A New Christ

A New Christ (1903) is based on a lecture that Wallace Wattles delivered in 1902 entitled Jesus: The Man and His Work.

A New Christ

Wallace D. Wattles was an American author who was a key contributor to both the New Thought and self-help movements in the early 20th century. Wattles' most famous work is The Science of Getting Rich which gives advice on how to become wealthy that is still relevant today. A New Christ is a book that Wattles wrote on the life of Jesus and the power of his actions and words.

A New Christ

"A New Christ" was Wattles' very first book on how to step from self-consciousness into cosmic- or God-consciousness. Although it has been virtually forgotten for the past hundred years, yet it remains one of the finest, if not the very finest book on primitive Christianity ever written. In it he describes with brilliant clarity what Jesus really stood for, and why He was despised and put to death. He goes on to explain what Jesus meant when He said "The works that I do, you shall do also, and much greater works." Today we are moving into this great consciousness of which Mr. Wattle spoke. We have begun to understand that we must lose ourselves, lose our egocentric occupation, throw wide the bars, give our lives away, and get into a higher consciousness, the "New Christ" consciousness.

Growing in Christ

This perennial best-selling discipleship tool contains the classic Bible studies Lessons on Assurance and Lessons on Christian Living in one package—13 lessons in all! These Navigator Bible studies are a great leader's resource to explain the fundamentals of the Christian life. An ideal gift for a new believer or someone who has an interest in Jesus. Tear-out Scripture memory verse cards are included in KJV, NIV, NASB, and NKJV.

Piso Christ

Evidence shows the New Testament texts were not written by simple, non-royal subjects, but instead were created by extremely well-educated, royal Romans. In *Piso Christ*, author Roman Piso, with Jay Gallus, presents a new perspective to show that the creation of Christianity has different origins than previously taught. Through this collection of essays and articles, Piso shows that only a few individuals invented and built the Christian religion, and these same individuals authored the New Testament of the Christian Bible. *Piso Christ* addresses the issues of how these few people wielded that much power and how they were able to succeed. In this new book, Piso contends that the royalty wanted to protect their centuries-old institution of slavery upon which the empire functioned, lived, fed, and gained wealth. The royal people understood that knowledge was power and, therefore, did what they could to keep the masses ignorant and superstitious. Through research, *Piso Christ* shows that the god concept did not originate in what is represented in the Bible. It demonstrates how millions of people are being misled into accepting the concept of a god and how they live in fear of an unnatural belief.

Union with Christ

Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's *Desiring God* ministry To experience why the gospel is good news and answer life's most foundational questions about identity, destiny, and purpose, we must understand what it means to be united to Christ. If you are a Christian, the Bible says that Christ has united his life to yours, that you are now in Christ and Christ is in you. This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation. Yet few Christians today experience or enjoy this reality. *Union with Christ* reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart: Who Am I? Why Am I Here? Where Am I Headed? How Will I Get There? Nothing is more practical for living the Christian life than union with Christ. The recovery of this reality provides the anchor and engine for your life with God—for your destiny is not only to see Christ, but to actually become like him.

A New Christ and Jesus -The Man and His Work

Wallace Delois Wattles (1860-1911) was an American author. A New Thought writer, his writing has been widely quoted and remains in print in the New Thought and self-help movements. Wattles' best known work is a 1903 book called *The Science of Getting Rich* in which he explained how to become wealthy. *A New Christ* First published in 1910, is an expanded version of a lecture that Professor Wattles gave in 1905 titled, *Jesus, The Man and His Work*. *Jesus, The Man and His Work* Is the published version of a lecture that Professor Wattles gave in 1905. From *Jesus, The Man and His Work* by Wallace D. Wattles: "It is my task to rescue Christ from Christianity."

New Life in Christ

The single most important event in a person's life is the new birth. Yet, this is also one of the most neglected doctrines in the church. Many Christians would be hard-pressed to describe exactly what the new birth is, let alone what it means to the rest of their walk with God. What happens when we are born again? Does everything in our lives change immediately? Is it just a kind of spiritual do-over, a chance to get it right this time? What happens when we fail? Does it mean we weren't really born again to begin with? With a pastor's heart and a professor's insight, Steven Lawson carefully examines the encounter between Jesus and Nicodemus found in John 3 to uncover the nature of this spiritual rebirth. He shows you the necessity of the new birth, how God changes our hearts through it, and what follows after, from baptism and involvement in a local church to handling doubts and setbacks. This book is perfect for believers who want to understand what happened when they believed and for non-Christians who are curious about what a new life in Christ is all about.

Jesus Christ - The Misunderstood Messiah

Jesus Christ - The Misunderstood Messiah originally titled "A New Christ" was Wallace D Wattles' very first book written over one hundred years ago. It is a book that examines the real message, thought, actions, surroundings and personality of the worlds most famous and cherished individual; Jesus Christ. Wallace D Wattles presents Jesus in a totally new light whilst drawing the readers attention to thought provoking but very accurate points that are often neglected. In addition, this hard to put down book

presents a refreshing take on the real reason why Jesus was despised and put to death. A must read for all who believe they know and understand Jesus Christ.

Jesus the Christ

"Explores in clear, nontechnical language the life, times and significance of that teacher, the one called simply Jesus in his own time, but who is now recognized by more than a third of the world's population as the Christ, the anointed one sent by God to bring fullness of life." [Back cover].

Ten Steps Toward Christ

JESUS: THE MAN AND HIS WORK + FREE BONUS Grab This GREAT Physical Book Now at a Limited-Time Discounted Price! **FREE BONUS INCLUDED INSIDE!** "It is doubtful if any man was ever more misunderstood by the people of his own time than Jesus of Nazareth. Certainly no man was ever more grossly misrepresented by succeeding generations, and especially by those who professed to be his friends and followers... The picture of the man Jesus which you hold in your minds has been drawn far more from the poetry of Isaiah, written 700 years before he was born, than from the four gospels, which purport to be narratives of eye witnesses of his life and works." So began Wallace D. Wattles, who went on to write some of the most powerful books ever written, the best known of which being his classic masterpiece *The Science of Getting Rich*, on the afternoon of November 11, 1905, as he spoke before his audience at the Auditorium in Cincinnati, Ohio. His subject? Jesus: The Man and His Work. In that short, but very powerful lecture, Wallace D. Wattles shattered orthodox misconceptions, misunderstandings, and outright misrepresentations of the character and teachings of Jesus and shared his concept of the real Christ and his true call. This book contains the complete, unedited text of this incredible lecture, a lecture only Wallace D. Wattles could have delivered, taken directly from the original, that reveals the shocking truth about Jesus and his teachings. To sweeten the deal, a free bonus has even been added to this book! As a thank you for purchasing this book, inside you'll receive free access to the publisher's "Constructive Science 101: 3 Keys to Getting What You Want" minicourse. It's a 4-part email course sent to you every other day in which you'll discover Wallace D. Wattles' simple, easy-to-understand formula for success and lots more. Plus, you'll get a free subscription to the publisher's Constructive Science Newsletter filled with all-new, 100% original self-development tips and strategies to skyrocket your success. That minicourse and newsletter are yours for free as a thank you for purchasing this book! About the Author Wallace D. Wattles (1860-1911), who's best known for his classic masterpiece *The Science of Getting Rich*, was a late 19th/early 20th century American author who primarily wrote new thought and self-development books and articles. Although very little is known about him, his works are widely quoted and remain in print. Here's a Preview of What's Included Inside This Book... Foreword **FREE BONUS** Preface Jesus: The Man and His Work Afterword About Wallace D. Wattles About Tony Mase Other Books from Tony Mase Order your copy of this fantastic book today! This book is jam-packed with information, straight from Wallace D. Wattles. You even get access to an invaluable free bonus! If you're serious about wanting to know the truth about Jesus and his teachings and you want to find out for yourself exactly how Wallace D. Wattles fulfilled his task that November afternoon of, as he put it, "rescuing Christ from Christianity"

Jesus

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

From Jesus to Christ

"Live Jesus in Our Hearts" is a prayer said daily by Lasallians all over the world. Our new high school religion curriculum reflects this prayer, and our mission--that every young person would invite

Jesus' presence into their hearts. We sought to begin answering the needs of today's youth, in a generation where the spiritual and religious landscape has shifted dramatically. Jesus Christ and the New Testament is the second semester course in the new high school series Live Jesus in Our Hearts. This series takes a fresh approach to the Framework outline, bringing in new themes such as in-depth use of scripture, extensive online resources, and an invitational, evangelizing approach. Jesus Christ and the New Testament is a New Testament overview that includes all the required Framework content related to Jesus Christ. Used with Revelation and the Old Testament, you can now teach an overview of the Bible in freshman year using a Framework approved curriculum! Plus, help students connect using: Short stories about young people that relate a teaching or belief to a young person's lived experience. Focus questions introduce each unit in the voice of a teen, guiding students in focusing on what they might learn; units end with an image of a real student and his or her reflections on the unit focus question, inviting the students to check their own understanding. A Unit Highlights section that uses graphic organizers to visually represent the key concepts from each chapter "Hmmm" questions at the end of each article that encourage students to think critically about Christian beliefs. A full page visual feature at the end of each chapter that engages students to reflect on the chapter content in a unique way.

Jesus Christ and the New Testament

With this new edition of *The Mind of Christ*, readers will find themselves embarking on the never-ending quest to become more like Jesus. This book helps Christians understand how God works within them and transforms them, continually renewing and reshaping their minds to reflect the mind of Christ more closely.

The Mind of Christ

Do you feel as though something is missing in your life? Is there a void in your life? Have you been trying to satisfy that gnawing feeling of emptiness with the superficial things of this world? Have you been seeking fulfillment through religious traditions and practices? The only real solution to filling this void in your life is to invite Jesus Christ into your heart. Only a personal relationship with Jesus Christ will truly satisfy the longing that you have for a sense of fulfillment. God designed it that way. When you accept Jesus as your Savior you have new birth and new life in Christ. You become a new creation. Second Corinthians 5:17 says Therefore if any man be in Christ, he is a new creature, old things are passed away behold all things become new. With this new life in Christ you are no longer the same. Your spiritual condition changes and you have a new spiritual identity. Making a connection with Jesus offers a fresh start on the path to becoming what God has ordained for you to be. It is the beginning to living a new life of peace and harmony and with the assurance of your eternity with God.

The Following of Christ, in Four Books. A New Translation. [Anon.]

In a highly accessible way, *The Old and the New* is a call for Christians to discover—or rediscover—the richness of the Bible through a study of the links that unite the Old and the New Testaments, which Pastor Laurent Clémenceau shows as the heart of the message of the early witnesses of the gospel and of Christian faith today. In doing so, the author invites readers to discover how the Bible presents the identity and work of Jesus Christ that, as Blaise Pascal wrote, “lie at the center of both Testaments—the Old as its expectation, the New as its model.” It is a call to contemplation, witness, and celebration!

A New Vision, a New Heart, a Renewed Call

Why is the Resurrection of Christ so remote, almost non-existent in many early Christian writings of the first 140 years of Christianity? This is the first Patristic book to focus on the development of the belief in the Resurrection of Christ through the first centuries A.D. By Paul, Christ's Resurrection is regarded as the basis of Christian hope. In the fourth century it becomes a central Christian tenet. But what about the discrepancy in the first three centuries? This thought provoking book explores this core topic in Christian culture and theology. Taking a broad approach - including iconography, archaeology, history, philosophy, Jewish Studies and theology - Markus Vinzent offers innovative reading of well known biblical and other texts complemented by rarely discussed evidence. Christ's Resurrection in Early Christianity takes the reader on a fascinating journey through the wilderness of unorthodox perspectives in the breadth of early Christian writings. It is an eye-opening experience with insights into the craftsmanship of early Christianity - and the earliest existential debates about life and death, death and life - all centred on the cross, on suffering, enduring and sacrifice.

A New Life

Walk through the gospel records of the "bold confrontations" of Jesus and discover how to use your newfound knowledge of the person of Jesus to defend the biblical truth of the Christian faith. Do you have any idea who Jesus really is? "What you think of Jesus Christ will thoroughly color how you think about everything else," writes John MacArthur. This is a critical truth in the life of every believer. Your view of Jesus affects the way you view God, the world, and every one of your decisions. These days, Jesus is often portrayed as a pacifist, a philanthropist, or a docile teacher. He strikes a plastic--and sometimes pathetic--pose in the minds of many. Some prefer the meek and mild Jesus who heals the sick, calms fears, and speaks of peace and goodwill. These things do represent a portion of the Messiah. But tragically, too many have never been exposed to the rest of him. They have never seen a full 360-degree view of the Savior. His boldness in the face of confrontation and why that matters. Until now. Abridged from his classic bestseller, *The Jesus You Can't Ignore*, *Jesus Unleashed* takes a revealing walk through the gospel records. Like an investigative journalist on a mission, author and teacher John MacArthur shows you a remarkable and compelling picture of Jesus unleashed.

The Old and the New

Are you ready to have a new beginning for your life? This book offers a new beginning with and through Jesus Christ to all who want it. Then this book is for you. Everyone at some point in time in their life has messed up. However, the good news is Jesus can and does change lives when they step out in faith to trust Him as their Lord and Savior, says Patricia. Her book is about Christ's unconditional love and how He can make a difference in their life. She said Christ not only will change their life here on earth, but gives us eternal life as well. For this reason, she calls her book, *A New Beginning*. *A New Beginning* offers people hope with Christ that they don't have without Him. *A New Beginning* encourages people to step out in faith and trust Jesus as their Lord and Savior. As people begin their new journey with Christ, they will discover the sweet relationship with Christ on earth as well as their eternal life after they leave this earth. These inspiring stories will lead you and guide you to have *A New Beginning* with Christ that will last forever. If you want to begin a relationship with Christ that will last forever, then this is the book for you. Patricia's prayer for you is for you to have *A New Beginning* with Christ as your Lord and Savior. God bless.

The Following of Christ, in Four Books

The New Testament finds many ways to depict the relationship of Christians and their Lord. They are his disciples, sons, daughters and friends. But it is perhaps too little recognized that they are also his slaves. In this *New Studies in Biblical Theology* volume, Murray J. Harris sets out to uncover what it means to be a slave of Christ. He begins by assessing the nature of actual slavery in the Greco-Roman world and the New Testament's attitude towards it. Drawing insights from this, he goes on to unfold the metaphor of slavery to Christ. Among the topics discussed are slavery and spiritual freedom, lordship, ownership, and privilege. *Slave of Christ* is a model of good biblical theology, providing insights both for future study of the Bible and for practical application. Addressing key issues in biblical theology, the works comprising *New Studies in Biblical Theology* are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.

The New Eve in Christ

A boy's father goes to tuck his son in at bed time and before they say their prayers asks if Jesus lives in his heart. The boy says no, and his father begins to tell him about the sinner's prayer and explains who Jesus is. "When He lives in you, you become a new creature", the father says to his son. This is derived from the scripture II Corinthians 5:17, "Therefore if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come." The boy hears all about how Jesus Christ makes us new and accepts Him into his heart. He gets up the next morning and looks in the mirror to see if he has changed. The boy goes on a journey discovering his new life in Christ by going to church, praying, studying the bible, witnessing to friends and drawing pictures about bible stories. A problem comes to test him when he is approached by a bully in school and pushed down to the floor. His immediate reaction is to get up and hit his schoolmate, but the Holy Spirit speaks to him and tells him not to. Discouraged, our protagonist walks home and tells his mother what happened, and she encourages him that he did the right thing. As the child goes on a bike ride, he thinks about his actions and asked the Lord to forgive him for getting upset. He then spots the bully who begins to laugh and taunt him. The boy decides to approach the bully with kindness and tell him hello and forgives him of his actions. This causes the schoolmate to think about what he did and says sorry to the boy. As they make up, the boy invites his new friend in for a piece of cake. The boy now understands that becoming a new creature isn't an overnight outward change, but a process of developing a relationship with Christ who has the ability to change our hearts and minds.

Christ's Resurrection in Early Christianity

What is union with Christ? What role does this theme play in the Epistle to the Romans? Does union with Christ have an Old Testament background or did Paul create the concept for his own theological purposes? These questions will be answered in this exegetical study of Romans. Special attention is given to Paul's use of Old Testament stories in relation to union with Christ. It will be shown that Paul understands union with Christ to be the climax of the human story—a story of creation and rebellion that includes all people, regardless of ethnic or social background. Those who believe in Jesus as the promised Messiah experience restoration as they move from union with Adam into union with Christ. United to Christ, the church finds unity in a new identity—as a new people in Christ.

Jesus Unleashed

Groundbreaking author Brian McLaren, voice of the Christian emergent movement and author of the 'New Kind of Christian' series, poses ten controversial questions that could lead to a radical redefinition of the Christian faith. What is the overarching storyline of the Bible? What is the Gospel? Why is sexuality such a divisive issue among Christians? How should followers of Jesus relate to people of other religions? McLaren gives his own responses to these questions, inviting the reader to a new and generous way of thinking about Christianity.

A New Beginning

A new view of Jesus as a Buddha-like wisdom teacher who taught the transformation of consciousness—with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time, something remarkable happens: Jesus emerges as a teacher of the transformation of consciousness. The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message. Cynthia Bourgeault creates a masterful guide to Jesus's vision and the traditional contemplative practices you can use to experience the heart of his teachings for yourself.

Slave of Christ

A new kind of Bible study... After the success of her first two books, Heather Holleman received many requests to write a Bible study. And as a college English instructor, she wanted to make sure it really taught and didn't simply inform. So she surveyed several women about what their dream study would look like, then got to work. The result is Included in Christ, a narrative-driven study where you can bring your life before Scripture in the context of community. Together women will discern their personal shadow narratives—ways they are living outside of their identity in Christ—and then rewrite those narratives according to biblical truth. This in-depth, 8-week study in Ephesians will equip women with six "signature stories" of God's work in their lives—helping them combat exclusion, loneliness, weakness, decay, emptiness, and silence. Designed to facilitate honest sharing and help you internalize biblical truth, Included in Christ will provide community and connectedness as well as spiritual nourishment.

It will also guide you in how to share your story and the hope of Christ with someone who doesn't yet know Him.

A New Creature

The New Believer's Bible is uniquely designed to help the new Christian read, study, and understand the Bible. It includes features that help Christians develop and deepen their faith, while providing a foundation for their new life in Christ. This expanded edition has been newly typeset and includes all of the original New Believer's Bible notes and features plus an expansion to the existing topics and some new ones from the Start! Bible. All content has been refreshed for today's language and needs. The New Believer's Bible contains a number of special features to give you the biblical knowledge you need to grow as a Christian: "Cornerstones" notes cover the basics of Christian belief. Here you will learn about the Trinity, angels, Satan, Heaven, hell, forgiveness, peace, joy, love, and other essential teachings of the Bible. "First Steps" notes help you know God and his plan for you. Discover how to know you are saved, find the right church, study the Bible, resist temptation, talk with God, and much more. "Off & Running notes" show you how you can enjoy God's blessings and direction in all areas of your life: career, marriage, family, finances, and relationships. "Big Questions" notes tackle those difficult issues you may be dealing with right now as a new believer. How You Can Know God: Discover how to be saved and how to be assured of your salvation. Glossary of Christian Terms: An explanation of key biblical and doctrinal terms in language you can easily understand. Special Charts: A resource that highlights key biblical information. Fifty-two Great Bible Stories: A brief summary, Scripture reference, and page number for the best-loved stories from God's Word. Prophecies about Jesus: A list of Old Testament prophecies about Jesus and how they were fulfilled in the New Testament. Memory Verses: Effective steps for memorizing God's Word; highlights over 130 of the most important verses to commit to memory. How to Study the Bible: An easy-to-follow strategy for getting the most out of your Bible reading. It also includes two simple reading plans. Overview of the Bible: A concise overview of each book of the Bible, including author, date, style, and summary of contents.

A New Testament Church and the Church of England

Is believer's baptism the clear teaching of the New Testament Scriptures? What are the historical and theological challenges to believer's baptism? What are the practical applications for believer's baptism today? Volume two in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE & THEOLOGY (NACSBT) series for pastors, advanced Bible students, and other deeply committed laypersons addresses these compelling questions. Indeed, Believer's Baptism begins with the belief that believer's baptism (as opposed to infant baptism or other faith proclaiming methods) is the clear teaching of the New Testament. Along the way, the argument is supported by written contributions from Andreas Kostenberger, Robert Stein, Thomas Schreiner, Stephen Wellum, Steve McKinion, Jonathan Rainbow, Shawn Wright, and Mark Dever. Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.

Jesus Christ, Peacemaker

A formatted version of the Book of Mormon organized by events emphasizing narrators, speakers, locations, dates and quoted passages

A New People in Christ

The author describes how as a high school student, he first met the "scientific approach to the study of the Gospels" and learned that the Gospel of St. Matthew was copied from an "older" document called "Q." The question arose: if Matthew was a disciple of Jesus, why would he need another document to write about Jesus? A life-long struggle to answer that question resulted in the development of this new Interpretation. Matthew was a trained tax accountant. Taxation is all about keeping records and diaries. Jesus called Matthew to be a disciple. Matthew did what he knew best keeping records and diaries as directed by Jesus. Analyzing its contents using principles of information assurance, Mano concludes that this gospel is in two parts. The first nine chapters happened before the call of Matthew, and the source of data is Jesus. After chapter ten, Matthew is the source of data. He recorded events as indicated by Jesus, including events after the arrest. This is the justification for calling it an authorized biography of Jesus Christ. The Ascension is omitted. That significant omission proves that this gospel was not written by a later Christian believer or organization, but happened because Matthew ceased

his diaries before the Ascension. These diaries were obtained by Christians many years later and recognized as a gospel.

A New Kind of Christianity

In *Christ and the New Creation*, Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology. Although typically confined to Old Testament theology, Emerson sees fruitfulness in applying this method to New Testament theology as well. Instead of a thematic or book-by-book analysis, Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape. He concludes that the order of the books of the New Testament emphasize the story of Christ's inauguration, commissioning, and consummation of the new creation.

The Wisdom Jesus

In this important study Hays argues against the mainstream that any attempt to account for the nature and method of Paul's theological language must first reckon with the centrality of narrative elements in his thought. Through an in-depth investigation of Galatians 3:1-4:11, Hays shows that the framework of Paul's thought is neither a system of doctrines nor his personal religious experience but the "sacred story" of Jesus Christ.

Included in Christ

A powerful account of the life of Christ in heaven and on earth and his role in evolution. A seminal work of Christian theology that speaks to all people whatever their religion and will inspire them for years to come. Evelyn Capel studied history at Oxford and was ordained as a priest in the Christian Community in 1939.

Is there life after death

How does the soul come to the body

What is a zygote

The 40 days before conception

The moment of conception

The embryo hears

The coma hears

The soul is gone

Life after death

What does the body do

The soul of your grandfather

King David remembers being born

The happier the soul the healthier the body

Near death experiences

After birth

Premonition

Stages of Separation

How to Grieve

Heaven and Hell

How long does it take for the soul to adjust

Life leaves gradually

Fathers role at the Seder

A beautiful story

A vivid imagination

One day he came home

He opens his eyes

The soul never dies

Parents never stop being parents

My loss is greater than yours

The punch line

God serves you

This is the best place

No fear of hell

All ends up good

Our ancestors in heaven

The real purpose of resurrection

Its a matter of justice

New Dilemma

Justice

After the Resurrection

Making the World Holy

We Want Moshiach

We Were His Agents

The End of Our Project

What Do You Think

preparing-church-post-postmodernism

church-strategy-postmodern-world

postmodernism, church leadership, cultural trends, theology, church strategy

This resource explores how the church can prepare and adapt to the challenges and opportunities presented by the post-postmodern era. It examines key cultural shifts, offers practical strategies for effective ministry, and encourages leaders to engage thoughtfully with contemporary issues, ensuring the church remains relevant and impactful in a rapidly evolving world.
