## Red River Valley Brides- Part One

Part One consists of the first three books in the series Heart of a Lady Dancing with the Preacher Man Last Bride, Last Man

## Heart of a Lady

Randal Thomas made it abundantly clear that Jo Ella Masterson would never be anything but a whore at Al's Saloon. But Jo Ella had other plans. Unlike most of the others she could read and when she found a newspaper ad for mail-order-brides, she talked half of Al's girls into finding a husband and settling down as real ladies. When the stagecoach caring the girls overturned on a sharp curve in the road, the girls were battered and bruised. When Harry Jones, the Sheriff of Veda rescues Jo Ella and the girls, they are taken to the doctor and then to the boardinghouse in Veda. Ma Jones, Harry's mother owned the boardinghouse. She'd be looking out for them. But immediately Jo Ella is pulled between two attractive men, Harry the Sheriff and a dangerous looking cattle rancher named Dillon. Dillon was just shy of the law all the time and intriguing. Harry on the other hand was dependable and always straight with her. When a bank robbery goes wrong and Jo Ella is kidnapped, Harry goes after her. Dillon follows and meets up with Harry. Harry informs Dillon he can rescue Jo Ella, because Harry is going after the robbers. Somehow, Jo Ella must choose between the two of them. Jo Ella is tempted by Dillon, but will the straight and narrow Sheriff be her real hero?

#### Last Bride, Last Man (Book Three of the Red River Valley Brides Series)

Nadine had signed the contract, just like the other four girls, to marry before the year was up in Vada or work in the saloon. But no one knew the girls came from a saloon. She was worried about finding a black husband for herself. All the black men she'd met so far were either already married or too young. It seemed hopeless. However, while she was nursing Gerty back to health, Gerty's brother came home. Gabrielle Martin Lewis was a man's man, and when he found out Nadine had taken a married white man, he scorned her and told her to buy a wedding dress, they would be married on Sunday. That's how it all started. All of Nadine's hopes rode on the fact that she had to give her white lover up. Could she do it? Was marriage to a man of color worth it? But she married Gabe and her life began to change. What Nadine had to decide was whether it was for the better or not. She married a man who didn't want to make her his. Nadine had physical needs, always had. Could she dare to live with a man that wouldn't have her?

#### Last Bride, Last Man

Nadine Williams needed to find herself a husband. A black husband. But most of the colored men in Vada were either already married or too young. That is until Gabrielle Lewis came to town to see his sister.

#### Marty Robbins

From his first performance in the late 1940s until his early death in 1982, Marty Robbins established himself as one of the most popular and successful singer/songwriters in the latter half of the 20th century. On the country charts, he racked up 15 #1 hits, including the crossover smashes El Paso and A White Sport Coat (and a Pink Carnation). A beloved entertainer, Robbins received honors from every major music association. El Paso became the first Grammy ever awarded to a Country song, while My Woman My Woman My Wife received the 1970 Grammy for Best Country Song. In 1969 Robbins was named artist of the decade by the Academy of Country Music. He was inducted into the Nashville Songwriters Hall of Fame in 1975 and the Country Music Hall of Fame in 1982. In addition to his success as a singer/songwriter, Robbins loved car racing. In the early 1970s he joined the NASCAR circuit and raced the rest of his life. In *Marty Robbins: Fast Cars and Country Music*, author Barbara J. Pruett provides an exhaustive overview of Robbins' life and career. Nearly half of the book is a chronological listing (starting in 1948) of more than 2,000 magazine and newspaper articles and other sources of information about Robbins. Another section provides a basic discography of his hundreds of recordings, including both albums and singles released in his lifetime and after. The book also features a list of all of the songs he copyrighted, stories about his stock car racing activities, several previously unpublished photographs, and interviews with those who knew and worked with him—and even an extensive interview with Robbins himself. As a tribute to a great entertainer, this volume will be of interest not only to entertainment writers and researchers, but also to Marty Robbins fans worldwide.
