Stoned

Turmoil. That was the one-word Raheem "Stone" June would use to relay the course of his life. After medical school, what seemed to be a promising future for Raheem turns into something dark and chaotic, stemming from the loose ends of an affair he began to have with his teacher, Professor Serenity James. Serenity never had any intention of becoming involved with Raheem, knowing the risk doing such a thing would create. Yet, after a chance encounter in her classroom, she finds herself yearning for him, wanting him in a way that she knows that she shouldn't. The high she gets from him is not supplied at any drugstore or on any street corner, yet she finds herself searching for it. But it has yet to be bottled, the source and supplier is Raheem. But like every thrill, there has to be an end. That end comes at the hands of lies, infidelity, secrets exposed and wounds created. After risking his life and freedom for Serenity, Raheem discovers that everything he thought he knew was a lie. After years of rehabilitation, Raheem manages to get his life back on track, putting the pain of his past into the production of his future. His heart is buried and his focus is his dream. Things began to look promising for him until he meets a woman that threatens to turn his life upside down, yet again. Eryanna is young, wired and full of life. She creates colorful chaos everywhere she goes despite her more than harsh upbringing. She is everything Raheem is not. Nevertheless, Raheem finds himself being pulled to her like a moth to a flame. Temptation...has been known to take down even the strongest of men. Love...has been proven to break even the hardest of barriers. Will Raheem find himself succumbing to the magnetic pull that Eryanna had on him or will his heart forever remain Stoned?

Your Heart Belongs to Me

For thirty-four-year-old Ryan Perry, life is good a year after the heart transplant that had saved him from certain death, until he begins to receive strange messages united by the theme, "Your heart belongs to me," and discovers that he is being stalked by a mysterious woman who bears a striking resemblance to the donor of his heart.

Relationship Status 2

"The worst enemy a man can have is one he calls a friend or one he never sees coming." - Demarco Montgomery Demarco's soul has been snatched from his body. The heart he didn't know he had broken and the love that he newly discovered... tarnished. He wants nothing more than to love Winter for the rest of his life, but did he wait too long? Is it too late? Keyton wants to have some type of normalcy in his life, but all he gets is a constant flow of chaos. The constant onslaught of attacks on him and his wife's lives places him in a very dark place. All he has is Tori. She is all he wants so he has to protect her by all means, but she's hiding something from him that will surely spin his world off its axis. LeMonte is confused. How can the one he once loved beyond life no longer hold the love that he desires in the depths of her eyes? Why can't he feel it when she kisses him? Why do touches that used to come every minute now stretch too far for him to reach? He loves TaNia... always has, always will, but there is a very thin line between infatuation and love, and no clear way to determine if he's crossed it. The purpose of love is to offer a certain level of comfort and protection, but with so many enemies in the shadows, those things are hard to come by. Your favorite couples are back with new foes, fresh drama, and renewed chaos. At the end of it all, who loses grips with love and who will be STILL TIED?

Strike Your Heart

The most destructive mechanisms of the soul, laid bare. Marie is the prettiest girl in her provincial hometown and is dating the most popular boy in town. She is the envy of all her schoolmates and she loves it. When she falls pregnant and gives birth to Diana, things change. Diana steals the hearts of all who meet her, inciting nothing but jealousy in her mother. This is Diana's story. The story of a young, brilliant woman who grows up without maternal affection. It is the story of Diana's relationships with other women: her best friend, the sweet Elisabeth; her mentor, the selfish Olivia; her sister, the beloved Célia; and, of course, her mother. It is a story about the baser sentiments that often animate human relations: rivalry, jealousy, distrust. With her trademark wit, brevity, and tightly wound plots, Nothomb has devised a telling adult fable about human relationships and the mother-daughter bond.

Relationship Status 3

In part three of this suspenseful, gripping series; Lemonte finds himself in TaNia's snare instead of her embrace. With the damage already done, he plots on how to fix their relationship before he loses her forever. As soon as he feels like the love that they have for each other is enough to get them through, old foes come back into play and knock them off course. Demarco finally has the peace he has craved for what seemed to be his entire life. With the love of his life by his side and things moving in a great direction, Demarco puts a plan into place to make Winter a permanent fixture in his life. But when things spiral out of control, will he be able to hold on to the only sanity he has ever fully gained? Keyton couldn't be in a better place. He feels blessed and with Tori about to make him a father, he knows that he has to fight hard to make sure that he keeps his family safe, by any means necessary. Flacco can smell a rat from a mile away and even better when it's closer to him. With so called friends plotting his demise, he requires some things from Gazelle that she is just not ready for. With the battle of love and position on full display, Flacco fights to gain the respect of both the woman that he loves and the streets that breed him. In the finale, these couples will have to choose between love and war, what's needed and what they are willing to let go. All is not fair...in love and war!

Crowned 3

In the finale of Crowned: The Return of a Savage, you will find yourself tossed into a whirlwind of love, life, and emotions. These things tie in together to create a dramatic ending to what seemed to be a fairytale beginning. Cole struggles with the transition from as a contract killer who lived a life void of emotions to the position of fatherhood. The role is foreign to him, so he finds himself struggling to get his feet planted. Will the struggle he faces revert him back to the thing that he knows, leaving behind the love of his life and their unborn child? Nacobi is trapped in the battle of her life. Due to complications from her pregnancy, her relationship with Cole is suffering in a way that has her fearing for the future. Will their relationship survive its most daring test to date? Ashura is finally finding happiness within herself and her marriage. She loves her husband and their daughter. She sees the light at the end of the tunnel after enduring all that she did in her first marriage. But when her husband begins to keep long nights, she starts to wonder if the love story she had been feeding her heart was just a lie sugarcoated to portray love. Anthony is torn between what he knows is right and the life that his heart makes him believe that he desires. His sudden role as husband and father has him missing his old life. A life of

freedom and suspense. He craves it. Needs it. But at what cost? In every being, there is a savage... waiting to be unleashed.

Relationship Status

Three couples, three journies, one destination. Love should feel euphoric, right? For these three women, sometimes it's not that easy. Tori has loved the same man for what seems like her entire life, but with a list of broken promises and lies told by her husband, Keyton, Tori finds herself at a crossroads. Does she try to salvage her marriage with the love of her life, or move on from all the pain and turmoil? Full-figured and beautiful TaNia is as independent as they come. She keeps her business in order and depends on no one. After her father's death, she moves back home to take care of her mother, which takes a lot of adjustment on her part. In the midst of all the changes in her life, her friend Lemonte has decided he wants more. He is on a mission to make her his, whether or not TaNia is ready for that. Winter has always depended on someone, whether it was her parents or the man she was in a relationship with. She no longer wants to be that girl, so she makes some changes and learns to stand on her own two feet. She lives a lifestyle that she is not particularly proud of, but it makes her goals and dreams that much easier to accomplish. Her parents are traditional and old school, so she hides her life from them, but when she lands in the sights of Demarco, she has to make a choice between love and comfort.

You're All I Need

Love rarely asks permission to engulf you, most times it just happens. Stephanie is a woman that puts all she has into everything she touches; from being a woman, mother, and her budding career as a Creative Director at JustUs Magazine. Her upbringing does not allow her to half step with anything in her path. This type of grind is what has gotten her to the position that she is in today. After ending her sexual arrangement with the father of her child, she pledges to indulge in a lifestyle that would grant her access to reap the fruits of her labor. A chance encounter with a man that is a replica of her boss seems to be exactly what she needs to begin her journey of exploration. Elliot Grant isn't back home to play; he's back home to make some serious decisions about his future and where the next leg of life will take him. What he doesn't expect, is a woman to come into his life to make his decision making easy. Love was not an aspiration for Elliot, in fact, he made it a point to shut it down before those feelings could develop. He doesn't see Stephanie coming, and before he knows it, she's too deep to get out of his system.

Crowned 2

"Don't disturb the savage inside of me... you won't like what she brings to the table!"- Ashura Trenton After all the life-changing situations thrown her way, Ashura Trenton is desperately trying to piece back together the puzzle of her life. At a very young age, she acknowledged the natural boss that thrived inside of her. However, love... well, the illusion of love created someone different. With the discovery of her husbands' infidelity, coupled with the ultimate betrayal of the loyalty that she has shown him, Ashura snaps, and now she trusts no one. Not even the man that she finds herself being pulled to in the midst of it all. Nacobi feels blindsided by everything happening around her. Not only does she encounter a man who she has deep feelings for in a very compromising position with her best friend, but she also has no idea who to trust nor who to believe. The man she spent the last few months of her life getting to know, trusting, and caring about or the only person that she has ever loved in her entire life, Ashura Trenton? Code Zero has somehow entered the lives of these best friends and flipped them upside down in a small amount of time. From the mystery of them, to the protectiveness, to the keen sense of knowing what to do and say in each moment to make them fall in love; they have them right where they want them... at the barrel of their guns. In this finale, the old Ashura is gone and has been replaced with a no-nonsense beast who won't allow just anyone into her space. Her guard is up, her veins are out as the pain of the present drives her to the savage of the past. At her side, Nacobi is along for the ride, and down for whatever. They're willing to fight whoever for whatever, in order to keep their lives and all the things they've worked for in order. Lies, deceit, hidden agendas, baby mommas, alpha males and trained killers make Crowned 2 a finale that you do not want to miss.

Crowned

Any real hustler knows the unspoken code of the streets is to eat or be eaten, but when it comes to Ashura Trenton, she's internally battling with herself to either respect the creature that the streets

made her or rebel against it. Crowned Queens, an organization that Ashura and Nacobi created when they were freshmen in college, had turned into a lucrative empire right before their very eyes. Young, successful and content with life, Ashura implements the necessary changes to put that lifestyle behind her, but with the power that she's gained comes a slew of enemies prepared to snatch everything that she has worked for. Nacobi has always been there for Ashura. Her rider to the point of no return and that will never change. When Ashura gets fed up with Crowned Queens, Nacobi reluctantly follows suit in getting things shut down. However, what they don't know is that the enemy who is out to get them is closer than either of them would expect. With love found, love betrayed, and love tainted, the savage that Ashura has fought tooth and nail to keep suppressed is threatening to rear its ugly head. Unbeknownst to the enemy, if the beast is released, they will soon learn why she's the diva who was Crowned Queen.

Her Loyalty to Him

Jade had the life that every woman dreamed of having. A handsome successful husband, two beautiful children, a family that she loved and success. Everything Jade ever thought was hers and true... switched in a night. The night her husband got into a near fatal accident that not only erased his memory of the man he was... It also forbids him from explaining to his wife why her sister was in the car at the time of the accident. Apollo King has no recollection of his wife or children. He has no idea what it means to be the King Of The South. Everything that was ever taught to him is long gone, erased with the possibility of returning slim to none. Jade, Apollo's wife steps up to take over all of Apollo's operations in order to keep the family business afloat. But with Apollo's attack comes startling revelations that threaten to ruin everything that they have built. They say if you love something then let it go and if it comes back then it's meant to be but is unconditional love enough to withstand the damage that Apollo caused? To the left or right of every man...is a strong woman holding him down! But, will him doing what many would consider the unforgiveable, cause him to lose the one thing in his life that he cherished the most; his wife, the woman he has no memory of?

Still Stoned

How could the one thing keeping love together, be the thing that is tearing it apart? As the old saying goes, "If it feels too good to be true, it more than likely is." Raheem couldn't recall a moment in his life when he felt so full. Having Eryanna and his daughter has created a shift inside of him that he thought no one would be able to deter. He finally has his piece of peace and vows to do everything within his power to protect it. With the slow and deliberate unraveling of her marriage, Serenity believes that her return to Raheem's life will consist of makeup sex and a happily ever after. However, she sees her chances of being with Raheem fading at the hands of his beloved toy, Eryanna Santos. Two steps behind. That's how Eryanna feels in regards to Serenity and Raheem. She's still young, figuring out what she wants out of life all the while struggling to keep her relationship with Raheem afloat. She changed for him, believing that he was also changing for her. Love isn't supposed to hurt, but over and over again it has presented itself as a challenge to this union. Even love grows tired of being taken advantage of. The final installment of this Crowned exclusive will take you on a journey to the Valley and beyond that but will love win or fall to deceit?

If Ever I'm Not Enough...

Dejunza: (Day-gun- Zuh) The Planet of Melanin and Royalty. Dejunza is a place of complete power. A planet filled with melanin and greatness driven to the core of it's roots. There is peace, love, joy, and support in Dejunza. But there is also pain, contest, and a source of forsaking. Every other year in Dejunza, two offspring's of the royal kingdom are sent to Earth in order to live a complete life. This is used as a form of regulation and population control. Pairs are sent to find their idea of happiness and absolute joy. To some, that will be finding a person to love until old age, for others that will just be a child to cater to until death. Then there will be others that rebel against the plight and go to Earth with the intent of causing harm. Once selected by The Bell, their Dejunza name is then converted into an Earthly one, they are provided an identity based off of their age and the development of their being at the time. Thunderstorms create pathways to a new realm. In book one of the Dejunza Series, you meet Abioye and Akemp, also known as Gyntry and Gypsey, the Princes of Dejunza. The Princes of Royalty. Gypsey and Gyntry never thought they would be selected by the Bell, though they became eligible at the age of 100. They are the princes of Dejunza and hold royal status, so surely The Bell would not choose them. But it does. The Twins of Dejunza are thrust into a lifestyle and time that is

lightyears ahead of them. They have no idea how Earth works or what is required of them. They form their being by interacting with the people of Earth, developing their language, demeanor, personalities, and ideas. Gyntry adapts an urban dialect, fastly learning to enjoy the fruits that Earth has to offer, whereas Gypsey fights to gather an identity. He is trapped in darkness due to the unhappiness of his soul mate, a woman that he never met. Both men face challenges that they are not prepared for. They battle with keeping their true identity hidden from the people they form relationships with while fighting the natural pull of love and lust.

She from the Jungle

It's not about where you've been or where you're from. The only thing that really matters...is where you're going... From as far back as she could remember, pain has always been a part of Deja's life. Growing up on the Southside of Dallas, Texas, struggling to fit into a world that constantly dealt her blow after blow; from being sixteen and pregnant to losing the father of her child, and dealing with a sister that did everything in her power to make Deja's life a living hell. Through everything, she's found the strength to push through adversity and follow her dreams. Everything seems right until the sudden reappearance of Delia threatens to destroy all the joy she's obtained. Ariel is a rebel. Always has been and she didn't think that she would ever change. Growing up in the mean streets of Brooklyn, New York has created an edge and roughness that she embraced. Everything around her seems to crumble right before her eyes when she discovers that the man she spent the last year loving and living for, was keeping a secret that would tear her apart. Britain has been fighting her whole life, all she knows how to do is survive. Though she knew her parents loved her, they had a weird way of showing it. After suffering years of abuse at the hands of her father, Britain has developed a skin thick enough to weather the hardest of storms. Too persistent to ever lose! The ghetto has been known to create warriors! Deja, Britain, and Ariel are no different!

Prey For The Hunted

Soul ties are unbreakable, especially those created in Dejunza. Nyree has always been quiet, calculated and defensive; not knowing the depths of one's lineage can make a person that way. The abandonment of her parents left a hole in her heart that no one had been able to fill. With hurt and pain, come reflective actions that cause Nyree to bury her heart and soul in a place that she knows no one will be able to penetrate. TezAvant is also familiar with having to transition at a young age. After a run in with a local gang that left him lifeless, he finds himself thrown into a world that will change him forever. The moment he encounters the free spirit with distance in her eyes and an invisible barrier around her, his soul let him know that she was created for him and him alone. Two stubborn spirits clash in book one of the P R E Y saga, but it's a battle that neither of them has the power to control.*This title has been updated with corrective editing.

Only Time Will Tell...

There are certain events in a man's life that he can't get over without some time and adjusting. Having his heart broken by the only woman he has ever really loved is definitely one of those things. Kemp Grimes didn't think he would ever be capable of loving another woman as much as he once loved Meagan Childs. She was all he could think, see or smell while they were together in college. He spent his junior and senior year obsessed with her. That love stayed, even years after she left him, taking his heart with her. Kemp vowed to never love another woman so completely; he would never give so much of himself to another, no matter how beautiful she was. He had to stay in control of his feeling, of his heart. He had to keep a leveled head when dealing with the opposite sex. He vowed to never love again. So, he offered what he could give; multiple orgasms and a cab ride home. Meagan Childs felt she had run from her problems long enough. Four years in medical school, states away from Kemp, still hadn't healed her broken heart. She still loved him deeply. He still possessed her heart and soul. She found living without him nearly impossible. They had been apart for so long; yet the pain of that one horrible night still felt as if it occurred just yesterday. Maybe she made a mistake by letting her overbearing, overprotective father, tear them apart. She should not have listened to his threats. But she sacrificed love for Kemp. She faced the misery that greeted her each day she woke, just for him. She loved him just that much. Meagan returns to town after graduation with a few missions; She had to complete her residency, she had to let it be known to her father that she was no longer a child and would be in control of her own life and last, surely no least; she has to win back the love of her, extremely sexy, dominate, controlling love of her life. Something's will come easy, others will present a challenge on levels she

may not be prepared to conquer. Only Time Will Tell...if the love that Meagan has for Kemp will break through the stone wall he has placed around his heart. Kemp has changed. He is no longer the young boy running after a beautiful woman. He is now a man. He wouldn't be told what to do and he could care less if he pissed off the wrong people. He was determined to live his life the way he wants to with no interruptions. But will the sudden reappearance of the one woman that was known to possess his heart; throw the dominating bachelor off course? Only Time Will Tell... Deshon Dreamz presents a story of broken love, torn trust, and endless passion in Only Time Will Tell... This story embodies the phrase endless love. It proves that True Love never really goes away. It has a tendency to lay dormant, it may appear tainted, faded, or gone astray; but True Love will never ever leave...
