Brinkman's catalogus van boeken en tijdschriften

The Daily Dad is een boek dat je elke dag helpt om een betere ouder te worden door je te inspireren met de wijsheid van de grootste denkers en ouders uit de geschiedenis. 'Het leven is kort. Vergeet niet de belangrijkste dingen in ons leven; leven voor andere mensen en hen goed behandelen.' – Marcus Aurelius Vader of moeder worden is meer dan alleen een biologisch proces - het vergt een leven lang opoffering, dienstbaarheid en vooral liefde. Het vergt moed en toewijding om elke dag je bed uit te komen en je kinderen op de eerste plaats te zetten. Je zult momenten meemaken waarin je je kind troost na een nachtmerrie, maar ook dat je je geduld verliest tijdens een driftbui. Gelukkig sta je er niet alleen voor. In The Daily Dad helpt Ryan Holiday je met 366 tijdloze meditatie's over ouderschap in een paar alinea's per dag – behapbaar voor elke ouder zelfs met chronisch slaaptekort. Puttend uit zijn eigen ervaring als vader van twee kinderen en lessen uit het leven van legendes als Theodore Roosevelt, Bruce Springsteen, Queen Elizabeth II, Marcus Aurelius en Toni Morrison, biedt hij wijsheid en begeleiding om het rolmodel te zijn dat je kind nodig heeft. Of je nu je eerste verwacht of al grootouder bent, The Daily Dad biedt bemoediging, perspectief en praktisch advies voor elke fase van het leven van je kind.

Using well-known fairy tales, this text is a gentle and fun way of introducing children to the world of meditation and relaxation. It is designed to counteract some of the tensions with which we are all familiar and offers parents and children quality time to relax and share together.

The daily dad

He thinks he sees a flash of emotion in her eyes. Sympathy? Then it's gone. 'Whatever you think this is going to be like,' she whispers, 'it's going to be worse.' When beautiful serial killer Gretchen Lowell captured her last victim - the man in charge of hunting her down - she quickly established who was really in control of the investigation. So why, after ten days of horrifying physical and mental torture, did she release Detective Archie Sheridan from the brink of death and hand herself in? Two years on, Archie now returns to lead the search for a new killer, whose recent attacks on teenage girls have left the city of Portland reeling. Shadowed by vulnerable young reporter Susan Ward, Archie knows that only one person can help him climb into the mind of this psychopath. But can Archie finally manage to confront the demons of his past without being consumed by them? 'Dark, distressing and disturbing . . . Just pray you never meet Gretchen' Val McDermid 'What may be the creepiest serial killer ever created. This is an addictive read!' Tess Gerritsen 'Move over Thomas Harris, there's a new kid on the block . . . Compelling, highly believable and very sexy' Daily Mirror

Nightlights

Ellis loves popcorn. Who doesn't? But one day her school goes on a healthy eating campaign and her dads decide to follow suit, banning all snack foods from their house, INCLUDING POPCORN. Unfair. Ellis has got to get around that edict, so one night she pops a bag of popcorn out back in the garage...and she's met with more than just her favorite salty snack. One kernel refuses to pop, and soon it's sprouted a face, arms, and legs! He introduces himself as Popcorn Bob, and he is NOT in a good mood. (Ever, really.) He's absolutely ravenous, and no amount of food keeps him from being hungry. Bob causes no end of chaos for Ellis, and she decides to rid herself of him once and for all, except...she actually starts to like him. A chapter book for all ages, Popcorn Bob is a laugh-out-loud story about the power of friendship, and a perfect bowl of popcorn.

The Autumn of the Middle Ages

Describes the lives of otters living at the edge of a stream.

Beatrijs, a Middle Dutch Legend;

The ruins of Pompeii reveal more graphically than anywhere else in the Roman world the vital role that gladiators and gladiatorial combat played in society. The Vesuvian eruption not only sealed the oldest amphitheatre to survive from antiquity, but also graffiti, elaborate weaponry, stone monuments and paintings which all testify to the popularity of gladiators, several of which are known to us by name. In addition, the discovery of a training barracks allows us to locate physically the place of gladiators in the city. This book, now available in English translation, presents the evidence from Pompeii in full colour photographs, accompanied by reconstruction drawings and an informative text that takes us through the streets of Pompeii as the gladiators would have known it.

365 Horse Stories

Accompanied by author analysis and contemporary applications, this collection of readings, reflections and invitations to dialogue make *Interpersonal Communication: Making Worlds Together* a highly readable yet sophisticated text that is well-suited for today's interpersonal communication course. Theoretical essays, research reports, narratives and ethnographic studies, have been carefully selected by the authors for their clarity and intellectual stimulation. The authors introduce each reading and provide the reader with a preview of its insight, relevance, and association with social constructionist theory. Each piece is followed by a series of challenges and questions to help further understanding and to stimulate continuing dialogue, with an emphasis on interactive learning. Readers will come away with an ability to apply the wisdom of interpersonal communication with a critical eye to future challenges.

The Dwarfs of Nosegay

This work addresses, from a variety of perspectives, the economy of the Roman city of Pompeii. It uses archaeological and textual evidence to discuss topics as diverse as agriculture in the fertile plains at the foot of Mount Vesuvius, diet and health, manufacturing, urban investment, consumption, trade and money.

Heartsick

The Novanian king has gathered an army in the north with the intent to make war upon the magi. He has exiled all three of his brothers. Andrew and Alexander fled to the Southlands, while Thomas escaped into the hostile northern highlands, the land of Novania's ancient foe, the insectile Corodan. While Alexander prepares to face Colin's army in the south, Andrew makes the perilous journey through Novania to seek Thomas' whereabouts and offer what aid he can. Traveling at his side is Rynn, a powerful mage with the ability to manipulate and form ice. When they fail to locate Thomas after days of searching, Andrew is forced to seek the aid of the Corodan. He has a long and bloody history with their people, and was responsible for the death of their previous Hive-queen. Uncertain if the Corodan will cooperate, but faced with no other hope of locating his brother, he ventures into the heart of the Corodan lands. Without Thomas, the brothers have no hope of overthrowing Colin and his tyranny. Without Thomas, Novania will continue to execute innocent citizens simply for bearing the Mark of the Magi. Without Thomas, the kingdom will be lost.

The Otter

Recent years have witnessed an intense debate concerning the size of the population of Roman Italy. This book argues that the combined literary, epigraphic and archaeological evidence supports the theory that early-imperial Italy had about six million inhabitants. At the same time the traditional view that the last century of the Republic witnessed a decline in the free Italian population is shown to be untenable. The main foci of its six chapters are: military participation rates; demographic recovery after the Second Punic War; the spread of slavery and the background to the Gracchan land reforms; the fast expansion of Italian towns after the Social War; emigration from Italy; and the fate of the Italian population during the first 150 years of the Principate.

Gladiators at Pompeii

In THE PRODIGAL GOD, New York pastor Timothy Keller uses the story of the prodigal son to shine a light on the central, beautiful message of Jesus: the gospel of grace, hope and salvation. Keller argues that the parable of the prodigal son, while Jesus' best-known parable, is also his least understood. He introduces the reader to all the characters in this timeless story, showing that it concerns not just a wayward son, but also a judgemental older brother and, most importantly, a loving father. This short but powerful book is a reminder to the faithful, an explanation to the seeker, and finally an invitation to all – both older and younger brothers – to enter in to the 'unique, radical nature of the gospel': the reckless, spendthrift love of God.

Constructing Worlds Together

An analysis of the lives of ancient Rome's gladiators explores how they were both despised and hero-worshiped, chronicling how tens of thousands of gladiators perished publicly over the course of six hundred years.

The Economy of Pompeii

MacArthur-Bates CDI Words and Gestures

The German language offers a variety of possibilities for asking and answering new questions in psycholinguistic sentence comprehension research. The collection of papers in this volume contributes to the increasingly relevant crosslinguistic comparison of mechanisms of human sentence processing. The topics covered are incremental structure assembly, on-line ambiguity resolution, and phonological, contextual, and working memory aspects of reanalysis. The new theoretical and experimental insights presented in this volume should be of great interest to linguists and psychologists working on human language comprehension. The introductory information provided by the authors makes the volume easily accessible to advanced students.

The Journey Home

A timeless and enchanting children's fantasy classic 'A triumphant piece of magic' Observer At the end of his thousand-year reign of the Copper Mountains, old King Mansolain is tired and his heart is slowing down. When his attendant, the Hare, consults The Wonder Doctor, he is told he must keep the King engaged in life by telling him a story every night until the Doctor can find a cure. The search is on for a nightly story more wonderful than the last, and one by one the kingdom's inhabitants arrive with theirs; the ferocious Wolf, the lovesick Donkey, the fire-breathing three-headed Dragon. Last to arrive is the Dwarf, with four ancient books and a prophecy that the King will live for another thousand years - but only if the Wonder Doctor returns in time.

Harbinger

This book sets out to interpret Euripides' The Trojan Women in the light of a view of tragedy which sees its function, as it was understood in classical Athens, as being didactic. This function, the author argues, was carried out by an examination of the ideology to which the audience subscribed. The Trojan Women, powerfully exploiting the dramatic context of the aftermath of the Trojan War, is a remarkable example of tragic teaching. The play questions a series of mutually reinforcing polarities (man/god; man/woman; Greek/barbarian; free/slave) through which an Athenian citizen defined himself, and also examines the dangers of rhetoric and the value of victory in war. By making the didactic function of tragedy the basis of interpretation, the author is able to offer a coherent view of a number of long-standing problems in Euripidean and tragic criticism, namely the relation of Euripides to the sophists, the pervasive self-reference and anachronism in Euripides, the problem of contemporary reference, and the construction and importance of the tragic scene. The book, which makes use of recent scholarship both in Classics and in critical theory, should be read by all those interested in Greek tragedy and in the culture of late fifth-century Athens.
