## The Little Mermaid

Treasure this signed Limited Edition of expert craftsman Robert Sabuda's pop-up adaptation of a beloved under-the-sea tale. Come along on a magical journey under the sea in this pop-up adaptation of the beloved fairy tale "The Little Mermaid," expertly crafted by renowned paper engineer Robert Sabuda. Amazing three-dimensional paper structures pop off each page, bringing a classic underwater adventure to life. A visually stunning story of adventure, true love, and sacrifice, this Limited Edition keepsake features an additional pop-up on the cover and is cloth-bound, signed by the author, hand-numbered for collectibility, and housed in a beautiful cloth slipcase.

## The Little Mermaid (Limited Edition)

"The Little Mermaid" (Danish: Den lille havfrue) is a fairy tale by the Danish author Hans Christian Andersen about a young mermaid willing to give up her life in the sea and her identity as a mermaid to gain a human soul and the love of a human prince. The tale was first published in 1837 and has been adapted to various media, including musical theatre and animated film.

## The Little Mermaid

A little mermaid rescues a prince from drowning and falls deeply in love. But without legs to walk on land, how ever will she meet him again?

## Fairytales Classics: Little Mermaid

The Little Mermaid A Children's Classic Hans Christian Andersen "The Little Mermaid" is a fairy tale written by the Danish author Hans Christian Andersen about a young mermaid who is willing to give up her life in the sea and her identity as a mermaid to gain a human soul. The Little Mermaid dwells in

an underwater kingdom with her widowed father (the sea king or Mer-King), her dowager grandmother, and her five older sisters, each of whom had been born one year apart. When a mermaid turns fifteen, she is permitted to swim to the surface for the first time to glimpse the world above, and when the sisters become old enough, each of them visits the upper world one at a time every year. As each returns, the Little Mermaid listens longingly to their various descriptions of the world inhabited by human beings. When the Little Mermaid's turn comes, she rises up to the surface, watches a birthday celebration being held on a ship in honor of a handsome prince, and falls in love with him from a safe distance. A violent storm hits, sinking the boat, and the Little Mermaid saves the prince from drowning. She delivers him unconscious to the shore near a temple. Here, she waits until a young woman from the temple and her ladies in waiting find him. To her dismay, the prince never sees the Little Mermaid or even realizes that it was she who had originally saved his life.

### The Little Mermaid

An enchanting tale of magic, mermaids and adventure for readers aged 9 and up - from bestselling author, Holly Webb. Venice is faced with terrible danger . . . Can the friendship between a young girl and a mermaid save the city? Lady Mia doesn't want to believe in magic, even though her cousin, the princess, is the most magical ruler Venice has ever known. But when Mia meets a mermaid called Ara, it is impossible for her to deny her destiny any longer. The two friends must work together to save their home - but will their combined magic be enough to defeat the Talish invaders? The Magical Venice books are all share the same beautiful setting, but can be read as standalone stories. The series includes: The Water Horse, The Mermaid's Sister, The Maskmaker's Daughter, and The Girl of Glass. Discover more by Holly Webb with her Rose and Lily series - also filled with magical adventures.

### A Magical Venice story: The Mermaid's Sister

After saving a prince from drowning, a young mermaid sacrifices her tail for legs and joins the prince but comes to regret her decision.

### The Little Mermaid

Discover a magical world of playful and gentle mermaids in the vibrant companion to In the Land of Fairies and In the Land of Elves. A new edition of the classic picture book by bestselling illustrator Daniela Drescher. Shimmering mermaids swim past flower stems, water nymphs doze on cool lily pads and river fairies flutter long wings. This vibrant picture book will captivate young readers with its luminous illustrations and gentle evocative words.

### The Little Mermaid

Parents appreciate their children learning while having fun, and kids love to read along to their favorite under-the-sea adventures. Word-for-word narration builds vocabulary and encourages independent reading.

### In the Land of Mermaids

"The Little Mermaid"- a fairy tale by famous Danish story teller Hans Christian Andersen. We expect that kids will like the fairy tale and our illustrations. You can read the story in the language that you are learning and verify your understanding by reading the same text in your native language. No need to open the dictionary. "The Little Mermaid" is a part of a series of "My Grandma's Tales" - bilingual books of tales from around the world. We hope that you will enjoy reading our books while improving knowledge of the language you are learning. [www.mygrandmastales.com](http://www.mygrandmastales.com)

## The Little Mermaid

The first book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories* about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. *The Land of Stories* tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.

## La Sirenetta. the Little Mermaid. Bilingual Fairy Tale in Italian and English

With his long black curls, a shadowy family tree, and an affinity for pet spiders, James Matthew bears little resemblance to his starched-collar, blue-blooded peers at Eton. Dubbed King Jas., he stops at nothing to become the most notorious underclassman in the prestigious school's history. For James, sword fighting, falling in love with an Ottoman Sultana, and challenging the Queen of England are all in a day's skullduggery. But when he sets sail on a ship with a mysterious mission, King Jas.' dream of discovering a magical island quickly turns into an unimaginable nightmare. Screenwriter J. V. Hart traces the evolution of J. M. Barrie's classic villain from an eccentric outcast to the scourge of Neverland.

## The Little Mermaid

In the second edition of *The Idea of Nature in Disney Animation*, David Whitley updates his 2008 book to reflect recent developments in Disney and Disney-Pixar animation such as the apocalyptic tale of earth's failed ecosystem, *WALL-E*. As Whitley has shown, and Disney's newest films continue to demonstrate, the messages animated films convey about the natural world are of crucial importance to their child viewers. Beginning with *Snow White*, Whitley examines a wide range of Disney's feature animations, in which images of wild nature are central to the narrative. He challenges the notion that the sentimentality of the Disney aesthetic, an oft-criticized aspect of such films as *Bambi*, *The Jungle Book*, *Pocahontas*, *Beauty and the Beast*, and *Finding Nemo*, necessarily prevents audiences from developing a critical awareness of contested environmental issues. On the contrary, even as the films communicate the central ideologies of the times in which they were produced, they also express the ambiguities and tensions that underlie these dominant values. In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated, Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience.

## The Singing Mermaid

Can you imagine having a father who would give you to the Devil in exchange for riches and wealth? The poor girl in our story had to endure not only this but getting her hands cut off as well. Her will was so strong that she decided to not fall victim of the Devil. So she headed out in the woods, wandering around, not having anything, not even food. Surprisingly enough she survived and she became a queen. Her misfortunes did not end with this however. Many more difficulties followed. Because, you know, the Devil does not forget so easily. Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella"

## The Little Mermaid

In the 1960s Jerry Cornelius was the coolest assassin on the Ladbroke Grove block. By the 1970s *The Condition of Muzak* had won the Guardian Fiction Prize and *The Final Programme* was a feature film starring Jon Finch, Jenny Runacre, Hugh Griffith and Sterling Hayden. In the 1980s the world's first cyberpunk continued to inspire a generation of writers including William Gibson, Alan Moore, Neil Gaiman, and bands like the Human League. By the 1990s he was up and running towards the guns again in stories like *The Spencer Inheritance*, *The Camus Referendum* and *Cheering for the Rockets*, which dealt with the icons and key events of the day. At turn of the millennium, in *Firing the Cathedral*, he responded to the attacks on America of September 2001 and their consequences, to the realities

of global warming and global terrorism. Now, in *Pegging the President*, Jerry Cornelius is back; the ambiguous, amoral, androgynous English Assassin, cooler, sharper, his fingers still firmly on the pulse of the twenty-first century, counting names and taking heads, showing once again that colonialism and despotism the roots of empire gone sour do not change. The apocalypse has never seemed more terrifying, never been more fun, and modern life will never feel the same to you again -- Provided by the publisher.

### The Sea Fairies

Though one of the best-known books in the world, *Pinocchio* at the same time remains unknown—linked in many minds to the Walt Disney movie that bears little relation to Carlo Collodi's splendid original. That story is of course about a puppet who, after many trials, succeeds in becoming a "real boy." Yet it is hardly a sentimental or morally improving tale. To the contrary, *Pinocchio* is one of the great subversives of the written page, a madcap genius hurtled along at the pleasure and mercy of his desires, a renegade who in many ways resembles his near contemporary Huck Finn. *Pinocchio* the novel, no less than *Pinocchio* the character, is one of the great inventions of modern literature. A sublime anomaly, the book merges the traditions of the picaresque, of street theater, and of folk and fairy tales into a work that is at once adventure, satire, and a powerful enchantment that anticipates surrealism and magical realism. Thronged with memorable characters and composed with the fluid but inevitable logic of a dream, *Pinocchio* is an endlessly fascinating work that is essential equipment for life.

### The Land of Stories: The Wishing Spell

A new *Once Upon a Time* novel that reveals a previously unseen adventure from the hit ABC series! Sixteen-year-old Regina is very different from the Regina known by fans of ABC's *Once Upon a Time*. She seeks romance, adventure, and approval. Of course, getting approval from a mother like Cora is next to impossible. For Regina, friendships have always been a rare commodity. Could it be that Regina has finally found a true friend? Or is it too good to be true? As Regina struggles to find her own identity and create her own destiny, she discovers that her fate might just be to become everything she despises.

### Once Upon A Time

A brave 'crocoduck' saves his family from becoming duck dinner. Raised from an egg by Mother Duck, Guji Guji is quite content with his life as a duckling, despite the fact that he doesn't look anything like his brothers. Then he meets three nasty creatures who not only convince him that he is, like them, a crocodile, but also try to persuade him to deliver his duck relatives for their dinner. "Chen's vivid characters - the exuberantly befuddled 'crocoduck' and his adopted family, the riotously creepy crocodiles that loom like shadows - are rendered with wit and warmth ... Love overcomes all differences here, and Guji Guji's antics are laugh-out-loud adorable." *The New York Times Book Review* "Chen's story of love, acceptance and self-discovery gives every sign of becoming a well-worn favourite." *Publishers Weekly* "This story is a winner! When, after a brief silence once the story is read, comes 'Can we read it again, please?' you know it will be a favourite - and it is." *Daily Chronicle*

### Capt. Hook

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

### The Idea of Nature in Disney Animation

It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here – by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.

### The Girl without Hands

An imaginative approach to child rights--intelligently illustrated and designed.

### Pegging the President

Hans Christian Andersen made the literary fairy tale so much his own that even today no writer has surpassed him. This collection, with sparkling new renderings of the tales by Neil Philip, includes stories such as Thumbelina, Little Ida's Flowers, The Snow Queen, In a Thousand Year's Time, The Nightingale and The Wild Swans, all beautifully illustrated by Isabelle Brent. Some lesser-known tales such as The Shepherdess and the Chimney Sweep and The Gardener and His Master have also been included by Philip to showcase the different facets of Andersen's genius. Brent's luminous paintings, finished with a metallic gold detailing, bring a fresh perspective to these timeless fairy tales, making this edition irresistible to those who have loved the stories over the years, and offers the perfect introduction for readers lucky enough to discover the stories for the first time.

### Pinocchio

You are just one small step away from the life you know you deserve. It's time to leverage your life. Life Leverage means taking control of your life, easily balancing your work and free time, making the most money with the minimum time input & wastage, and living a happier and more successful life. ### Once Upon a Time

Frank, Angela, Ralph and Keith, known together as the Black Hand Gang, prove their skill as detectives during four exciting episodes in which they uncover a forger, capture a burglar and enlist the aid of the local police when things get a bit sticky. Every story has illustrations which provide the clues discovered by the Gang. All the necessary clues are shown so you can be a detective with them. But you have to be sharp to keep up with the Black Hand Gang! As the Gang tracks down the criminals, you can keep a score of clues you get right and add them up at the end of the book.

### Guji-Guji

Plagued by nightmares she doesn't understand and a temper she can't control, 16-year-old Red struggles to save Granny's troubled business and to nurture her budding romance with Peter, even as the betrayal of her classmates awakens the wolf within.

### Haunting Experiences

In 1945 Okinawa, a seven year old girl is wandering about carrying a white flag.

### The Poltergeist Prince of London

"It was a whisper at first. But then we knew. Black cats were disappearing. Silktail was the first. Then Whiny, Giuseppe, Rameses, Blackie, Lothario, and Bijou..." Island life had been good for the street cats—stealing fish, laying in the sun, singing under the stars. This is the story of dark deeds, cool cats, and The Society of the Superstitious. Get your paws on it! Eugene Trivizas, who has been called the "J.K. Rowling of Greece," is the winner of many national and international prizes. He is the author of more than a hundred books, including an acclaimed collaboration with Helen Oxenbury, *The Three Little Wolves and the Big Bad Pig*.

#### Trash!

*Sympathetic Vibrations*. Everyone knows that Disneyland is full of magic. But it's brimming with mysticism, too. From numerology and tarot cards, to apparitions and hidden haunts from the Other Side, Pam Turlow tunes you in to the spiritual messages found throughout the happiest place on earth.

#### Best-Loved Stories

"... this gem of a book deserves a wide audience. Appropriate for African and women's studies courses and a must for college and university libraries." —Choice "... Mpho relates the story of her life with an integrity that makes for utterly compelling reading. ... The fortitude of this woman, now in her late 60s, is a lesson to us all." —The Bookseller, United Kingdom "This is a fascinating autobiography . . ." —KLIATT "... a powerful autobiography of a Lesotho elder who tells her life as an African woman in South Africa. The focus on black culture and concerns as much as racism allows for an unusual depth of understanding of black concerns and lifestyles in Africa." —Reviewer's Bookwatch "An African woman's poignant and beautifully crafted memoir lyrically portrays the brutal poverty and reliance on ritual that shape the lives of her people, the Basotho. ... A commanding and important work that will captivate readers with its unique voice, narrative power, and unforgettable scenes of life in Southern Africa." —Kirkus Reviews "... a stunning autobiography of a remarkable woman ... Nthunya's telling is eloquent. Although her voice is generally one of dignified emotional distance, it is punctuated by her very human humor and pain." —Publishers Weekly "... recommended for collections in African folklore." —Library Journal "I am telling my stories in English for many months now, and it is a time for me to see my whole life. I see that things are always changing. I was born in 1930, so I remember many things which were happening in the old days in Lesotho and which happen no more. I lived in Benoni Location for more than ten years, and I saw the Boer policemen taking black people and beating them like dogs. They even took me once, and kept me in one of their jails for a while." —Mpho 'M'atsepo Nthunya A compelling and unique autobiography by an African woman with little formal education, less privilege, and almost no experience of books or writing. Mpho's is a voice almost never heard in literature or history, a voice from within the struggle of "ordinary" African women to negotiate a world which incorporates ancient pastoral ways and the congestion, brutality, and racist violence of city life. It is also the voice of a born storyteller who has a subject worthy of her gifts—a story for all the world to hear.

Postmodern Reinterpretations of Fairy Tales : How Applying New Methods Generates New Meanings

#### The Adventures of the Black Hand Gang

Tiger, tiger on a tree's it true? Can it be? Did he fly? Did he flee? Did he fall and hurt his knee? Did he cry? Did he plead? If you want to know, Read. An award-winning combination of black, orange and whimsical poetry, this is the tale of a wild tiger cub that wanders into an Indian village. The art, verse and typography run and bounce off the page, drawing both the curious child and the quizzical adult into the book's ever-surprising world.

#### Once Upon a Time: Red's Untold Tale

*Nobody's Boy* is a heart warming and moving children's classic story by the French writer Hector Malot (1830-1907) First published as *Sans Famille* in 1878, the story was so popular that several film and TV versions of the story have been made.

#### The Girl with the White Flag

Designing Disney sets into history and puts into context the extraordinary contributions of the late John Hench, who, at the age of 94, still came into his office at Imagineering each day. His principles of theme park design, character design, and use of color made him a legendary figure, not only for Disney fans but also for students and aficionados of architecture, engineering, and design. Designing Disney reveals the magic behind John's great discoveries and documents his groundbreaking in several key areas: "Design Philosophy" examines the values, attitudes, aesthetics, and logic that went into the original concepts for Disney theme parks. In "The Art of the Show" and "The Art of Color," Hench reveals the essence of what makes the parks work so well. And in "The Art of Character," he lets the reader in on the how and why of the Disney characters' inherent popularity—their timeless human traits, archetypal shape and gestures that suggest these qualities graphically, and their emotional resonance in our lives.

### The Last Black Cat

Mr. Postmouse and his family are going on vacation! Of course, he'll need to bring along a few parcels. After all, "a postmouse's rounds are never done!" Traveling by hot-air balloon, cruise ship and even by camel, the intrepid mouse family treks around the world, from the forest to the sea, the desert to the ice field, finding adventure, new discoveries and animal friends at every stop. And all along the way, Mr. Postmouse never misses a delivery! Kids will want to pack their bags and tag along. They've never seen a vacation quite like this one!

### The Mystical Mouse

Singing Away the Hunger
