Three to Twenty-One Days? Esther's Progressive Prayer Fast

Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. "Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. ... She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny." -Susan Slusher, Dean, Christian International Equipping Network

The Secret to Prayer

Everyone wants to know how to talk to God and get answers to their prayers. Yet most people are skeptical of prayer, or convinced they're doing it wrong. Is there a secret to talking with God? God is more concerned about the condition of our hearts than the words we use. He cares more about the posture of our hearts than the posture of our bodies. And what is the right heart posture? Humility. The Secret to Prayer will take readers on a 31-day journey, examining the heart and actions of biblical characters whose prayers were answered. On the other side of the journey, readers will have a more vibrant prayer life, and a more intimate relationship with the God to whom we pray.

More Daily Prayers for Busy People

The busier we are, the more we need to withdraw awhile to remind ourselves of what is important, to keep our heads straight and pointing in the right direction... The goal of these prayers is connecting with and resting in God, not trying to learn anything or to make 'progress in the spiritual life.' Remember,

God will lead us as God will ..." (from the introduction). Using the Bible, passages from other great works of literature, and evocative original prayers, William O'Malley, SJ, has composed a four-week cycle of daily morning, midday, and evening prayers. The prayers may be said quickly, but each one provides a rich source for further meditation.

How To Bring Calm And Peace To Thyself?

To pray means to communicate with God. That can mean thanking Him, praising Him, confessing something you've done wrong, or expressing a need you have. It can even mean just talking to Him as you would to a friend. Learning how to pray is really about developing a relationship with God. Relationships are built on moments of connection. Those moments of connection bond you to another person, and many of them center on communication - the words you say and the way you say them. But how do you do that with the God of the universe? This book is a collection of 365 powerful prayers. In this book, the author helps you complete the three steps of the creative process: Ask, Believe and Receive. You ask your Lord every day through a positive emotional prayer, and during the whole day, your mind dwells in the belief that your prayer would be accepted. And finally, you receive what you have asked for as you make it your habit to be in constant touch with your God for just less than five minutes (in case you are a super-busy person).

Praying from the Heavenly Realms

Satan is having a field day, diverting the attention of God's people away from their Lord. The Enemy of our souls is so afraid of our unused power in God that he is trying to confuse us, individually and collectively. Through fasting and prayer, we can access that unused power and can be victorious.

We invite YOU to make a difference! In Just 10 Minutes a day...Join thousands as we lift up a prayer shield over "The Church, Your Community State Nation and the World". The World that God LOVES! Add YOUR prayer shield of faith over our land. In 2016, the first edition of 50 Days of Prayer, was published and distributed. It has been written by 14 Christian authors. You will notice different personalities and passion arise in each prayer. Some are prayer leaders, and some are pastors. We asked our authors from around the state to incorporate the scripture into each prayer. What you have before you is a powerful tool that will lead you to pray for topics that impact you but likely, you never thought to pray for. The Word does not return void but accomplishes that for which He sent it! (Isaiah 55:11). You will see the paraphrased Word woven throughout this book, so BELIEVE that your prayer will make a difference, because it will! This is very exciting! In 2019, we felt the Lord was calling us to enlarge the prayer territory. Our 50 Days of Prayer Team began to work with Pray Oregon to build a "Prayer Shield" over Oregon and the Nation. The goal is that on the first of every month more Counties will begin 50 Days of Prayer. This raises a continuous prayer shield over our state and nation all year long! As new communities are added, eventually every state will be bathed in continuous prayer. This prayer can spread like wildfire... the fire of God to bring healing to our people and nation. If each church catches the fire of His love to lift up passionate prayer over our people and land, we can expect a sweeping move of God. So, let's do it! Give 10 minutes to bring yourself and your family to God's throne of grace to find help for our people. Use this book as a launch pad to pray what God puts on your heart. Go for it! And thank you for praying! Linda Hanratty, (President of Tillamook County Wide Prayer Team) You can use this book by yourself, but it is often used by communities for specific prayer campaigns for 50 days. Communities are encouraged to use a prayer guide that contains info to go with many of the 50 days such as statistics or the names of office holders so that your prayers can be more specific for each day. We can provide your team with a template and instructions so that you can provide a reading guide for everyone who is participating in your 50 days of prayer campaign. We can even produce a custom book and reading guide for your community if you like. You can find out how to do this at our web site as listed on the forward page in the book. You are encouraged to share this book and information on how a community can use it for concentrated periods of prayer with any prayer leaders that you know. Terry Blaser, 50 Days of Prayer
