Readers may want to put on their work gloves for this fun and sturdy board book shaped like a tractor Read along as this mighty tractor helps plow fields, pull heavy machinery, and do more hardworking tasks down on the farm Little tractor enthusiasts will love seeing this tough tractor in action in this latest book in the bestselling I Am a Truck series

10 Busy Tractors

This Race Car Steering Wheel book includes an attached toy steering wheel and seven sound buttons that simulate the sights and sounds of the race track. As kids follow the story, they press the sound buttons, honk the horn, and crank the steering wheel left and right. The individual sound buttons follow along with the story, and help readers envision the crowd cheering, the engine revving, gears shifting, tires squealing, the horn honking, the pit crew talking, and actual pit crew repairs being made. The Race Car Steering Wheel Play-a-Sound Book has a sturdy cover and coated board pages that withstand rough handling. Three replaceable long life AG13 button cell batteries that power the book are included. The item conforms to the Specifications for Toy Safety of ASTM F96308. This product is recommended for children ages 18 months and older.

Digger and Friends: Tractor's Farmyard Fun

It's a busy day at the garage. The simple push or pull of a tab in this chunky, interactive board book can cause all sorts of amazing things to happen - cars go up and down on jacks, mechanics pop out from under the hood and the steering wheel goes round and round

The Green Tractor

Plowing, planting, harvesting...there's always so much to do on a farm. Thank goodness there's a big, sturdy tractor! Our Zippy Wheels series celebrates young children's fascination with all things "big rig," helps them learn some interesting things about their favorites, and even comes with rotating wheels. From fire trucks that help save lives, to dump trucks that drop heavy loads, to tractors that help around the farm, and diggers that clear the ground, there's always something to learn and see here.

I Am a Tractor

Many young children are fascinated by the huge machines they see working on farms and in fields. They want to know how they work and what each part does. These questions, and many more, are answered in this book.

Tractor

Go, tractor, go! Go to the fields, the farm, the orchard, the barn. This adorable read-and-play set includes a board book and toy tractor. The book incorporates bright, beautiful photographs with simple words and concepts for the youngest John Deere fans, who are encouraged to drive the toy tractor over the pages, to the farm, and wherever else their imagination can take them!

Busy Garage

Tractors and Things That Go, a tactile board book with fun, 3D areas. Introducing Tractors and Things That Go, a fun board book for young vehicle lovers! The book features fun, 3D areas that little hands can explore. The cool photographs of mighty machines will entertain young children. This tactile book provides plenty for children to look at and feel, helping in their early learning!

Zippy Wheels: Tractors

It's a very busy day at the building site! The simple push or pull of a tab in this chunky, interactive board book can cause all sorts of amazing things to happen: wrecking balls demolish buildings, builders climb ladders and cranes lift loads high into the sky! Full of delightful detail and magical mechanisms, this is the perfect book for keeping busy hands and busy minds entertained for hours.

Tractors

There's lots of lift-the-flap fun and four flashing sound buttons to press in this brilliant book for tractor-mad kids. Each spread focuses on a different farm vehicle, with exciting engine 'vrooms' and other noises to hear on the press of each button. Lift the flaps and read the simple text to learn about the unique features on each vehicle, and there's a simple matching activity for additional fun.

Go, Tractor, Go!

Nothing runs or reads like a John Deere finger puppet tractor book. This interactive farming story features a fun finger puppet tractor toy built into the book encouraging interactive play, hand-eye coordination, and language development in your little one. Babies and toddlers learn best when they are playing, especially when their grown-ups are in on the fun. A must for your little tractor enthusiast. Collect the entire series in the Finger Puppet Collection. Fun tractor puppet encourages interactive play between little ones and their grown-ups. Soft plush and a rhyming story combine to provide both tactile and verbal learning opportunities. Practice hand-eye coordination while enjoying together time. Great gift for the little John Deere fan in your life. Officially licensed John Deere product.

Tractors

This delightfully simple series of vehicle books features a rocking mechanism on each cover. Full of bold, colourful illustrations, with pull-tabs, tactiles, embossing and foil on every spread, these books make a great first experience of board books for young children.

Busy Builders

There is lots of lift-the-flap fun to be had and four flashing sound buttons to press in Noisy Tractor, a brilliant book for tractor-mad kids. Each spread focuses on a different farm vehicle, with "chug-chug-chugging" and other noises to hear on the press of each button. Lift the flaps and read the simple text to learn about the unique features on each vehicle, and there's a simple matching activity for additional fun. Also available: Noisy Fire Engine.

Noisy Tractor
