### Second Chance

In life and love, it's never too late for a second chance... As editor-in-chief of New York's leading fashion magazine, Fiona Monaghan was utterly content with her life, jetting back and forth between Manhattan and Europe-until the day John Anderson strolled into her office. A widower with two daughters, John was as conservative as Fiona was freewheeling, and was both amused and appalled by her world of high-strung designers, anorexic models, and Sir Winston, her snoring bulldog. But after Fiona impulsively invited John to the Paris couture shows, somewhere between the magic of the catwalk and the stroll along the Seine, she let him into her heart. Within weeks of their return to New York, John was making friends with Sir Winston - and Fiona was making room in her closets. A dazzling tale of modern misadventures, career-crossed relationships, the heady magic of instant attraction and the hope that comes when we dare to do it all over again...

### Again with You

He may be the successful lawyer in town, but now Jake Sutton's biggest challenge is negotiating a second chance after an unexpected reunion... I don't have time for romance. I tend to skip dinner and head straight to dessert. It's not like I'm a complete jerk, I know how to be romantic—it happened once. My friends have been trying to set me up on a blind date for months with the new bakery owner in town, to no avail. But when we end up at the same party, and our eyes meet, it all comes back. Turns out Avery is no stranger. Avery and I had a summer together a few years back in a different city. We were so many things... then one day, we were not. Yet seeing each other again, well, it's a struggle—the not jumping into bed or lying her down on the kitchen counter kind of struggle. But closure and a second chance are not the same things, and we'll need both if we want to try again. And we are about to realize that finding our way back to one another could just be bittersweet... Swoony, with heartwarming moments, *Again with You* is the fourth standalone novel from the interconnected Sage Creek series. Readers who enjoy small-town, second-chance romance with a determined hero will enjoy Jake and Avery's journey

to a HEA! \*Like all Sage Creek books, this story is filled with 99.9% banter, steam, and swoon. There is, however, one scene that may pull at your heartstrings a little extra in relation to loss. Author's Note: This is the 2nd edition which includes previously exclusive bonus material and small reworks of scenes. The story remains unchanged.

### Mr. January

FBI agent Rain, who fell from grace after a paranormal sighting, and his ex, cold-case detective Daniel, pursue a case determined to go nowhere. Is their second chance at romance headed the same way?

### Fighting For a Second Chance

A second chance at love. Lainey Wise is coming home. Lainey hasn't been back to her hometown of Mountain Valley since her mother's death, and never had any desire to return. But now she's working on a film for Mason Scott's new production company and finds herself renting a cabin on location in order to finish the script. The first person she sees on arrival is her high school boyfriend, Logan Matthews. She knew coming home meant she'd have to reckon with her past, she just didn't realize she'd have to do it so quickly. Logan Matthews has never forgotten his one true love. When Lainey walks into his furniture shop one January night in the midst of a winter storm, Logan can't believe his eyes. Years ago, he'd given up dreaming she'd ever come back to him, and here she

was. His initial disappointment at learning she'd returned for work and not him is easily quelled by the fact he's got a month to win her back. Can they find a second chance at love? When Lainey and Logan get together, it's like the years between them have vanished...until they start to talk. And when Logan brings over an expected bundle of her late mother's journals, the long-buried secrets of Lainey's past come bubbling to the surface. Has too much changed for Lainey and Logan to find their way back to each other? Coming Around Again is the fourth novel in a series of stand-alone steamy contemporary romance stories based in Mountain Valley. Keywords: Romance novels, romance ebooks, romance, romance authors, contemporary romance, steamy romance, romance books, erotic romance, small-town romance, contemporary romance authors, romance series, steamy romance series, erotic romance series, small-town romance series, romantic comedy, second-chance, second chance, old flames, high school sweethearts.

### My Second Chance

Falling in love with your ex should never feel this good ...Twelve years, three cities, and too many pairs of stilettos later, Shaelyn Lawrence is back in the one place she vowed never to return: New Orleans. Thankfully, her hometown stint is temporary: help her grandmother, avoid her high school sweetheart, Brady, like the plague, and everything should be perfect, right? Until one run-in with Brady changes everything. She shouldn't be tempted by his drawl or the promise of his kiss. But when a family member approaches Shaelyn for help, the only person she can turn to is the man who stole her heart . . . and is tempting her to take a second chance on him. Twelve years later, New Orleans Homicide Detective Brady Taylor is geared up for a promotion. Or, he would be -- if he wasn't sitting in third place. He's cut out every distraction to focus on his career. . . until Shaelyn shows up. He shouldn't want to pursue her, kiss her, or sleep with her, right? Except that resisting Shaelyn has never been possible, and he vows that this time will be different. But when she asks him for help, suddenly he has to decide between his career . . . and the woman he's never stopped loving. For fans of Jill Shalvis and Lauren Layne, Maria Luis' new sexy contemporary romance will leave you laughing and desperate for more! SAY YOU'LL BE MINE is the first full-length novel in the NOLA Heart series, but can be read as a standalone.
