start by drawing some guidelines on my reference photo

draw the guidelines with your pencil

draw them onto my drawing paper

use graphite pencils and black pencils for the darkest values

start with the eyes

start by shading with the 4b graphite pencil with light pressure

shaded the rest of the face

use the kneaded eraser to erase

use a soft tissue to smoothen

using the black pencil to darken

practice with drawing noses from different angles

get a smooth transition from the mid-tone

use the pencil eraser to erase
