You're at a gathering. And a stranger keeps making eye contact

Clinking glasses together as a group at a bar, Then once again just with you

Reading your text as soon as you send it

Saying, "I didn't notice you had a mole there."

Picking lint off of your clothes or your hair

Liking every post or story that you upload

Memorizing your coffee preference and placing an order for you

A late-night phone call

Light physical touch during a conversation

Zippping up your jacket or coat for you

Texting photos of your day

Your shoelaces come undone, but you have no spare hands, so someone else ties them for you

Taking off their jacket for you when you're cold

The get upset at you for doing something dangerous

Noticing a new hairdo, makeup, or outfit and saying you look good
