Animal Crossing: New Horizons is the largest and most complex Animal Crossing game to date. There are numerous objectives and activities to pursue, and it can be overwhelming at first. Alternatively, you may be wondering where to find items from previous Animal Crossing games, given that you begin the game with almost nothing. Whether you're restarting your island or picking up Animal Crossing for the first time since its 2020 release, these tips will help you get started right. With my extensive (OK, obsessive) knowledge of the series, I'm frequently asked about the latest installment. As a result, I decided to compile tips (including some from my colleagues!) and responses to questions that even I had to look up. Here are some suggestions for making the most of your island vacation.
