Macarons

In the middle of the twentieth century, Pierre Des Fontaines, cousin of Louis Ernest Ladurée, created the first Ladurée macaron by having the genius to stick two macaron biscuits together and fill them with a flavourful ganache they are still prepared the same way today. Every season Ladurée celebrates this little round delicacy crunchy on the outside and soft inside, a perfect balance of aromas and textures by creating new flavours. Each year the palette of flavours and colours grows, from the classic chocolate or raspberry to celebratory macarons; unique flavours inspired by exotic destinations, fashion designers, perfumes and so on. This book presents, for the first time, all of the eighty Ladurée macarons, their flavours and inspirations and, of course, all of the recipes on how to make them at home including a practical, step-by-step section illustrating exactly how Ladurées chefs make the famous biscuits and the ganache fillings, so you can be assured of success.

The New Paris

"[Tramuta] draws back the curtain on the city's hipper, more happening side—as obsessed with coffee, creativity, and brunch as Brooklyn or Berlin." —My Little Paris The city long-adored for its medieval beauty, old-timey brasseries, and corner cafés has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit—and a curated directory of Tramuta's favorite places to eat, drink, stay, and shop—The New Paris shows us the storied City of Light as never before. "The author's vibrant and precise command of English frames this lively collection of insights about cultural change and stories regarding multiple chefs and merchants." —Forbes "As the culinary scene in Paris evolves, a new palate of flavors and styles of eating have emerged, redefining what is 'French cuisine.' The New Paris documents these changes through the lens of bakers, coffee roasters, ice cream makers, chefs, and even food truck owners. A thoughtful, and delicious, look at how Paris

continues to delight and excite the palates of visitors and locals.” —David Lebovitz, author of *My Paris Kitchen*

Paris by Ladurée

-A must-have book with scrumptious recipes from the world-famous *Ladurée* tea shop. -Reveals the secrets of their savoury recipes for the first time ever The story of *Ladurée* started in 1862 when Louis Ernest *Ladurée* opened a bakery in the heart of Paris at 16, rue Royale. In 1872, following a fire, the little bakery became a pastry shop and the decoration was then done by Jules Cheret, a famous painter and poster-designer of the time. Jeanne Souchard, Ernest *Ladurée*'s wife, then had the idea of combining the Parisian café with a pastry-shop. She therefore created one of Paris' first tearooms. In 1993 *Ladurée* was bought by Francis and David Holder and became one of the best-known gourmet addresses in Paris, a veritable institution with its famous "macaron" as its emblem. In 1997 *Ladurée* opened a tea-room/restaurant on the prestigious Champs-Élysées, followed by another in the Printemps department store and on the Left Bank as well as the beginning of their international adventure with branches in London, Geneva, Monaco and Tokyo. In this book Michel Lerouet, the Chef at *Ladurée*, reveals 100 of the most famous *Ladurée* recipes, adapted for the general public. From duck foie gras with rose macaroon to vegetable tagliatelles with *Ladurée* tea and cardamom, as well as the taramasalata clair with rose petals, the Chef presents us with an entire artist's pallet of appetizers, main courses, fish, meat, salads, omelettes... All with the *Ladurée* quality and creativity.

Almanac Ladurée Paris

Examination Thesis from the year 2010 in the subject Business economics - Business Management, Corporate Governance, grade: 1,7, Anglia Ruskin University (Ashcroft International Business School), language: English, abstract: Since its foundation in Paris in 1862 Ladurée offers sophisticated French desserts such as macaroons, pastries, cakes and chocolates. It is a company that stands for tradition and French values. By expanding the product range with adorned gift boxes and beauty products, the brand delivers more than just the products per se. The tea-rooms' spirit is always full of elegance and refined indulgence. They create an atmosphere, which makes the customer feel and experience the French culture. The concept is very successful throughout Europe and in Japan. The organisation is currently thinking about further growth by internationalising even more (24 heures, 2010). A high potential market is China with its big and busy cities. Businessmen in Shanghai, Chinese and foreigners, would like the idea to have a short rest in a traditional tea-room during the day and experience French lifestyle. However, internationalisation always involves risks for the company. For the management it is crucial to understand the cultural patterns (Trompenaars and Hamden-Turner, 1997), as a simple standardisation and a transfer of an idea from one country to another not always works out. The market need and the wants of the consumers might be different, and furthermore difficulties with managing the employees might arise. This essay is going to analyse both, the French and the Chinese culture. It will reveal cultural differences and possible problems that could arise when setting up a new Ladurée store in China. Applying theory of cross-cultural management the essay will give answers on how these problems can be solved and at what stage the company has to adapt standardised operations to the different cultural issues.

The Little Paris Patisserie (Romantic Escapes, Book 3)

"From the New York cupcake wars to the perfect Parisian macaron, Thomas's passion is palpable, her sweet tooth, unstoppable."—Elizabeth Bard, bestselling author of *Lunch in Paris Forever* a girl obsessed with all things French, sweet freak Amy Thomas landed a gig as rich as the purest dark chocolate: leave Manhattan for Paris to write ad copy for Louis Vuitton. Working on the Champs-Élysées, strolling the charming streets, and exploring the best patisseries and boulangeries, Amy marveled at the magnificence of the City of Light. But does falling in love with one city mean turning your back on another? As much as Amy adored Paris, there was part of her that felt like a humble chocolate chip cookie in a sea of pristine macarons. *PARIS, MY SWEET* explores how the search for happiness can be as fleeting as a salted caramel soufflé's rise, as intensely satisfying as molten chocolate cake, and about how the life you're meant to live doesn't always taste like the one you envisioned. Part love letter to Paris, part love letter to New York, and total devotion to all things sweet, *PARIS, MY SWEET* is a treasure map for anyone with a hunger for life. "Like a tasty Parisian bonbon, this book is filled with sweet surprises."—David Lebovitz, New York Times bestselling author of *The Sweet Life in Paris* "Amy Thomas seduces us in the same manner that Paris seduced her—one exquisite morsel at a time."—Nichole Robertson, author of *Paris in Color*

In the tradition of the New York Times bestseller *Stuff White People Like*, a tongue-in-cheek homage to Parisians. To be mistaken for a Parisian, readers must buy the newspaper *Le Monde*, fold it, and walk. Then sit at a café and make phone calls. Be sure to order San Pellegrino, not any other kind of fizzy water. They shouldn't be surprised when a waiter brings out two spoons after they order *le moelleux au chocolat*- it is understood that the dessert is too sinfully delicious not to share. Go to *l'île Saint-Louis*-all Parisians are irredeemably in love with that island. Feel free to boldly cross the street whenever the impulse strikes-pedestrian crosswalks are too dangerous. If they take a cruise on the Seine, they will want to stand outside, preferably with their collar popped up. If they want to decorate, may we suggest the photographs of Robert Doisneau? To truly be cool in Paris, own an iPhone, wear Converse sneakers, and order sushi. And as they stroll through the Luxembourg Gardens, remember-they can't go wrong wearing black.

In *I Love Macarons*, renowned Japanese pastry-maker Hisako Ogita brings her extensive experience to the art of baking macarons with fully illustrated foolproof step-by-step instructions. This charmingly designed guide is sure to have pastry lovers everywhere whipping up these colorful confections at home, using ordinary baking equipment and simple ingredients to create myriad flavors of perfection. “For those up for the challenge, Ogita's book is the best possible preparation . . . Ogita's love of macaroons comes across as magnificently sincere, as does her belief that perfection is within the reach of anyone with a mixer and a pastry bag.” —*Boston.com* “The recipes themselves are inspired, such as pistachio with bitter ganache filling and purple yam with chestnut cream, and there are lots of photos of the macaron making process, which is undoubtedly helpful for beginners.” —*Fearless Fresh* “Her book is the best because of the research and quality that it reflects on each page. She has refined the techniques for the home cook, and has majestically documented and photographed the steps to making a perfect macaroon.” —*Cooking by the Book* “A small, focused book by a Japanese pastry chef that fills a twee and tiny niche: French macarons.” —*The New York Times*

The compelling aroma of fresh, buttery croissants, the delicacy of Savarin au Chantilly, the bliss of the chocolate-mousse Le Pleyel, these are just a few of the specialties that make Parisian boulangeries and pâtisseries the best in the world. Now, in the sequel to her acclaimed Paris Bistro Cooking, Linda Dannenberg presents the gourmet breads and pastries from thirteen of Paris's unsurpassed bakeries and pastry shops. PARIS BOULANGERIE-PTISSERIE offers more than 70 tempting recipes, including Bombes Amandés (Lemon-Almond Cakes) and Mousse au Caramel et aux Poires (Caramel-Pear Mousse Cake) from Paris's oldest pâtisserie, Stohrer; the signature Délice cake (Chocolate-Cream-and-Chocolate-Macaroon Cake) and lace Florentins from the world-renowned chocolatier Maison du Chocolat; and Pain de Campagne (Hearty Country Loaf) and the classic Gougères (Giant Gruyère Cheese Puffs) from the archetypal neighborhood bakery Haupois. Linda Dannenberg gathered these one-of-a-kind recipes from the great bakers themselves, and presents them in clear, easy-to-understand recipes specially designed for the American home kitchen. More than 150 spectacular photographs and evocative descriptions of the bakeries and the people behind them bring the essence of Paris to your kitchen. PARIS BOULANGERIE-PTISSERIE is rounded out with a comprehensive guide to authentic French utensils (although most recipes can be prepared using equipment found in ordinary kitchens), and a directory that includes sources for everything from crystallized violets to baking stones. PARIS BOULANGERIE-PTISSERIE is the quintessential cookbook featuring the peerless baked goods from the most romantic city in the world.
