Who I Am

I know everything about you. And you know everything about me... except WHO I AM. Andi met Camilla at university. Instantly best friends, they shared everything together. Until their long-planned graduation celebration ends in tragedy... Years later, Andi is living a seemingly perfect life on the rugged Cornish Coast with her loving husband, happy children and dream home. Yet Andi is haunted by a secret she thought only she knew. The Woman Next Door: An Unputdownable Psychological Thriller with a Stunning Twist

I suppose everyone has their reasons for living here. Who knows what lies behind the pretty curtains and the well-groomed lawns of Mulberry Avenue? Lucy has a kind and adoring husband, a job she loves as a teacher, and a house on Mulberry Avenue with floaty curtains and the softest bed linen. After her troubled childhood, she knows life will never be perfect, but it's pretty close. She's also got Amber, right next door. They never run out of things to talk about. Even if Amber's life - with her high-profile job and handsome, wealthy boyfriend - is more glamorous than Lucy's, they share a down-to-earth sense of humour. But then Amber starts to hint that her life isn't all it seems, and when she comes to Lucy, terrified, saying that she's getting threatening messages, Lucy promises to protect her. The closer Lucy

gets to anyone, the harder it'll be to keep her past to herself. But Amber doesn't have anyone else, and Lucy welcomes her into her home. Lucy knows all too well that people aren't always what they seem. Sometimes they have secrets. And they'd do anything to keep them. Yet when Amber settles in a little too quickly, Lucy's still sure: she can trust her friend... can't she? Gripping and unputdownable, *The Woman Next Door* tells a story about the dark side of friendship, and has a final twist that will shock every reader. Perfect for fans of *The Girl on the Train*, *Friend Request*, and *Clare Mackintosh*. Readers love Sue Watson: 'Tense, atmospheric psychological thriller with more twists and turns than a rollercoaster. Impeccably written and a big fat 5***** from me. Awesome!' No. 1 bestselling author, Angela Marsons 'Gripping tension that builds and builds... I kept thinking I knew where she was going only to be knocked sideways... An absolute page turner of a read that sent my heart racing. Bravo to the new queen of psychological thrillers.' By the Letter Book Reviews, 5 stars 'Omg this book!!!! Never have I felt such powerful emotions... when reading a novel... This really is such a compulsive read building the tension and a brilliant ending making it for me a real unputdownable novel... Read it you really won't be disappointed.' Goodreads reviewer, 5 stars 'What a read this was, reminiscent of *B A Paris* Behind Closed Doors, with the twists of a *Claire Mackintosh* book... such a good read and just as I thought I had worked it out I was wrong!' Goodreads reviewer, 5 stars 'Delivers an ending that will make you go WOW but you need to read it to see why! Straight into my Top 10 of the year and a really great read... Dark, disturbing and just everything you want from a psychological thriller and more.' Goodreads reviewer, 5 stars

The Forever Home

'Wow!!! What an absolute cracker of a book!!!... I just loved everything about it... An absolutely addictive page turner that kept my heart in my throat on the edge of the seat... A compelling, page turning, mind blowing psychological thriller.' Bookworm86 'You thought you'd always be safe there... you were wrong. Carly had thought they'd always live there. The beautiful Cornish cliffside house they'd taken on as a wreck, that Mark had obsessively re-designed and renovated – a project that had made him famous. It was where they'd raised their children, where they'd sat cosily on the sofa watching storms raging over the sea below. It was where they'd promised to keep each other's secrets... Until now. Because Mark has fallen in love. With someone he definitely shouldn't have. Someone who isn't Carly. And suddenly their family home doesn't feel like so much of a safe haven. Carly thinks forever should mean forever though: it's her home and she'll stay there. Even the dark family secrets it contains feel like they belong to her. But someone disagrees. And, as threats start to arrive at her front door, it becomes clear, someone will stop at nothing. Because someone wants to demolish every last thing that makes Carly feel safe. Forever. An utterly unputdownable psychological thriller about what lies are hidden in the most beautiful homes. Perfect for fans of *Date Night*, *Gone Girl* and *The Woman in the Window*. Readers are loving *The Forever Home*: 'WOW!! WOW!! WOW!!!... The top #1 stop of my recommendations for 2021... So fast-paced it is unputdownable, intense, emotional, mind blowing, gripping, filled with betrayal, secrets, and "omg she went there" moments!!!... wickedly good!' Heidi Lynn's Book Reviews 'I was completely hooked from the first page and honestly could not put the book down... I did not predict the end and audibly gasped at the final twist. Just fantastic.' Greatreadsflowersandseeds 'Utterly compelling... Oh my goodness... I sat mouth wide open as I held my breath, just utterly brilliant!!!... Samantha Frayn doesn't know why Peter Bridges picks her – a nobody with bitten fingernails and a troubled childhood behind her – but she falls quickly. He's older, charming, likes fine wine and French films, and his beautiful home has real art on its walls. Peter transforms Samantha's life in an instant. He sees the better version of herself – the one she's always wanted to be. It's only normal that there's a little friction, when she moves in, over domestic matters like where things are kept, or the proper times to eat, sleep and shower. She's lucky to be with someone who can help her find a new job, move on from childish friends, and speak with greater sophistication. But as Samantha notices, more and more, Peter's temper, she starts to wonder if there might be consequences to breaking the rules of the world he has so quickly built around her. And then she receives an anonymous note that makes her ask: is she the first woman to feel trapped by Peter? Is she being paranoid, manipulated, or could she be in danger? In a Dark, Dark Wood

In the rubble-strewn wasteland of Alphabet City, a squalid tenement conceals a treasure "beyond all imagining"- an immaculately preserved, fifth century codex. The sole repository of ancient Hermetic lore, it contains the alchemical rituals for transforming thought into substance, transmuting matter at will...and attaining eternal life. When Rose, an East Village tattoo artist has a torrid encounter with Martin, a battle-hardened loner, they discover they are unwitting pawns on opposing sides of a battle that has shaped the course of human history. At the center of the conflict is Paul, the villainous overlord of an underground feudal society, who guards the book's occult secrets in preparation for the fulfillment

of an apocalyptic prophecy. The action is relentless as Rose and Martin fight to escape Paul's clutches and Martin's destiny as the chosen recipient of Paul's sinister legacy. Science and magic, mythology and technology converge in a monumental battle where the stakes couldn't be higher: control of the ultimate power in the universe-the Maelstrom.

'WOW! I absolutely loved this.' Goodreads Reviewer, **P**Gripped me so hard I ruined my plans with the husband.' Goodreads Reviewer, **P**Amazing!! I loved it!!!' Goodreads Reviewer, **P**OH MY GOSH!... Simply incredible.' Goodreads Reviewer, **P**I literally loved everything about it.' Goodreads Reviewer, **P**You're not who you say you are. Neither is she. She thinks she knows me. She believes my marriage is falling apart at the seams, that my husband can barely look me in the eyes. She thinks I'm desperate for a baby, that my longing for a family keeps me up at night. As much as I hate to admit it, all of this is true. She thinks I listen to her advice, that I care about her opinion. That couldn't be further from the truth. Because she has no idea who I am. She has no clue that I know everything. I know her secret. I know that she did the unforgivable. I know how many lives she ruined. I know exactly what she did. And I'm here for her. An utterly gripping, addictive and shocking read about the dark secrets we're ashamed to admit, and the lengths people go to for revenge. Fans of *K.L. I loved this fast-paced, captivating thriller and would happily give it more than five stars if I could... Definitely one of my favourite reads of this year.’ Nicki’s Life of Crime **P**You think you’re safe in your home. You’re wrong. When Steph’s husband of thirty years, Andy, walks out with barely a word of explanation, she’s left alone in the family home. Both of her children moved out years before. And although her daughter visits often, it’s not enough. Her house doesn’t feel like the warm, happy, laughter-filled home it used to be. Then she begins to hear noises in the night, finds open windows she knows she left closed, items moved. None of it feels right. She wants to believe it’s all in her imagination. After all, who would want to scare her? She’s never hurt a person in her life. But then her front window is smashed, and a young man named Noah helps her fix it. He’s fallen on hard times and Steph impulsively offers him a place to stay. He reminds her so much of her beloved son, and she wants to help him. Also, if he is there, she won’t be home alone. Before long Noah is living in her daughter’s old bedroom, paying rent, and getting his life back on track. Andy and her daughter are furious. But Steph feels secure at last, and that’s what matters. Until the strange things start happening once more. And Steph realises that someone is out to scare her... She doesn’t feel safe, not safe at all. Readers are loving The Guest Room: ‘Oh my days. I Know Your Secret

"Kat remembers the days when her only daughter Amy wouldn't leave her side. Amy was the baby who cried when you walked out of the room, the toddler who was too shy to speak to strangers, the small child who clung to Kat's legs in the school playground. But now Amy is grown up, and Amy is gone - to university in a town several hours away. Kat's house - which once felt too full, too noisy, too busy - is deathly quiet, and Kat awaits the daily phone call to tell her that her beloved daughter is thriving and happy. But one day Amy doesn't call. Kat's husband and friends think she is being paranoid - surely Amy is just out, having fun with her friends. But Kat knows right away that something is very wrong. Her daughter would never forget to call. She would never just disappear... After all, Amy has nothing to run from. Or does she?"--Publisher description.

Behind Closed Doors

The first time you see them, out for an evening walk on the cliffs, you'll think they're the perfect family. You'll see a wife who looks so happy, strolling peacefully beside her husband in his dark winter coat, holding her daughter's hand. But you have no idea what's really happening in their house... If you come a little closer you might hear the way the man speaks to his wife. You might notice that the woman doesn't have any close friends. That sometimes her husband doesn't want her to leave the house. You might wonder if that's a scar her beautiful daughter is hiding on her neck. When you read the local newspaper and hear the news that the wife has fallen from the cliffs, you'll question whether it was really an accident at all. And when the husband starts dating someone new – a woman with the same long dark hair and big blue eyes as his wife – will you say something this time? Because someone has to protect the little girl and stop history from repeating itself. And it may already be too late. A thrilling and twisty tale, His Hidden Wife will keep you up all night, desperate to race through to its final conclusion. Readers of Gone Girl, The Couple Next Door and Lisa Jewell will be hooked. A compelling, page turning, mind blowing psychological thriller.' Bookworm86 'You thought you'd always be safe there... you were wrong. Carly had thought they'd always live there. The beautiful Cornish cliffside house they'd taken on as a wreck, that Mark had obsessively re-designed and renovated – a project that had made him famous. Because Mark has fallen in love. With someone he definitely shouldn't have. Someone who isn't Carly. And suddenly their family home doesn't feel like so much of a safe haven. Carly thinks forever should mean forever though: it's her home and she'll stay there. Even the dark family secrets it contains feel like they belong to her. But someone disagrees. The Perfect Liar

Anna Blackwell lives a charmed life with her husband. But things haven't always been this way. When a woman is killed on the other side of the world, Anna knows that her past has caught up with her. That her greatest fear is about to come true. That it's her turn next.

Her Last Secret

I thought of the long history with my friends-the lies, the slights, the betrayals, and the five-year gap since our last get-together. Five of us had arrived at this desolate cabin. Now, only three of us remained. It was supposed to be the perfect vacation: a secluded cabin by a private lake; late nights, wine and laughter. Megan hasn't had time for herself since her second child was born, and she knows her friends need a break too-Jenna from her demanding job, Charlotte from marital problems and Kaitlyn and Sam from busy families. Between all their commitments Megan was afraid this trip would never happen, and she needs the comfort and familiarity of her oldest friends now more than ever. They have known

each other since college-there are no secrets between them. But things change in the woods. As they reminisce, bad memories as well as good are dragged up, and old wounds are reopened. It seems not everyone remembers those college years as fondly as Megan, and a trip planned to bring them back together might just drive them apart for good. Someone has been hiding a lie for over twenty years. And now lives are in danger. Gripping, addictive and totally unputdownable, *The Lake House* will have you wanting to sleep with the lights on. Perfect for fans of *The Girl on the Train*, *The Woman in the Window* and *Big Little Lies*. Readers can't get enough of Laura Wolfe: "Wow. I had absolutely no idea I would love this book as much as I have. I really haven't been able to put this one down.
