The Testament of Marco Polo in the Venice Library of 1324

Adriatic Sea

Marco Polo House

Afghanistan

The Marco Polo Bridge

Pagoda in Beijing

So There's a Very Good Excuse To Say Why He Did Not Mention the Great Wall It Just Did Not Exist as a Major Defense Structure and of this We Have some Proofs Here the Great Grand Canal When You Go South of Beijing They Completed It at the Time and Almost Marco Polo Left Again the Un Emperor and this Was One of the Great Enterprises and Marco Gives a Very Interesting Description

Sometimes They Are Very Short but if You Have Only One Book and You Have To Include Things from Constantinople Is until Sumatra and Back to between Asia You Have To Make a Shortcut so this Is a Present-Day Situation of this Canal

But It's It's Very Authentic in a Way as It Has Been Six or Seven Hundred Years Before and I Try To Follow a Little Bit the the Footsteps in in China and Here in Yong-Jo There Is a Museum a Marco Polo Museum and He Also Gives a Description of the City of Young-Ja so if You Want To Go Deeper into the Matter You Just Have a Look and He Says Half or One Full Page about the City of Young Joe and this Is a Fascination To Compare What He Said in the Late 13th Century

And this I've Use from a Written Source Text the Grand Canal Which I Mentioned Briefly Was Completed near Beijing in the Late 13th Century and this Is the Main Line Which Was So Important for You Know Chinese Traffic and We Are Ending Now with the City of Hangzhou Where I Told You Over and He Says if All this Wonderful Details of Keynes I as a Distort in Marco Polo's Book in Our Language the City of Heaven and Then Seeing What We Have Now Come to this City We Will Tell You of the Great Splendor and It Is Truly Worthwhile for Verily It Is this Noblest and Richest City in the World
