A Father's Book of Wisdom

"A few weeks after Dad passed away," says H. Jackson Brown, Jr., the compiler of A Father's Book of Wisdom, "we found eight shoeboxes in his closet filled with scraps of paper all covered with ideas Dad thought were profound, interesting, or merely amusing." The result is one father's view of life and what he thought about the importance of self-reliance, commitment, love, generosity, and success. It contains 159 quotes from Socrates, Eleanor Roosevelt, Andrew Jackson, Mother Teresa, and many others covering such topics as achievement, courage, happiness, parenting, success, and values. Quotations such as "If you're looking for a big opportunity, seek out a big problem" and "Life doesn't come with an instruction book - that's why we have fathers" communicate an upbeat, positive view of the world that will inspire and charm the reader. It is the perfect gift book for Father's Day, graduation, or any time of the year, and may even inspire you to jot down a few notes of your own.

Life's Little Treasure Book on Fathers

What does it really mean to be a good father? What did your father tell you, that has stayed with you throughout your life? Was there a lesson from him, a story, or a moment that helped to make you who you are? Is there a special memory that makes you smile when you least expect it? After the publication of Tim Russert's number one New York Times bestseller about his father, Big Russ & Me, he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers, most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments—of advice, tenderness, strength, honor, discipline, and

occasional eccentricity. Most of these daughters and sons were eager to express the gratitude they had carried with them through the years. Others wanted to share lessons and memories and, most important, pass them down to their own children. This book is for all fathers, young or old, who can learn from the men in these pages how to get it right, and to understand that sometimes it is the little gestures that can make the big difference for your child. For some in this book, the appreciation came later than they would have liked. But as *Wisdom of Our Fathers* reminds us, it is never too late to embrace it. From the father who coached his daughter in sports (and life), attending every meet, game, performance, and tournament, to the daughter who, after a fifteen-year estrangement, learned to make peace with her difficult father just before he died, to the son who came, at last, to appreciate the silent way his father could show affection, *Wisdom of Our Fathers* shares rewarding lessons, immeasurable gifts, and lasting values. Heartfelt, humorous, engaging, irresistibly readable, and bound to bring back memories of unforgettable moments with our own fathers, Tim Russert's new book is not only a fitting companion to his own marvelous memoir, but also a celebration of the positive qualities passed down from generation to generation.

Wisdom of Our Fathers

"I am still waiting for my father to talk to me about sex and success, money and marriage, religion and raising kids. Since he died in 1991, I guess I don't have much chance of ever benefiting from all the lessons he learned in life. It's not that he was a bad dad; he was just a quiet one." The opening lines of *Wisdom of Our Fathers* describes a regret that grew into this blessing of a book. Joe Kita's sense that he had missed a chance to learn from his father led him to a journey through the hearts of other men with some mileage on them. He talked to bartenders and doctors and salesmen, professors and farmers and teachers, lawyers and pastors, a 70-year-old who held the senior record for the 100-meter run, even a 93-year-old who had gone to Antarctica with Admiral Byrd. His questions were basic: What's the key to happiness? How do you find God? When should you marry? What's the one thing in life you shouldn't miss? What matters? Their answers were straight from the heart. *Wisdom of Our Fathers* makes a joyful, manly sound, gathering the lessons these men learned, through blunder and success, at war and at home, through love, loss, and just plain keeping on. A book of reminiscence and inspiration, it's a story of perspective and passion, a harvest of lives deeply lived.

Wisdom of Our Fathers

At once spiritual and practical, *Letters to My Son* has been beloved by readers from all walks of life, including single mothers seeking guidance in raising a son, fathers looking to share a voice of clarity about life's most important issues, and young men wanting an intelligent, sensitive, and streetwise companion on the journey toward a worthy manhood. In this twentieth anniversary edition, Kent Nerburn adds to his classic reflections on love, marriage, travel, money and wealth, tragedy and suffering, spirituality, sex, and the true meaning of strength, with new chapters on sexual identity and the difficulty of moving on (from relationships, homes, and stages of life). Unique in its profound simplicity and timeless insight, *Letters to My Son* is a book to savor and a gift to give to anyone looking for clear and gentle guidance on the big issues in life.

Letters to My Son

Folded Wisdom is an inspirational testament to the depth of a father's love for his children, and an intimate look into beautiful, raw, human communication. Within the pages of this book, Joanna Guest shares the insightful notes her father drew for her and her brother Theo every day for nearly 15 years. For her entire childhood, Joanna's father, Bob, had a ritual: wake up at dawn, walk the dog, and sit down at the kitchen table with a blank pad of paper and plenty of colored markers to craft notes for his two children. Over the years, word games and puzzles for five-year-olds morphed into thoughtful guidance and reflections for his teenagers approaching adulthood. Now, with more than 3,500 of her father's colorful notes in hand, Joanna has decided that the lessons tucked inside are worth sharing. *Folded Wisdom* highlights the collection of Bob's notes, telling a story filled with universal values that encourages meaningful self-reflection – about how we all face successes and failures; express happiness and sadness; and communicate frustration, praise, and love to one another. Heartfelt and full of possibility for the future, a father's folded notes and drawings are timeless reminders of love.

In early 2019 while in search of parenting advice, father of three young boys, Topgolf Chief Operating Officer, and author, Craig Kessler, asked a handful of friends to write him a letter on “how to be a good dad.” The responses he received inspired him, in turn, to begin compiling additional letters for a work which would come to be known as The Dad Advice Project. Now, a little more than two years later, the completed book includes stories and advice from dads and granddads. As a former Boys & Girls Club member, Craig Kessler is proud to support the mission of Boys & Girls Clubs of America to help every young person reach their full potential. DadAdviceProject.com

The Dad Advice Project

This book is a book of quotes, maxims, and inspirational statements from new fathers to their children. These statements encompass life, happiness, love, and gender. Well intertwined are illustrations that depict the meaning of the inspirational statements. The idea for this book came upon the birth of yet another child in this circle of these friends. In doing so, the new father found himself saying things late at night and in the early morning hours to his son that were both meaningful and inspirational. This book is a compilation of other words of wisdom from young fathers. The book's purpose is three fold: 1) to inspire fathers, young and old, 2) to provide words of wisdom to whisper or boldly input into the lives of children, and 3) to portray the awesome power of a father's love.

Dad's Playbook

It began with a simple question: "One day I found myself asking my father, across the chasm between us, 'Hey Dad, you want to climb the highest mountain in Colorado?'" And for Nathan Foster and his father, Richard, that simple question changed everything. With no hiking experience to draw on, they embarked on a journey of physical challenge, discovering just how far they could push themselves. For Nathan a parallel journey took him inside himself. Having grown up in the shadow of a famous father, Richard J. Foster, author of Celebration of Discipline, Nathan had a lot of questions about who his father really was. Would hiking open the door for him to get to know this distant figure? As the one-time experiment evolved into a decade of challenging hikes up Colorado's 14,000-foot peaks, the Fourteeners, Nathan navigated his twenties—finishing college, choosing a career, a possible cross-country move, the early years of marriage and a major personal crisis. Along the way he would discover exactly what his father could offer him. This book also includes an afterword by Richard J. Foster, author of Celebration of Discipline and coauthor of Longing for God.

The Wisdom of Our Fathers

In the history of Christianity, the age of the apostles gave way to the age of the Church Fathers - which is the hinge connecting the New Testament era to the rest of Christian history. But who are the Church Fathers? And what, if anything, can they teach us today? Author Jimmy Akin gathers the wisest, most practical teachings and exhortations from the Fathers of the Church, to show us that our Christian forbearers have much wisdom from which we can learn. Presented in a format perfect for daily meditation and inspiration, these classic translations will become a beacon of light to the faithful, as they were to the church leaders, laity, and the theologians that came before.

Wisdom Chaser

Until now, fathers have been the last undiscovered country. Even when they're in our midst, drinking coffee in the kitchen, tinkering in the garage, laughing, yelling, making us feel 3 inches high or 10 feet tall, our fathers are often mysterious. Far too often, the old-fashioned virtue of being the strong, silent type builds a wall between us and our fathers. Fathers aren't much for a lot of talk, and in the years before we leave home, few of us can count listening as our strong suit.

Words of Wisdom from the Church Fathers

I start the story on Christmas in the year 2004 and finished it in October 2005. The reason it took me this long even when I have all the story in my mind is my time was very short to sit at the computer and type. It is about an innocent man looking for a job and he ends up in a trap. They hired him to kill, but the plan was killing the President, so he did what he was hired for, but inside the jail was a shocking surprise. I hope you like the story.
