The TRUTH around MFM threesomes - The TRUTH around MFM threesomes by Lianna Walden 9,405 views 2 months ago 11 minutes, 40 seconds - Would you like to know if **it's**, true that **women**, don't like to have sex with 2 men or that... In this video, I debunk popular MFM ...

I want to talk to you today about some of the 4 myths that people have about having an MFM

Myth no. 1 - You can just go to a bar and meet a third

Myth no. 2 - Men are always ready to have sex with anyone at any time; therefore, he is dangerous and you have to beware.

I was brought up with this way of thinking.

But ultimately, men are not sexually dangerous beings.

2 men together with a woman is also very energetically different than when a man and woman come together.

Myth no. 3 - There are no good men out there who want to have an MFM

You and your wife will have to decide...

Myth no. 4 - Women don't want to experience two men at a time.

But most women I talk to love sex and love sex with men.

Women are also made to handle the power of more than one man
