Boys Or Ballet?

Being with Luke consumes Ellie's time, but when she is cast in the Royal Opera House's Christmas ballet, juggling homework, friends, rehearsals, and a boyfriend becomes too difficult and she must make a heart-wrenching decision.

The Only Boy in Ballet Class

Tucker Dohr loves ballet but is constantly teased by football players his age for being a sissy, however they see him in a whole new light when circumstances place him in a position to help them win the football championship.

Becky, Boys, and Ballet

The Glory Elementary School talent show is coming, and Becky Hill is creating a ballet in which she'll dance with her friends from ballet school. Becky wants it to be the most beautiful ballet ever, but Jillian and Megan won't cooperate. They have their own ideas about costumes and steps-and won't listen to Becky. Then Dean, the only boy in ballet class, threatens to quit the show. He can't take the teasing he's getting from his classmates. Becky's ballet is falling apart. Can she keep it together?

Ballet Boy

This uplifting novel follows Mitchell to third grade when he becomes a ballet danseur. He is under attack by his peers for choosing to do ballet.

Boys Dance! (American Ballet Theatre)

A lively and encouraging picture book celebrating boys who love to dance, from the renowned American Ballet Theatre. Boys who love to dance are center stage in this encouraging, positive, rhyming picture book about guys who love to pirouette, jeté, and plié. Created in partnership with the American Ballet Theatre and with the input of their company's male dancers, here is a book that shows ballet is for everyone. Written by the acclaimed author of *A Is for Audra: Broadway's Leading Ladies from A to Z*, this book subtly seeks to address the prejudice toward boys and ballet by showing the skill, hard work, strength, and smarts it takes to be a dancer. Fun and buoyant illustrations show boys of a variety of ages and ethnicities, making this the ideal book for any boy who loves dance. An afterword with photos and interviews with some of ABT's male dancers completes this empowering and joyful picture book.

Boys Do Ballet Too

This unparalleled collection, international and innovative in scope, analyzes the dynamic tensions between masculinity and dance. Introducing a lens of intersectionality, the book's content examines why, despite burgeoning popular and contemporary representations of a normalization of dancing masculinities, some boys don't dance and why many of those who do struggle to stay involved. Prominent themes of identity, masculinity, and intersectionality weave throughout the book's conceptual frameworks of education and schooling, cultures, and identities in dance. Incorporating empirical studies, qualitative inquiry, and reflexive accounts, Doug Risner and Beccy Watson have assembled a unique volume of original chapters from established scholars and emerging voices to inform the future direction of interdisciplinary dance scholarship and dance education research. The book's scope spans several related disciplines including gender studies, queer studies, cultural studies, performance studies, and sociology. The volume will appeal to dancers, educators, researchers, scholars, students, parents, and caregivers of boys who dance. Accessible at multiple levels, the content is relevant for undergraduate students across dance, dance education, and movement science, and graduate students forging new analysis of dance, pedagogy, gender theory, and teaching praxis.

Masculinity, Intersectionality and Identity

Welcome to your first day at ballet school! Put on your ballet shoes and let's master your basics with pro teacher, Miss Ashley Boudier. Learn five basic lessons, then visit the costume room, before putting on your very own show of *Sleeping Beauty* at the end.

Ballet School

Olivia is looking forward to demonstrating a pas de deux for show-and-tell before accepting help from a visiting uncle when no boys are available at ballet class.

OLIVIA Takes Ballet

For young dance lovers, a picture book about a young boy whose father has the unique position as a ballet dancer. Written by American Ballet Theatre principal dancer Thomas Forster. Ben and his friends are playing in their favorite part of the classroom-- the dress-up corner! They are talking about what they want to be when they grow up. Rachel wants to be a tae kwon do master, Dixie wants to be a doctor like her auntie, and John wants to be a teacher just like their teacher, Mr. Underwood. But when Ben says he wants to fly just like his daddy, his friends are sure his daddy must be a pilot. Ben tells his friends that they aren't even close, but he offers a few more clues. His daddy is strong, gentle, fierce, and fast. His friends have lots of guesses, but no one lands on the right one until Ben gives them the biggest clue of all. Written by a dad who is also a professional ballet dancer, this story will appeal to all ballet dancing children and their loved ones.

My Daddy Can Fly! (American Ballet Theatre)

"Lukas, Syvert and Torgeir love to dance, but have they got what it takes to be the best? This warm-hearted, inspiring film introduces us to three very different young friends who are all passionate about ballet. As the boys near the end of high school, they must decide whether they have the commitment and skill to make a career in dance. In a field dominated by girls, the boys have forged a

strong friendship, brilliantly captured here, which will be challenged by the choices they make at this vital stage in their lives." -- Container. | Bonus features: deleted scenes, stills, trailer. | Director of photography Torstein Nodland; Editor Christoffer Heie; Composer Henrik Skram; Additional programmed music Goran Obad; Sound design and mix Bernt Syversen; Online and colour grading Gudmundur Gunnarsson; Produced by Carsten Aanonsen; Director and additional photography Kenneth Elvebakk. | In Norwegian. English subtitles. | Region 2; PAL.

Ballet boys

For the first time ever, there are boys at Amberwood Hall! Lauren and her friend Grace, the ghost, are excited to see how things will change. The new students bring some dynamic moves and strong personalities, but not every change is a good one. Lauren is determined to make the boys feel that Amberwood is where they belong. Perhaps some ghostly help is just what she needs!

Ballet School Boys

Inspired by watching a performance of the Alvin Ailey Dance Company, a young black boy longs to dance and enrolls in ballet school.

When Langston Dances

Gender biases and prejudices about "boys" who dance are not a new story, The inclusion and acceptance of boys who dance is often predicated on an argument that dance is not macho! This is a poem based book to inspire, uplift and encourage all young boys to dance no matter what!

For Boys Who Dance

Surveying the state of American ballet in a 1913 issue of McClure's Magazine, author Willa Cather reported that few girls expressed any interest in taking ballet class and that those who did were hard-pressed to find anything other than dingy studios and imperious teachers. One hundred years later, ballet is everywhere. There are ballet companies large and small across the United States; ballet is commonly featured in film, television, literature, and on social media; professional ballet dancers are spokespeople for all kinds of products; nail polish companies market colors like "Ballet Slippers" and "Prima Ballerina;" and, most importantly, millions of American children have taken ballet class. Beginning with the arrival of Russian dancers like Anna Pavlova, who first toured the United States on the eve of World War I, *Ballet Class: An American History* explores the growth of ballet from an ancillary part of nineteenth-century musical theater, opera, and vaudeville to the quintessential extracurricular activity it is today, pursued by countless children nationwide and an integral part of twentieth-century American childhood across borders of gender, class, race, and sexuality. A social history, *Ballet Class* takes a new approach to the very popular subject of ballet and helps ground an art form often perceived to be elite in the experiences of regular, everyday people who spent time in barre-lined studios across the United States. Drawing on a wide variety of materials, including children's books, memoirs by professional dancers and choreographers, pedagogy manuals, and dance periodicals, in addition to archival collections and oral histories, this pathbreaking study provides a deeply-researched national perspective on the history and significance of recreational ballet class in the United States and its influence on many facets of children's lives, including gender norms, consumerism, body image, children's literature, extracurricular activities, and popular culture.

Ballet Class

An A to Z celebration of the world of ballet, from the renowned American Ballet Theatre. A is for arabesque, B is for Baryshnikov, and C is for Coppélia in this beautifully illustrated, rhyming, alphabetic picture book, filled with ballet stars, dances, positions, and terminology. Written by the acclaimed author of *A Is for Audra: Broadway's Leading Ladies from A to Z*, the dazzling, creative wordplay forms a graceful pas de deux with the stylish, swooping lines and rich color of the sumptuous illustrations. In partnership with the American Ballet Theatre, here is the perfect gift for any ballet fan, from children just starting ballet to adults who avidly follow this graceful artform.

B Is for Ballet: A Dance Alphabet (American Ballet Theatre)

Discusses ballet techniques and steps, dancers, companies, costumes, and stories of famous ballets.

Ballet for Boys and Girls

A reckoning with one of our most beloved art forms, whose past and present are shaped by gender, racial, and class inequities—and a look inside the fight for its future Every day, in dance studios all across America, legions of little children line up at the barre to take ballet class. This time in the studio shapes their lives, instilling lessons about gender, power, bodies, and their place in the world both in and outside of dance. In *Turning Pointe*, journalist Chloe Angyal captures the intense love for ballet that so many dancers feel, while also grappling with its devastating shortcomings: the power imbalance of an art form performed mostly by women, but dominated by men; the impossible standards of beauty and thinness; and the racism that keeps so many people of color out of ballet. As the rigid traditions of ballet grow increasingly out of step with the modern world, a new generation of dancers is confronting these issues head on, in the studio and on stage. For ballet to survive the twenty-first century and forge a path into a more socially just future, this reckoning is essential.

Turning Pointe

"It's an incredible honor to be included in this amazing book of the greatest talent the Broadway stage has ever known!" —AUDRA McDONALD, six-time Tony Award-winning actress From Audra McDonald to Liza with a "Z," here is a showstopping alphabet book featuring your favorite leading ladies of the Broadway stage! Step into the spotlight and celebrate a cavalcade of Broadway's legendary ladies. Start with "A" for six-time Tony Award winner Audra McDonald, then sing and dance your way through the alphabet with beloved entertainers like Patti LuPone, Bernadette Peters, Chita Rivera, Lea Salonga, Kristin Chenoweth, Kelli O'Hara, and Liza Minnelli! Broadway fans and theater lovers everywhere will give a standing ovation to this one-of-a-kind tribute full of toe-tapping rhymes, with illustrations as bright and beautiful as the shining lights on any marquee. **AND DON'T MISS THE SEQUEL COMING IN OCTOBER: B IS FOR BROADWAY: ONSTAGE AND BACKSTAGE FROM A TO Z! THE RAVE REVIEWS ARE IN FROM THE STARS THEMSELVES!** A wonderful, enriching, enlightening book for theater lovers of all ages . . . and all that jazz!" —CHITA RIVERA, two-time Tony Award-winning actress (*The Rink*, *Kiss of the Spider Woman*) "A to Z—awesome to zany—I'm thrilled to be a part of such an illustrious group." —CHRISTINE EBERSOLE, two-time Tony Award-winning actress (*42nd Street*, *Grey Gardens*) "I'm so honored to be included among these fierce ladies—brought to life with such fun illustrations—in this wonderful book for little divas like my own!" —LEA SALONGA, Tony Award-winning actress (*Miss Saigon*) "A is for Audra turns the alphabet song into a show stopper! It is literally a love letter to Broadway's leading ladies, and I am so honored to be memorialized alongside all of my sisters!" —RENÉE ELISE GOLDSBERRY, Tony Award-winning actress (*Hamilton*) "I'm honored to be included in this illustrious group. A to Z, they are all incredible!" —KRISTIN CHENOWETH, Tony Award-winning actress (*You're a Good Man, Charlie Brown*) "What a fun and fabulous celebration of the females of Broadway! Imagine my joy just to be a part of it!" —KELLI O'HARA, Tony Award-winning actress (*The King and I*) "H is also for honored—because that's what I am to be included in this beautiful book. I can't wait to show my kids and tell them of all the brilliant leading ladies who have graced the Broadway stage." —HEATHER HEADLEY, Tony Award-winning actress (*Aida*) **AND CRITICS LOVE IT TOO!** "Women of the Broadway theater take center stage in this loving homage. . . . A lively introduction to a whole new cast of heroines."—Kirkus "this is a book all kids (and many adults) will enjoy as they learn about and fall in love with the theatre."—Playbill.com "A true necessity for any kid's bookshelf."—Entertainment Weekly "a thorough, eye-catching introduction to women of the theater. . . . budding theater lovers will get a thrill."—Booklist "A sure hit for thespians of all ages."—School Library Journal "Emmerich's flattering caricatures, paired with [Allman's] verse, are colorful and slick, bringing Broadway's drama to the page"—Publishers Weekly

Black Boys Dance Too: Darnell Enters a Talent Show

Celebrating ten Biff-tastic years of this hilarious story about a small dog with a big personality and even bigger dreams! Meet Biff, an adorable little puppy who will stop at nothing to become a ballet dancer. My dog is not like other dogs. He doesn't do dog stuff like weeing on lampposts or scratching his fleas, or drinking out of the toilet. No, my dog likes moonlight and music and walking on his tiptoes. You see, my dog doesn't think he's a dog. My dog thinks he's a ballerina! A fabulous feel-good book about a small dog with a big personality and even bigger dreams. This super-shiny 10th anniversary edition of this much-loved modern classic includes two brand-new pages showing what Biff has been up to since we saw him last! Also by Anna Kemp and Sara Ogilvie: *The Worst Princess* *Sir Lilypad* *Rhinos Don't Eat Pancakes* *Dave the Lonely Monster*

A is for Audra: Broadway's Leading Ladies from A to Z

After seeing a ballet performance, Nate decides he wants to learn ballet but he has doubts when his brother Ben tells him that only girls can be ballerinas.

Dogs Don't Do Ballet

Thank you for your interest in *Dance Dreams - Volume 3*! As a dance teacher, I wanted to provide my male students with a ballet terminology learning tool designed especially for them, that would be engaging and inspiring. This book has been a valuable addition to my teaching syllabus for every level of study, and I'm happy to share it with you. Each letter coloring page has a facing page, listing definitions, pronunciations and historical trivia. Some also have an inspiring note or thoughtful exercise geared toward younger dancers. For the teacher, this book can work as a supplement to an existing syllabus, or become the basis for weekly classwork and discussion. The terms for many letters include beginner to advanced technical work, so you can choose which are appropriate for each class to focus on. For the student, you can test yourself on spelling and definitions of the steps you know now, and ones that you will learn in the future. If there is a term you don't know, you can use the wealth of resource material available on the internet to see what you have to look forward to in your dance training. Some of the steps listed are for advanced level work, and require several years of study to attempt safely. I hope this book inspires you in your ballet training. Check in for free downloads, coloring lessons, and more at DanceDreamsInColor.com. I look forward to sharing other *Dance Dreams* with you! Happy coloring and dancing!

Billy Elliot

Adorable toddlers have fun with ballet Bea loves everything about ballet class, from putting on her leotard and ballet slippers to bowing good-bye at the end of class. Bright, cheerful illustrations show Bea and her class learning the basic positions and movements and show them leaping and twirling to their hearts' delight. Caldecott Honor winner--and former dancer--Rachel Isadora, the creator of *Lili at Ballet*, introduces young children to the joy of dance and creative expression.

Ballerino Nate

Text and photographs illustrate ballet movements.

Dance Dreams Coloring Book

"This comprehensive guide... helps youngsters who love ballet to understand the hard work and commitment involved in classical dance training." -- *School Library Journal* (of the first edition) "A detailed, practical guide for serious ballet students... To balance collections heavy on colorful ballet books for browsers with stars in their eyes, here's a guide for ballet students who are ready to get down to work." -- *Booklist* (of the first edition) Prepared in conjunction with Canada's National Ballet School, *The Ballet Book* is the definitive instructional resource for children who are beginning to explore the possibilities and delights of ballet. *The Ballet Book* is an inspirational motivator, an exceptional teaching aid, and an ideal companion for students. Now it has all-new photographs in color and a text more suited to contemporary young dancers. The book illustrates in meticulous detail -- and through more than 100 photographs -- every position, step and pose involved in barre work, pointe work, alignment, classical ballet poses, attitudes, allegros, batteries, pirouettes and arabesques. Age-appropriate and comprehensive, it is a motivational guide, with information on deciding to dance; finding a teacher;

musical accompaniment; finding the ideal studio; what to wear and grooming; positions, steps and poses; and exercises and nutrition. Historical highlights and modern opportunities complete this comprehensive book. The Ballet Book is a strong guide for both boys and girls.

Bea at Ballet

Spark imagination and inspire movement with Crafterina's Ballet Boys Coloring & Craft Book. A perfect gift for a young dancer! Included in the book are coloring pages, activity pages, paper crafts, and so much more!

My First Ballet Class

A New Classic for Today's Dancer The Ballet Companion is a fresh, comprehensive, and thoroughly up-to-date reference book for the dancer. With 150 stunning photographs of ballet stars Maria Riccetto and Benjamin Millepied demonstrating perfect execution of positions and steps, this elegant volume brims with everything today's dance student needs, including: Practical advice for getting started, such as selecting a school, making the most of class, and studio etiquette Explanations of ballet fundamentals and major training systems An illustrated guide through ballet class -- warm-up, barre, and center floor Guidelines for safe, healthy dancing through a sensible diet, injury prevention, and cross-training with yoga and Pilates Descriptions of must-see ballets and glossaries of dance, music, and theater terms Along the way you'll find technique secrets from stars of American Ballet Theatre, lavishly illustrated sidebars on ballet history, and tips on everything from styling a ballet bun to stage makeup to performing the perfect pirouette. Whether a budding ballerina, serious student, or adult returning to ballet, dancers will find a lively mix of ballet's time-honored traditions and essential new information.

The Ballet Book

Dancing Boys is one of the few scholarly works that demystify the largely unknown challenges of adolescent males in dance.

Ballet Boys

Winner of the Books Are My Bag Readers Award Aya is eleven years old and has just arrived in Britain with her mum and baby brother, seeking asylum from war in Syria. When Aya stumbles across a local ballet class, the formidable dance teacher spots her exceptional talent and believes that Aya has the potential to earn a prestigious ballet scholarship. But at the same time, Aya and her family must fight to be allowed to remain in the country, to make a home for themselves and to find Aya's father - separated from the rest of the family during the journey from Syria. With beautiful, captivating writing, wonderfully authentic ballet detail, and an important message championing the rights of refugees, this is classic storytelling - filled with warmth, hope and humanity. "Wise and kind and unputdownable." - Hilary McKay, Costa Book Prize-winning author of The Skylarks' War "A perfect balance of tragedy and triumph." - Natasha Farrant, author of The Children of Castle Rock "A moving story about one of the big issues of our time, told with wonderful clarity, and incredibly touching." - Axel Scheffler, illustrator of The Gruffalo "A moving, textured story ... Ballet Shoes for the 21st century" - The Times

The Ballet Companion

Bear is very, very, very GLAD today! He's taking his first ballet class. But he's a little nervous too. This sweet and silly picture book is an honest exploration of feelings that little ones—and grown-ups!—are sure to relate to. Bear is so excited that today is dance day! He has his new leggings, slippers, and tutu, and he is ready to go. But when he gets there, he feels a little shy, a little unsure, and even a little afraid. What can make him feel better? Dancing, of course! This charming companion to Mad, Mad Bear is a celebration of how stepping out and doing the things we love makes us feel happy...even if we are a little apprehensive at first!

Dancing Boys

This journal contains 90 pages. This journal is a good gift for men & boys who do Ballet!

No Ballet Shoes in Syria

Brief text and over 300 photographs explore the training and life of boys and girls at the Royal Ballet School.

Glad, Glad Bear!

Belle loves to dance and dreams of becoming a famous ballerina. Belle needs a partner to dance with but no boys do ballet and she cannot dance alone. Buster is a Street Dance, Hip-Hop dancer and can do lots of tricks. Belle is not keen on Buster's dancing but after showing some of his moves, Belle agrees to give him the chance. Follow their story from meeting, their first class together, travelling to London to meet the famous dancers Jazz and Domino and perform in the top London competition - Bunnies Got To Dance. Will they win after Buster makes a huge mistake.....? Where will they go next.....?

Journal

It's a special day. The children practice their ballet. But something is odd. Let's count down from 10 to 1 to find the surprise before the class is done.

Life at the Royal Ballet School

Joe and Sam put their spy skills to the test against a new villain, in a new mission and in - tutus? The only way to find out who is scheming to steal the World Cup memorabilia exhibition at the local leisure centre is to sign up for ballet lessons there. Joe and Sam land the lead roles in the end-of-term show - but Sam's playing the male lead, and Joe's the prima donna Can Joe hold it together (and Sam stop laughing) for long enough to find the clues and figure out who's really behind the next Great Robbery?

The Adventures of Belle and Buster

Readers make dancers disco, tap, or pirouette just by wiggling their fingers. But wait! There's even more fun. In an impressive gatefold finale, readers use two sets of hands to help the dancers perform an encore. With interactive holes on every page and a satisfying touch-and-feel cover, this charming board book is the perfect way to play and read together.

10 Ballet Dancers

The story of a boy who listens to his heart. By following his dreams, he inspires others to do the same.
--p. [4] of cover.

Boy in a Tutu

This enchanting introduction to the wonderful world of ballet has been updated to include a removable poster and access to 25 downloadable music tracks. Young dancers have fallen in love with this charming, illustrated exploration of the world's great ballets. Featuring twenty-five famous and beloved pieces such as *Swan Lake*, *The Nutcracker*, *Peter and the Wolf* and *Fancy Free*, these stories bring iconic performances to life, and inspire readers to listen and dance along to the music that has made them enduring classics. Woven into these tales is a captivating history of ballet, filled with information and profiles of the world's greatest dancers, choreographers, and composers. Young readers will also enjoy fun facts and dancing how-tos all while listening to excerpts of classical music. Also included is a removable, fold-out poster depicting the five positions of ballet.
