THIS IS YOUR DREAM

You said you would never be broken

You made a promise to your teacher

You made a promise to your daddy

because for far too long

Will you take that leap of faith?

Will you put yourself in a position

to land softly on your bed of dreams?

Your peers believe in you

I need you to chase your dream

you just might catch it

because the strength within you

trying to break you

you already have inside

the mental chains

I'm telling you from experience

Never let the darkness block the rays of sunshine

Because winners find a way
