The snow glows white on the mountain tonight  
A kingdom of isolation  
And it looks like I'm the queen  
The wind is howling like this swirling storm inside  
Don't let them know  
Turn away and slam the door  
To test the limits and break through  
You'll never see me cry  
My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And I'll rise like the break of dawn  
Let the storm rage on!  
The cold never bothered me anyway
