DEEPER, LOUDER, HARDER: Love and Lust in Three Stories

Charlotte Goodtree is all that stands between her family's plantation and destruction. The only problem? She's black. Her family's white, and the handsome contractor responsible for all the damage has no idea how much it's going to cost them both... Gabrielle Harris is embarking on her first big tour as the opener for a Grammy winning rapper. She thinks he's sexist thug, and he's given up on love after facing terrible obstacles on the stage of life... So why can't they stop thinking about each other? Lisa Tyrell has climbed the corporate ladder out of poverty and into the corner office as an executive secretary. Her boss is a domineering perfectionist that just can't seem to live without her--is it really because she's so good at her job? Or do they share a deep, secret longing, the kind of bond only the most sensitive Dominant can draw out of his submissive... Each of these strong women walks into a situation where there's no escape from their feelings... And in the end, they don't even want to. Passions run high as time runs out... DEEPER, LOUDER, HARDER is a compilation of three novellas that are available individually as ebooks. JORJA TABU's imagination explores the love between three black women and men of a different color, where no one is who you expect, and the sex follows suit.

Ravished by a Highlander

FORBIDDEN LOVE Davina Montgomery is no ordinary English lady. For her own protection, she's been locked away from society, her true identity the Crown's most closely guarded secret. Until a shocking betrayal--and a bold rescue--land her in the arms of a fierce Highlander, a powerful warrior whose searing gaze and tantalizing touch awaken her body and soul. UNDENIABLE DESIRE As the firstborn son of a powerful Scottish laird, Robert MacGregor has no loyalty to the English throne, but he's not the kind of man to leave a woman in distress, even if she is English. He vows to deliver Davina to safety, unharmed and untouched. Yet one stolen kiss leaves them both smoldering with desire...and desperate

for more. With Davina's secret threatening to destroy his clan, Rob must choose between everything he holds dear and the one woman he can't live without. **RAVISHED BY A HIGHLANDER**

On the Blue Comet

Trains and time travel spur one boy's thrilling adventure as he seeks to rejoin his father in a new classic from Rosemary Wells and Bagram Ibatoulline. (Age 10 and up) One day in a house at the end of Lucifer Street, on the Mississippi River side of Cairo, Illinois, eleven-year-old Oscar Ogilvie's life is changed forever. The Crash of 1929 has rippled across the country, and Oscar's dad must sell their home--with all their cherished model trains--and head west in search of work. Forced to move in with his humorless aunt, Carmen and his teasing cousin, Willa Sue, Oscar is lonely and miserable--until he meets a mysterious drifter and witnesses a crime so stunning it catapults Oscar on an incredible train journey from coast to coast, from one decade to another. Filled with suspense and peppered with witty encounters with Hollywood stars and other bigwigs of history, this captivating novel by Rosemary Wells, gorgeously illustrated by Bagram Ibatoulline, resonates with warmth, humor, and the true magic of a timeless adventure.

Variable Star

A never-before-published masterpiece from science fiction's greatest writer, rediscovered after more than half a century. When Joel Johnston first met Jinny Hamilton, it seemed like a dream come true. And when she finally agreed to marry him, he felt like the luckiest man in the universe. There was just one small problem. He was broke. His only goal in life was to become a composer, and he knew it would take years before he was earning enough to support a family. But Jinny wasn't willing to wait. And when Joel asked her what they were going to do for money, she gave him a most unexpected answer. She told him that her name wasn't really Jinny Hamilton---it was Jinny Conrad, and she was the granddaughter of Richard Conrad, the wealthiest man in the solar system. And now that she was sure that Joel loved her for herself, not for her wealth, she revealed her family's plans for him---he would be groomed for a place in the vast Conrad empire and sire a dynasty to carry on the family business. Most men would have jumped at the opportunity. But Joel Johnston wasn't most men. To Jinny's surprise, and even his own, he turned down her generous offer and then set off on the mother of all benders. And woke up on a colony ship heading out into space, torn between regret over his rash decision and his determination to forget Jinny and make a life for himself among the stars. He was on his way to succeeding when his plans--and the plans of billions of others--were shattered by a cosmic cataclysm so devastating it would take all of humanity's strength and ingenuity just to survive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Iron Crown

After the last Faerie Civil War, the leaders of the magickal pantheons stripped the shining Seelie Court of its power and tasked the dark Unseelie Court with maintaining the natural balance of the world. Ages later, a twisted intrigue throws the balance of all Faerie into ruin and ignites a new civil war. Discounted by his family and haunted in the Unseelie sidhe, Queen Mab's youngest son, Lugh, leads the Wild Hunt on quests across the dangerous Wylds. At his side is his best friend Keiran, a Viking rescued from death centuries earlier. Between Lugh's uncanny gift for being in the right place at the right time and Keiran's power of persuasion, they're revered across the Wylds—as long as Lugh keeps his true identity hidden from the people of the Sluagh. Keiran and Lugh have loved each other for centuries—as friends and brothers in arms. Lugh has long since put aside his romantic love for Keiran to protect their friendship. But with the looming war in Faerie and the ghosts of the dead dogging Lugh's every move, Keiran realizes there may be room for romance between them after all, if only they can survive. Rallying the Sluagh to fight in the looming war between the Seelie and Unseelie seems an impossible task. To achieve it, these childhood best friends will have to free Lugh from the restless souls haunting him and turn the tides threatening not only their growing love, but the balance of life and death itself. The Darkest Court Book 1: Prince of Air and Darkness Book 2: The Marked Prince Book 3: The Iron Crown Whitethorn Agency Book 1: Rare Vigilance Book 2: Crooked Shadows Book 3: Imitate the Dawn

My Sister's Grave

"Motivated by the opportunity to obtain real justice for her sister who disappeared twenty years ago, Tracy became a homicide detective with the Seattle PD. When her sister's remains are finally discovered

near their hometown in the northern Cascade Mountains of Washington State, Tracy is determined to get the answers she's been seeking"--

Cyclopædia of Political Science, Political Economy, and of the Political History of the United States: Abdication-Duty

Influential German sociologist Franz Oppenheimer invigorated the intellectual discourse of the early twentieth century with the controversial ideas he sets forth in his masterwork, *The State*. In it, Oppenheimer rejects the centuries-old notion of the social contract espoused by political philosophers such as John Locke. Instead, he posits that the state is a tool of oppression via which the ruling classes exert their power over less fortunate groups.

The State

Elizabeth Pennington has come to the war-torn South American country of Callivera to volunteer at a tiny mission. Kidnapped by the local rebels who are more interested in ransom than politics, she ends up at their camp in the Andes where she meets Finn MacGowan, member of the infamous Committee, a covert organization dedicated to destroying terrorism. MacGowan has been held hostage for almost three years, and he's chosen the night she arrives as the night he plans to escape. When he does, she follows him, heading down the steep mountainous terrain with another hostage, the teenage son of a Hollywood millionaire. Rebels, soldiers, traitors and near-drowning follows them on their journey. As they travel from the mountain fortress to a transatlantic freighter, an old cafe in Spain, and ending in a shootout at a farmhouse in France, MacGowan reluctantly falls in love, and Beth learns that the cynical, dangerous soldier of fortune might be worth saving after all.

On Thin Ice

The New York Times bestseller, from the author of *Powers and Thrones*, that tells the story of Britain's greatest and worst dynasty—"a real-life *Game of Thrones*" (*The Wall Street Journal*) The first Plantagenet kings inherited a blood-soaked realm from the Normans and transformed it into an empire that stretched at its peak from Scotland to Jerusalem. In this epic narrative history of courage, treachery, ambition, and deception, Dan Jones resurrects the unruly royal dynasty that preceded the Tudors. They produced England's best and worst kings: Henry II and his wife Eleanor of Aquitaine, twice a queen and the most famous woman in Christendom; their son Richard the Lionheart, who fought Saladin in the Third Crusade; and his conniving brother King John, who was forced to grant his people new rights under the Magna Carta, the basis for our own bill of rights. Combining the latest academic research with a gift for storytelling, Jones vividly recreates the great battles of Bannockburn, Crécy, and Sluys and reveals how the maligned kings Edward II and Richard II met their downfalls. This is the era of chivalry and the Black Death, the Knights Templar, the founding of parliament, and the Hundred Years' War, when England's national identity was forged by the sword.

The Plantagenets

An American release of an award-winning debut novel from Israel finds epilogist Ben Mendelssohn committing suicide after the death of his beloved wife and encountering a curious material afterlife where he reconnects with long-departed family members but cannot find his wife.

The World of the End

"Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers--a.k.a. 'frogmen'--are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges--and even fishing nets. Scariest of all, it falls to Fergus to discover where the enemy has placed their mines, a job as painstaking as it is dangerous"--Dust jacket flap.

Minesweeper

Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

The Art of South and Southeast Asia

Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts – and people – of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

The Infinite and The Divine

Following his profoundly influential study, *Orientalism*, Edward Said now examines western culture. From Jane Austen to Salman Rushdie, from Yeats to media coverage of the Gulf War, *Culture and Imperialism* is a broad, fierce and wonderfully readable account of the roots of imperialism in European culture.

Culture and Imperialism

In a world where magic has gone mainstream, a policewoman and a group of petty criminals are pulled into a heist to find a forbidden book of spells that should never be opened. A new adventure begins in the world of the Laundry Files. *Dead Lies Dreaming* presents a nightmarish vision of a Britain sliding unknowingly towards occult cataclysm . . . 'Grim, hilarious, inventive - make the video game now please' Tamsyn Muir

Kalidasa Translations of Shakuntala, and Other Works

When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in *The Goodriches: An American Family*, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. *The Goodriches: An American Family* begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men." In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, "The Indiana Goodriches are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America,' both as a motivation for action and as a source of emotional self-confidence. We have lost that which the Goodriches possessed." What did the Goodrich family "possess" which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, "The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . ." According to author Dane Starbuck, "Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life." In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

Dead Lies Dreaming

How Zen Became Zen takes a novel approach to understanding one of the most crucial developments in Zen Buddhism: the dispute over the nature of enlightenment that erupted within the Chinese Chan (Zen) school in the twelfth century. The famous Linji (Rinzai) Chan master Dahui Zonggao (1089–1163) railed against "heretical silent illumination Chan" and strongly advocated kanhua (koan) meditation as an antidote. In this fascinating study, Morten Schlütter shows that Dahui's target was the Caodong (Soto) Chan tradition that had been revived and reinvented in the early twelfth century, and that silent meditation was an approach to practice and enlightenment that originated within this "new" Chan tradition. Schlütter has written a refreshingly accessible account of the intricacies of the dispute, which is still reverberating through modern Zen in both Asia and the West. Dahui and his opponents' arguments for their respective positions come across in this book in as earnest and relevant a manner as they must have seemed almost nine hundred years ago. Although much of the book is devoted to illuminating the doctrinal and soteriological issues behind the enlightenment dispute, Schlütter makes the case that the dispute must be understood in the context of government policies toward Buddhism, economic factors, and social changes. He analyzes the remarkable ascent of Chan during the first centuries of the Song dynasty, when it became the dominant form of elite monastic Buddhism, and demonstrates that secular educated elites came to control the critical transmission from master to disciple ("procreation" as Schlütter terms it) in the Chan School.

American Slavery as it is

A wonderful new story of friendship against the odds, set in the Victorian world of the much-loved Hetty Feather. Rose Rivers is the daughter of a wealthy artist and lives in luxury in a beautiful home with her siblings. But despite her comfortable life, something is missing - could a new friend be just what Rose is looking for? Beautifully illustrated by Nick Sharratt, Rose Rivers is a brilliant new addition to Hetty Feather's world, by the award-winning and bestselling Jacqueline Wilson.

The Goodriches

Reproduction of the original: Society, Manners and Politics in the United States by Michael Chevalier

How Zen Became Zen

The matriarchate -- Celibacy -- Canon law -- Marquette -- Witchcraft -- Wives -- Polygamy -- Woman and work -- The church of to-day -- Past, present, future.

Rose Rivers

Star D'Apliese is at a crossroads in her life after the sudden death of her beloved father - the elusive billionaire, named Pa Salt by his six daughters, all adopted by him from the four corners of the world. He has left each of them a clue to their true heritage, but Star - the most enigmatic of the sisters - is hesitant to step out of the safety of the close relationship she shares with her sister CeCe. In desperation, she decides to follow the first clue she has been left, which leads her to an antiquarian bookshop in London, and the start of a whole new world.

Society, Manners and Politics in the United States

"Pushing to the Front" is a 1911 self-help book by Orison Swett Marden that includes true stories of extraordinary achievement from humble beginnings or in the face of significant adverse, specially chosen to inspire the reader and motivate them to realise their full potential in life. Contents include: "The Man and the Opportunity", "Wanted – A Man", "Boys with No Chance", "The Country Boy", "Opportunities Where You Are", "Possibilities in Spare Moments", "How Poor Boys and Girls Go To College", "Opportunity Confronts You – What Will You Do With It?", etc. Dr. Orison Swett Marden (1848–1924) was an American author of inspirational books. He wrote primarily on the subject of being successful and founded "SUCCESS" magazine in 1897. Marden's books deal with attaining a fruitful and well-rounded life, with many of his ideas being based on the New Thought movement.

Woman, Church, and State

This installment in the New York Times bestselling I Survived series from Lauren Tarshis shines a spotlight on the Normandy landings, just in time for the 75th anniversary of D-Day!

The Shadow Sister

Thirteen-year-old Theo, who has lived in seclusion his entire life, discovers he is the descendant of the Candle Man, a Victorian vigilante with the ability to melt criminals with a single touch.

Pushing to the Front

In the early morning hours of January 31, 1968, New Year fireworks gave way to gunfire and bombs. Eleven-year-old Minh watched in horror as her father and two siblings were gunned down by the Vietcong in their backyard. Though she escaped the bullets that night, prison, torture, and rape would follow. The tragedy of her childhood would haunt Minh for the rest of her life and lead her to question God's very existence. Why had He turned His back? What had she done to deserve such punishment? Was she beyond redemption? Minh's dramatic story of escape from war-torn Vietnam, as well as dangerous and unhealthy relationships throughout her life, is told with raw sincerity. *Straining Forward* is a riveting, spiritual journey of hope and healing that reminds readers that we are all more than victims of circumstance and that even in the loneliest and most desolate moments, we are never truly alone.

I Survived the Battle of D-Day, 1944 (I Survived #18)

When Orhan's brilliant and eccentric grandfather Kemal is found dead, Orhan inherits the decades-old business. But Kemal has left the family estate to a stranger thousands of miles away. Intent on righting this wrong, Orhan unearths a story of the Armenian Genocide that, if told, has the power to undo the legacy upon which Orhan's family is built.

The Society of Unrelenting Vigilance

Probing the depths of science and faith, scientist Chet Raymo investigates the mysteries of human spirituality and meaning contained in astronomy. Ranging through the stars and the myths humans have told about them for millennia, Raymo delves into "a pilgrimage in quest of the soul of the night." Chet Raymo's elegant essays link the mysterious phenomena of the night sky with the human mind and spirit, as he ranges through the realms of mythology, literature, religion, history, and anthropology. Originally published two decades ago, *The Soul of the Night* is a classic work that is a must for those interested in the relationship between science and faith.

Straining Forward: Minh Phuong Towner's Story

The era from 1400 to 1800 saw intense biological, commercial, and cultural exchanges, and the creation of global connections on an unprecedented scale. Divided into two books, Volume 6 of the Cambridge World History series considers these critical transformations. The first book examines the material and political foundations of the era, including global considerations of the environment, disease, technology, and cities, along with regional studies of empires in the eastern and western hemispheres, crossroads areas such as the Indian Ocean, Central Asia, and the Caribbean, and sites of competition and conflict, including Southeast Asia, Africa, and the Mediterranean. The second book focuses on patterns of change, examining the expansion of Christianity and Islam, migrations, warfare, and other topics on a global scale, and offering insightful detailed analyses of the Columbian exchange, slavery, silver, trade, entrepreneurs, Asian religions, legal encounters, plantation economies, early industrialism, and the writing of history.

Orhan's Inheritance

The Education of Henry Adams is an autobiography that records the struggle of Bostonian Henry Adams (1838–1918), in his later years, to come to terms with the dawning 20th century, so different from the world of his youth. It is also a sharp critique of 19th-century educational theory and practice. In 1907, Adams began privately circulating copies of a limited edition printed at his own expense. Commercial publication of the book had to await its author's 1918 death, whereupon it won the 1919 Pulitzer Prize. The Modern Library placed it first in a list of the top 100 English-language nonfiction books of the 20th century.

The Soul of the Night

The last thing event planner Tara Lincoln needs is the jet-set lifestyle of a football pro like Mick Riley; even though their steamy and passionate one-night stand proved that Mick is an all-star - both on the field and in the bedroom. Tara played the game of love once and lost big, and she doesn't intend to put

herself out there again, especially with a certified heartbreaker. But when Mick sets his mind to win, nothing will stop him.

The Cambridge World History

"One of the most profound and illuminating studies of this century to have been published in recent decades."--John Gray, New York Times Book Review Hailed as "a magisterial critique of top-down social planning" by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail--sometimes catastrophically--in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."--New Yorker "A tour de force."-- Charles Tilly, Columbia University

The Education of Henry Adams

Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a flame-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Iris in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

The Perfect Play

The author of Beyond Enkription and the rest of The Burlington Files series is Bill Fairclough who was born in England in 1950. In 1978 he founded a niche global intelligence organisation known as "Faire Sans Dire." The series is based on Bill Fairclough's life and some of Faire Sans Dire's activities. Beyond Enkription is the first novel in the series of six novels to be published. The series covers events involving Bill, his beguiling family and his double-dealing colleagues ranging from the First World War to 9/11, the related Nisha incidents and beyond. The series even covers new revelations about the Edward Snowden affair and has been or is being written with film adaptation in mind. Nevertheless each book is or will be a standalone novel albeit each one might comprise several films and/or television series. The first novel is set in 1974 in the heart of the Cold War. It is about a wayward accountant, Edward Burlington aka Bill Fairclough. In 1974 he is unwittingly working as an agent for MI6 by night whilst auditing beans during the day and is nearly murdered not just once but four times between March and June 1974. For his own safety Edward is underhandedly despatched to work as an accountant in Nassau only to be recruited by the CIA and face more death defying moments in the Bahamas, Brazil and Haiti before the year's end. Meanwhile his family are sucked inexorably into the perfidious mess and intrigue surrounding Edward's double life and their own machinations. The repercussions of the Burlington family's activities resonate from Kinshasa to Islamabad via Washington and Westminster and back. Nothing is what it seems to be in this treacherous novel where disinformation is the norm. Beyond Enkription is a family yarn and history; a spy novel and espionage reference book; a mystery and suspense thriller and more besides: a realistic tale of a dynastic duplicitous family that knows instinctively the knack of survival. The brutal opening contrasts well with the tantalising and duplicitous Prologue yet the physicality of the opening chapter is arguably far less vicious than the cerebral scheming that ensues. The book is a distinctive memorable and realistic read full of captivating characters. Its intertwined plots would have challenged Aristotle's intellect. So, when you read it, if you don't think so then you may have lost the plot! As one connoisseur put it succinctly ... "question everything you assume isn't disinformation." Critics described Beyond Enkription as "A compelling, provocative and beguiling spy novel: a must for connoisseurs ..." and "Brutal ab initio, cerebral thereafter but forever realistic ..." As for its realism you can always contrast Bill Fairclough's past on WikiTree or LinkedIn with Edward Burlington. Just how real can you get? We hope you enjoy reading it and succeed in differentiating between fact, fiction and disinformation. Please see <http://www.theburlingtonfiles.org>, <http://www.fairesansdire.org>, <http://uk.linkedin.com/in/billfairclough> and <http://www.wikitree.com/index.php?title=Fairclough-119&public=1> for more information ... assuming the authorities haven't closed down our websites by now and the other websites haven't tried to extinguish all evidence of knowledge of The Burlington Files!

Seeing Like a State

Gangs continue to commit criminal activity, recruit new members in urban, suburban, and rural regions across the United States, and develop criminal associations that expand their influence over criminal enterprises, particularly street-level drug sales. The most notable trends for 2011 have been the overall increase in gang membership, and the expansion of criminal street gangs' control of street-level drug sales and collaboration with rival gangs and other criminal organizations.

Burnaby's Travels Through North America

This comical, fantastical, romantical, New York Times bestselling, (not) entirely true story of Lady Jane Grey is “an uproarious historical fantasy that’s not to be missed” (Publishers Weekly, starred review). In *My Lady Jane*, coauthors Cynthia Hand, Brodi Ashton, and Jodi Meadows have created a one-of-a-kind YA fantasy in the tradition of *The Princess Bride*, featuring a reluctant king, an even more reluctant queen, a noble steed, and only a passing resemblance to actual history—because sometimes history needs a little help. At sixteen, Lady Jane Grey is about to be married off to a stranger and caught up in a conspiracy to rob her cousin, King Edward, of his throne. But those trifling problems aren’t for Jane to worry about. Jane gets to be Queen of England. Like that could go wrong. New York Times Bestseller * Publishers Weekly Best Young Adult Book of the Year * Bustle Best Young Adult Book of the Year * YALSA Best Fiction for Young Adults And don't miss the authors' next fun read, *My Plain Jane*!

Night Game

'Harper Lee has a worthy successor. Wolk is a big new talent' - The Times *Crow* has lived her whole life on a tiny, starkly beautiful island. Her only companions are Osh, the man who rescued her from a washed-up skiff as a baby and raised her, and Miss Maggie, their neighbour across the sandbar. But it is only when a mysterious fire appears across the water that an unspoken question of her own history forms in *Crow*'s heart, and an unstoppable chain of events is triggered. *Crow* sets out to find her lost identity - and, ultimately, to learn what it means to be a family. Vivid and heartfelt, *Beyond the Bright Sea* is a gorgeously crafted, gripping tale of buried treasure and belonging.
