The Oil of Faith | WMSCOG, Church of God, Ahnsahnghong, God the Mother - The Oil of Faith | WMSCOG, Church of God, Ahnsahnghong, God the Mother by World Mission Society Church of God 31,765 views 2 years ago 31 minutes - When the Inner World of Faith Changes, the External Environment Changes Graciously as Well Just as Joshua and Caleb ...

It is not the external environment that changes the external world where we are living. The people who absolutely believed that God would accomplish the work, all became one in mind and followed God's guidance.

How they were able to enter the land of Canaan represents how we will enter the everlasting Kingdom of Heaven in this age.

Everybody! What is necessary for us is faith.

Faith functions as oil and as a guide leading us to the eternal Kingdom of Heaven.

The city of Jericho looked like an impregnable fortress!

Jonah was afraid and tried to run away to Tarshish; Tarshish was about 2,500 miles away from Joppa.

God changes the external environment through people who have faith even if there is only one person.

When the things of the spiritual world are formed first, the physical things can be made on this earth.

According to Revelation chapter 18, Babylon looks like an impregnable fortress like the city of Jericho.

However, what is going to happen in the end?

We, all Zion family members, throughout the world are in the process of fulfilling this prophecy.

However, if we have absolute faith, all the rough paths before us become a wide and smooth road.

Then, the mission to preach to all people will surely be accomplished.

The faith that is influenced by the external environment is dead.
