[#Boardmaker resources](#) [#BC Teachers Federation](#) [#special education BC](#) [#visual communication tools](#) [#inclusive learning support](#)

The Boardmaker Project, championed by the BC Teachers Federation, is dedicated to empowering educators across British Columbia with essential resources and comprehensive training for Boardmaker software. This initiative aims to enhance the use of visual communication tools in classrooms, supporting teachers in creating more inclusive and accessible learning environments. It provides crucial support for special education needs, ultimately benefiting students through improved engagement and understanding.
