Cases Determined in the Supreme Court of Washington

Includes decisions of the District of Columbia Court of Appeals, 1902-1934, the United States Court of Appeals for the District of Columbia Circuit, 1934-1959, and various other courts of the District of Columbia.

The Daily Washington Law Reporter

The first biography of George Washington's extraordinary nephew, who inherited Mount Vernon and was Chief Justice John Marshall's right-hand man on the Supreme Court for nearly thirty years. George Washington's nephew and heir was a Supreme Court Justice for over thirty years and left an indelible mark on American law. Despite his remarkable life and notable lineage, he is unknown to most Americans because he cared more about establishing the rule of law than about personal glory. In *Washington's Heir*, Gerard N. Magliocca gives us the first published biography of Bushrod Washington, one of the most underrated Founding Fathers. Born in 1762, Justice Washington fought in the Revolutionary War, served in Virginia's ratifying convention for the Constitution, and was Chief Justice John Marshall's partner in establishing the authority of the Supreme Court. Though he could only see from one eye, Justice Washington wrote many landmark decisions defining the fundamental rights of citizens and the structure of the Constitution, including *Corfield v. Coryell*--an influential source for the Congress that proposed the Fourteenth Amendment. As George Washington's personal heir, Bushrod inherited both Mount Vernon and the family legacy of owning other people, one of whom was almost certainly his half-brother or nephew. Yet Justice Washington alone among the Founders was criticized by journalists for selling enslaved people and, in turn, issued a public defence of his actions that laid bare the hypocrisy and cruelty of slavery. An in-depth look at Justice Washington's extraordinary story that gives insight into his personal thoughts through his own secret journal, *Washington's Heir* sheds new light not only on George Washington, John Marshall, and the Constitution, but also on America's ongoing struggle to become a more perfect union.

The Washington Law Reporter

div When it was published twenty-five years ago, Catharine MacKinnon's pathbreaking work *Sexual Harassment of Working Women* had a major impact on the development of sexual harassment law. The U.S. Supreme Court accepted her theory of sexual harassment in 1986. Here MacKinnon collaborates with eminent authorities to appraise what has been accomplished in the field and what still needs to be done. An introductory essay by Reva Siegel considers how sexual harassment came to be

regulated as sex discrimination. Contributors discuss how law can best address sexual harassment; the importance and definition of consent and unwelcomeness; issues of same-sex harassment; questions of institutional responsibility for sexual harassment in both employment and education settings; considerations of freedom of speech; effects of sexual harassment doctrine on gender and racial justice; and transnational approaches to the problem. An afterword by MacKinnon assesses the changes wrought by sexual harassment law in the past quarter century. /DIV

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

He Was some Retired Old Guy and My Back My Attorney Said I Think He's Actually Kind of Cuckoo no Kind of Crazy Is Elliott Attend as a Client Maybe More Crazy because You Know You Have There They Have no Proof of Anything except that There's this Vague Association That You Might Have Been His Partner but They Had no Proof of Anything So I Said To Heck with this So I Really Crammed into Jurisdiction Arey Fired My Attorney and I Came Down to One Simple Thing I Got They GotTa Prove a Claim so I Started Really Focusing on that and I Sent Them a Document and I Said Okay

and It's Called a Negative Environment That's the Approach I Used I Sent It Especially It's a It's a Claim Saying Okay You'Re Making a Claim I Don't Care What All these this Evidence and Facts and Things You Want To Do Here

And You'Ve Got To Give the Judge the Order Well They Said Well I Like To Do the Joy of the Order You'Re Going To Have To Go to Trial and Like Oh Now I'M Go to Trial You Know So I Show Up on the Trial Date and Remember I Took the Position about Prove a Claim though that's Where Really Sort Of Getting It and They Had no Claim and They Knew by the Way I Wrote that Is if They Kaine I Was Going To Put Him on the Stand So I Was Really Learning the Common Law Approach I'M Teaching Right Here but I Was Using It without Realizing

And Then You Stand by the Way Who Else You You Want To Come on the Stand and Tell Me Who I Am Damaged Partly the Damaged Party Is Go Ahead and Take the Stand Well Then I Can Want To Take the Stand so They'Re GonNa Drop that Pink Thing like a Hot Potato or Whatever See One of the Ways It's a Lot of People Have Used in the Past To Stop a Foreclosure Instead of Sitting Around Waiting for Them To Come after You Especially in these Non Judicial States Is You GotTa File a Liz
