that she had somehow managed to access? With Clara's quest for healing her "sacred" wounds, "Journeys with Anubis" is a deeply shamanic story. It is a unique story that weaves

together ancient Egyptian spiritual teachings about the immortal soul and the union of the masculine and the feminine principles during the day-to-day experiences of a young woman in the 21st century."

### Kabbalah, Magic, and the Great Work of Self-transformation

How have our emotions shaped the course of human history? And how have our experience and understanding of emotions evolved with us?

### Voice of the Trees

Why is the number seven lucky—even holy—in almost every culture? Why do we speak of the four corners of the earth? Why do cats have nine lives (except in Iran, where they have seven)? From literature to folklore to private superstitions, numbers play a conspicuous role in our daily lives. But in this fascinating book, Annemarie Schimmel shows that numbers have been filled with mystery and meaning since the earliest times, and across every society. In *The Mystery of Numbers* Annemarie Schimmel

conducts an illuminating tour of the mysteries attributed to numbers over the centuries. She begins with an informative and often surprising introduction to the origins of number systems: pre-Roman Europeans, for example, may have had one based on twenty, not ten (as suggested by the English word "score" and the French word for 80, *quatrevingt* --four times twenty), while the Mayans had a system more sophisticated than our own. Schimmel also reveals how our fascination with numbers has led to a rich cross-fertilization of mathematical knowledge: "Arabic" numerals, for instance, were picked up by Europe from the Arabs, who had earlier adopted them from Indian sources ("Algorithm" and "algebra" are corruptions of the Arabic author and title names of a mathematical text prized in medieval Europe). But the heart of the book is an engrossing guide to the symbolism of numbers. Number symbolism, she shows, has deep roots in Western culture, from the philosophy of the Pythagoreans and Platonists, to the religious mysticism of the Cabala and the Islamic Brethren of Purity, to Kepler's belief that the laws of planetary motion should be mathematically elegant, to the unlucky thirteen. After exploring the sources of number symbolism, Schimmel examines individual numbers ranging from one to ten thousand, discussing the meanings they have had for Judaic, Christian, and Islamic traditions, with examples from Indian, Chinese, and Native American cultures as well. Two, for instance, has widely been seen as a number of contradiction and polarity, a number of discord and antithesis. And six, according to ancient and neo-platonic thinking, is the most perfect number because it is both the sum and the product of its parts ( $1+2+3=6$  and  $1\times 2\times 3=6$ ). Using examples ranging from the Bible to the Mayans to Shakespeare, she shows how numbers have been considered feminine and masculine, holy and evil, lucky and unlucky. A highly respected scholar of Islamic culture, Annemarie Schimmel draws on her vast knowledge to paint a rich, cross-cultural portrait of the many meanings of numbers. Engaging and accessible, her account uncovers the roots of a phenomenon we all feel every Friday the thirteenth.

#### The Ancient Egyptian Oracle

A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead, Anubis • Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 • Reveals that the Sphinx was originally carved as a monumental crouching Anubis, the Egyptian jackal

god of the necropolis Shrouded in mystery for centuries, the Sphinx of Giza has frustrated many who have attempted to discover its original purpose. Accounts exist of the Sphinx as an oracle, as a king's burial chamber, and as a temple for initiation into the Hermetic Mysteries. Egyptologists have argued for decades about whether there are secret chambers underneath the Sphinx, why the head-to-body ratio is out of proportion, and whose face adorns it. In *The Sphinx Mystery*, Robert Temple addresses the many mysteries of the Sphinx. He presents eyewitness accounts, published over a period of 281 years, of people who saw the secret chambers and even went inside them before they were sealed in 1926--accounts that had been forgotten until the author rediscovered them. He also describes his own exploration of a tunnel at the rear of the Sphinx, perhaps used for obtaining sacred divinatory dreams. Robert Temple reveals that the Sphinx was originally a monumental Anubis, the Egyptian jackal god, and that its face is that of a Middle Kingdom Pharaoh, Amenemhet II, which was a later re-carving. In addition, he provides photographic evidence of ancient sluice gate traces to demonstrate that, during the Old Kingdom, the Sphinx as Anubis sat surrounded by a moat filled with water--called Jackal Lake in the ancient Pyramid Texts--where religious ceremonies were held. He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult.
