"In the intermediate level of this highly-acclaimed new series, learners will continue to study the Japanese language through an engaging story line which slowly unfolds over the arc of the text, keeping things interesting and adding the motivation needed to master new material. The emphasis in Intermediate Japanese is on real-life situations drawn from contemporary Japanese culture and authentic written, visual and oral materials embedded in the lessons. This multimedia approach is a great way to learn Japanese. Available in both hardcover and paperback, Intermediate Japanese includes an accompanying audio disc, and free web-based multimedia resources with additional exercises. A separate Workbook is available with corresponding one-of-a-kind practice activities. What makes this series so popular? The focus is very visual. The book's narrative is told with manga-style story pages, and the CD_ROM uses colorful video. Authentic written, visual, and oral materials are embedded very naturally throughout the book. Independent learners and classroom students alike will find this an accessible and upbeat way to master contemporary Japanese. Kanji characters are emphasized here more than in other textbooks and are taught as an integral part of learning Japanese spoken vocabulary, rather than separately. By the end of this book, learners will have mastered 149 additional kanji, for a cumulative total of 300 kanji."

Intermediate Japanese Workbook

Following the success of Beginning Japanese Workbook, this next book in the series starts at the intermediate level and continues through the AP Japanese exam's level of language competency. Both formal study and independent language learners will find it to be an interactive and dynamic way to master the Japanese language. Each workbook also includes free web-based audio resources for additional learning opportunities, practice and activities. The Teacher's Guide to using this book in a classroom setting is available separately in electronic format, free of charge. Here in the Intermediate volume, Kiara and her friends Ben and Kenichi continue their adventures with Tomo's time machine. Their encounters with historical and cultural experiences are made even more real for the learner through the textbook dialogues, images and online audio. The engaging storyline unfolds as learners advance--adding motivation to master new material. Using a context-based method, students will acquire 125 new Kanji (a cumulative total of 300 with the Beginning Japanese Workbook). The content is carefully aligned with ACTFL National Standards, making this a valuable and practical resource.

Intermediate Japanese Textbook

Boost your language skills with this time travel-themed book! Using an integrated set of multimedia tools, this book's exciting new approach to Japanese teaches you to speak, read and write the language naturally. Intermediate Japanese continues the story of Kiara, an American student who travels through time to exciting periods in Japan's past--learning to speak, read and write the language along the way. Her adventures allow her to meet fascinating people and visit famous places. The book's manga-style drawings and photos make the learning process fun! Intermediate Japanese introduces 150 additional Kanji characters and teaches you to form and understand conversational sentences. Free online audio recordings complement the book, helping you to develop good pronunciation and comprehension skills. Whether you are planning to travel to Japan, preparing for your Advanced Placement (AP) or International Baccalaureate (IB) exams, or learning Japanese for the sheer joy of it, Intermediate Japanese will bring you one step closer to fluency!

Intermediate Japanese Textbook

Whether you are planning to travel to Japan, preparing for your Advanced Placement (AP) or International Baccalaureate (IB) exams, or learning Japanese for the sheer joy of it, Intermediate Japanese will bring you one step closer to fluency!

Japanese Kanji and Kana Workbook

Japanese Kanji and Kana Workbook offers a systematic approach to learning Japanese characters. It is designed to be used with the best-selling Japanese Kanji & Kana: A Guide to the Japanese Writing System. Presenting all 92 Hiragana and Katakana and 617 high-frequency Kanji characters, this character workbook teaches you how to write the Kanji and Kana neatly and correctly. Included for each character are the Japanese and Chinese readings, stroke order writing guides, English meanings, vocabulary, radicals, and ample space for writing practice. This valuable Japanese language book also includes an introduction explaining how to begin learning the Japanese writing system and two Kanji indexes—one by radicals, the other by readings. The 617 kanji characters provided cover all Kanji required to take the AP Japanese Language and Culture Exam and the JLPT levels N5, N4, and N3.

Hiyaku: An Intermediate Japanese Course

Hiyaku: An Intermediate Japanese Course provides a progressive intermediate course in Japanese, incorporating modern teaching methods and practicing all four language skills. Hiyaku provides content-based instruction, with authentic and semi-authentic dialogues and readings, all carefully selected to instruct and inspire students as they learn Japanese. Key features of the textbook include: highly structured chapters, beginning with warm-up exercises followed by focused practice of each of the four skills gradual introduction to increasingly authentic materials content taken from original Japanese sources such as books, TV programs, magazines, newspapers and websites extensive audio material provided as FREE MP3 files on a companion website instructor's materials, including PowerPoint files provided through the companion website. Hiyaku does not simply teach language and basic cultural points: it also helps students gain a holistic understanding of Japanese society and history, and provides the necessary foundation for the advanced study of Japan and its language.

Short Stories in Japanese for Intermediate Learners

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Japanese. "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Japanese for Intermediate Learners has been written especially for students from low-mid intermediate (ACTFL) level of Japanese. Mapped to B1 and approaching B2 on the Common European Framework of Reference, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading, and most importantly - enjoyment! What does

this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level to help you progress confidently - Spoken dialogues in a range of polite and casual forms in real settings to help you to improve the flow and accuracy of your spoken Japanese. - To help you advance your kanji recognition skills, furigana is used to support reading higher level or unusual kanji and for the first appearance for common kanji. - Common vocabulary from levels 4 and 5 of the JLPT (Japanese Language Proficiency Test) along with vocabulary carefully chosen from the higher levels help you learn useful new expressions and progress through the intermediate reading levels. -Accessible grammar so you learn new structures naturally, without feeling overwhelmed or frustrated -Practical tips help you to unlock the meaning of Japanese sentences and new kanji words successfully. - Beautiful illustrations accompanying each story, to set the scene and support your understanding -Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' With intriguing plots that will spark your imagination and keep you reading, Short Stories in Japanese for Intermediate Learners will take your grasp of Japanese to the next level with key features to support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Japanese for Intermediate Learners will accelerate you journey towards fluency. Use the codes inside the book and ebook to access a bonus story for free and the discounted audiobook on our Language Readers Library site or in the Language Readers app.

Readers Guide to Intermediate Japanese

This guide provides student-friendly explanations and examples for phrases that occur with high frequency in written-style Japanese. The entries were chosen because they are either difficult to learn and remember or difficult to reference in standard textbooks and dictionaries.

Intermediate Japanese Workbook

In the intermediate level of this highly-acclaimed new series, learners will continue to study the Japanese language through an engaging story line which slowly unfolds over the arc of the text, keeping things interesting and adding the motivation needed to master new material. The emphasis in Intermediate Japanese is on real-life situations drawn from contemporary Japanese culture and authentic written, visual and oral materials embedded in the lessons. This multimedia approach is a great way to learn Japanese. By the end of this book, learners will have mastered 149 additional kanji, for a cumulative total of 300 kanji.

The Routledge Intermediate to Advanced Japanese Reader

The Routledge Intermediate to Advanced Japanese Reader: A Genre-Based Approach to Reading as a Social Practice is designed for intermediate to advanced learners of Japanese and presents twenty-five authentic texts taken from a wide range of media and literary sources, which promote a deeper understanding of Japan among readers. The book is divided into ten genre-based chapters, allowing the learner to focus on the textual features relevant to that genre. Key features include: Selected texts covering topics related to Japanese language, society and culture encountered in the Japanese media, from news reports to interviews, book reviews, short stories and editorials. Word lists for challenging vocabulary and kanji provided throughout to aid comprehension and learning. Pre-reading activities to enable familiarity with the topic, the text's background and words to be encountered in the reading passages. Short grammar explanations of essential structures. Questions to help comprehension, raise awareness of genre features, promote critical reading, and to encourage the reader to think more

deeply about the content. Opportunities to write passages, utilizing what has been learned by reading the text. Vocabulary and grammar lists at the back of the book. The Routledge Intermediate to Advanced Japanese Reader emphasizes reading as a purposeful social act, which requires readers to make meaning of the text by considering the authors' choices in language (scripts, vocabulary, styles) in the text. The learners are guided to situate each text in society (for example, the author, target audience, social-cultural background related to the subject) in order to understand the social significance of reading and writing. This book aims to help learners develop the ability to critically read and write in Japanese for their own social purposes. It is suitable for both class use and independent study.

Intermediate Japanese

Intermediate Japanese is designed for learners who have achieved a basic proficiency and wish to progress to more complex language. Each unit combines clear, concise grammar explanations with examples and exercises to help build confidence and fluency. The book is divided into two parts. Part Oneoutlines fundamental components of Japanese including particles, question words, verb types and tense while Part Two builds on this foundation by introducing grammatical patterns organised by the task they achieve. Features include:clear, accessible formatjargon-free explanations of grammarmany useful and culturally relevant examplesabundant exercises with full answer keydetailed index of grammar patterns. Intermediate Japanese reviews the principal elements presented in its sister volume, Basic Japanese, and introduces more complicated structures. Suitable for both classroom use and the independent learner, the two books form a compendium of the essentials of Japanese grammar.

å,ž‡Õžx

This ever-popular series of dictionary-style grammar guides comprises three volumes--basic, intermediate, and advanced--with each presenting some 200 key grammar items, along with analysis of sentence patterns, abundant example sentences, and easy-to-understand explanations in English. The books also thoroughly explains common pitfalls and the distinctions in usage of similar expressions, helping users to develop an even stronger grasp of Japanese grammar. A must-have reference for learners and teachers alike.

Intermediate Japanese

The book is divided into two parts. Part One outlines fundamental components of Japanese including particles, question words, verb types and tense while Part Two builds on this foundation by introducing grammatical patterns organised by the task they achieve. Features include: clear, accessible format jargon-free explanations of grammar many useful and culturally relevant examples abundant exercises with full answer key detailed index of grammar patterns. Intermediate Japanese reviews the principal elements presented in its sister volume, Basic Japanese, and introduces more complicated structures. Suitable for both classroom use and the independent learner, the two books form a compendium of the essentials of Japanese grammar.

Kakehashi Beginning-Intermediate Japanese Textbook

The Kakehashi series of educational materials are designed to encourage students to learn not only words, but the cultural background that gave rise to those words and the logic that organizes them. This textbook is designed to work in conjunction with the corresponding workbook to help absolute beginners and intermediate students alike to reach functional fluency (i.e. to be able to get around in Japan, communicate witih Japanese people and survive in a Japanese work environment). Examples are given in native-sounding Japanese (as opposed to textbook-ish Japanese). Every example is written how it would normally be (in Chinese-derived "kanji" characters and the "kana" alphabet) with pronunciation guides provided to acclimate students to the way in which Japanese is constructed. Audio (pronunciation guides, dialogs, etc.) are available for free through the Kakehashi homepage: htttp://www.eraidesigns.com/kakehashi

Dekiru!

This is a complete Japanese textbook and language learning package for beginning learners. Start speaking, reading and writing Japanese today with the most exciting new introduction to the Japanese language! Beginning Japanese follows the story of Kiara, an American exchange student who lives in Japan and loves to study Japanese. With the help of her Japanese friends and the time-traveling Tomo

Tanuki (raccoon dog), Kiara learns to speak, read, and write Japanese while she visits famous people and places in Japanese history. Illustrated with manga-style comics—:a fun way to learn Japanese and written by experienced high-school Japanese teachers, this Japanese textbook will show you how to pronounce Japanese; read and write hiragana, katakana, and 125 basic kanji; and understand conversational Japanese. Key features of this program: An engaging storyline—including a time-travel adventure—unfolds as learners advance, adding motivation to master the language. Authentic written, visual, and oral materials embedded naturally throughout. Kanji is taught beginning with Chapter 1—and together with current vocabulary rather than separately. (At the end of Vol. 1 you'll know 148 kanji). Technology is used extensively for authentic tasks. A dedicated website provides additional content and updates. Content is aligned with the ACTFL National Standards. The CD-ROM includes: Native Japanese language speakers. Pronunciation guides. Accompanying dialogues. New word lists. Fun songs. Listening activities and tests. Extensive printable exercises. The Beginning Japanese Website includes: Online games and activities. Additional information and updates. Downloadable Hiragana Practice Book, Katakana Practice Book, kana practice sheets. Downloadable kanji and kana flash cards. Beginning Japanese is the first volume in a 3-level series. Deepen your learning with the Beginning Japanese Workbook, a volume of drills and exercises that reinforce the lessons in the textbook. If you already speak basic Japanese, continue your learning with the second level, Intermediate Japanese. Whether you're learning Japanese for fun, preparing for a Japanese proficiency exam, or want to achieve AP- or IB-level competency, Beginning Japanese is your key to becoming a confident Japanese-speaker.

Beginning Japanese

After fifteen printings, the Learn Japanese: College Text series has been substantially revised. The incorporated revisions grew out of the authors' decade and more of classroom experience. Revisions were also made in accordance with recommendations proposed by instructors who have used the Learn Japanese series. The new edition, which reflects recent trends in language teaching, continues to emphasize an integrated approach in which speaking, hearing, reading, and writing Japanese all contribute to the language learning process. - The most significant improvement is the addition of Culture Notes to help clarify the sociolinguistic context in which the language is used. Since Japanese modes of communication are highly situational, the student of Japanese needs to be made aware of the different contexts in which speakers interact. Culture Notes, used in conjunction with Grammar Notes, Dialogs, and Useful Expressions, show how an understanding of cultural values and human relationships can enhance the student's mastery of language skills. - A new approach to language learning is used throughout the revised edition. The new sociolinguistic approach (which encourages the "generation of discourse") is integrated with the original pattern approach (which encourages the "generation of sentences"). - Many components of the first edition, such as Sentence Patterns, Grammar Notes, and Reviews, have been revised and/or rearranged. The result is a clearer, more natural, and more functional presentation of the Japanese language. The four volumes of Learn Japanese: New College Text were prepared by the Asian Division of the University of Maryland University College and are published by the University of Hawaii Press.

Learn Japanese

Have you always wanted to learn how to speak, read and write Japanese? Well then, this is the perfect textbook for you! Hello, my name is Jeremy Rasmussen and I am just some guy. I wrote this Japanese grammar textbook for those who have an interest in learning the Japanese language, but may have found it a tad bit overwhelming at first. Being a student of the language myself, this book was written from the perspective of someone who had to personally struggle with the new linguistical concepts and ideas, allowing me to make the learning process much more streamlined for the native English speaking student. Inside this book you will find... Over 400 pages with color-coded example sentences Example sentences written in both Japanese and the Roman alphabet English translations for all example sentences Eighty -Some guy's pro tips, - which offer useful or interesting cultural information about Japanese or Japan as a country Chapter summaries to help reinforce what was learned Practice problems with answer keys to check your understanding of the material Who is this book for? Written with both the beginner and intermediate student in mind, this book is perfect for those who are just starting out, or for those who already have some working knowledge of the language and want to solidify what they may already know (while possibly learning a few new things along the way!). This book covers mainly JLPT level 5 and JLPT level 4 material, but sprinkled throughout, you will also some find some JLPT level 3 structures as well. -But Jeremy, you're just some guy...- When I first told people

that I wanted to write a Japanese grammar textbook, the most common response was, -But you're not even Japanese. You're just some guy who learned Japanese...- And my response to them was always -That's right! I am just some guy. But so what?- The reality is that being a non-native Japanese speaker gives me a better understanding of the difficulties a native English speaker might face and how to better explain the grammatical details of the language more clearly and succinctly than a non-native English speaking person could. I, too, was once a beginner of the Japanese language and have definitely dealt with the frustrations it can bring. That's why I have done my best to provide what I feel are essential beginner/intermediate level grammar structures with simple, easy to understand explanations that will make the rest of your Japanese studying career much less stressful. As a child I always dreamed of being able to play my favorite games in Japanese, or watch and understand my favorite anime. Through a lot of hard work and effort I was finally able to make my dream a reality, and I sincerely hope that I will be able to impart on to you what I picked up along my Japanese learning adventure to help you accomplish your dreams as well.

Intermediate Japanese 1

A two-volume introduction to written and spoken Japanese, comprising fifty-two lessons with exercises and vocabularies.

Learn Japanese from Some Guy: Quickly and Easily Master Beginner and Intermediate Level Japanese Grammar

Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

An Introduction to Modern Japanese: Volume 1, Grammar Lessons

Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful Japanese tongue. How Intermediate Japanese Short Stories works:? Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture.? Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories!?The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble.? At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning!?Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your Japanese language learning right now!

å,žú,‡Õžx

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.

Intermediate Japanese Short Stories

This is an extensive beginning level Japanese textbook and Japanese language learning package. Elementary Japanese is designed for students who are just beginning their study of Japanese at the first—:year college level or on their own. The author and contributors have created a highly structured

approach to leaning Japanese that is based on learning the fundamental patters and constructions of the language as well as the writing system including basic kanji. Systematic grammatical explanations are provided in enough detail for this book to be used as a reference work as well as an introductory textbook. The accompanying MP3 audio CD is a great way to learn Japanese and ensures correct pronunciation and helps to build listening comprehension. After completing this course, you will be able to: Describe yourself, your family and your friends. Talk about daily events using basic vocabulary and grammatical constructions. Understand conversations on these topics as well as classroom activities. Read Japanese articles and write short and simple compositions and letters.

A dictionary of intermediate Japanese grammar

This book is an entry-level Japanese textbook comprising 10 lessons. It aims to teach the four basic skills of listening, speaking, reading and writing to students at university and other tertiary institutions, but will be found useful by anyone interested in learning the language. Pictorial illustrations bring each language pattern to life and easy-to-follow grammar language skills. Other features include lively conversation texts, numerous role-playing and other activities, listening practice, Japanese cultural notes, kanji reading and writing, and comprehensive grammar exercises.

Japanese In Mangaland Vol 2 is a Japan Publications publication.

Elementary Japanese Volume Two

Hiyaku: An Intermediate Japanese Course provides a progressive intermediate course in Japanese, incorporating modern teaching methods and practicing all four language skills. Hiyaku provides content-based instruction, with authentic and semi-authentic dialogues and readings, all carefully selected to instruct and inspire students as they learn Japanese. Key features of the textbook include: highly structured chapters, beginning with warm-up exercises followed by focused practice of each of the four skills gradual introduction to increasingly authentic materials content taken from original Japanese sources such as books, TV programs, magazines, newspapers and websites extensive audio material provided as FREE MP3 files on a companion website instructor's materials, including PowerPoint files provided through the companion website. Hiyaku does not simply teach language and basic cultural points: it also helps students gain a holistic understanding of Japanese society and history, and provides the necessary foundation for the advanced study of Japan and its language.

BÓØkãÑËü⁰

The ideal program for serious language learners, businesspeople, students, and anyone planning to spend time abroad.

₿,ã¬

Kanji Workbook for Intermediate Japanese is designed to help students expand their kanji knowledge and vocabulary at the intermediate level. Created as a textbook supplement, instructors and students will benefit from the rich, comprehensive information the workbook provides for each kanji. In addition to the English definitions of words, phrases, and compounds, students will learn the readings and meanings of kanji characters, stroke order, and frequently used compounds and their meanings. This workbook is unique in that students will also have access to a website designed for self-paced learners to check their kanji knowledge related to the content of this workbook. The website contains online flashcards and reading/meaning exercise quizzes. In the classroom or on their own, students of Japanese will find this workbook helpful in increasing their kanji competency.

Hiyaku: An Intermediate Japanese Course

Intermediate Japanese

This material is designed to enable students to learn kanji and kanji-based vocabulary indispensable to Japanese communication. Consists of reference book, workbook one, workbook two. Suitable for self study.

Cambridge Intermediate Japanese

Japanese From Zero! is an innovative and integrated approach to learning Japanese developed by professional Japanese interpreter George Trombley and co-writer Yukari Takenaka. The lessons and techniques used in this series have been taught successfully for over fifteen years in classrooms throughout the world. Using up-to-date and easy-to-grasp grammar, Japanese From Zero! is the perfect course for current students of Japanese as well as absolute beginners. In Book 4 of the Japanese From Zero! series, readers are taught new grammar concepts, over 750 new words and expressions, and continue learning the kanji writing system. Features of Book 4: * Integrated Workbook with Answer Key * Over 750 New Words and Expressions * Easy-to-Understand Example Dialogues * Bilingual Glossaries with Kana and Romaji ...and much more!

Ultimate Japanese

Don't let yourself become overwhelmed by the Japanese language! Now there is a way to get the most out of your time spent learning Japanese. This companion workbook to Beginning Japanese is the perfect guide for practicing basic conversational Japanese and written Japanese. Beginning Japanese Workbook includes: Dialogues for contextual learning and practice. Translation exercises to reinforce Japanese characters (kanji and kana). Written Japanese (kana, and kanji) practice to create your own sentences. Plentiful comprehension, vocabulary, and grammar exercises throughout the book. An engaging story line, useful for practicing reading as well staying engaged and interested in the learning process. Developed by Japanese language experts and experienced high-school Japanese teachers, it includes practice activities for reading, writing, speaking, listening and understanding Japanese. The activities are varied and interesting, mirroring the book, and they help you polish every aspect of your Japanese language skills. Written activities center around practicing writing kanji, hiragana, and katakana in the context of the textbook. Whether you're learning Japanese for fun, preparing for a Japanese proficiency exam, want to achieve AP or IB level competency, or just want to get an A in Japanese class, the Beginning Japanese series is your key to becoming a confident Japanese-speaker. All exercises are designed to be used along with the Beginning Japanese textbook but can also be used independently to supplement any other Japanese language textbook.

Kanji Workbook for Intermediate Japanese

With Teach Yourself Japanese Complete Course, you can learn this language from the comfort of your own home, at your own pace. It introduces you to practical themes, such as making travel arrangements, meeting someone new, shopping, and other every day activities.

Japanese for Busy People is the most popular Japanese language textbook series in the world. With over 20 components including texts, workbooks, CDs, videos and teacher's manuals, it is also one of the most comprehensive. Now, a decade after its first revision, the entire series is being redesigned. updated and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural, spoken Japanese as effectively as possible in a limited amount of time. The book features not only a sleek, new design but also a unit structure that groups thematically linked lessons together, making it easier than ever to learn Japanese. Moreover, it now comes with a CD containing audio for the dialogues and listening exercises from the text. The exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks. Many of these exercises are illustrated, making for a stimulating learning experience, and the purpose of each one is clearly stated. This first of three volumes introduces "survival Japanese"—the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first-year course. In addition, the book features notes on Japanese culture intended to expand the learner's understanding of Japan, its customs and people. Japanese for Busy People I is available in two formats: romanized and kana. The Romanized Version uses romanized Japanese throughout, with kana in the Opening Dialogues of each lesson. The Kana Version—exposing students to hiragana and katakana from the very beginning—uses only kana. The content of the two books is otherwise exactly the same. The companion volume, Japanese for Busy People 1: The Workbook for the Revised 3rd Edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text.

EXXV-fÒ

2020 James Beard Award Nominee **2020 Gourmand Cookbook Award Winner for Japan in Spirits Books** Drink your way through Japan (even from home) with the help of this book! Japan is home to some of the world's most interesting alcoholic beverages--from traditional Sake and Shochu to Japanese whisky, beer, wine and cocktails that are winning global acclaim and awards. In this comprehensive survey of Japanese drinks, experts Stephen Lyman and Chris Bunting cover all the main types of beverages found in Japanese bars and restaurants, as well as supermarkets and liquor stores around the world. The book has chapters on Sake, Shochu, whisky, wine, beer, Awamori (a moonshine-like liquor from Okinawa), Umeshu plum wine and other fruit wines. There is also a fascinating chapter on modern Japanese-style cocktails--complete with recipes so you can get the authentic experience, including: Sour Plum Cordial Sakura Martini Improved Shochu Cocktail Far East Side Cocktail Thorough descriptions of the varieties of each beverage are given along with the history, production methods, current trends and how to drink them. Detailed bar and buyer's guides at the back of the book list specialist establishments where readers can go to enjoy and purchase the drinks, both in Japan and cities around the world, including London, Paris, New York, San Francisco, Chicago, Washington DC, Shanghai and more! This is an indispensable book for anyone interested in brewing, distilling, new cocktails or Japanese culture, travel and cuisine. Kampai! Cheers!
