This book is an exclusive, compact and comprehensive account of the above-mentioned great life, which is bound to attract the attention of scholars, researchers, students and of course, the general readers. Contents • The Profile • A Great Life • Ideology and Philosophy • Political Life • Great Crusade • Historic Speeches • Select Writings

Jayaprakash Narayan

Biography of Jai Prakash Narain, b. 1902, Sarvodaya leader and political philosopher.

Unfinished Revolution

After Gandhi nobody has influenced modern Indian political thought and action as much as Jayaprakash Narayan. Both stood out against the materialistic current of the times by insisting on politics with a moral base, a stand evoking popular response but not appreciated by professional politicians.

The Dream Of A Revolution

Few figures in modern India have enjoyed such acclaim and adoration as Jayaprakash Narayan. And yet, he has been equally vilified for all that went wrong in the unfinished post-colonial movement for freedom and democracy. Jayaprakash Narayan, or JP as he was universally known, epitomized the Marxian and Gandhian styles of political engagement, and famously brought a powerful government to its knees. Throughout his life, he channelled an emotional hunger for transformative politics, jettisoned easy options, shunned power and incubated revolutionary ideas. A comprehensive study of JP's life and ideas-from the radicalism of his thought process at American university campuses in the 1920s to his political coming of age in the 1930s and subsequent disenchantment with Gandhi's leadership; from his infectious confidence about the future of socialism to his seemingly naive plans to outmanoeuvre powerful forces within the Congress; from his fractious friendship with Jawaharlal Nehru to his relentless crusade against the stifling of dissent-The Dream of Revolution, Bimal and Sujata Prasad's rigorously researched biography of JP, dispenses with clichés, questions commonly held perceptions and pushes the limits of what a biographical portrait is capable of. Rich in anecdotes and never-before-told stories, this book explores the ambiguities and ironies of a life lived at the barricades, and one man's unremitting quest to usher in a society based on equality and freedom.

India

This is a collection of important writings and speeches of Jayaprakash Narayan on India's struggle for freedom, political, social and economic. It seeks to understand many a twist and turn of the complex story of our Swaraj. Also, it is an easy way to go to understand JP, his world view, his ideology and so forth. All in all, it is a document of great historical value!

AKASHVANI

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published

beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. NAME OF THE JOURNAL: AKASHVANI LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 18 NOVEMBER, 1979 PERIODICITY OF THE JOURNAL: Weekly NUMBER OF PAGES: 56 VOLUME NUMBER: Vol. XLIV, No. 46 BROADCAST PROGRAMME SCHEDULE PUBLISHED (PAGE NOS): 5-24, 34-54 ARTICLE: 1. Ideas and Frameworks of Governing India

Ideas and Frameworks of Governing India and its companion volume Neo-liberal Strategies of Governing India tell the story of governance in independent India and address the critical question: how is a post-colonial democracy governed? Further, they attempt to understand why the process of governing a post-colonial democracy, particularly in the neo-liberal age, should be studied as the central question within the history of post-colonial democracy. The volumes offer hitherto unexplored analyses of governance — political and ideological aspects along with technological characteristics — in a historical framework. This volume discusses: ideas and issues at the core of governance in post-colonial India constitution, state-making and government formation the asymmetrical nature of the anti-colonial foundations of governance In breaking new ground in the study of what constitutes the political subject, these volumes will be indispensable to scholars, researchers and students of politics, public administration, development studies, South Asian studies and modern India.

A New Vision of History

Few figures in modern India have enjoyed such acclaim and adoration as Jayaprakash Narayan. And yet, he has been equally vilified for all that went wrong in the unfinished post-colonial movement for freedom and democracy. Jayaprakash Narayan, or JP as he was universally known, epitomized the Marxian and Gandhian styles of political engagement, and famously brought a powerful government to its knees. Throughout his life, he channelled an emotional hunger for transformative politics, jettisoned easy options, shunned power and incubated revolutionary ideas. A comprehensive study of JP's life and ideas—from the radicalism of his thought process at American university campuses in the 1920s to his political coming of age in the 1930s and subsequent disenchantment with Gandhi's leadership; from his infectious confidence about the future of socialism to his seemingly naive plans to outmanoeuvre powerful forces within the Congress; from his fractious friendship with Jawaharlal Nehru to his relentless crusade against the stifling of dissent—The Dream of Revolution, Bimal and Sujata Prasad's rigorously researched biography of JP, dispenses with clichés, questions commonly held perceptions and pushes the limits of what a biographical portrait is capable of. Rich in anecdotes and never-before-told stories, this book explores the ambiguities and ironies of a life lived at the barricades, and one man's unrelenting quest to usher in a society based on equality and freedom.

The Dream of Revolution

A Study Guide (New Edition) for Yann Martel's "The Life of Pi"

Jayaprakash Narayan: 1966-1972

The major conflicts between the Global North and the South can be expected to result from the confrontation of alternative conceptions of democracy, mainly between liberal or representative democracy and participatory democracy. The hegemonic model of democracy, while prevailing on a global scale, guarantees no more than low-intensity democracy. In recent times, participatory democracy has exhibited a new dynamic, engaging mainly subaltern communities and social groups that fight against social exclusion and the suppression of citizenship. In this collection of reports from the Global South—India, South Africa, Mozambique, Colombia, and Brazil—De Sousa Santos and his colleagues show how, in some cases, the deepening of democracy results from the development of dual forms of participatory and representative democracy, and points to the emergence of transnational networks of participatory democracy initiatives. Such networks pave one of the ways to the reinvention of social emancipation. This is volume 1 of the Reinventing Social Emancipation project, edited by Boaventura de Sousa Santos.

Days and Events Current Affairs Yearly Review 2022 E-book PDF

This volume attempts to show the emerging contours of 'transformative action' in social movements across South Asia. It argues that these contours have been shaped by contestations over questions of equity, justice and well-being on the one hand, and the nature and scope of new and classical social movements on the other. This is manifest in diverse modes through people's struggles, protest and dissent. The authors examine a variety of themes that have determined the course of the politics of transformative struggles. They critique neoliberalism, 'primitive' accumulation, money, class inequalities, as well as aspects of capital-labour conflict. They highlight the contributions of movements by women, dalit and marginalized communities; peace movements; and environmental and agrarian struggles. The volume also appraises the role of internet in grassroots mobilizations and that of civil society networks in the making of participatory democracy. It further argues that the predicaments of

cultural, ethnic, national, regional, and linguistic identities are not divorced from capital–labour conflicts. The book will serve as essential reading for students and scholars of sociology, social movements, politics, gender and feminist studies, labour studies, and the informed general reader.

Current Affairs 2022 E-Book - Download PDF with Top News of 2022

A Mouthful of Petals is a nonfiction account of three years working in an Indian village in the early 1960s. Previously published, it became a minor classic among good samaritans, particularly in Britain, and was reviewed by The Times, New Statesman and such like. At the invitation of India's venerated political leader and activist Jayaprakash Narayan, Wendy and Allan Scarfe, two dedicated but far from solemn young Australian teachers, travelled to the remote village of Sokhodeora in Bihar in 1960. They had been asked to take charge of the educational activities of his ashram, but over the three years they lived there, their activities extended far beyond that. This humane and important book recounts their efforts in helping local people counter the misery, poverty and ignorance that afflicted so much of the region. By the time they left, the Scarfes had succeeded in teaching both children and adults much that would help them to lead better and fuller lives. And they left behind, for the young at least, something to hope and work for. This new edition of A Mouthful Of Petals includes an account of Wendy Scarfe's return trip to Sokhodeora during a famine in the late 1960s, and how those who live in Bihar state fare in the early twenty-first century.

General Knowledge 2020

In less than forty years of its existence, the Bharatiya Janata Party has become the world's largest political party and continues to go from strength to strength in Indian politics. Although its historic rise may seem organic to some, there is much internal deliberation and planning that has aided the growth of this 180-million-member organization. The Architect of the New BJP uses in-depth research and concrete examples to explain how the BJP has transformed over the decades. It reveals lesser-known contributions, like Prime Minister Narendra Modi's experiments with traditional methods of party-building, his keen eye for detail and the different innovative methodologies to expand the party. Ajay Singh not only examines the past of the party, including the vision of its founders, but also provides a glimpse into the future of the party. Based on extensive interviews with many party workers, leaders and observers, this is the story of how the veterans of this cadre-based party, appreciating its limitations, developed a unique Indian model that eventually transformed the BJP into the election-winning machine it is today.

The Political Ideas of M.N. Roy and Jayaprakash Narayan

This book sketches the history of political forces in modern India. It begins defining these political categories of left, right and far-right with the usual reference to French Revolution (for want of an indigenous equivalent), and discusses movement of forces towards left, or towards the right from the balance of socio-political forces or status quo at a point of time in India. It recalls historical facts, uses chronological order for clarity and leaders' names and political parties, their world view and ideas of nation, social groups they represented, and their movements. It progresses by reopening only a few windows to modern Indian history and looks at periods like, the 1920-30s, and 1970-80s, when there were significant movements and consolidation of socio-political forces to the right and far right. At the late 1960s and early 1970s, there were a series of policy proposals, legislations to nationalize assets and launch direct attacks on poverty that marked a sharp turn to the leftist ideology in Delhi (the central government of the time). Following these, a coalition of mostly right-wing forces rose to challenge the government at the centre and succeeded. This occurred in the context of heated Cold War geopolitics. Taylor and Francis does not sell or distribute the print editions of this book in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.
