Ancient Evil

After receiving a chain letter, a group of teens decides it must be a joke--after all, the perpetrator of the original chain letter is dead and buried. But when Fran refuses to perform her deed, she is almost immediately killed, and the group realizes that the power behind the letters is still alive.

Ancient Evil

As the travellers gather in the Tabard Inn at the start of a pilgrimage to Canterbury, they agree to amuse themselves on each day of their journey with one tale and each evening with another - but the latter to be of mystery, terror and murder. And so begins the Knight's tale. It opens with the destruction of a sinister cult at its stronghold in the wilds of Oxfordshire during the reign of William the Conqueror, and then moves to Oxford some two hundred years later where terrible murders are being committed. The authorities seem powerless but the Abbess of the Convent of St Anne's, believes the murders are connected with the legends of the cult and she petitions the King for help. As the murders continue unabated, special commissioner Sir Godfrey Evesden uncovers clues that lead to a macabre world sect, which worships the dark lord. But he can find no solution to a series of increasingly baffling questions and matters soon worsen...

An Ancient Evil

Published in 1912 on the heels of *Twenty Years at Hull-House* and at the height of Jane Addams's popularity, *A New Conscience and an Ancient Evil* assesses the vulnerability of the rural and immigrant working-class girls who moved to Chicago and fell prey to the sexual bartering of what was known as the white slave trade. Addams offers lurid accounts--drawn from the records of Chicago's Juvenile Protection Association--of young women coerced into lives of prostitution by men who lurked outside hotels and sweatshops. Because they lacked funds for proper recreation, Addams argues, poor and socially marginalized women were susceptible to sexual slavery, and without radical social change they would perhaps be "almost as free" as young men. In addition to promoting higher wages and

better living conditions, Addams suggests that a longer period of public education for young women would deter them from the dangers of city life. Despite its appeal to middle-class readers eager for tales of sexual excess and the rape of innocence, the press and prominent intellectuals criticized *A New Conscience* and *An Ancient Evil* for being disproportionately hysterical to its philosophical weight. Katherine Joslin's introduction considers the controversial reactions to the book and the circumstances of its publication. Behind the sensationalism of the narratives, Joslin locates themes including the commodification of sex and the importance of marriage for young women.

A New Conscience and an Ancient Evil

The plot twists keep coming in this novel that interweaves three stories that unfold over forty millennia uncovering a struggle that hints at the origin of our species. In Edinburgh a severely disfigured genius hunts the supernatural predators that destroyed his body and ripped away his true love. He struggles to retain the remaining shreds of his humanity as his obsessive quest drives him perform horrendous acts in his search for answers. At the University of St Andrews on the coast of Scotland a dark force shadows Finn, a young Parapsychologist as he investigates a conspiracy of silence and confusion that is preventing him from proving the existence of telepathic phenomena. A boy grows up in a city ruled by a race of benevolent, telepathic overlords. He is destined to become his people's youngest general in a five thousand year old war of extinction against the hereditary enemies of his city's rulers. He starts to doubt the justice of his cause in the aftermath of his first battle.

This Ancient Evil

It has been several years since the War and a new evil rears it's head

Ancient Evil

Brockland Joshua, Brock to his friends, was a retired Infantry Lieutenant Colonel of the United States Army who, through a series of turns, became the manager of a golf and country club in Corpus Christi, Texas, on the last developed barrier reef island in the United States. In doing his job Brock has become involved with some high powered members of his club who want him to do a little intelligence gathering for them. It seems the OPEC countries and our nation's oil producing capabilities are on a collision course. He does not realize that this good deed will draw him into a web of intrigue and danger that will involve organized crime on both sides of the Texas border and leave him marked as the killer of these same friends. As Brock scrambles to prove his innocence, people begin dying around him, including his beautiful blonde lover, wife of the corrupt oil baron he has exposed. He cannot do it alone. So he contacts two old Army buddies and they weigh in. As they plan to clear his name, he is confident that he can do it. While no good deed may go unpunished, Brock intends to hand out a little punishment of his own.

The Unsated

When Jon Riley begins volunteering at the Richter Street Animal Shelter, he hopes it will help bring some purpose to his life. After all, who doesn't like hanging out with a few dogs after a tough day at work? Jon quickly finds himself befriending, and eventually adopting, a mysterious dog named Desmond. But that's when the problems start, and soon Jon and Desmond find themselves fighting for their lives against The Ancient Evil and its Shadow People. Filled with possessions, flour-drenched battles, ancient cliff tombs, and a shadowy underworld, *The Ancient Evil Versus the Good Boy* follows Jon and Desmond through a gripping adventure and proves the lengths people will go to for their beloved pets. Especially when they're under attack from something sinister...

An Ancient Evil

Two favorite thrillers from #1 New York Times bestselling author Christopher Pike are now available in one bone-chilling collection. When Alison first got the chain letter signed "Your Caretaker," she thought it was a sick joke. But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker's identity seems to be the only option, but even

that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He's out for blood.

The Ancient Evil

Seven teenage friends receive letters signed "Your Caretaker," who knows they committed an unthinkable crime in the desolate California desert.

An Ancient Evil

LIVE, THE HOLLOWBOLDA! King Nicholas, the child-king of Nordomba who wields his country's Heart and so has power over his land, has many peculiar problems. Green knights in sky-armour have to have judgement passed on them, and visits of state must be paid to the neighboring kingdom when its' King dies....even though the new King is his old enemy Prince Fred. Fred has not forgotten their enmity. He ambushes Nicholas on the way home, and both foes find themselves in Fairyland. Captive, King Nicholas is dragged through the enchanted country, until the Hollowbolda free him: but as he wanders in the perilous realm, he inadvertantly unleashes an Ancient Evil bound into a tree. A spirit of eternal winter.

Pools of Ancient Evil

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

An Ancient Evil

Eyes in the Darkness is about an ancient evil that came to earth long ago. The evil is in vampire form and enjoys nurturing and tending his flock of prey, humans! Savoring human blood over that of animals, the vampire manipulates his prey, feeding on their blood and souls. Becoming intrigued with a beautiful woman it wins her love and turns her into a creature like itself. Together they ravage the world feeding on human prey until she becomes stronger and plots to destroy him. Falling in with inferior vampires, she is determined to destroy all that oppose her.

The Ancient Evil Versus The Good Boy

The Knight of the Golden Eagle is about to become truly golden when he goes against Mark Andrew's better judgement, but it could be an enlightening experience for the stubborn Italian. The old castle of Wewelsburg, once used by the Nazis in their relentless search for occult powers, takes on new life when members of the Order of the Red Cross of Gold move in temporarily and attempt to set up a powerful deterrent to Joseph Daniel's ancient evil in a strangely twisted alliance. Things go a bit awry when some of the younger members of the Order delve into the occult realms themselves. What other secrets lie buried in dusty chambers under the old castle? They are determined to find out, but what they learn is perhaps one of the most well-kept secret of the ages. New forces are unleashed upon the tumultuous state of world affairs, but whether these forces are for better or worse remains to be seen.

Chain Letter

From the the award-winning author of the cult-80s classic Liege-Killer and The Paratwa Saga, comes Starship Alchemon – a deep-space action opera combined with a threat to all humanity. Nine explorers aboard a powerful AI vessel, Alchemon, are sent to investigate an “anomalous biosignature” on a distant planet. But they soon realize their mission has gone to hell as deadly freakish incidents threaten their lives. Are these events caused by the tormented psychic mysteriously put aboard at the last minute? Has the crew been targeted by a vengeful corporate psychopath? Are they part of some cruel experiment by the ship's ruthless owners? Or do their troubles originate with the strange alien lifeform retrieved from the planet? A creature that might possess an intelligence beyond human understanding or may perhaps be the spawn of some terrifying supernatural force... Either way, as their desperation and panic sets in, one thing becomes clear: they're fighting not only for their own survival, but for the fate

of all humanity. File Under: Science Fiction [Deep Space Isolation | Monster on Spaceship | Psychic Powers | All-powerful Sentient AI]

Chain Letter

Terror befalls a rural Chinese village when an ancient evil awakens from its slumber. Within days, the villagers start transforming into horribly deformed blobs of skin with an unslakable hunger for human flesh. The town is soon overrun by an ever-growing mass of skin that devours livestock, houses, and people. The Chinese government calls in Professor Davis Nickels to investigate the otherworldly horror. A centenarian, occultist, and professor of archaeology, Davis is no stranger to the paranormal, having spent a lifetime battling monsters from beyond human understanding. But age is catching up to the old professor, and this new threat is bigger than anything he's ever faced. With the help of two graduate students and the Chinese military, he sets off to thwart the ancient menace before it can engulf the world.

The Ancient Evil

When a god dies, do their powers die with them? What if what remains holds an ancient evil at bay? What if that evil were set free? With their ranks decimated, the companions are given an impossible task: find the staff of the missing god of light and remove it from his tomb. If not, the city of Penwick will meet an icy death at the hands of a maniacal dracolich. Even if they were to achieve the impossible, the dark castle from the shadow planes still hangs over the city. With their worlds merging, it's only a matter of time until the next invasion. How far will the companions go in this blackest of hours to save Penwick from immortal wrath? Will the need for power drive them to stray down a dark path? And if they do, will they unleash something even worse upon their world?

A New Conscience and an Ancient Evil

Six archaeology students are spending the summer at an isolated rural compound with their college professor, working on an exciting discovery: an ancient mummy, found in the ruins of a temple. Little do they realize that the mummy was the servant of the Rain God, and that one of them has the ability to bring it back to life to exact its master's deadly revenge. Trapped inside of the compound with the murderous, unstoppable creature, they must join forces to destroy the monster, or allow it to carry out its plans to annihilate all mankind.

Eyes in the Darkness

The God of Myth knows how reality should look, but the God of Everything has a plan of his own. Into each world a hero is born, developed or generated. Each world gets its own hero destined to defeat the Evil that threatens mankind.

The Red Cross of Gold XXV:.. the Ancient Evil

WdC 2013 Quill Award winner for Thriller/Horror/Suspense. A Tale From The Dragon's Breath Alehouse Half a millennium ago, cataclysm drove our world into another Dark Age. Races and creatures we longed believed myths have re-emerged in a world no longer dominated by Man alone. Factions within the city jockey for power and against the prince while a new religion threatens the safety of all. Tales of horror drift in from wandering travelers and trade vessels. Strange beasts and shadowy figures roam the night. Communication from outlying towns comes to an end. From out of the west, a long forgotten evil is amassing. An unlikely group forms and seeks counsel from the elves in far away Moolinardil and learns our near destruction 500 years ago was caused by a foe older than Man himself-an ancient evil returning to complete our final annihilation.

Starship Alchemon

THE SAGA OF EVIL BEGINS...From a distant galaxy far beyond our time, the most ancient of all EVIL awoke before descending upon our unsuspecting galaxy. The planet it reached never faced such a threat, but didn't submit to it, either. In a final attempt to survive, a prison between dimensions was built, the last hope to hold the DARK POWER for an eternity. The planet withered and died, and its people found a new refuge among the stars. That planet is now known as: Mars. But even eternity doesn't last forever. Ignorance and an infantile arrogance of a nation leads to its release. And once again, it only leaves death in its wake. Read the fast-paced Sci-Fi/Horror, where the elements of OCCULT meet with

an advanced MILITARY thriller, wrapped in a colossal battle between good and evil. The first part of a new, long-awaited Saga, from the internationally renowned author of "The Darkness Within" will give you a gulp of a SMASH HIT and will leave you wanting more...

The Father of Flesh

For close to 100 years, the sleepy town of Wura has known relative peace. But as Jide Johnson was about to finish his youth service and get out of town; everything changed. A tragic accident and a love interest would have him fleeing and later returning to Wura, where he and a few good people would try and discern the mysterious occurrences plaguing the town. They would find that corrupt politicians, compromised clergy and crooked policemen were the least of their problems. They would have to deal with a global mystical organization known as the "Illegals"; hell bent on the enslavement of mankind, and their dreadful resident militia, aptly named after the four horse men of the apocalypse. Top on the list is their liaison officer; a mysterious lady called "the Guardian" who connects all the dots.

Tomb of the Gods

All is not normal in Sedona, Arizona, Land of the Woo- woo People, as Allen referred to it, unless of course you happen to be from the ancient past. Transported through time by an old medicine man's prayers, Allen, and the striking young woman Samidahra, previously strangers, have been cast together, and brought back across time to defeat an ancient evil. After their initial shock has worn off, their new world at first seems utopian, but that is all about to change. While their day to day existence becomes more of a struggle, they are equally challenged by their developing emotional dependence on one another. Will these two strikingly independent souls finally find true love and togetherness in this simpler world, or is it tragedy that waits for them? This story is set amongst the red rocks of Sedona, Arizona, and uses local history, landmarks and features, as a backdrop for this fantastical tale of adventure and romance.....

An Ancient Evil

Sources of Evil is a collection of thirteen essays on the knowledge employed by Mesopotamian healing experts to help patients who were suffering from misfortunes caused by divine anger, transgressions of taboos, demons, witches, or other sources of evil.

An Ancient Evil

Welcome to the nightmare! How far will one woman go for the salvation of her beloved? Mercy Barlowe;_s love for Sarah brings down Hell when her puritanical father discovers them together _C and has his own daughter burnt at the stake. But death is not the end. A modern take on the horror classics of the pas from Rachel Deering (Womanthology), Chris Mooneyham (Five Ghosts) and Wesley St. Claire.

Seed of Evil

In every large city throughout the world thousands of women are so set aside as outcasts from decent society that it is considered an impropriety to speak the very word which designates them. Lecky calls this type of woman "the most mournful and the most awful figure in history": he says that "she remains, while creeds and civilizations rise and fall, the eternal sacrifice of humanity, blasted for the sins of the

people." But evils so old that they are imbedded in man's earliest history have been known to sway before an enlightened public opinion and in the end to give way to a growing conscience, which regards them first as a moral affront and at length as an utter impossibility. Thus the generation just before us, our own fathers, uprooted the enormous upas of slavery, "the tree that was literally as old as the race of man," although slavery doubtless had its beginnings in the captives of man's earliest warfare, even as this existing evil thus originated.

An Ancient Evil

Excerpt from New Conscience: And an Ancient Evil The following material, much of which has been published in McClure's Magazine, was written, not from the point of view of the expert, but because of my own need for a counter-knowledge to a bewildering mass of information which came to me through the Juvenile Protective Association of Chicago. The reports which its twenty field officers daily brought to its main office adjoining Hull House became to me a revelation of the dangers implicit in city conditions and of the allurements which are designedly placed around many young girls in order to draw them into an evil life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Passing Time

Seven friends, one secret deadly chain letter. One by one they will regret they were ever involved...

Sources of Evil

Elizabeth moved to Austin, Texas to escape an awful family tragedy. She spends her days working in a greasy spoon diner and her nights trying to forget the evil she witnessed. Just when she thought she'd escaped, she finds herself battling evil vampires. This time along with her friends Pastor Gabe, Roger, and Ronny they find themselves trying to save the city from an ancient race of bloodthirsty vampires who will rip your heart out!

NEW CONSCIENCE & AN ANCIENT EV

A sinister king. A scheming queen. A deadly plot. An Evil Spirit Out of the West is the first novel in a trilogy set in one of the most turbulent and exciting periods of Ancient Egyptian history, from acclaimed author Paul Doherty. Perfect for fans of Brad Geagley and Wilbur Smith. 'Doherty has typically woven a delightfully dark tale around what must have been the most remarkable period of Egyptian history... So stoke up the fire, draw the curtains and put your feet up in order to enjoy this delightfully spooky and robust tale of demons, death and disease in old Egypt. Great stuff!' - Historical Novels Review Known as the Veiled One, the ugly and deformed Akenhaten is a shadowy figure. As a child he is overlooked and despised by his own father. As an adult he is thrust into the political limelight when his elder brother dies. Mahu, ambitious and ruthless, watches the young prince carve his own path to power. He becomes Akenhaten's alter ego, his protector and confidant, standing by as Akenhaten proclaims that there is only one God, the Aten, and that he, Akenhaten, is that God's only son. Revolution and chaos follow in this dramatic reign filled with fraud, abduction, assassination, betrayal and treachery. But when Mahu becomes suspicious of Akenhaten's majestic and glorious wife Nefertiti, and the political skill of her brother, Ay, it seems that a hidden and malign influence may also be at work. And then Akenhaten disappears... What readers are saying about Paul Doherty: '5 stars are not enough for this book!' 'Beautifully written, exciting and interesting' 'The sounds and smells of the period seem to waft from the pages of [Paul Doherty's] books'

Anathema

It is always easy to overwork an analogy, and yet the economist who for years insisted that slave labor continually and arbitrarily limited the wages of free labor and was therefore a detriment to national wealth was a forerunner of the economist of to-day who points out the economic basis of the social

evil, the connection between low wages and despair, between over-fatigue and the demand for reckless pleasure.

A New Conscience and an Ancient Evil

A philosophical history of the concept of evil in western culture. 'Evil is something to be feared, and historically, we shall see, it is the enemy within who has been seen as representing the most intense evil of all - the enemy who looks just like us, talks like us, and is just like us.' The Myth of Evil explores a contradiction: the belief that human beings cannot commit acts of pure evil, that they cannot inflict harm for its own sake, and the evidence that pure 'evil' truly is a human capacity. Acts of horror are committed not by inhuman 'monsters', but by ordinary human beings. This contradiction is clearest in the apparently 'extreme' acts of war criminals, terrorists, serial murderers, sex offenders and children who kill. Phillip Cole delves deep into our two, cosily established approaches to evil. There is the traditional approach where evil is a force which creates monsters in human shape. And there is the 'enlightened' perspective where evil is the consequence of the actions of misguided or mentally deranged agents. Cole rejects both approaches. Satan may have played a role in its evolution, but evil is really a myth we have created about ourselves. And to understand it fully, we must acknowledge this. Drawing on the philosophical ideas of Nietzsche, Arendt, Kant, Mary Midgley and others, as well as theology, psychoanalysis, fictional representations and contemporary political events such as the global 'war on terror', Cole presents an account of evil that is thorough and thought-provoking, and which, more fundamentally, compels us to reassess our understanding of human nature.

New Conscience

Ancient's Gift: Part 1 JoFel's past is coming back to haunt him when a fortune teller starts questioning who or what JoFel is. Ilies is worried about JoFel, but he's not letter her in. Rumors of a devastating destruction of the farming community up north catches the group's attention. They set out to investigate the rumors, only to come up against savage trolls and an ancient evil. A new side of JoFel, a part he didn't even know was in him, gets revealed when he fights this evil force alone. Cedric stands alone against evil spirits bent on killing Amorg, Ilies and Cedric. The story starts to take off as the plotline gains momentum and the group faces a primordial evil. JoFel learns very important aspects of his past, and the group learns about his new found abilities. Life becomes very hectic for our four heroes, and Amorg is left badly wounded as a fire rages around him and Ilies. Ancient's Gift: Part 2 JoFel becomes mortally injured protecting his friends. The band of friends is faced with peril as a war party rides down on them. Cedric faces a crisis of faith as members of the group are interrogated. Ilies drawn back into her past in horrifying detail. Someone new is drawn into the group, and is forced to choose between duty and a greater cause. Evil creatures attack during the night, and the group faces an uncertain situation. The alarm must be raise across the land, and the combined forces of each race need to be rallied if there is hope of stopping the evil plans to destroy all life. Amorg's past is revealed, and clues about another's past start to take shape. Life becomes very hard for the group in this part of their story, as a net of betrayal is cast upon them. The members of the group will come against a situation that challenge their very perception of reality. Ancient's Gift: Part 3 Held captive, the group struggles against monsters only to be captured by the locals. A great city is thrown into turmoil, its people enslaved and forced into a nightmare of an existence. Time goes by slowly as the group plans their escape and liberation of the locals. Amorg is driven to the point of loosing his sanity, JoFel looses contact with his dragon half. Saran and Ilies fight to protect the innocence of young girls from brutes who would cause them harm, while Cedric is drawn into his past way of life. Treachery attempts to tear the group apart as evil takes over both the greedy and those who seem innocent. Love is born and love is destroyed, and one remains a helpless prisoner to powerful dark forces. Part three of The Ancient's Gift takes a dark turn, and the reader is drawn into the more macabre side of life in this time period. Hardship and loss, pain and strife rule as our heroes struggle to warn the land of the coming evil.

Chain Letter

Nero fiddled while Rome burned. As catchy as that aphorism is, it's sadly untrue, even if it has a nice ring to it. The one thing Nero is well-known for is the one thing he actually didn't do. But fear not, the truth of his life, his rule and what he did with unrestrained power, is plenty weird, salacious and horrifying. And he is not alone. Roman history, from the very foundation of the city, is replete with people and stories that shock our modern sensibilities. Evil Roman Emperors puts the worst of Rome's rulers in one place and offers a review of their lives and a historical context for what made them into what they became. It

concludes by ranking them, counting down to the worst ruler in Rome's long history. Lucius Tarquinius Suburbus called peace conferences with warring states, only to slaughter foreign leaders; Commodus sold offices of the empire to the highest bidder; Caligula demanded to be worshipped as a god, and marched troops all the way to the ocean simply to collect seashells as "proof" of their conquest; even the Roman Senate itself was made up of oppressors, exploiters, and murderers of all stripes. Author Phillip Barlag profiles a host of evil Roman rulers across the history of their empire, along with the faceless governing bodies that condoned and even carried out heinous acts. Roman history, deviant or otherwise, is a subject of endless fascination. What's never been done before is to look at the worst of the worst at the same time, comparing them side by side, and ranking them against one another. Until now.

Return of the Ancients

Nina is devastated when she realizes she must leave Plantas along with the man who is to become her mate, Ragnar, and her best friend, Tarena. When Nina arrives on Earth in Peru at the Nazca plains, she is greeted by a young archaeology student, Rand Jacobson. Even though she is attracted to Rand, she is still grieving the loss of Ragnar. Ragnar is surprised when after being greeted as a god on the planet Seros, the military opens fire on his family. After being taken prisoner, he is treated like a lab rat until a scientist, Geni, comes to his rescue. At her estate, he learns the physicians who work with her have saved the lives of his family and friends.

The Return of the Ancients

When Professor Woods discovers that Ancient Astronauts seemed to return to the earth in cycles, he informs the world by writing a book. He attends meeting with the government. He made a good guess on when to expect them to return. He included as many photos of the rock figures as he could, photographs of the markings found all across the globe over thousand of years. What he doesn't know, is that some of them are still here among us. They've been here for a very long time... and that his calculations on the return of these alien crafts was slightly off. It wasn't was a year more as expected, but no one seemed to care once the approaching craft were detected. After all, he had at least warned them. He had told the government that all the figures found to date had been male... and he then told

his theory on what they came here for. Unfortunately, he didn't know much else to tell the daughters of man.

Return of the Ancients

Arnold Singer is just like any other fifteen-year-old boy growing up in the suburbs – average height, average looks. The love of his life thinks he's a geek ... that is if she notices him at all. Pretty normal, and pretty boring, really. But this normal life is about to change forever. On a school science trip to watch the test firing of a new particle accelerator, Arn is caught up in an accident that propels him into an extraordinary new world. In this new land, Arn is the last human alive. It is populated with mysterious and bloodthirsty creatures, some of whom want him dead, while others see him as their only hope for survival. Can Arn survive in a hostile world and save his new friends? Or has he arrived in time to witness the fall of a mighty empire? An epic tale of love, betrayal and war in a world both familiar and terrifying.

Return of the Ancients: The Valkeryn Chronicles 1

On a faraway planet, Zanu Kaifarian finds himself on an exploratory journey to uncover what has been believed to be a mere legend by his people. The legend soon proves to be more than a fairy tale as Zanu embarks on a journey that will eventually lead him to its source: Earth.

Return of the Ancients

After the Great Flood, many of the Annunaki left and built a new home on the neighbouring planet: Mars. But their descendants remained on Earth and fell into the darkness of ignorance and superstition. The ancient knowledge was lost. In our modern times, the Annunaki reach out to us again, they have made contact, and they talk to us through the pages of this book. And they wish to help us, if only we let them! Like any Human on earth, they love, and fight, and dream, and they make errors. But they live longer. Much longer. Today, their hieratic, almost mystical thinking clashes with the rational and down-to-earth attitude of the Humans. Misunderstandings are inevitable. And the Extra-terrestrials are bringing gifts, even though the military of two powerful nations think of them as enemies and fire missiles at them. The situation is explosive. Literally.

Disclosure

The Return of the Ancient Ones was awarded WINNER status for the Fantasy Category in the 2011 National Indie Excellence Awards. The 2011 International Book Awards have been announced and the Return of the Ancient Ones has been honored as a "Finalist" in the "Fiction:Fantasy/Sci-Fi" category. Extended Description: Second in the Chronicles of Illāmaril series, author Gary Caplan's the Return of the Ancient Ones is a distinct tale that illustrates how one's fiercest enemy can become one's most aggressive ally. As dramatic as it is playful and sublime, Caplan has a knack at weaving the enchanted world of fantasy into the tension of a good old-fashioned cloak and dagger thriller. His incredible instinct for action rests on a spellbinding prose, yet what distinguishes his work in this genre is his ability to consider an otherworld culture as it reaches its pinnacle, rather than upon its downfall. In thirty-one chapters with titles like "Tyl University and the Academy of Spellweaving Arts," "Back to the Order of the Platinum Griffon and Duty," and "End Game," readers are reintroduced to Illāmaril, a land that patiently awaits its heir apparent. Once hidden on Earth, Gideon Finelen, as a birthright, holds the legacy that he and his ancestors are the only ones who can use the Sword of Order. Gideon's advisors, Tauri Ragan and Lord Talmor, hold great hope in Gideon and his Companions of the Sword of Order, but it is their enemy's enemy that first instigates a bold move. And while the Darkspawn have no intention of giving up their power, the return of Thatos and his twelve evil sorcerer generals from their ancient, watery graves disperses Darkspawn's allegiance to temporarily help the armies of the Free Peoples against Thatos, his mercenaries, and other chaos warriors. For Gideon, the quixotic irony in all of this is that Darkspawn leadership is just as fixed on revenge as it is with maintaining its stronghold over Illāmaril. As he pits foe against foe to claim Illāmaril, the Sword of Order has a chance to triumph over Chaos.

Return of the Ancient Ones

As the others take their designated places with-in the circles, the Elder dragon spoke. "Life energies are a part of the universe. Everything has a beginning and an ending. As one life ends, its energy returns

to the universe to begin as another. There are eight elements. There is four elements for life and there is four of life."

The Return of the Ancient Ones

This novel picks up with the lives of some of the characters from my first novel and moves in a slightly different direction.

Return of the Ancients

Daradawn's peace is shattered when three Valkyrie warriors, in a desperate attempt to flee their blood enemy, the Followers of the Sun, call upon their magic within a circle of stones as old as time. The wild magic rips open two rifts into Daradawn. One for the desperate Valkyrie and one for the Dubv'Llewelyn, dark elves banished a thousand years ago into the world of the humans. Into Daradawn they come, the Valkyrie, the Followers of the Sun and the Dubv'Llewelyn. War wages, with the clash of the lightest and the darkest of magic. There is no middle ground. It is rule or be enslaved, and no matter the outcome, for those who live in Daradawn, life will never be the same.

Return of the Ancients: After the Lounge Book 1

Book 2 in the Twilight Monk series of illustrated novels. Contains 60+ illustrations by the author. A failed attempt to attack the Cobras head-on leaves Raziel and Rin's alliance severed. Their arch rival Nox, uses their division to recruit Raziel into the Red Cobras, and sends him on a mission to betray the Masters and sneak into the vaults beneath the island. What Raz discovers within the Monastery's secret chamber has the potential to bring back the Ancients, and restore order to the mystical lands of Speria, or lead to its destruction. Raziel struggles with his newly awakened power. What good is all of the power of the Ancients if you don't know how to use the friggin' thing?!

Return of the Ancients

The world of magic has disappeared. The dragons, witches, wizards, fey, and unicorns are all gone, and many are left wondering what happened to them. Are they really gone, or are they just in hiding? Loot is a young orphan boy who lives among the Viking clan. He has no knowledge of his past, and his future is just as unknown. He has only just returned to the village of his childhood after a year spent wandering the Smoking Mountains. He survives a dangerous encounter with the Clan of Dragons, enemies of his adopted people. Even so, Loot's return does not bring celebration, and some people even feel he should be punished. They have no idea that Loot is the key to the world's salvation. The boy has the power to save the human race and perhaps even to return the ancient dragons to places of power. As his mysterious past begins to reveal itself, it soon becomes clear that he is much more than a weak orphan boy. Before he can become a hero, though, he must first come to terms with his hidden history—and prepare for battle.

Twilight Monk Book 2 - Return of the Ancients (Illustrated)

Midnight was breaking with the first true touches of an unforeseen storm touched against the bodies and faces of both sides. The new leader could not comprehend what this omen could mean for his people or this single battle, but could only understand that he must not allow it to alter the events of this night or he would gain his first defeat and lose his new entitled land and reign. He gave the signal to his troops to move forward and bring the final breath of life to as many of these attackers as possible. He, himself, kicked the stirrups deep into his Dire War Lion's hide that would propel the pair into battle. He withdrew his twin great and rune-covered battle blades from their sheathes as the first drops of his mount's blood came forth from where the animal had been punctured.

Tears of the Ancients

As the end of the Cycle draws near, the modern world lies unprotected, the old daughters forgotten, the old enemies remembered only as myth and legend, and those half true at most. Humanity is ripe for the return of the Ancients and their servants. Still on society, an order ancient and secret, remembers and prepares for the coming apocalypse, seeking the Chosen One around which many of the legends were born, the one who represents the single hope for the world, whose birth was foretold in the Prophecy of the Ancients.

The Ancients' Return

Since its publication in 1968, "Difference and Repetition\

Prophecy of the Ancients

Barbarians are back. These small, highly mobile, and stateless groups are no longer confined to the pages of history; they are a contemporary reality in groups such as the Taliban, Al-Qaeda, and ISIL. *Return of the Barbarians* re-examines the threat of violent non-state actors throughout history, revealing key lessons that are applicable today. From the Roman Empire and its barbarian challenge on the Danube and Rhine, Russia and the steppes to the nineteenth-century Comanches, Jakub J. Grygiel shows how these groups have presented peculiar, long-term problems that could rarely be solved with a finite war or clearly demarcated diplomacy. To succeed and survive, states were often forced to alter their own internal structure, giving greater power and responsibility to the communities most directly affected by the barbarian menace. Understanding the barbarian challenge, and strategies employed to confront it, offers new insights into the contemporary security threats facing the Western world.

Difference and Repetition

Hidden among forgotten ancient ruins, lies the secret wisdom to save humanity's future. Brought together by a mutual dream of impending disaster, a group of ten embarks on a heroic quest to prevent the annihilation of the planet.

Return of the Barbarians

Long ago, when the earth was young... Four ancient beings created man to be the bastion of the earth and its creatures. But when The Great Tyrant came and chased The Ancients away, the world was transformed into a place of fear and isolation. Over time humans lost the connection they had with a world they had been created to protect. Now, deep in the forests that surround Gray Mountain, two bears find a small child that is abandoned and left for dead. They name him Evercloud, and raise him as a member of their kingdom. Teaching him the secrets of the elders, they tell him of the ancient beings that created man and the rumors of their return. Evercloud must now go on a quest to return The Ancients to power. However, in another corner of the land, a man known only as The Messenger travels the land under a white hood, on a mission to prevent the return of The Ancients. We follow the paths each of these men take until their stories collide in an epic battle of good versus evil.

Final Future

The relation between the Greek and Judeo-Christian traditions is "the great problem" of Western philosophy, according to Emmanuel Levinas. In this book Brian Schroeder, Silvia Benso, and an international group of philosophers address the relationship between Levinas and the world of ancient thought. In addition to philosophy, themes touching on religion, mythology, metaphysics, ontology, epistemology, ethics, and politics are also explored. The volume as a whole provides a unified and extended discussion of how an engagement between Levinas and thinkers from the ancient tradition works to enrich understandings of both. This book opens new pathways in ancient and modern philosophical studies as it illuminates new interpretations of Levinas' ethics and his social and political philosophy.

Everflame

MYSTERIES AND REMNANTS OF A FORGOTTEN PEOPLE Tremendous information as well as many artifacts and ancient writings have been brought to light during the past one hundred years to prove that the Americas were once populated earlier than first believed. But who were these people? Where did they come from? Why did they suddenly disappear? More important, did they leave any records to tell of their existence and civilization? What about the strange writings of Manti, Fillmore, Cedar City, Pariette Draw, Nephi, and Lake Powell, all in Utah? What about the Aztec copper bowl of Currant Creek, the gold plate of the Wasatch Front, the lead plates of the Myton Bench, the Manti tablets, the Kinderhook plates, and the Soper/Savage collection in LDS Church archives? Best-selling author Stephen Shaffer explores these mysteries and the remnants of a forgotten people in *Treasures of the Ancients: Recent Discoveries of Ancient Writings in North America*.

Levinas and the Ancients

A forgotten time of darkness will not remain hidden much longer... An ancient evil has risen in the land of Gabali. Dwarves and humans alike have suffered losses and are on the hunt. But they have no idea what they are hunting. An elven ranger, Ernaline, knows that forgotten danger lurks in the forests. In the capital city of Anderitum, an alliance of humans, dwarves, and elves forms, with Lady Ernaline at the center of it. Together, they work to uncover the truth behind what has awakened from the past. But how many lives will be lost before they find the traitor in their midst?

The Literary Theme of the Peach Blossom Spring in Pre-Ming and Ming Painting

Leonel Anglian was born of greatness he never wanted. So he threw it away for his freedom. Leo's father and grandfather, Daleon and Leoric Anglian, were paragons of their era, great warrior-generals of Ellaria who helped free the southern kingdom of Rolanse from the unstoppable orc invasion during the Rolanse Liberation War. Leo's path was set for him to follow in their footsteps to become the next great warrior of Ellaria. Until his grandfather died, and his father was cast out in exile for trying to free the very orcs he fought against. Leo's mother, left alone to raise him, died of illness not long after. Across the sea, Kaejic Bloodwolf, orc Chieftain of the Bloodwolf tribe, fights with every breath for greatness. Kaejic seeks to restore honor to his people, to face the Anglian family in combat and pave the way for his people's return to their homeland they had fled from, cast out by the human kingdoms after the Rolanse Liberation war. On the day Leo's mother died, Leo decided he didn't give a damn about legacy or greatness. He threw away his place in Ellarian court, his fear, and all his worries, only seeking to enjoy his life. Even if life was a ruthless bastard. Leo became an excavator, someone who digs up relics of the Ancients to sell to the Cantry church, in order to explore the world and try to uncover the vast buried secrets of the Ancients that all cultures of Demarest sought after, the forgotten histories of their ancestors. And it hasn't been going very well. He and his companions in the Stonewright Excavation company spend most of their time flat broke, traveling from place to place trying to dig up something of value in long-picked over digsites. But Leo has been loving every carefree minute of it all the same. Until the day Leo stumbles onto a buried Chapel of the Ancients that hadn't been seen for thousands of years. And within it, an ancient tome that would shake the very foundations of civilization, rewriting the history that had been known to all the kinsmen of the world. And with that tome, Leo is awakened to the true history of the Ancients, and to the darkness lurking in the shadows of his world. Kaejic Bloodwolf, seeing visions of standing face to face with Leonel Anglian and his people's return to their homeland, is coming to find him. The hunt for these ancient tomes, and for Leo himself, begins.

Treasures of the Ancients: Recent Discoveries of Ancient Writings in North America

Contains over 70 Illustrations and sketches by the Author. It is a desperate time in the land of Speria. Rumors of villages destroyed by Dark Creatures echo across the land. The downtrodden survivors turn to the remnants of Moonken warriors at Crescent Isle, but their pacifist ways do not allow them to intervene. Razel Tenza and Rin Torra are likely the worst Moonken to ever train at the monastery on the mystical shores of Crescent Isle. But when an insurgent gang of miscreants (The Red Cobras) threaten to run them out of town, they decide to team up and stand their ground. The only problem is... they stink at kung fu! With no fighting ability whatsoever, (but a whole lot of gusto!) they embark on an epic martial arts adventure in search of a shortcut to the ultimate badass Kung Fulio power of their ancestors. In their desperate struggle, they accidentally unleash raging Darksprites, get wrapped up in a legendary mystical heist, and discover secret powerful artifacts that will shape their destiny, and determine the fate of the Monks of Twilight. This book is part 1 of a series of Kung Fu action-adventure fantasy novels.

Return of Ancients

HUMANITY'S REPRIEVE IS AT AN END! The ancients from the stars shall return. Prophecy states ancient visitors from the stars shall return at the end of this age to pass judgment on the world. Peace ushers in prosperity; war promises annihilation. They rest in-stasis, hidden away with terrible weapons of mass-destruction. The Empire of Atlantis seeks the power of the ancients to conquer all through vehement war. Humanity's fate rests with a group of misfits, led by a mysterious figure with an ancient bloodline. A race begins, with opposing sides locked in a deadly quest to find the mythical land of the ancients. One mantra holds true for those amidst the unfolding of the prophecy, "Fight the future."

Hymn of the Ancients

Kaathi, the Healer, sets out to find the spiritual Ancients. The Ancients help Kaathi's group see the future. Some see horror and seek to change it. Can they and will it present alternate dangers? A tribe of stalking primitives seek to mate with women in Kaathi's group. Unable to communicate with them can they prevent the primitives from stealing the women? A colony of horrific mutants wants to make Kaathi and her group sexual slaves. Can Kaathi use her love to keep her group safe? A tribe of diminutive, hairless people attack Kaathi's group. Only one woman from the attackers survives. Kaathi discovers the woman uses her mind to heal a broken arm. The group encroach upon lion, crocodile and baboon territories and fight for their lives. Kaathi refuses to seek the safety of a tree and fearlessly faces an approaching lion. Can she keep it from making a meal of her? Kaathi takes a few people from each race she encounters back to her village.

Twilight Monk - Secrets of Kung Fulio (Illustrated)

This critical study of the influential political theorist dispels popular myths and reveals the inner logic of his varied and notoriously complex writings. Political theorist Leo Strauss was unexpectedly thrust into the media spotlight for his alleged influence on neoconservative politics. With *The Truth about Leo Strauss*, Michael and Catherine Zuckert challenged the many claims and speculations about this complex thinker. Now, with *Leo Strauss and the Problem of Political Philosophy*, they offer a more comprehensive interpretation of Strauss's thought, using the many manifestations of the "problem of political philosophy" as their touchstone. Strauss, they argue, sought to restore political philosophy to its original Socratic form. This is demonstrated through his critique of positivism and historicism, two intellectual currents that undermined his Socratic project. The authors also explore Strauss's interpretation of both ancient and modern political philosophers, including Plato, Aristotle, Machiavelli, and Locke. Finally, they examine Strauss's thought in the context of the twentieth century, when his chief interlocutors were Schmitt, Husserl, Heidegger, and Nietzsche. *Leo Strauss and the Problem of Political Philosophy* is the most in-depth treatment of this often misunderstood thinker, examining his ideas across his long career. It reveals Strauss's overall intellectual project: to decode how ancient and modern theory attempted to solve the problem of political philosophy. And it shows why Strauss considered the ancient solution both philosophically and politically superior.

Rise of Prophecy

Romance, thrills and suspense continue, in this thrilling sequel to *Wisdom of the Ancients*, as a return to Area 51 uncovers the existence of more startling secrets. Justin and Theo have left their youth behind, as they face the challenges of adult hood in uncertain times.

Machiavelli

Fix the past. Save the future. What is the secret history connecting the SQ to the Ancient Maya? Book includes an all-new, full-color Hystorian's Guide - your key to unlocking the fourth episode of the action-packed Infinity Ring game.

Love's Ancients

The philosophical ideal of self-knowledge has been all but forgotten in what Walker Percy calls 'the age of theory.' Hartle attempts to recover that ancient philosophical task and to articulate what that ideal could mean in the context of our historical situation. She considers and rejects claims that we can attain self-knowledge through theory, anti-theory, or narrative and she defends philosophy as a humanistic, rather than scientific, endeavor. *Self-Knowledge in the Age of Theory* will be of great interest not only to philosophers but to scholars of literature and other humanities.

Canadian Journal of Political and Social Theory

Traces the development of Zen Buddhism in Japan, and discusses beliefs, rituals, texts, and major individuals and schools.

Leo Strauss and the Problem of Political Philosophy

From the dark shadows of Neptune and Pluto, suddenly an unknown planet emerges, which after a cycle lasting thousands of years, has returned to our solar system, and is visible from Earth as a small star. With her arrival, Nibiru, as the ancients in pre-historic times called her, brings a horror that will afflict the earthlings as never before. Those, whom our ancestors considered gods, have returned to

reclaim their legacy. No weapon can withstand this invasion, which is not of a material nature and will mercilessly strike the non-physical part of man - his soul! An American scholar, specialized in ancient languages, discovers an obscure inscription and image on a clay tablet from ancient Sumer, where mention is made of the return of the gods, who existed at the dawn of humanity. This discovery opens his eyes to the indescribable terrifying truths, leading to an on madness bordering awareness that takes its toll and leads to his demise. His son, aided by a wise Indian shaman, begins an almost impossible battle against unknown, sinister, threatening powers that attack humanity at its core. Thousands of humans are being evicted from their corporeal body. When these completely unknown entities approach the inhabitants of the White House and attack the president, one fears the worst. A possible salvation of mankind is hidden in mysterious images and petroglyphs on the Gateway of the Sun in Tiwanaku, Bolivia. A journey full of strange and terrifying events, leads the two men to bewildering, unfathomable answers to questions far beyond their intellect. In Siloam Springs, a small town in the United States, a fierce battle takes place, in which a little boy with incredible psychic powers, hopefully, can turn the tide, provided that both men could wrest the truth from the darkness of oblivion: the unknown past of mankind?.

Children of the Ancients

Penelope was born into the Order, a society of sorcerers that shuns her because her mother was human. During their betrothal ceremony, Pen and Saran, witness her father kidnapped and his father cursed by an aging spell of nearly 3000 years. After the attack, Pen's memory is taken to protect her, and then she and her Aunt Hatty flee to the world of humans to live until Saran finishes his apprenticeship to become a sorcerer and comes for her. Saran's determination to free his father from the curse above all else becomes divided when he learns Pen's memory has been permanently erased. Before it is too late, together they seek to rescue their families and save the Order from extinction and unspeakable evil.
