The Books of the Bible

Genesis covers some of the most famous stories of all time, including the garden of Eden, Noah's Ark and Cain and Abel. Using the emergence of the people of Israel as a starting point, it tells the story of the beginning of the world as ancient writers understood it. The text is introduced by Steven Rose.

The First Book of Moses, Called Genesis

For decades, millions of Christians have discovered William Barclay's Daily Study Bible to be the ideal New Testament commentary series for both devotional reading and serious Bible study. Now, carrying forward brilliantly the pattern established by Barclay, The Daily Study Bible has been extended into a coverage of the entire Old Testament. Invaluable for individual devotional study, for group discussion, and for classroom use. The Daily Study Bible now provides a useful, reliable, and eminently readable way to discover what the Old Testament writers were saying then and what God is saying today.

Genesis

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study covers one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how a given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians cherish the message of God's grace on each and every page of the Bible. In this study of Genesis, pastor Mitchell Kim leads readers through the first book of the Bible, uncovering the meaning of the text while exploring important applications for everyday life. From explaining the true significance of the creation account to investigating God's gracious calling of the nation of Israel, this book highlights how the storyline of Genesis foreshadows and connects to the good news about Jesus, the long-awaited "seed of the woman." With penetrating exegetical insights and thought-provoking application questions, Kim has crafted an invaluable guide for those seeking to better understand this foundational book.

Genesis

A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is idea for pastors, students, Sunday school teachers, and all who want to understand the Bible in today's world. SGBC is organized into three easy-to-use sections, designed to help readers live out God's story: Listen to the Story; Explain the Story; and Live the Story. Praise for SGBC: "The easy-to-use format and practical guidance brings God's grand story to modern-day life so anyone can understand how it applies today."—Andy Stanley "Opens up the biblical story in ways that move us to act."—Darrell L. Bock "It makes the text sing and helps us hear the story afresh."—John Ortberg "This commentary breaks new ground."—Craig L. Blomberg

The Critical and Explanatory Pocket Bible ... with Original and Selected Parallel References and Marginal Readings, and an Original Commentary. (Genesis-Esther, by the Rev. R. Jamieson.-Job-Malachi, by the Rev. A. R. Fausset and the Rev. B. M. Smith.-New Testament, by the Rev. D. Brown and the Rev. A. R. Fausset.).

The first eleven chapters of the book of Genesis hold the keys to the beginning—but not so much as a history of the world or of the human race, but as a history of God's love, grace, and promise to his creations. In this study, pastor John MacArthur will guide you through an in-depth look at the creation story and some of our earliest interactions with each other and with our Creator. From the first murder to the first covenant, this study includes close-up examinations of Adam, Eve, Cain, Abel, and Noah, as well as careful considerations of doctrinal themes such as "The Fall of Man" and "Heritage and Family." It's from this point that you'll find your footing to understand the rest of the Bible more easily. So much happens in these first eleven chapters, they need their own study. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

Genesis

Mike covers all 50 chapters of Genesis. From creation to the flood and on to Abraham finishing with Joseph in Egypt. A complete study of the first book in the Bible.

First series, Genesis

"Jason Boyett's Pocket Guides are smart and hilarious. And they're sneaky too: You don't realize how much you're learning because you're having so much fun." —AJ Jacobs, author, The Year of Living Biblically Americans consistently identify the Bible as the most influential book in history, but seriously: are you really reading it? Probably not. If all you know about the Bible are a few Psalms and the Christmas story, then you're missing out on a book that's wilder, weirder, and more entertaining than you ever imagined. With a stealthy combo of entertainment and insight, Jason Boyett's Pocket Guide to the Bible fills the gaps in your religious education. It introduces you to the characters you must know, reveals the thrilling development of the biblical canon, and details the less-churchy parts of Scripture (hello, sex and violence!). Don't miss out on discovering How God employs talking donkeys, mentally unstable prophets, and helpful prostitutes in his master plan Which moral failures may result in an old-fashioned smiting Why Catholic Bibles include books some Protestants refuse to recognize Whether your New International Version of the Bible may in fact be demonic With Pocket Guide to the Bible, you'll finally realize what's so good about the Good Book.

Genesis 1 to 11

A compilation of Bible Study materials based on the Old Testament book, Genesis. The book of Genesis is the foundational book of the Bible. It answers the most basic questions of human existence, such as "Who am I? Where did I come from? Why do I have to die?" In it, God lays the groundwork for the rest of Scripture, His revelation of Himself to man. Genesis is the key to understanding the other books of the Bible. This volume, the fourth in the bestselling Bible Study Guides series, will refresh your appreciation

and deepen your understanding of the book of Genesis. Each Bible study guide entry comes in two formats: An Expository Format (for pastors and Bible teachers) and a Small Group discussion Format.

Genesis

To read Genesis intelligently, we must consider the questions, the literature, and the times in which Genesis was written. In *How to Read Genesis* Tremper Longman III provides a welcome guide to reading, studying, understanding, and savoring this panorama of beginnings—of both the world and of Israel. And importantly for Christian readers, we gain insight into how Genesis points to Christ and can be read in light of the gospel.

Pocket Guide to the Bible

The Bible contains the very words of God and is key to understanding the world in which we live. But how do we know it can be trusted? Why 66 books? Is the Bible enough? Are there contradictions? Where is the proof of Creation? The Bible is the history book of the universe and the instruction manual for mankind. It's written by the Creator, so we can put our trust in it

Bible Study Guides, Volume Four Genesis

From the medieval crusades to the latest violence in the Middle East, warriors have long claimed the Bible's support for their battles. Patricia M. McDonald argues that many biblical stories, read as part of a canon from Genesis to Revelation, contain resources for turning violence to service of God and humanity. As varied and complex as life itself, these narratives can provide us with imaginative possibilities and steady motivation to move beyond the narrow defensiveness and self-interest that are becoming ever more problematic in an increasingly interconnected world.

How to Read Genesis

The highly popular Sheffield Old Testament Guides are being reissued in a new format, grouped together and prefaced by one of the best known of contemporary biblical scholars. This new format is designed to ensure that these authoritative introductions remain up to date and accessible to seminary and university students of the Old Testament while offering a broader theological and literary context for their study. John Goldingay introduces Genesis and Exodus as a whole, illuminating their distinctive literary and theological features and their importance for modern theological reflection.

A Pocket Guide to the Bible

When it comes to the realm of biblical studies, students of the Bible are often overwhelmed, both with the sheer volume of information and with all of the unfamiliar terms, concepts, and topics. Like any other field of study, the serious study of the Bible has developed a specialized vocabulary. The key terms in this important field are defined in *The Compact Dictionary of Biblical Studies*. It provides clear, concise, and accurate definitions to help students of the Bible make sense of the specialized language of biblical studies.

God and Violence

Based on the Revised Standard Version – Second Catholic Edition, this 14th volume in the popular Bible study series leads readers through a penetrating study of the Book of Genesis using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible scholars Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. They provide rich historical, cultural, geographical or theological information pertinent to the Old Testament book—information that bridges the distance between the biblical world and our own. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. The Topical Essays explore the major themes of Genesis, often relating them to the teachings of the Church. The Word Studies explain the background to important Bible terms, while the Charts summarize crucial biblical information "at a glance". Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for each chapter that can deepen your personal study of God's Word. There is also an introductory essay covering questions of authorship, date, destination, structure and themes. Also included is an outline of Genesis as well as several maps.

Genesis and Exodus

Genesis 1-11 contains some of the best-known stories in the world. To modern Westerners they may look like no more than entertaining tales that children can enjoy, but modern adults cannot take seriously. However, when read in the context of the ancient Orient, Genesis 1-11 looks very different. It turns out to be a truly revolutionary document. In retelling the history of the ancient world, it puts a new spin on it by introducing an all-powerful, all-knowing, unique God whose greatest concern is human welfare. The God who appears in Genesis 1-11 is the God presupposed by all the Old Testament writers, indeed by the New Testament as well. The gripping tales of Genesis thus provide the theological spectacles for a sympathetic reading of the Bible. They are the gateway to a valid understanding of its message and can even help modern believers construct a worldview that integrates both the discoveries of modern science and the insights of Christian theology.

The Baker Compact Dictionary of Biblical Studies

A series of articles by scholars from around the world reading the story of Earth in Genesis in the light of the ecojustice principles enunciated in Volume One, 'Readings from the Perspective of Earth'. These readings uncover how Earth may be valued or de-valued, given a voice or denied a voice, dominated or served, depending on the orientation of the text. In Genesis 1, for example, the intrinsic worth of Earth is highlighted in the 'revealing' of Earth's presence but negated when humans are given the right to 'subdue' it. In Genesis 9 the text begins with the Earth community terrified by, and alienated from, humans but ends with all the Earth Community-and Earth itself-bound together equally in a covenant.

The Book of Genesis

Come and See: GENESIS presents the 50 chapters of Genesis in a 22 chapter format. The intriguing adult commentary offers a view of creation with respect to natural science, biological science, geology and anthropology. Pope Benedict XVI's writings augment the commentaries. About the Series: Especially designed for families to do together, "Come and See" Catholic Bible Study series presents the rich heritage of the Catholic Faith in clear and simple language. With its practical direction for leaders, easy-to-use workbook format, and appealing design, this Bible study series is ideal for use in the classroom, home study, or parish catechesis.

Rethinking Genesis 1–11

A beginning. An origin. A foundation. Knowing where we came from says much about where we are going. Perhaps that is why the first book of the Bible is a book of beginnings. God wants us to know where we came from. Learning that will teach us much about the place we are going. The book of Genesis brings us back to the beginning of the Bible, where the foundation of life itself is explained. We learn how we were created, about the origins of sin and its fallout, and how to best relate to God – through obedience and trust. We are drawn into tales of deceit, jealousy, and outright failure, where we see how God still uses flawed people. And weaving throughout these earliest stories of humankind are the golden threads of God's promises – promises we can trace from their origins, through the course of history, up through our lives today, and beyond us to the end of time when his final promises will at last be fulfilled. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes an opening reflection, background information, an excerpt of the text (from the New International and New King James versions), exploration questions, inspirational thoughts from Max, and a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting and for individual study.

Earth Story in Genesis

The creation narrative in the early chapters of Genesis proved irresistible to the church fathers. Following the apostle Paul, they explored the six days of creation and the profound significance of Adam as a type of Christ, the second Adam. With comment from Basil the Great, Ambrose, and Augustine, this ACCS volume on Genesis 1-11 opens up a treasure house of ancient wisdom.

Come and See

A series of Bible study guides following the format and content of the NIV Application Commentaries Series. Each study looks at the original meaning, bridging contexts, and contemporary significance

of the text, and offers small group participants a better understanding and relevant application of the biblical material to their daily lives.

Life Lessons from Genesis

There are few parts of Scripture over which so many battles—theological, scientific, historical, and literary—have been fought as the book of Genesis. In this classic work, Derek Kidner not only provides a verse-by-verse exegetical commentary but also lucidly handles the tough issues that Genesis raises. Focusing on the study of Genesis on its own terms, as "a living whole," he highlights the theological themes of the nature of God, humankind, and salvation. In this volume, formerly part of the Tyndale Old Testament Commentaries series, Kidner's clear prose and theological insight will expand readers' understanding of God's character and of humanity's nature and destiny.

Genesis 1-11

Did you ever start to read the Bible and then give up? If so, this Get a Grip approach could help you get into the Word with confidence. Get a Grip—on the Bible is designed to provide enough information to help you familiarize yourself with each book but not so much that you get overwhelmed. For each book covered, author Jerry L. Burton discusses who wrote it, why and when it was written, and the intended audience. He also explores the culture and history of the time, offering additional context. He also shares a few key narratives in a storytelling format, exploring key doctrines that appear consistently throughout the Bible. Using this method, you'll soon have confidence in your ability to study and understand God's Word. Formatted for use by Sunday school classes, small-group Bible studies, and individuals, this study guide presents a comfortable way of learning the basics of the Bible.

Genesis

Considers the themes of cosmology, anthropology, evolution, interactions between men and women, sibling friction, and the origins of the bible in Genesis, suggesting channels for further reflection and ways in which Genesis can enrich faith in the modern world. Original.

Genesis

The Book of Genesis is a book of beginnings. It contains God's promise of a safe end for us all; the promise that we can base our lives upon and it contains the knowledge of good versus evil. The goal of this book is to bring us a better understanding of God's Word; to help us realize the peace and the love that comes with giving God first place in our hearts through our Lord and Savior, Jesus Christ. When God created this world, He knew what would happen. He knew that man would sin. But God wanted to give us freedom of choice. He wants a family that loves Him and wants to be with Him. That's why He put a plan in place to help us overcome the penalty of sin. God's Word, and the study of books like this, help us to grow stronger in the knowledge of Him. The more that we understand, the more we will tend to make Jesus Lord over. As you read this, you will come to understand how to walk in faith instead of fear. You will also come to know God through Jesus in a greater and more understanding way.

Notes from My Bible

Genesis in the New Testament offers a comprehensive study of all the quotations and important allusions to Genesis in the New Testament.

The Book of Genesis

This is Student Book 3 (ISBN 0-19-434810-5) split into two sections. This is the first section.

Get a Grip—On the Bible

Starting with a thorough study of canonical criticism, this book purports that a historical study is necessary for a veridical dogmatic canon. The evidence for this is presented in this book, which is a new historical study of the canon process that follows its development from the earliest stages.

Genesis

God has a specific plan—one that is spelled out in the words of the Bible as it reveals progressive information about the beginning, middle, and end of God's covenant and grace. In The New World

Order in Genesis 1-9, author Alexandria Parker-Shigemura provides a commentary on God's plan for a new world order and Satan's attempt to usurp God. Through an in-depth, line-by-line analysis of the first nine chapters of Genesis, Parker-Shigemura provides insight into the literal, spiritual, prophetic, and providential prophetic implications of this holy text by discussing the creation and restoration, the source of original sin, the importance of Cain and Abel, the idea of physical death, the big flood, and the ark of salvation. She also explores the power of God and the relationship between God and man. In The New World Order, Parker-Shigemura, who has studied the word of God for more than forty years, communicates the importance of learning God's message in the Bible to better prepare for the new world order. www.alexandriaparker.com

Genesis

As its name implies, Genesis is a book of origins. In it we are told of the origin of the universe, the beginnings of the human race and the birth of the Israelite nation. But it is more than an early record of origins. It is part of God's Word to us, what the apostle Paul calls "God-breathed" Scripture. Here we are given infallible instruction concerning where we all came from and why things are the way they are. The book of Genesis is also crucially important for our understanding of the rest of Scripture. It introduces us to the true and living God, to the beginnings of sin, its consequences and how it has affected the whole created order. - Publisher.

A Pocket Guide to Compromise: Refuting Non-Biblical Interpretations of Genesis 1

Provides an overview of various models of reading the Bible in the Third Millenium.

Genesis in the New Testament

The Book of Genesis is the first book of the Hebrew Bible (the Tanakh) and the Christian Old Testament. Tradition credits Moses as the author of Genesis, as well as Exodus, Leviticus, Numbers and most of Deuteronomy, but modern scholars increasingly see them as a product of the 6th and 5th centuries BC.

Genesis

Genesis: the book of beginnings. The book of Genesis is not only the first book of the Bible detailing the beginnings of Creation and life as we know it, but also serves as the over-arching and pervasive sacred reference for the true understanding of the entire Bible as intended by the Author, God, the Spirit of Truth. Genesis in its entirety, and the first eleven chapters in particular are indispensable for a meaningful understanding of God's living Word. Genesis chapter one is the majestic and glorious opening of the Bible. Armed with a real understanding of God's revealed identity, His awesome Power, and the nature of His Purpose outlined in Genesis chapters one through eleven, the student of the Bible can confidently follow the Biblical narrative as the account of God's relationship to man unfolds through the records of time and history chronicled in the pages of the Holy Bible. The Prophets, the Psalmist, the Poets, the Evangelists, and the Apostles were inspired to expound what is revealed in Genesis chapters one through eleven. Flowing out of Genesis, the Biblical narrative tells the account of creation, rebellion, and redemption in the context of God's Holiness, Righteousness, Justice, and Glory. We believe that it is absolutely necessary that the believer must meditate upon the first eleven chapters of Genesis in order to be open and well prepared to learn the Truth about God's Will, Purpose, and Plan concerning creation in general and man in particular.

Fall Asleep In God's Word [Try Listening for 3 Minutes!] - Fall Asleep In God's Word [Try Listening for 3 Minutes!] by Abide Sleep Meditations 16,902,317 views 2 years ago 3 hours, 32 minutes - Fall Asleep in God's Word tonight with this Abide Sleep Meditation. Try listening to for 3 minutes to find rest and relaxation.

Fall Asleep in God's word with this Abide meditation read by James.

Remember the greatness of God as you relax and sleep.

Peaceful sleep with Bible story of Moses speaking to Pharaoh.

Discover a serene valley with the presence of the Lord and a message of provision for a tranquil sleep in God's Word.

Rest securely in God's presence with David's meditation from Psalms.

The burning bush; Moses' life-changing encounter with God.

Place all of your trust and worries in God's hands.

Meditate on God's faithfulness and justice.
