The Jews of Russia and Poland

For many centuries Poland and Russia formed the heartland of the Jewish world: right up to the Second World War, the area was home to over 40 per cent of the world's Jews. Yet the history of their Jewish communities is not well known. This book recreates this lost world, beginning with Jewish economic, cultural and religious life, including the emergence of hasidism.

The Jews in Poland and Russia

"History of the Jews in Russia and Poland: From the earliest times until the present day" in three volumes is a historical work which covers the history of the Jewish people in Eastern Europe for about 10 centuries. The work is divided in three parts; first volume covers the period from the earliest Jewish settlements in Eastern Europe until the death of Alexander I (1825); second volume covers the period from the death of Alexander I until the death of Alexander III (1825-1894); and the last volume spans from the accession of Nicholas II until the first couple of decades of 20th century.

The Ukraine Terror and the Jewish Peril - Scholar's Choice Edition

Each of the three volumes of this work provides a comprehensive picture of the realities of Jewish life in the Polish lands in the period it covers, while also considering the contemporary political, economic, and social context. This volume, from 1881 to 1914, explores the factors that had a negative impact on Jewish life as well as the political and cultural movements that developed in consequence: Zionism, socialism, autonomism, the emergence of modern Hebrew and Yiddish literature, Jewish urbanization, and the rise of popular Jewish culture.

History of the Jews in Russia and Poland, from the Earliest Times Until the Present Day

A comprehensive survey—socio-political, economic, and religious—of Jewish life in Poland and Russia. Wherever possible, contemporary Jewish writings are used to illustrate how Jews felt and reacted to new situations and ideas.

The Jews in Poland and Russia

Until 1939 Poland was the heartland of European Jewry, and the Polish Jewish community was still one of the largest and most important in the world. For nine centuries it was one of the central forces in the shaping of Jewish culture and its impact on the shaping of modern Jewry-religious and secular-was profound. An understanding of the history of the Jews of Poland is thus essential to a

proper understanding of Jewish history. This book, comprising a selection of studies drawn from the first seven volumes of Polin, provides that understanding. Written by scholars from Europe (including Poland itself), Israel, and North America, it illuminates the most critical aspects of the history of the Jews in Poland and illustrates how these issues are being treated by the leading and most innovative scholars in the field. A broad spectrum of subjects is discussed, covering the origins and development of the community and the many crises it experienced from the earliest date of Jewish settlement in Poland to the establishment of Communist rule in postwar Poland. Maps and a chronology of Polish Jewish history are also provided, and the book is prefaced by an extensive introduction by Antony Polonsky, general editor of Polin. CONTRIBUTORS: Monika Adamczyk-Garbowska, Israel Bartal, David Biale, Eugene C. Black, Jan Blonski, Norman Davies, David Engel, Jacob Goldberg, Gershon David Hundert, Krystyna Kersten, Stefan Kieniewicz, Pawel Korzec, Ewa Kurek-Lesik, Magdalena Opalski, Maria and Kazimierz Piechotka, Eugenia Prokopowna, Laura Quercioli-Mincer, M. History of the Jews in Russia and Poland

At the end of the eighteenth and beginning of the nineteenth centuries, a gradual shift occurred in the ways in which European governments managed their populations. In the Russian Empire, this transformation in governance meant that Jews could no longer remain a people apart. The identification of Jews by passports, vital statistics records, and censuses was tied to the growth and development of government institutions, the creation of elaborate record-keeping procedures, and the universalistic challenge of documenting populations. In *Jews and the Imperial State*, Eugene M. Avrutin argues that the challenge of knowing who was Jewish and where Jews were, evolved from the everyday administrative concerns of managing territorial movement, ethnic diversity, and the maze of rights, special privileges, and temporary exemptions that composed the imperial legal code. Drawing on a wealth of previously unexplored archival materials, Avrutin tells the story of how one imperial population, the Jews, shaped the world in which they lived by negotiating with what were often perceived to be contradictory and highly restrictive laws and institutions. Although scholars have long interpreted imperial policies toward Jews in essentially negative terms, this groundbreaking book shifts the focus by analyzing what the law made possible. Some Jews responded to the system of government by circumventing legal statutes, others by bribing, converting, or resorting to various forms of manipulations, and still others by appealing to the state with individual grievances and requests.

History of the Jews in Russia and Poland

A chronicle of the Jewish community in the region they called *medinat rusiya*, "the land of Russia," a region severed from the Polish-Lithuanian Commonwealth and absorbed by Tsarist Russia in 1772, now in eastern Byelorussia. Fishman focuses on the social and intellectual odysseys of merchants, *maskilim*, and rabbis, and their varied attempts to combine Judaism and European culture. Annotation copyright by Book News, Inc., Portland, OR

The Jews of Russia and Poland

This book is the first to deal with the impact on the Jews of the area of the sovietization of Eastern Poland. Polish resentment at alleged Jewish collaboration with the Soviets between 1939 and 1941 affected the development of Polish-Jewish relations under Nazi rule and in the USSR. The role of these conflicts both in the Anders army and in the Communist-led Kosciuszko division and 1st Polish Army is investigated, as well as the part played by Jews in the communist-dominated regime in Poland after 1944.

The Jewish Pogroms in Ukraine. Authoritative Statements on the Question of Responsibility for Recent Outbreaks Against the Jews in Ukraine - Scholar's Choice Edition

From 1772-1918 Jews were concentrated more densely in Galicia than in any other area in Europe. Bartal (modern Jewish history, Hebrew University of Jerusalem) and Polonsky (Judaic and social studies, Brandeis University) are joined by a number of other scholars of Judaism to explore the Jewish community in Galicia and its relationship with the Poles, Ukrainians, and other ethnic groups. Essays include discuss of the consequences of Galician autonomy; Galician Jewish migration to Vienna; the reforms of Maria Theresa and Joseph II in the 18th century, the assimilation of the Jewish elite; and levels of literacy among Poles and Jews.
