Can You Survive the Zombie Apocalypse?

Inside these pages lies unspeakable horror. Bloodsplattering, brain-impaling, flesh-devouring horror. You've probably read your fair share of zombie stories. But this time it's different. No longer can you sit idle as a bunch of fools make all the wrong moves. All hell is about to break loose—and YOU have a say in humanity's survival. You have choices to make. Moral dilemmas. Strategic decisions. Weapons. Vehicles. Will you be a hero? Or will you cover your own ass at all costs? Can you withstand the coming hours, days, weeks, and months? Or will you die amidst the chaos and violence of a zombie uprising? Or, worst of all, will you become one of them?

Only Dead on the Inside

Raising kids can sometimes feel like society has ended, so why not go one further, and actually plan for it? From James Breakwell, who BuzzFeed called 'the funniest dad on Twitter', this hilarious book will help you through the rise of the undead, with helpful hints and tips on raising healthy, entirely human, offspring. So, hunker down, stock up on supplies (alcohol, primarily) and get ready for the long haul. Or alternatively, take the more proactive approach. Ransack your kid's toy chest/weapons locker for zombie lacerating objects, bear arms with a terrorising lightweight buggy, or (not recommended) use your baby as a human missile. With kids and with zombies, the possibilities are truly endless. And with parenting in a zombie apocalypse, the rules change. Bursting with twisted logic, questionable data, badly drawn cartoons and frank parenting advice, this is the witty book that everyone will be talking about this year. And who knows? It may even help you survive everyday life as well. Reviews for James Breakwell Hilarious! - The Sun VERY funny Twitter feed - The Daily Mail The most hilarious man on Twitter - The Telegraph The funniest dad on Twitter - BuzzFeed

Zombie Outbreak Survival: Get It Right Or Die

Captain Van Allen, USMC (Retired), a special operations trained combat officer, offers this second part in his lengthy series of public service projects. Included here is everything you need know about zombies, real zombies, to make sure you get it right and survive.-A pandemic flu outbreak will start

the zombie apocalypse.-Zombies can tell if you're dead or not. Even if you cover yourself in zombie goop and act like a zombie, they will know.-You can get infected without getting bit.-Some of us are immune. Some of us are more immune than others.-Some of us can control zombies...a little.-There is a vaccine for the Z-virus, but it has a very high death and zombification rate.Chapters: 1) Zombie Outbreak Survival: Get it Right or Die2) Zombie Outbreak Survival: Mutant Zombie Incident - Panama3) Zombie Outbreak Survival: Real Zombies, Fact vs. Fiction4) Zombie Outbreak Survival: Prevention is the Best Cure5) Zombie Outbreak Survival: The Rules6) Zombie Outbreak Survival: WeaponologyForget most of what you think you know about zombies based on Hollywood movies, TV shows, and video games. What you don't know will get you and everyone you love killed. In this public service announcement, Captain Allen offers the unfiltered and uncensored harsh reality of surviving real zombie outbreaks. He delivers expert level knowledge of zombie outbreaks, and shares recently declassified information to help you get ready for and survive the coming zombie apocalypse. Keep one fact in mind as you read Captain Allen's PSAs: Surviving a zombie apocalypse is tough, but it's tougher if you're stupid. If you want to live, read this, learn this, and ignore most of what you see or read anywhere else, before it's too late. When the fecal matter impacts the rotating aerial oscillator and you find yourself up to your eyeballs in flesh eating zombies and lunatic apocalypse hooligans, you'll be glad you took every chance you could to read every one of these definitive zombie apocalypse preparation PSAs you could get your hands on. It's not too late, yet.

20 Years After The Zombie Apocalypse

Harriette Madyson is the last woman alive. Twenty years ago her world came to an end when a zombie plague engulfed the population of Earth. At the tender age of seven she found herself in a nightmarish situation where the dead literally returned to life. Left with little to use and nowhere to hide Harri now finds herself stalked across the frozen desolate landscape of North America pursued by the former love of her life. All that she has to keep her going is the hope that she can make it home to die in peace.

Zombie Apocalypse

Hear What the Critics are Saying "Wow, what an amazing and Entertaining Book; great cast of characters, very good story with a lot of eerie twists and turns. Population Zero is by far one of the best zombie books to have come out in a long time." -Mary Jones – Valley Daily News "A must read in the horror genre. Population Zero is a book that will leave you begging for more; Five Stars All The Way." -Judy B. Cohen – Elite Media Group "Deliciously entertaining and very fun read. I bought it for a friend as a gift and she loved it as well. It's by far one of the finest zombie apocalypse books to have come out in the last decade. Highly Recommend This Book." -Dave Baker – Book Bloggers of America "Very interesting story. I highly recommend this book to any zombie lover out there. Can't Go Wrong. -Carl Mosner – Readers Cove Unlimited "Population Zero is an extremely well developed post-apocalyptic zombie tale. I really had a lot of fun reading this story. If you're looking for a phenomenal zombie book, then look no further than this one. Ten Thumbs Up." -Debra Eisner – Literary Times Inc. "My favorite zombie book this year; so far I have read more than eight. Once I started reading, I simply couldn't put it down. Great Read." -Emma Righter – Writers United Group "This story reminded me why I fell in love with reading zombie books in the first place; thank you Mr. Harding for making such an amazing and fun book. Keep up with the great story telling. Awesome Book!" -Lee Ratner – Daily Media Trends, Inc. Editorial Review Population Zero is an amazing book and a really interesting read. By the end of the book, you will feel like you have gone on an emotional rollercoaster which is not only fun, but also frightening. This zombie book is definitely one of a kind in the horror genre. If you are looking for a book that will leave you biting your nails at the edge of your seat, then look no further than Population Zero. This book is chock-full of amazing characters and terrifying zombies. Five Stars! Jim S. Stein About the Book When a scientist unleashes the deadliest virus the world has ever seen, a small group must band together to survive the zombie apocalypse; their tale is one of redemption, joy and tears. Come and join us in the town of Steel Valley. A world filled with chaos, where even the dead don't know their rightful place. Surviving a Zombie Apocalypse

When the zombie apocalypse starts, it's imperative to be ready. After the panic ensues and people are running in every direction, survivors will need to make split-second decisions that will lead them to safety or into the clutches of brain-hungry zombies. Luckily, readers have this survival guide to know

how to spot zombies, choose the best hiding places, and discern what to do when a hoard finally sniffs them out. This exhilarating book is an action-packed adventure, full of creepy images and entertaining text.

...But If a Zombie Apocalypse Did Occur

Part pop culture trope, part hypothetical cataclysm, the zombie apocalypse is rooted in modern literature, film and mythology. This collection of new essays considers the implications of this scientifically impossible (but perhaps imminent) event, examining real-world responses to pandemic contagion and civic chaos, as well as those from Hollywood and popular culture. The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion.

Zombie Apocalypse: Choose Your Fate!

Could you survive a real zombie apocalypse? Open up the book and find out! Will you take the shotgun or the machete? Do you risk life and limb to save your friends, or leave them to be dragged down by the undead? Your decisions mean life or death to you and those you encounter as you take a desperate ride through the collapse of civilization and the rise of the dead! Can you survive?

Twenty Years After - The Zombie Apocalypse

Harriette Madyson is the last woman alive. Twenty years ago the world came to an end when a zombie plague ravaged the population of Earth. At the tender age of seven she found herself in a nightmarish situation where the dead returned to life. Left with little to use and nowhere to hide, Harriette finds herself stalked across a frozen desolate landscape pursued by the former love of her life. All that she has to keep her going is the hope that she can make it home to die in peace.

Spice, Zombie, Apocalypse

Trainspotting meets shawn of the dead, in a drug and alcohol fuelled crash through a zombie apocalypse, oddly it turned out the only people who can survive a zombie apocalypse, are spice zombies. A squad of spice zombies must use their immunity to the pandemic that's turning everyone into real zombies, to save the last of humanity. Will the lowest of society forgive the way they have been treated and save the people who look down on them, or will they just get smashed on the free drugs and booze?

The Real Zombies of Nature

The zombie has had a bit of a renaissance over the last decade. It seems like zombies are everywhere. From recent films like World War Z to popular TV shows like The Walking Dead, we've reached peak zombie saturation in American culture. Communities throughout the country hold zombie runs and races. In 2016 the first zombie-proof house was built, complete with concrete walls that move over the structure so that it's completely sealed. Even the Centers for Disease Control and Prevention compiled a preparedness guide "in case" of a zombie apocalypse. So what's driving the zombie obsession in American culture? Where did the fear of this creature originate? In this eBook, The Real Zombies of Nature, we look at the myth of the zombie versus real instances of zombification in the natural world and engage in some scientific speculation about what would happen if myth ever became reality.

The Zombie Apocalypse Call Center

Who are you going to call, to survive the zombie apocalypse? Sam thinks his job at the Zombie Apocalypse Call Center is a joke. Zombies aren't real and the customers who call in for support about their guns and conspiracy theories are crazy! Sam knows the zombie apocalypse will never happen. Until the day it does happen... Now Sam is juggling potential romances with two of his co-workers, Michelle and Ember. His manager is micro-managing him about his call stats and customer happiness, and he has to defend the call center from invading zombies. Sam and his fellow analysts need to keep their customers alive and well-stocked with ammo, while also surviving the hordes of zombies attacking the call center. If they don't keep the call center open, then civilization as we know it will end.

War Against the Walking Dead

More than 63% of people now believe that there will be a global zombie apocalypse before 2050... So, you've got your survival guide, you've lived through the first chaotic months of the crisis, what next? Employing real science and pioneering field work, War against the Walking Dead provides a complete blueprint for taking back your country from the rotting clutches of the dead after a zombie apocalypse. You've read the novels, seen the TV shows, watched the films - now prepare for the real war against the zombies. Arm yourself with the latest scientific insight from the world's leading zombiologists including startling new analysis on why survivors must fight back within the first years of the crisis or risk being crushed by unstoppable 'meta-hordes' of the walking dead. A glimpse inside the mind of the zombie using a team of top psychics - what do the walking dead think about? Do they think at all? What lessons can we learn to help us defeat this pervading menace? Detailed guidelines on how to galvanise a band of scared survivors into a fighting force capable of defeating the zombies and dealing with various emerging groups such as end of the world cults, raiders and even cannibals! A strategic plan on how to deploy your anti-zombie forces including training your new militia, creating fleets of foraging ships and a microlight air force as well as a comprehensive tactical system for dealing with ghoulish-infested areas - the Zombie Clearing System. Features insights from real zombie fighting organisations across the world, from America to the Philippines, Australia to China - the experts offer advice in every aspect of fighting the walking dead. Packed with crucial zombie war information and advice, from how to build a city of the living in a land of the dead to tactics on how to use a survivor army to liberate your country from the zombies - War against the Walking Dead may be humanity's last chance. Remember, survival is stage one but fighting back is the future.... "Sean T. Page goes into such detail and reflection that the line between fact and fiction does not seem to exist" www.zombiemall.com

Once Upon a Zombie

What would you do if you turned on the news tomorrow morning and learned there was a Zombie Apocalypse? There are at least seven people who would not be surprised. In fact, they've been waiting their whole lives for this event. These over-educated, under-employed misfits have spent years watching old horror films about zombies, playing zombie video games and discussing what they would do if zombies invaded. They are ready. In the real world, they are labeled as freaks and outcasts. They have dead-end jobs and are looked down on by their families and society. The real world is about to end. Is it possible the least likely people to survive in the normal world could triumph in a zombie apocalypse? Is this their chance to move from the bottom to the top of the food chain?

Dr Dale's Zombie Dictionary

Worried about what to do in the event of the dead rising from their graves and trying to destroy humanity? Worry no more! With the help of numerous films and Wikipedia, Dr Dale has compiled this rigorously researched A-Z list of everything you need to know about zombies: how to recognise them, how to fight them and even how to classify them. He can answer all of your burning questions including: How can a sheep help defend me against the undead? What will the response of the Women's Institute be to an attack? What's the most useful style of dance to know in the event of the apocalypse? From the best kind of clothing to wear to the most appropriate soundtrack for a zombie apocalypse, this is the ultimate guide to preparing for and surviving the return of the undead. Full money back guarantee offered should you die in a zombie apocalypse within 30 days of purchase

The Maker's Guide to the Zombie Apocalypse

Where will you be when the zombie apocalypse hits? Trapping yourself in the basement? Roasting the family pet? Beheading reanimated neighbors? No way. You'll be building fortresses, setting traps, and hoarding supplies, because you, savvy survivor, have snatched up your copy of The Maker's Guide to the Zombie Apocalypse before it's too late. This indispensable guide to survival after Z-day, written by hardware hacker and zombie anthropologist Simon Monk, will teach you how to generate your own electricity, salvage parts, craft essential electronics, and out-survive the undead. Take charge of your environment: –Monitor zombie movement with trip wires and motion sensors –Keep vigilant watch over your compound with Arduino and Raspberry Pi surveillance systems –Power zombie defense devices with car batteries, bicycle generators, and solar power Escape imminent danger: –Repurpose old disposable cameras for zombie-distracting flashbangs –Open doors remotely for a successful sprint home –Forestall subplot disasters with fire and smoke detectors Communicate with other survivors: –Hail nearby humans using Morse code –Pass silent messages with two-way vibration walkie-talkies –Fervently scan the airwaves with a frequency hopper For anyone from the budding maker to the keen

hobbyist, *The Maker's Guide to the Zombie Apocalypse* is an essential survival tool. Uses the Arduino Uno board and Raspberry Pi Model B+ or Model 2

Living with the Living Dead

When humankind faces what it perceives as a threat to its very existence, a macabre thing happens in art, literature, and culture: corpses begin to stand up and walk around. The dead walked in the fourteenth century, when the Black Death and other catastrophes roiled Europe. They walked in images from World War I, when a generation died horribly in the trenches. They walked in art inspired by the Holocaust and by the atomic attacks on Japan. Now, in the early twenty-first century, the dead walk in stories of the zombie apocalypse, some of the most ubiquitous narratives of post-9/11 Western culture. Zombies appear in popular movies and television shows, comics and graphic novels, fiction, games, art, and in material culture including pinball machines, zombie runs, and lottery tickets. The zombie apocalypse, Greg Garrett shows us, has become an archetypal narrative for the contemporary world, in part because zombies can stand in for any of a variety of global threats, from terrorism to Ebola, from economic uncertainty to ecological destruction. But this zombie narrative also brings us emotional and spiritual comfort. These apocalyptic stories, in which the world has been turned upside down and protagonists face the prospect of an imminent and grisly death, can also offer us wisdom about living in a community, present us with real-world ethical solutions, and invite us into conversation about the value and costs of survival. We may indeed be living with the living dead these days, but through the stories we consume and the games we play, we are paradoxically learning what it means to be fully alive.

Tales of the Zombie Apocalypse Call Center

Are you prepared for the zombie apocalypse? Surviving a zombie apocalypse is no laughing matter. You need the right guns, the right gear and the right people to survive. Unfortunately the customers of the zombie apocalypse call center don't have the right guns, the right gear, or the right people supporting them. Now the world has gone mad and zombies are everywhere. Can the customers survive the zombies that are now taking over the world? Can they survive the cutthroat survivalists who are on the hunt for more supplies and guns? Can they trust each other enough to live another day? Find out the fate of the customers of the zombie apocalypse call center in this anthology which shares what happens when the zombie apocalypse gets real.

Zompoc

Meticulously researched and vigorously detailed this important survival manual is the most detailed and up-to-date book you will find to keep you and your family safe during the Zompoc (Zombie Apocalypse). This book is unique in its coverage of all Zombie strains from the viral infected fast zombies through to the shambling re-animated undead. All subjects from zombie identification, first-aid, escape techniques, household defence, combat techniques and raiding through to bartering, supplies, vehicle modification, weapons and convoy structure are all covered in great detail. With this book you can prepare for the day the Zompoc strikes and be ready to fight back and eradicate the Zombie menace from our streets. This book is illustrated throughout and even contains full plans and instructions for a post-Zompoc rebuilding of civilisation!

Dead Souls

Zombies are a common metaphor. A metaphor that's closer to our reality than we care to admit. Inside this book you will find seventeen stories of personal loss set against the backdrop of a zombie apocalypse and painted in colors of blood red and nightmare black. These stories show us that which we fear. Sometimes in overt ways that demand the kind of unflinching attention only true shock can expect. Sometimes in more subtle ways that whisper rather than shout. In either case, the truth is the truth. We all fear loss. It is the most horrible monster we could possibly face. And because in our real lives we actually must face loss at some point, the metaphor of the zombie becomes that much more horrible. Brace yourself. Turn the page and let the cold and hungry dead whisper their secrets. These are stories about the ones we loved who were taken from us too soon and in ugly ways...and who have come back to lead us into the land of the dead. Into their land of Dead Souls. These Dead Souls all died. Then they came back. And they hunger for us. *Seventeen Short Stories from: Matthew Ashcraft, Joseph Williams, Paul Anderson, M Shaw, Kenneth W Cain, Robert Essig, Andrew Risch, KT Jayne,*

Suzanne Robb, RJ Reising, Jessica McHugh, Anton Cancre, Ginny Gilroy, Jackie Gamber, Thomas Malafarina, C Bryan Brown, and Jason Downes. With an Introduction by Jonathan Maberry.

...But If a Zombie Apocalypse Did Occur

Part pop culture trope, part hypothetical cataclysm, the zombie apocalypse is rooted in modern literature, film and mythology. This collection of new essays considers the implications of this scientifically impossible (but perhaps imminent) event, examining real-world responses to pandemic contagion and civic chaos, as well as those from Hollywood and popular culture. The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion.

Zombie Apocalypse

Zombies are everywhere today and to most people they are something out of scary stories like vampires or werewolves, no more real than Santa Claus or the Easter Bunny. But are we dismissing these blood-thirsty monsters at our peril? According to several scientists who have taken on the task of proving or disproving the possibility of zombies, while it is possible that some previously unknown disease could cause symptoms similar to those associated with pop-culture zombies (a mutated disease similar to rabies perhaps), it is also unlikely. But the actual disaster behind a zombie apocalypse, a deadly global pandemic, is not only possible, it is highly probable. In “Zombie Apocalypse: The Prepper’s Guide to Pandemic Outbreak, Quarantine, and Zombie Fallout” #1 Best Selling author Macenzie Guiver shows you how it’s happened many times before and why it is likely to happen again during our lifetime. Whether the threat comes from a zombie disease or some errant strain of influenza, the threat of pandemic is real and it is something that every family must be prepared to handle in order to survive. When the 1918 Spanish Flu swept around the globe, entire families and neighborhoods were wiped out. Nearly 30% of the population of the planet were infected as many as 5.5% of the world’s inhabitants died as a result (That’s more than 1 in every 20 people dead – planet-wide). When the next pandemic comes, the only way to ensure the safety and survival of your family is to prepare now. “Zombie Apocalypse” will help you: • Understand how pandemics happen, and why we’re likely to have another one in your lifetime • Learn important lessons from past pandemics, and how some of the ones in the recent past make a Zombie outbreak look like child’s play • Know what to expect in the days and weeks following a major outbreak, there’s more than just the usual “prepper” stuff to worry about here • Determine what to do now to be ready, whether it’s Zombies, or an uber-deadly new strain of the flu virus there are some common steps to take for this type of “end of the world as we know it” scenario • Create a pandemic preparedness plan for your family and practice it. Using the Zombie angle to create your practice scenarios can add a bit of fun to an otherwise difficult and hard-to-wrap-your-head-around prepping topic From providing an understanding of how pandemics progress from Patient Zero to global catastrophe to explaining how a global pandemic will affect the society around us, this guide provides prepping families with the perspective, information, and planning steps they need to be ready to survive the next pandemic, even if that means fighting off zombies in order to do so!

Tales of the Zombie Apocalypse Call Center

Are you prepared for the zombie apocalypse? Surviving a zombie apocalypse is no laughing matter. You need the right guns, the right gear and the right people to survive. Find out the fate of the customers of the zombie apocalypse call center in this anthology which shares what happens when the zombie apocalypse gets real.

Real Zombies, the Living Dead, and Creatures of the Apocalypse

Featuring 30 chilling stories of real-life zombie encounters, this comprehensive and unsettling study draws upon traditions found throughout the world to dispel common depictions of zombies as lurching, flesh-eating automatons made popular by countless movies and books. This fascinating collection includes the stories of the Devil Baby of Bourbon Street, a monstrous creature complete with horns and tail that still lurks in the shadows of the Big Easy; Black Mama Courteaux and the great zombie

war, involving hundreds of zombie soldiers battling for the supremacy of their queen; and the swamp child of Mama Cree, who still roams the bayous of Louisiana. In addition to the stories, a variety of zombie-related facts are explored, including ceremonies and initiations, zombies throughout history, sacred zombie and voodoo-related sites, and zombies and monsters of the Bible.

Zombie Democracy

In *Exit Zero*, the first book of the *Exit Zero Zombie* trilogy, we witnessed the first 48 hours of the zombie apocalypse as it begins in New Jersey. In the second book, *Nuke Jersey*, the Garden State is sealed off as a giant quarantine zone in an attempt to contain the Skell virus. The newly sworn in President chooses to lead the fractured country from Cape May. New threats and mutations emerge as the Skell virus grows strong, but is it Jersey Strong? *Zombie Democracy* is the final book in the trilogy. The Skell virus has now spread nationwide, and the public has demanded an election be held between two rivals, the current President and his challenger, a smooth-tweeting cyber-terrorist. And who are the Virus Infected Non-Necrotic Individuals, or VINNI's, and why are they both sought after and feared? There has never been an election season as crazy as *Zombie Democracy*.

After the Apocalypse Book 1 Resurrection: A Zombie Apocalypse Political Action Thriller

Five years after the Rise of the Furies, the walking dead are dying out. Bites don't infect . . . but anyone who dies, turns. Skilled outdoorsman Tom Vanicek wants a future for the two children he's protected so fiercely through five years of living hell. When rumors reach them about reconstruction efforts in the decaying ruins of Columbus, Ohio, the family make the dangerous overland trek for the chance to begin again. But political alliances, secret factions, doomsday cultists, and other ruthless survivors mean life in a broken city of more than 60,000 traumatized and desperate souls may prove even more dangerous than surviving in the wild. "The freshest take on the genre in years - and without losing anything cool" - advanced reader review "Like *Game of Thrones* in the zombie apocalypse" - advanced reader review Fans of *The Walking Dead* and George A Romero will love *After the Apocalypse* because it's a fresh new take on the zompoc genre looking at the struggles to rebuild society when daily life can turn deadly any moment. Click to buy.

The Zombie Apocalypse Call Center

Who are you going to call, to survive the zombie apocalypse call center? Sam thinks his job at the *Zombie Apocalypse Call Center* is a joke. Zombies aren't real and the customers who call in for support about their guns and conspiracy theories are crazy! Sam knows the zombie apocalypse will never happen. Until the day it does happen... Now Sam is juggling potential romances with two of his co-workers, Michelle and Ember. Survival After The Zombie Apocalypse

We guarantee this is the only tool you need to survive the zombie apocalypse. OK, that's not really true. But when the SHTF you're going to want a survival guide that's not just geared toward day-to-day survival. You'll need one that addresses the essential skills for true nourishment of the human spirit. Living through the end of the world isn't worth a damn unless you can enjoy yourself in any way you want. (Except, of course, for anything having to do with abuse. We could never condone such things. At least the publisher's lawyers say we can't.) We can't guarantee this guide will save your life. But we can guarantee it will keep you smiling while the living dead are chowing down on you.

Zombie Apocalypse Preparation

Human Reanimation Virus (HRV) has spread around the globe and most of the major cities have fallen or been destroyed. As a new race of intelligent zombies rise to power, the remaining pockets of human resistance make a last, desperate stand in the ruins of a world on the brink of unimaginable change. With the final pieces of the epic puzzle falling into place, a centuries-old Endgame is revealed through a series of interconnected documents – emails, articles, reports, diaries and eyewitness accounts – as past and future hang in the balance. In this third and final volume of the original best-selling *Zombie Apocalypse!* trilogy, Thomas Moreby's plan for world domination is finally revealed in all its mad glory,

as the very fabric of time and space is ripped apart and history itself is about to be changed forever . . . Praise for previous *Zombie Apocalypse!* novels: There is a sense that events are building to a climax and each episode moves things forward. The Eloquent Page A phenomenal undertaking . . . *Zombie Apocalypse!* is a great read for any zombie fan. SF Site

Zombie Apocalypse! Endgame

It might be a matter of life and death whether the stink coming from a sibling's bedroom is smelly socks or the odor of the undead, as in *zombies!* So, the real-life scientific methods and vocabulary in this entertaining and enlightening volume could save a life. Readers will be riveted as they're carefully trained to become paranormal investigators. They'll learn to make predictions, identify variables, analyze outcomes, and possibly avert a zombie apocalypse. They'll also delve into intriguing information about the mythology of zombies as well as bizarre zombie-like behaviors found in nature.

Zombie Investigators

Far away from human civilization, Maggie Quinn is working on a scientific project in the Arctic. She has no problem being all alone, until a frantic, rambling man shows up and tells her that the world has been overrun by a zombie apocalypse. Is the man crazy, or is the world truly in peril? Unable to contact anyone else, Maggie initially tells herself that there's no way zombies can be real. Once the strange man has left, she tries to focus once again on her work, but then she starts to notice strange things in the forest. Something is killing foxes, and mysterious tracks in the snow suggest that Maggie's no longer alone. Still unable to believe that zombies are real, she remains determined to stick to her work. And then, one day, a rotten, lumbering creature stumbles into view. Is the world really falling apart? Does a bite on her arm mean that Maggie herself is in danger of becoming a zombie? And what kind of evil lurks in the shadows at an abandoned farm?

I'm Not a Zombie

Brutal, agonizing convulsions simultaneously strike a quarter of the Earth's population. There is no warning and no discernible pattern regarding race, age, gender, or region. The afflicted die within moments of one another. Seven minutes later they rise again and attack the living. The speed at which the disaster happens is too great for any organized response. Towns are overrun. The government and military find themselves unable to react. Civilization crumbles in a matter of hours. By the end of the first day, the streets are filled with shambling corpses, mindless beings driven solely by the desire to feed. Jacob Thornton decides his only chance is to abandon his home. Fleeing the city, he travels north, encountering other survivors on the way. Together, they gather supplies, seek a place of safety, and discover through trial and error how to defend against the zombies. Yet, the creatures never stop moving, and they have begun to leave the population centers, spreading across the land.

Sanctuary

Death walks on a billion legs The world of zombies has reached a tipping point. The cure is out there, but can it be unlocked before the number of infected swells beyond counting? Liam and his girlfriend climb out of the Mississippi River after having survived twenty days of the zombie apocalypse. Their many adventures while looking for the cure could probably fill a book. However, today, only one thing matters to them: escaping the horde. Marty Peters is also on the run nearby, but the horde is not after her. She is pursued by just one zombie. It doesn't sound like much, but the fear is every bit as real, because it also happens to be her son. Liam and Marty must find ways to evade the looming zombie threats in the nearby farmlands, but ultimately their only hope is to find each other. Each of them contains biometric data necessary to unlock the ultimate cure. That salvation is three states over and beyond cities full of zombies. They'll be pursued the whole way. Let the escape begin. --- This book was originally published as a standalone. Due to reader demand, I've re-labeled the story as book 7, putting it where it belongs in the journey started in book 1, *Since the Sirens*.

Zombie Escape

A humorous look through the eyes of a man desperately trying to entertain his friends and family during the COVID 19 Pandemic in a pathetic attempt to stop himself going insane ... It didn't work. Over 100 colour photos of daily events. All profits from the sale of this will go to the NHS. The real heroes during this crisis. <https://nhscharitiestogether.justgiving.com/> Day 3033 *Zombie Apocalypse* *Isolation is now

the norm and everyone is used to staying in their own homes to safeguard against an invisible killer. The only ones that break the curfew are the young who are feral and who think they're immortal and the old who don't care since Loose Women went off the air. The police take away anyone they catch who breaks the curfew, never to be seen again. *Every day we walk round the block for our daily exercise in this dystopian reality. Social distancing is built into us; we greet each other with a wave but never a hug or shake hands. No one knows what a kiss is. The human race is slowly dying out due to a lack of new born babies. *Food is bought using a barter system or the new currency which is toilet paper. *And every Thursday we all go outside to the front of our house and clap to the mystical NHS and Keyworkers. No one remembers how this ritual started as its origin has been lost in the midst of time. * Mother Nature is slowly reclaiming what is rightfully hers. *The only good news is that Mr Wibbles has declared himself Lord Ruler of the Earth and as his best friend I get all the toilet paper I need! * Stay safe everyone. All hail Mr Wibbles, keeper of the Loo Roll *P.S. My beard is down to my knees and a Robin has moved in and set up a nest. I call him Fred.

Zombie Apocalypse - a COVID-19 Lockdown Diary

EARTH'S DARKEST HOUR IS ABOUT TO GET DARKER. The outbreak killed many and forced the rest to evacuate towns and cities. In the Midwestern United States, a refugee camp shelters hundreds of survivors from the harsh reality of the new world. But how safe are they? Some suspect that their military overseers aren't being completely honest with them. Others know more than they are willing to admit. The Graham family are about to have any semblance of security ripped away. Together with their new found allies, they will have to learn how to survive in the realm of the dead, where there's nowhere to hide and human flesh has become the ultimate prize. Season one of this terrifying and bleak zombie apocalypse series contains eight episodes. This publication also includes Finite: a poem by Ian Futter.

Everything Dies: Season 1

"The end was near." --Voices from the Zombie War The Zombie War came unthinkably close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors from those apocalyptic years, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. World War Z is the result. Never before have we had access to a document that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. Ranging from the now infamous village of New Dachang in the United Federation of China, where the epidemiological trail began with the twelve-year-old Patient Zero, to the unnamed northern forests where untold numbers sought a terrible and temporary refuge in the cold, to the United States of Southern Africa, where the Redeker Plan provided hope for humanity at an unspeakable price, to the west-of-the-Rockies redoubt where the North American tide finally started to turn, this invaluable chronicle reflects the full scope and duration of the Zombie War. Most of all, the book captures with haunting immediacy the human dimension of this epochal event. Facing the often raw and vivid nature of these personal accounts requires a degree of courage on the part of the reader, but the effort is invaluable because, as Mr. Brooks says in his introduction, "By excluding the human factor, aren't we risking the kind of personal detachment from history that may, heaven forbid, lead us one day to repeat it? And in the end, isn't the human factor the only true difference between us and the enemy we now refer to as 'the living dead'?" Note: Some of the numerical and factual material contained in this edition was previously published under the auspices of the United Nations Postwar Commission. Eyewitness reports from the first truly global war "I found 'Patient Zero' behind the locked door of an abandoned apartment across town. . . . His wrists and feet were bound with plastic packing twine. Although he'd rubbed off the skin around his bonds, there was no blood. There was also no blood on his other wounds. . . . He was writhing like an animal; a gag muffled his growls. At first the villagers tried to hold me back. They warned me not to touch him, that he was 'cursed.' I shrugged them off and reached for my mask and gloves. The boy's skin was . . . cold and gray . . . I could find neither his heartbeat nor his pulse." --Dr. Kwang Jingshu, Greater Chongqing, United Federation of China "Shock and Awe? Perfect name. . . . But what if the enemy can't be shocked and awed? Not just won't, but biologically can't! That's what happened that day outside New York City, that's the failure that almost lost us the whole damn war. The fact that we couldn't shock and awe Zack boomeranged right back in our faces and actually allowed Zack to shock and awe us! They're not afraid! No matter what we do, no matter how many we kill, they will never, ever be afraid!" --Todd Wainio, former U.S. Army infantryman

and veteran of the Battle of Yonkers "Two hundred million zombies. Who can even visualize that type of number, let alone combat it? . . . For the first time in history, we faced an enemy that was actively waging total war. They had no limits of endurance. They would never

World War Z

Would the real monster please step forward... Frank's Purpose is very clear to him. He doesn't know whether his wife brings him more joy, or his son; and there's no need to decide. All is right with Frank's world...until everything changes for him. Maria's Hero is always home from work on time. When he doesn't show, she knows that something is terribly wrong. Her only hope is to keep it together, and try to save what is left of her family. Carla's Prayer gets interrupted by shocking news. She was asking for guidance, for the best way she could help; what she got was a zombie apocalypse. Now almost everyone needs help from someone. The Heart of the Monster is the sixth volume in the Zombie Zero short story collection. It explores the lives of those that would live as monsters during the calamity documented in *Zombie Zero: The First Zombie*.

The Heart of the Monster

It's the story of her career - if it doesn't kill her first! Razor-sharp young news reporter Anna Novak's first day in a new job at the Springfield Gazette coincides with a rash of unusual police reports. Road rage. Domestic violence. A few murders. A big spike in police shootings. And then it gets really bad. Are Anna's fellow citizens truly rising from the dead? And if the "Furies" are victims of some kind of virus, why don't their bites infect? Could Springfield be the center of an outbreak now threatening the whole world? And would the President really order nuclear weapons on the American people? And then there's rumors about the CIA.... Reporting the Apocalypse is a prequel to the popular After the Apocalypse series by Warren Hately. Fans of *The Walking Dead* and George A Romero's classic *Dawn of the Dead* will love Reporting the Apocalypse because it's an action-packed ride following an ambitious young reporter and her team chasing answers live as the world goes to hell. Reporting the Apocalypse Book 1 Frontline

UK Edition It begins with a flight into Heathrow Airport. It ends up at Matt Hawkins' front gate, in a crowd of savage, lumbering bodies. An epidemic is sweeping Great Britain, transforming countless victims into mindless predators and forcing Matt and his little brother, Danny, out of the safety of their late parents' privileged legacy and into a rapidly changing world. Every day is vital. Every action counts. As the brothers make alliances and learn to defend themselves and their home against an unthinkable enemy, choices are made, some with devastating consequences. In the midst of this nightmarish fight to survive, Matt begins to learn what is truly important to him, and exactly what it means to be human. Bursting with Craig Jones' signature swift pacing and squirm inducing details, this is a story destined for your library. Review This story is clearly written by not just a fan of the genre but also someone who knows what makes it tick. What we get here is a personal drama set around a zombie outbreak, and this is something that really adds to the power of the story and something that I would recommend to any reader of zombie fiction as we witness the mental journey and torment of our key protagonist. 4 Stars. –Zombiepedia.com
