

## Then They Came For Me

[#Martin Niemöller quote](#) [#First they came for](#) [#Consequences of inaction](#) [#Historical warning](#) [#Social justice poem](#)

The poignant phrase "Then They Came For Me," from Martin Niemöller's famous post-WWII confession, serves as a profound historical warning about the consequences of inaction in the face of escalating persecution. Often paraphrased as "first they came for...", it powerfully underscores the vital importance of speaking out against injustice and promoting social justice to prevent the erosion of freedoms.

martin-niemoller-then-they-came-for-me

Then They Came For Me, Martin Niemöller, First they came..., Holocaust poem, Guilt by association

"Then They Came For Me" is a powerful poem by Martin Niemöller reflecting on the silence of intellectuals and clergy following the Nazis' rise to power and the subsequent persecution of various groups. It explores the devastating consequences of apathy and the importance of standing up for others, lest one be left alone when their own time comes. It serves as a stark warning about the dangers of remaining silent in the face of injustice and the erosion of freedom.
