The Country Wife and Other Plays

Wycherley's four comedies are admired for their satirical wit, farcical humour, vivid characterization, and social criticism. Love in a Wood, a lively comedy of intrigue, established him as a brilliant new dramatist. The Gentleman Dancing-Master, in contrast, disappointed contemporary audiences, but the central relationship between Hippolyta and Gerrard features an original and sympathetic study of a young woman's attitudes and feelings. The Country Wife is a sharp but also highly amusing attack on social and sexual hypocrisy. The Plain Dealer, a powerful dramatic satire loosely based on Moliere's Le Misanthrope, continues and enlarges Wycherley's assault on greed and corruption. Under the General Editorship of Michael Corder of the University of York, the texts of the plays have been newly edited and are presented with modernized spelling and punctuation. In addition, there is a scholarly introduction, a note on staging, and detailed annotation. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Delphi Complete Plays of William Wycherley (Illustrated)

The late seventeenth century playwright William Wycherley produced satirical and comic masterpieces, winning the admiration of his fellow writers, including John Dryden and William Congreve, who described him as "appointed to lash this crying age." Following the restoration of Charles II, dramatists experienced new freedom in an age that broke from the strict morality of puritan rule and in which elegance and wit became the most prized of virtues. Irreverent, cynical and licentious, Wycherley's works illuminate the many vices of these colourful times, satirising the widening disparity between appearances and reality. This comprehensive eBook presents Wycherley's complete plays, with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions and the usual Delphi bonus material. Restoration Literature

This anthology brings together a stimulating and entertaining collection of works from the confident and creative period of 1660-1700. The literature of this time is by turns refined, poignant, and brash. Alongside major works such as Dryden's *Absalom and Achitophel* and Mac Flecknoe, printed in their entirety, is a substantial group of lyrics by Rochester, while Milton's *Paradise Lost* provides a running commentary on the Restoration scene. Scurrilous satires and pamphlets, diaries, theatrical prologues, translations and striking work by women poets and autobiographers illustrate the period in politics, religion, philosophy and in attitudes to town and country, love and friendship.

Delphi Complete Works of Thomas Babington Macaulay (Illustrated)

Sir George Etherege, William Wycherley and William Congreve introduce into their play-worlds major female characters who demand independence and equality from their male counterparts. This book focuses on each major female character who demands independence and equality of her gallant-libertine before she will commit to marriage or courtship with him. This demand for equality is a contrast to the social and marital relationships found in the real world of 17th century English Restoration society where marriage was a bargaining process for property and where the woman was treated as the man's property. Each of the three playwrights develops his virtuous women in a different way. Wycherley's approach to his characters, for instance, is quite different from that of Etherege and Congreve. But in each case, the playwrights present major female characters who prove themselves superior in wit and wisdom and thoroughly modern in their outlook.

The play tells the story of two young bucks who, having spent all their money by living too well, leave London and roam from town to town in search of love and fortune. In order to find a wealthy heiress for at least one of them, they pose as master and servant & exchanging roles from one town to the next. In Lichfield, Aimwell is the master and Archer the servant, and there they meet the lovely, wealthy Dorinda and her equally desirable sister-in-law, Mrs. Kate Sullen. They set their caps for these women, but problems abound. Kate is married to a drunken sot who despises her; the innkeeper's saucy daughter, Cherry, has set her cap for Archer; Dorinda's mother, Lady Bountiful, mistakenly believes herself to be a great healer of the sick, and she guards her daughter like a dragoness; and a band of brigands plans to rob the house of Lady Bountiful that very night, putting all schemes in jeopardy. This is a play in the great tradition of Goldsmith's *She Stoops to Conquer* and Sheridan's *The Rivals* and *The School for Scandal*. It is classic, formal, robust and hilarious.

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

Cahiers Élisabéthains

WITH INTRODUCTIONS BY JEANETTE WINTERSON AND GILLIAN BEER *The Waves* is an astonishingly beautiful and poetic novel. It begins with six children playing in a garden by the sea and follows their lives as they grow up and experience friendship, love and grief at the death of their beloved friend Percival. Regarded by many as her greatest work, *The Waves* is also seen as Virginia Woolf's response to the loss of her brother Thoby, who died when he was twenty-six. The Vintage Classics Virginia Woolf series has been curated by Jeanette Winterson, and the texts used are based on the original Hogarth Press editions published by Leonard and Virginia Woolf.

The Feminist Voices in Restoration Comedy

An extraordinary masterpiece written from personal experience, *Middlemarch* is a deep psychological observation of human nature that revolves around the issues of love, jealousy, and obligation. Eliot's feminist views are apparent through the novel: she stresses the fact that women should control their own lives....

American Book Publishing Record

The Changeling is a popular Renaissance tragedy in which the relationship between money, sex, and power is explored. Frequently performed and studied in University courses, it is a key text in the New Mermaids series.

Play Index

'He's a fool that marries, but he's a greater fool that does not marry a fool.' This bawdy, hilarious, subversive and wickedly satirical drama pokes fun at the humourless, the jealous, and the adulterous alike. It features a country wife, Margery, whose husband believes she is too naïve to cuckold him; and an anti-hero, Horner, who pretends to be impotent in order to have unrestrained access to the women keen on 'the sport'. A number of licentious and hypocritical women request Horner's services – the country wife among them. The Country Wife has provoked powerfully mixed reactions over the years. The seventeenth century libertine king Charles II saw it twice, and is said to have joined the 'dance of the cuckolds' at the end of one performance; the eighteenth century actor-playwright David Garrick declared it 'the most licentious play in the English language'; the Victorian Macaulay compared it to a skunk, because it was 'too filthy to handle and too noisome even to approach'. Twentieth century productions heralded it a Restoration masterpiece. Sexually frank, and as ready to criticise marriage as infidelity, the virtuosity, linguistic energy, brilliant wit, naughtiness and complexity of this ribald play have made it a staple of the modern stage. This student edition contains a lengthy, entirely new introduction, by leading scholar, Tiffany Stern, with a background on the author, structure, characters, genre, themes, original staging and performance history, as well as an updated bibliography and a fully annotated version of the playtext.

Eine spannende Abenteuergeschichte für Kinder rund um den englischen Grundschulwortschatz, mit vielen englischen Vokabeln und Redewendungen, liebevoll illustriert von Ariane Sailer. Das Buch eignet sich perfekt zum Lesen für Schüler der Klasse 1-5 und zum Vorlesen für Kinder ab 3 Jahren. Leo, ein brauner Labrador, unternimmt mit seinem Herrchen Nick einen Wochenendausflug zur Berghütte seines Onkels. Doch als der Onkel plötzlich krank wird und dringend einen Arzt braucht, wird aus der lustigen Bergtour in den Bayerischen Alpen eine abenteuerliche Rettungsaktion von Leo und seiner Hundefreundin Hazel. Unterstützt von den im Wald lebenden Tieren versuchen die beiden Hunde den Weg ins Tal zu finden, werden sie den Arzt rechtzeitig zur Alm bringen können? Die Geschichte ist in deutsch geschrieben, viele Wörter und Redewendungen sind farblich markiert und direkt dahinter ist die englische Übersetzung eingefügt, so dass man fließend lesen kann ohne Vokabeln nachschauen zu müssen. Die Kinder können der Geschichte gut folgen und lernen ganz nebenbei viele englische Vokabeln und Redewendungen, das Wetter, die Zahlen, die Farben und vieles mehr. Im separaten Übungsteil lernen die Kinder sich selbst in englisch vorzustellen und machen Übungen zu den Themen Tiere, Kleidung, Frühstück und Wegbeschreibung. Im Vokabelteil sind alle Wörter und Redewendungen noch einmal zusammengefasst und zu den Übungen gibt es ausführliche Lösungen. "The mountain rescue" ist das zweite Band aus der "The adventures of Leo" Reihe. Der erste Band "The train" erschien ebenfalls im Kampenwand Verlag.
