Vanquishing the Enemy

Ron Phillips' personal journey into the realm of spiritual warfare may seem to come from the pages of a fiction best-seller. The tragedy, heartaches, ministry blows, and near-death experiences Pastor Phillips recounts in this new book, however, are real-life events. The challenges and difficulties of pastoring brought him face-to-face with the life-saving truths of spiritual warfare. Through all of this he learned the reality of the power of praise and worship accompanied by the free exercise of spiritual gifts. He contends that this is the key to growth in an individual believer's life as well as in the church at large. Vanquishing the Enemy is practical in its application and written in an easily understood style.

Vanquishing the Enemy: Triumphant in the Battles of Life

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. – Ephesians 6:12 It is written that there is an ancient war going on! Whether you are aware of it or not, whether you believe in that sort of thing or not, and whether you care or not, that battle rages on even now as you read this. Have you ever wondered: Is the devil real? Can people really be possessed by demons? If so, can Christians be affected by demonic activity? What power does the enemy have over me? What power do I have over the enemy? Is there anything I can do to lose that power? Is there anything I can do to gain more power? How do I claim and use my authority in Christ? Is there any way to get the devil to leave me and my family alone? It Is Written: A Field Guide to Spiritual Warfare answers all of these questions and more by pointing the reader to the Word of God (book, chapter, and verse) for relevant, practical application on exactly how to overcome Satan (and his army) as well as how to take the fight to the enemy. Are you tired of getting pounded on by the devil day after day, week after week, month after month, and year after year? If so, then this is the path to freedom for you! It may surprise you to learn that it is written that if you are an authentic, obedient child of God then the devil doesn't have any power over you, unless you just give it to him! Furthermore, it is written that if you are indeed "in Christ" then you are actually the one with all the power and authority over the kingdom of darkness. Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you. – Luke 10:19 It Is Written: A Field Guide to Spiritual Warfare will teach you exactly how to endorse and enforce this God-given power and authority.

Conquer Spiritual Warfare (Deluxe Edition)

Watching the Trinity Broadcasting Network (TBN) many years ago, when the author heard that a born-again Christian committed suicide. The Lord said to her to go tell His people in a particular church what she went through. To tell them her personal encounter with the kingdom of darkness and how she overcame through the power invested in the name of Jesus Christ. Suicides and murder are influenced by the same force of darkness which God has given us the power through our Lord and Savior Jesus Christ to overcome. This book is an account of what she shared with God's people in that church. God did not keep His people here to live under the dictates of the evil one. This is a powerful book of faith and love for God. Though life can be difficult, God carries us through if we believe and trust in Him.

The Battle with the Enemy

The moment you became a Christian, your spiritual position changed, and you were transferred from the kingdom of darkness into the kingdom of light. (Colossians 1:13-14 KJV). When this transference occurred, you now became the enemy of satan, and are in opposition to the things of this world that support his agenda. You are now a soldier of Christ, who is in the middle of a battle and there is much training to be done to fight the war between darkness and light, flesh and spirit. Renewing the mind is one of the most important parts of the battle, however, there is so much more to learn. The difference between understanding the battle and not understanding the battle determines if you will live a life of abundance or lack. Jesus died and rose again, so that we would "have life and life more abundant" (John 10:10). It is critical that we learn to fight the battle to win the war. This book, Fighting the Battle to Win the War is a culmination of three chapters taken from Ellen's book Being Your Husband's Help-Mate Not His Hurt-Mate. It is the Author's hopes, that this mini-booklet will help you to understand and apply the basic, yet all so important aspects of spiritual warfare.

Born to Fight

ABOUT THE BOOK Life is a battle field and most of the time, the battles starts the moment an individual is born into the world. Like the case of Jesus, wise men from the east saw his great star and they traced it to worship him. That is how the enemy also traces great stars to destroy them. Everybody God created is with a great destiny but it is the enemy that destroys and confuses people. Understand that The Battle belongs to the Lord...but You are the Soldier! To understand the battle, we need to begin with acknowledging that we are in a war. Battles make up smaller components of the bigger picture. By definition, battles involve combat between two persons, between factions, between armies and they consist of any type of "extended contest, struggle, or controversy" (Webster-Merriam). As Christians, we are in a spiritual battle of some sort on a daily basis. In warfare, battles are fought on different fronts, for different reasons, and with varying degrees of intensity. The same is true in spiritual warfare. Our spiritual battles are real, even though we cannot physically see the attacker. But, we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis. We have to ask ourselves, "Why do we even want to fight?" It will do us no good to educate ourselves on the battle if we see no reason for the fight. War is very controversial today in the physical realm. Those attitudes, beliefs and convictions will transfer over to the spiritual realm. However, in the spiritual realm, there is a battle going on regardless of our opinion. We are either victors or victims You will learn in this book:- WHO IS AN ENEMY- FIGHTING SPIRITUAL WARFARE- QUALIFICATION TO FIGHT BATTLES - THOSE THAT FOUGHT AND WON LIVES BATTLEWEAPONS OF WARFARE- Constant meditation on the word of god- The weapon of sacrifice- Weapon of hailstone- By continuous prayer- By pleading the blood of jesus- By singing praise unto god- Continuous sharing of testimony- UNIQUE PRAYER POINT
