How to Find a Princess

New York Times and USA Today bestselling author Alyssa Cole's second Runaway Royals novel is a queer Anastasia retelling, featuring a long-lost princess who finds love with the female investigator tasked with tracking her down. Makeda Hicks has lost her job and her girlfriend in one fell swoop. The last thing she's in the mood for is to rehash the story of her grandmother's infamous summer fling with a runaway prince from Ibarania, or the investigator from the World Federation of Monarchies tasked

with searching for Ibarania's missing heir. Yet when Beznaria Chetchevaliere crashes into her life, the sleek and sexy investigator exudes exactly the kind of chaos that organized and efficient Makeda finds irresistible, even if Bez is determined to drag her into a world of royal duty Makeda wants nothing to do with. When a threat to her grandmother's livelihood pushes Makeda to agree to return to Ibarania, Bez takes her on a transatlantic adventure with a crew of lovable weirdos, a fake marriage, and one-bed hijinks on the high seas. When they finally make it to Ibarania, they realize there's more at stake than just cash and crown, and Makeda must learn what it means to fight for what she desires and not what she feels bound to by duty.

Finding the Princess

Alima is siren appointed by her queen to go up to the human world. Her mission: to find the lost princess who has mysteriously disappeared without a trace. Although she hoped that she'd complete the mission without exposing her secret, she meets Freddy, a nineteen year-old fisherman who finds out her secret instantly. The two quickly become friends and together, they are determined to find the princess. Along the way, they meet several other mermaids from around the world, all appointed by the queen, all after a prize given to the first mermaid who finds the lost princess. The competition is fierce, every mermaid is for herself. But all face the same threat: the scientists. Though each girl has their eyes on the prize, they must face the fact that in order to find the lost princess and prevent the scientists from discovering their secret, they will have to work together, whether they like it or not. They all wonder the same questions: "Who will get the prize? How could they hide their secrets? And lastly, where is the Princess?"

Where's the Princess?

This magical books features scenes from twelve favorite fairy tales, from "Sleeping Beauty" and "Cinderella" to "Aladdin" and "Pinocchio," with search-and-find fun on every page. -- Provided by publisher.

Princess Tales

Once upon a time. . . A princess danced, a princess dreamed, another found a pea. One kissed a frog, one saved a bird, another crossed the sea. One ate an apple, one tamed a beast, one lost a satin shoe. And another spun straw into gold, in ten tales told anew! Ten of the most beloved princess stories are ingeniously retold and splendidly illustrated—with cleverly hidden pictures—by author Grace Maccarone and artist Gail de Marken. From Cinderella to Sleeping Beauty, The Princess and the Pea to Snow White, these favorite tales will delight readers, happily ever after.

Maiden & Princess

In this modern fairy tale, a strong, brave maiden is invited to attend the prince's royal ball, but at the dance, she ends up finding true love in a most surprising place. "The prince is smart and strong," she confided in her mother. "But if I'm being honest, I see him as a brother." Her mother said, "Just go! And have a bit of fun. The prince might not be right, but you could meet the one." Once in a faraway kingdom, a strong, brave maiden is invited to attend the prince's royal ball, but she's not as excited to go as everyone else. After her mother convinces her to make an appearance, she makes a huge impression on everyone present, from the villagers to the king and queen, but she ends up finding true love in a most surprising place. This book is published in partnership with GLAAD to accelerate LGBTQ inclusivity and acceptance.

Princess Unaware

"Princess Unaware" is empowerment to overcome the mire of the world's expectations and claim one's true identity as a daughter of God. (Practical Life)

How to Catch a Queen

An arranged marriage leads to unexpected desire, in the first book of Alyssa Cole's Runaway Royals series... When Shanti Mohapi weds the king of Njaza, her dream of becoming a queen finally comes true. But it's nothing like she imagined. Shanti and her husband may share an immediate and powerful attraction, but her subjects see her as an outsider, and everything she was taught about being the perfect wife goes disastrously wrong. A king must rule with an iron fist, and newly crowned King Sanyu was born perfectly fitted for the gauntlet, even if he wishes he weren't. He agrees to take a wife as is required of him, though he doesn't expect to actually fall in love. Even more vexing? His beguiling new queen seems to have the answers to his country's problems—except no one will listen to her. By day, they lead separate lives. By night, she wears the crown, and he bows to her demands in matters of politics and passion. When turmoil erupts in their kingdom and their marriage, Shanti goes on the run, and Sanyu must learn whether he has what it takes both to lead his people and to catch his queen.

Princess BMX

Enchanted meets BMX in this hilarious, spellbinding adventure! Trust me, the fairy tales have it so wrong. Dingy towers and wicked step-mums are the least of my worries: it's the boredom that will kill me. Thank the good goblin I discovered BMX. If it wasn't for BMX, nothing would have changed ...

Find the Princess

Can you find all the princesses playing and hiding inside this book? Step inside and start searching now! With busy, buzzing scenes crammed full of lively characters and wacky items, not to mention those mischievous princesses, the finding fun will keep you entertained for hours.

The Finding Princess

Simple text and captivating illustrations are paired with beautiful music and fun sound-effects to help tell the classic tale of "The Princess and the Pea." Prince Fastidious travels the world to find his perfect princess. But something is not quite right about any of them. They either talk too much, or not at all. Some are too old for him, or too young. Others are spoiled or have too many noisy, little dogs. Find out what happens when Princess Rose accidentally comes to the castle at night because of a fierce storm. How does she prove to the Queen that she's a real princess? A happy ending adds interest to this fairy tale and encourages a lifelong love for reading.

The Princess and the Pea

A humorous tabbed picture book about two little princesses who are ready for adventure. Join them and explore When Princess Rose and Princess Josephine decide to leave their castle, Rose wants to go this way and Josephine wants to go that way. Which way do you go? Readers will decide whether to stomp their feet in the rushing river or take a nap in the meadow; enter a dark cave or stay the course; open a castle door with cobwebs or one that wafts a sweet-smelling scent. There are many paths to take, but only two will lead the princesses to their sweet happy ending.

Princess Adventures: This Way Or That Way? (Tabbed Find Your Way Picture Book)

The Princess Who Had No Kingdom

The brand new series for young readers from bestselling author Lucy Hawking. 'The more we find out about the world around us, the more we can work out other, more complicated things, such as how the universe began or how life got started on Earth . . .' Olivia Alez is delighted about finally living a life away from the royal palace in the mountains that used to be her home, after the Kingdom of Alez decides it doesn't want a royal family any more. Now she can finally give up boring princess lessons and learn about real things, like volcanoes and the ocean and space! But Olivia is completely unprepared for the world that awaits her. Thick, dark clouds hang low over the city, and the rivers that she so longed to see are choked with rubbish. And on top of it all, the weather just feels wrong. With scorching hot sun one day and torrential rainfall the next, it seems nearly impossible for the people and animals in Alez to adapt to their extreme climate. Olivia, horrified by what she sees, becomes determined to get to the bottom of Alez's dangerous weather patterns. With the help of some new friends and armed with a scientific lab coat that would make Albert Einstein jealous, Olivia sets out to solve the mystery and save Alez from climate destruction before it's too late . . .

Princess Olivia Investigates: The Wrong Weather

Some girls are born princesses and others become them, but everyone has to start somewhere. With the help of the books narrator, Princess Petal, the reader learns the craft of being a princess, from etiquette and deportment to contacting your fairy godmother, dealing with enchantments, finding a prince and attending balls. Drawing on a wealth of traditional fairytales, this book's unique approach has a more practical edge than many rival titles.

Who's Hiding in Princess World?

In Once I Was a Princess, Jacqueline Pascarl related the gripping story of her abusive childhood and her subsequent teen marriage to a prince. What should have been a fairy tale with a happy ending deteriorated into a nightmare of deceit and betrayal - ending in the kidnapping of her two small children by her former husband, who spirited them back to Malaysia. In Since I Was a Princess, Pascarl peels back the layers of her life after the abduction. She tells how she channelled her grief, forging an existence as an aid worker and humanitarian ambassador in war-torn countries and working with refugees and the dispossessed. She describes how she persuaded some of the world's most influential figures to support her aid work and became a human rights activist on the international stage, championing the cause of other parents whose children had been kidnapped and reuniting scores of families. Pascarl also explains how she lived frenetically as she painfully rebuilt her life and re-evaluated her relationships, grappling with the emotional complexities of a new pregnancy and

beginning a second family. And she reveals for the first time the dramatic details of how, at last, she was able to be reunited with her long-lost children and make her family whole. Candid and compelling, *Since I Was a Princess* is an unforgettable ride through tragedy, loss and, finally, triumph.

Find the Princess

Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics. Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure. Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her. Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window. Princess X? When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at IAmPrincessX.com. The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online. And that means that only one person could have started this phenomenon---her best friend, Libby, who lives.

Princess Smartypants and the Missing Princes

I don't even know her name, but I swear I'll find her and claim her as mine. Ten seconds. That's how long it took for me to decide that this early-morning diner waitress was going to be the next lucky girl to hop onto my princely d*ck. Yeah, I was hungover as f*ck and still wearing last night's tuxedo, but that's never exactly been a problem. Most of the time I don't even have to ask. His Royal Hardness has a reputation that precedes the rest of me, though not by much -- and girls from all over the kingdom and just dying for a ride. Not her. This girl runs away, and I'm left standing there like an *sshole. Now all I've got is the memory of her perfect body, luscious lips, and devious smile -- but not her name. To make matters worse, my father is insisting that I settle down and stop embarrassing him, so he issues an ultimatum: find a wife, or else. I know exactly who I want. But first I have to find her. Finding His Princess is a very steamy, cheesy, and over-the-top Cinderella story that'll melt your kindle and your heart!

The Ordinary Princess

A Prodigal Princess is a creatively candid true story of transparency, transformation, and triumph. It is a refreshingly honest look into the often unspoken struggles of being raised in the church, but still choosing to run to the world in an attempt to run from God's call. Filled with Biblical examples and personal experiences, A Prodigal Princess takes us on a journey of finding God, finding purpose, and ultimately finding oneself. It is a unique blend of revelation and rawness, as it gives an honest look into the author's encounters with love, heartbreak, and even low self-esteem. Adara makes her testimony an open book, sharing her journey from the "pig's pen" back to her Father's house. This book serves as a inspiration and reminder to all those who may feel they are in a "prodigal" state, that it's never too late to take your rightful place as an heir to Christ's throne with purpose in God's kingdom.
