Crossing Over

John Edward takes his fans with him on the extraordinary journey that has been his life. In the style of his TV show and personal appearances—poignant, funny, and remarkably candid—John Edward deals head-on with the controversial issues he has confronted on his voyage as a psychic medium. On his way to success and fame, John had to learn his own lessons about the meaning of his work, the motivations of some of the people he encountered, and the spirits who accompanied them. Through his very personal stories, John has brought peace and insight to those grieving for their loved ones—but what makes Edward's memoir unique is how readily he exposes his own vanities and ego bruising. In addition, he provides a behind-the-scenes look at being a television medium, offering an amusing—and at times disturbing—look at how the ethereal world clashes with the celebrity world. John Edward's wit, warmth, and passion will captivate readers—just as it has riveted the millions who view his landmark program.

Crossing Over

The incomparable psychic tells readers how to communicate with those on the Other Side, what to expect when they cross over, and how to vanquish any fears they may have.

Crossing Over

"John Edward takes his fans with him on the extraordinary journey that has been his life." In the style of his TV show and personal appearances--poignant, funny, and remarkably candid--John Edward deals head-on with the controversial issues he has confronted on his voyage as a psychic medium. On his way to success and fame, John had to learn his own lessons about the meaning of his work, the motivations of some of the people he encountered, and the spirits who accompanied them. Through his very personal stories, John has brought peace and insight to those grieving for their loved ones--but what makes Edward's memoir unique is how readily he exposes his own vanities and ego bruising. In addition, he provides a behind-the-scenes look at being a television medium, offering an amusing--and at times disturbing--look at how the ethereal world clashes with the celebrity world. John Edward's wit,

warmth, and passion will captivate readers--just as it has riveted the millions who view his landmark program.

Infinite Quest

Bestselling author John Edward has captivated audiences worldwide with his unique and powerful psychic skills. Now, in his long-awaited new book, he shows people how they too can tap into their psychic selves. *Infinite Quest* will help readers to develop their intuition and renew their own latent powers, so they can confidently take chances and make choices. By following certain guidelines and intuition-building exercises, we can learn to get in touch with our Spirit Guides and identify the psychic energy around us on deeper levels. Edward also discusses how technology can work with our "sixth sense," and explains how to use divination tools. Like his new eponymous website, *Infinite Quest* is truly a "portal to all things metaphysical."

One Last Time

ONE LAST TIME is the remarkable true story of internationally acclaimed psychic medium John Edwards. John Edward began having psychic experiences when he was no more than a toddler and in *ONE LAST TIME* he reveals how he discovered, and gradually developed his amazing power to foretell the future and communicate with the dead. John's fresh and honest approach has earned him an international following among those who seek genuine and accurate after-death communication with departed family and loved ones. His extraordinary gift has opened a window to the spirit world through which come messages of love and healing from those who have passed over to the other side. He shows us that our loved ones never cease to leave us, and never really die.

Practical Praying

A way to pray that will light the darkness and lead to spiritual fulfillment In *Practical Praying*, John Edward explores the power of the rosary as a tool to bring focused energy and creative thought into our everyday lives. For too many people, life is dark and the future feels even darker; Edward reveals how prayer alone can illuminate a path for us to follow and how God's gift of free will can help us chart our own, more joyful course. The book is divided into sections: Section I: John's overview of the process of prayer, his feelings about writing on this subject, and the history of the rosary within the Catholic Church. Section II: How Edward has invoked the power of prayer through the use of the rosary

Fallen Masters

What do you get if you combine William Young's *The Shack* with Dan Brown's *Angels and Demons*? The answer is *Fallen Masters*, by New York Times bestselling author John Edward. In the near future, signs and portents have begun to appear that point to a rushing cataclysm. Both political and religious world leaders see the patterns, and the scientific community confirm evidence of what they call "a dark matter" that is expanding into our universe, threatening the very fabric of our world. But it will not be governments or religions upon whose actions the fate of the world rests. Rather it will be up to a small diverse group of men and women who will have to decide to use their free will to aid in the last great cosmic battle between good and evil as these apocalyptic forces clash—both here on Earth and on the Other Side. An internationally renowned psychic, John Edward has helped millions of people to connect with loved ones on the Other Side. In *Fallen Masters*, Edward has written a riveting novel of metaphysical suspense, a final confrontation between good and evil as it unfolds on both the Earthly plane and the Other Side. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

After Life

Internationally acclaimed psychic medium John Edward takes his talents to new levels and new countries in his fourth book, *AFTER LIFE: Answers from the Other Side*. Join John and a documentary crew "Down Under" in Australia and across the United States, where he demonstrates once again that grief, healing, and hope are eternally intertwined and universal. John answers your most often-asked questions about how the mediumship process works on the "other side," while taking you on the inside of his own personal life as a husband and new father. He shares what he's learned through his own recent, personal losses and demonstrates that you're never too late to forgive--and never too far away to love. In *After Life*, as he does on his highly rated hit show, *Crossing Over* with John Edward, John will

also connect you with celebrities both here and on the other side--because, as John happily notes, there are no red-velvet ropes or VIP sections over there! Plus, as a special bonus, we have included two sample chapters of John Edward's novel, *Final Beginnings*!

Crossing Over

In this fascinating book, the incomparable John Edward tells you how to communicate with those on the Other Side, what to expect when you cross over, and how to vanquish any fears you may have. Crossing over is a natural, peaceful, and loving experience, he tells us, that will serve as a wondrous reunion with your loved ones from this life and other lives. John also shows you how to use tools such as meditation and visualization to contact your angels and guides. The difference between angels and guides, he says, is that an angel is an energy that has never had a physical incarnation, but who can assist, protect, nurture, and inspire the human condition. A guide may have a physical body at one time, and works with you when you choose to incarnate into the physical. This energy stays with you throughout your life to help you in every way. John also goes on to discuss how to understand the power of your own psychic abilities. He insists that everyone has psychic gifts, but most of the time they have been locked away in the recesses of the mind and need to be developed and recognized. You must give yourself permission to perceive and receive energy, and then use spiritual tools to enable you unleash your potential as you embark on your psychic and spiritual journey.

The Afterlife Experiments

An esteemed scientist's personal journey from skepticism to wonder and awe provides astonishing answers to a timeless question: Is there life after death? Are love and life eternal? This exciting account presents provocative evidence that could upset everything that science has ever taught. Daring to risk his worldwide academic reputation, Dr. Gary E. Schwartz, along with his research partner Dr. Linda Russek, asked some of the most prominent mediums in America -- including John Edward, Suzane Northrup, and George Anderson -- to become part of a series of extraordinary experiments to prove, or disprove, the existence of an afterlife. *THE AFTERLIFE EXPERIMENTS* This riveting narrative, with its electrifying transcripts, puts the reader on the scene of a breakthrough scientific achievement: contact with the beyond under controlled laboratory conditions. In stringently monitored experiments, leading mediums attempted to contact dead friends and relatives of "sitters" who were masked from view and never spoke, depriving the mediums of any cues. The messages that came through stunned sitters and researchers alike. Here, as they unfolded in the laboratory setting, are uncanny revelations about a son's suicide, what a deceased father wanted to say about his last days in a coma, the transformation of a man's lifelong doubts about the afterlife, and, most amazing of all, a forecast of a beloved spouse's death. Dr. Schwartz was forced by the overwhelmingly positive data to abandon his skepticism, reaching some startling conclusions. Compelling from the first page to the last, *The Afterlife Experiments* is the amazing documentation of groundbreaking experiments you will never forget.

Butcher's Crossing

BY THE AUTHOR OF *STONER* Will Andrews is no academic. He longs for wildness, freedom, hope and vigour. He leaves Harvard and sets out for the West to discover a new way of living. In a small town called Butcher's Crossing he meets a hunter with a story of a lost herd of buffalo in a remote Colorado valley, just waiting to be taken by a team of men brave and crazy enough to find them. Will makes up his mind to be one of those men, but the journey, the killing, harsh conditions and sheer hard luck will test his mind and body to their limits.

Walking Free

Thomas John sees dead people. What happens when we die? Renowned psychic medium, Thomas John is able to answer that question with a fair degree of certainty. Through his communications with the dead, he has learned a number of life lessons that he shares in this book. John shares with us 15 fascinating stories of what happens when clients ask him to contact their dead friends and relatives. He assists a 30-something New Yorker who was unable to stop fantasizing about suicide until John conveys healing words from her dead fiancée. He encounters a grieving young woman in a New York drugstore and shares advice from her dead six year old son. And in one particularly haunting story, John solves a murder case that had baffled the police. In each story, we learn about life on the other side and lessons the deceased have for the living. Each chapter is a felicitous combination of good story telling and healing wisdom. The dead are eager to provide guidance to the living. They watch over us.

But most importantly, each story reveals that both the dead and the living are capable of tremendous and profound forgiveness.

Never Argue with a Dead Person

The John Edwards–Rielle Hunter affair made headlines for years. "One of the biggest political scandals of all time," "a fall from grace," "a modern-day tragedy"—it's a story that has been reported, distorted, and spun over and over again by the media, by political aides, by the U.S. government, by supposed friends. However, there is someone who actually knows the truth, someone who lived it from day one—the woman at the heart of the story itself: Rielle Hunter. In the New York Times, Wall Street Journal, and Publishers Weekly bestseller *What Really Happened*, Hunter offers an extremely personal account of her relationship with John Edwards: the facts of how they actually met, how their accidental love started and escalated, what it was like to fall in love with a married man who decided to run for president, the surprise of becoming pregnant during the campaign, how the affair became public, the extensive cover-up, and finally, what happened in the years after Edwards publicly admitted to being the father of their daughter, Frances Quinn. Meet Edwards's political players and get an intimate look at how they really operated. Learn about the evolution of "friends," enablers, and do-gooders, their involvement with the affair and Edwards's 2008 presidential campaign, and where the money from Rachel "Bunny" Mellon and Fred Baron actually went. This book doesn't spin the truth to achieve a prettier picture or a better story. It isn't about changing anyone's mind. It's simply the facts, the truth of what really happened.

What Really Happened

The story of a close-knit family and their way of dealing with life, love, and death over the generations.

What If God Were the Sun?

Featuring contributors such as: John Edward, Char Margolis, Sandy Anastasia, Rick Levine, Glynis McCants, Mark Van Stone, Mary Jo McCabe, Gahl Sasson, Dr. Alicia Tisdale, Maggie Kerr, Kala Ambrose, Mirabai Devi, Linda West, Derek O'Neill, Alan Oken, John Holland and Austyn Wells. For the past forty years there have been a growing number of people who believe that nothing less than a cataclysmic change is coming in the evolution of Mankind. From the dawning of the Age of Aquarius to cosmic forces—read *Aliens*—coming to engineer our DNA, to the doomsday scenarios triggered by the end of the Mayan calendar, there have been those who are sure that the world as we know it is coming to an end. And soon. But that cataclysmic end has not (de)materialized, or has it? In 2012 new data was discovered in Guatemala that gives us concrete evidence of a new paradigm concerning the Mayans and their calendar. We are now faced with the idea that perhaps we aren't staring at Armageddon but stand in the middle of a 33-year transformative process. While the Mayans might have seen a change for humanity it isn't an ending per se. And if there is change, why does that change need to imply destruction? Couldn't it be an opportunity for mankind to assess their place in the universe and engage in a positive rebirth in a new era? *Beyond The Mayan Prophecy* posits that our modern day weakness or confusion can be attributed to a less spiritual way of thinking. Perhaps our left side brain thinking has held us back from discovering and accepting higher planetary secrets for centuries. To move forward with more balanced understanding, Paul Shavelson, a multi-media story teller and former Executive Producer of the hit psychic television show *CROSSING OVER*, has spent the last decade exploring the world of psychics and mystics. Paul has assembled a "psychic dream team" to decode the past and to predict the future. With famed metaphysical experts such as Char Margolis, Rick Levine, Maggie Kerr, Alan Oken, and Numerologist Glynis McCants, Paul covers everything from alien communication to instant collective thinking (The Collective Unconscious) being cultivated on the internet. The dialogue and interviews will be discussed through sidebars by psychic medium, author, and TV personality, John Edward, who also provides the forward, and afterword of this provocative subject. With positive energy and a willingness to have us think outside the box (and a personal journey by the author that brings an unexpected and moving aspect to the experience), *Beyond The Mayan Prophecy* is an entertaining, thought provoking work that will let the reader embrace why the second half of this transition could be remarkable and inspiring. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Beyond the Mayan Prophecy

When *Stoner* was published in 1965, the novel sold only a couple of thousand copies before disappearing with hardly a trace. Yet John Williams's quietly powerful tale of a Midwestern college professor, William Stoner, whose life becomes a parable of solitude and anguish eventually found an admiring audience in America and especially in Europe. The *New York Times* called *Stoner* "a perfect novel," and a host of writers and critics, including Colum McCann, Julian Barnes, Bret Easton Ellis, Ian McEwan, Emma Straub, Ruth Rendell, C. P. Snow, and Irving Howe, praised its artistry. The *New Yorker* deemed it "a masterly portrait of a truly virtuous and dedicated man." *The Man Who Wrote the Perfect Novel* traces the life of *Stoner*'s author, John Williams. Acclaimed biographer Charles J. Shields follows the whole arc of Williams's life, which in many ways paralleled that of his titular character, from their shared working-class backgrounds to their undistinguished careers in the halls of academia. Shields vividly recounts Williams's development as an author, whose other works include the novels *Butcher's Crossing* and *Augustus* (for the latter, Williams shared the 1972 National Book Award). Shields also reveals the astonishing afterlife of *Stoner*, which garnered new fans with each American reissue, and then became a bestseller all over Europe after Dutch publisher Lebowski brought out a translation in 2013. Since then, *Stoner* has been published in twenty-one countries and has sold over a million copies.

The Man Who Wrote the Perfect Novel

In the style of his TV show and personal appearances--poignant, funny, and remarkably candid--Edward deals head-on with controversial issues he has confronted on his voyage as a psychic medium.

Crossing Over

This unassuming story about the life of a quiet English professor is one of the great rediscovered modern classics. 'A beautiful, sad, utterly convincing account of an entire life' Ian McEwan William *Stoner* enters the University of Missouri at nineteen to study agriculture. A seminar on English literature changes his life, and he never returns to work on his father's farm. *Stoner* becomes a teacher. He marries the wrong woman. His life is quiet, and after his death, his colleagues remember him rarely. Yet with truthfulness, compassion and intense power, this novel uncovers a story of universal value - of the conflicts, defeats and victories of the human race that pass unrecorded by history - and in doing so reclaims the significance of an individual life. 'A brilliant, beautiful, inexorably sad, wise and elegant novel' Nick Hornby 'A terrific novel of echoing sadness' Julian Barnes

Stoner

In his latest book, Gordon Smith – 'Hailed as the UK's most accurate medium' – teaches you how to develop your own abilities as a medium, with humour, warmth and skill. Using simple yet powerful exercises Gordon talks you through each stage of your journey to become a medium, teaching by example and including some of his most memorable and enlightening experiences.

Developing Mediumship

Horror fiction. Four families, one tunnel...and the survival of the country at stake: psychic medium John Edward sets his suspenseful second novel against a backdrop of serial terrorist attacks in New York City. Drawing from his expertise in psychic phenomena, Edward spins a supernatural thriller that culminates in a midtown Manhattan tunnel where the lives and deaths of his four central characters converge. These interwoven tales of love, faith, good and evil answer the questions John is often asked: do we choose the time when we die and do our loved ones guide us from the Other Side. This fictional narrative will strike an emotional chord with readers while sending a message of universal healing.

Final Beginnings

After Kyles death, he wasted little time in coming to his mothers aid. His hundreds of escapades from the spirit world are undeniable and mind-boggling. Whether with the help of psychic John Edward or by himself, Kyle will have you laughing at his antics. By accompanying Kyles family on this eye-opening journey, you will accelerate your own path through the darkness and into the light.

Quit Kissing My Ashes

"Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology

of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of Skeptic magazine.

Psychic Blues

WHAT HAPPENS WHEN WE DIE? WHERE DO WE GO? WHO ARE WE WITH? ABOVE & BEYOND addresses these questions and more... you will be introduced to a bevy of characters that are working through their after life experiences and revealing to you the reader what it might be like. Sometimes emotional, many times humorous, always enlightening and affirmative as tough issues of life, death, and love are explored. When we start the journey, our narrator and hero, Jack Richman seemed to have it all, a beautiful wife and family, successful scientist and writer who is on assignment in Johannesburg, South Africa when an explosion takes place. This presumed terrorist attack gets revealed to be a natural gas explosion that demolishes a six street radius... Jack was at ground zero. He "wakes" up on the Other Side to Dr. Annie Brooks and her team of residents in this 'other' worldly hospital. At first glance she looks like she is wearing clothing from the 1800's but in a blink, she is wearing a modern day lab coat... When Dr. Annie Brooks looks at him, there's a calming energy that warms him and lets him know he is going to be all right... but all Jack could think of is "his wife"... Jack is about to come to terms with finding out he is in the Afterlife... and he becomes our eyes and ears of what happens when he crosses over....

Above & Beyond

Black Americans are constantly lied to about the source of their community's issues in an effort to profit off their pain and to make sure that they never leave the mindset of the victim. In order to move forward in American society, black people must be critical of all sectors of black culture and the people that profit off the mainstream black victim messaging. I believe that with honesty, love, ownership and responsibility, black Americans can leave behind the victim mentality for the truly empowering victor mindset. Once victor-hood is embraced, we can achieve a more peaceful union with the rest of American society and stop accepting conflict within the black community as a normality.

Black Victim To Black Victor

For fans of TLC's Long Island Medium and anyone interested in the big questions of life, death, and finding out what's important in between, New York Times bestselling author and medium Theresa Caputo shares how she discovered her gift and her many encounters with Spirit. Beloved medium Theresa Caputo, star of the hit television show Long Island Medium, opens the door to her world and invites you to experience her exceptional gift of communicating with those who've crossed over to the Other Side. The always funny, frank, and down-to-earth medium—whether she's talking to her family, the local butcher, or the souls of those who've passed on—began communicating with Spirit at the age of four, but didn't fully accept her gift until she was thirty-three years old. She had a good life as a busy wife and working mom, but also suffered from chronic anxiety that, as it turned out, came from ignoring her abilities. Once Theresa began channeling, she realized that she felt much better after delivering a message from Spirit and releasing that energy. Since then she's used her extraordinary gift to help people heal from the loss of their loved ones. Theresa feels that it's her purpose to make us all aware that there is more to life than what we see here in the physical world. She wants you to know that your deceased loved ones are safe and at peace, and that they're now with you in a different way—watching over you, loving you, and assisting you from the Other Side. She also wants you to realize that the unexplainable things you sense and feel from these souls are real, and that it's healthy and essential to acknowledge them. There's More to Life Than This lends insight on how Theresa's mediumship works, what happens to your soul when you die, what Spirit says Heaven is like, what the deceased want you to know, the importance of living a positive life, and the many roles that your family,

friends, angels, guides, souls of faith, and God play here and in the afterlife. It also explores how to safely connect with Spirit, so that you can recognize when your loved ones are reaching out. Through Theresa's personal story, compelling anecdotes, and fascinating client readings, she teaches us about how she communicates with Spirit and helps us to understand and appreciate the important lessons and touching messages that we're meant to embrace every day.

There's More to Life Than This

"Author Stacy Horn dissects all the things that go bump in the night—ghosts, poltergeists, your ex-boyfriend Klaus—in [her] macabre book." —Marie Claire A fascinating, eye-opening collection of "Investigations into Ghosts, Poltergeists, Telepathy, and Other Unseen Phenomena, from the Duke Parapsychology Laboratory," *Unbelievable* by Stacy Horn explores science's remarkable first attempts to prove—or disprove—the existence of the paranormal. A featured contributor on the popular NPR program "All Things Considered," Horn has been praised by Mary Roach, bestselling author of *Spook*, for her "awe-fueled curiosity [and] top-flight reporting skills." Horn attacks a most controversial subject with *Unbelievable*—a book that will appeal to armchair scientists as well as fans of TV's *Medium*, *The Ghost Whisperer*, and *Crossing Over* with John Edward.

Unbelievable

THE TIKTOK SENSATION Discover the million-copy bestselling fantasy read. The circus arrives without warning. It is simply there, when yesterday it was not. Against the grey sky the towering tents are striped black and white. A sign hanging upon an iron gates reads: Opens at Nightfall Closes at Dawn Full of breath-taking amazements and open only at night, *Le Cirque des Rêves* seems to cast a spell over all who wander its circular paths. But behind the glittering acrobats, fortune-tellers and contortionists a fierce competition is underway. Celia and Marco are two young magicians who have been trained since childhood for a deadly duel. With the lives of everyone at the Circus of Dreams at stake, they must test the very limits of the imagination, and of their love. Complete your collection with *The Starless Sea*, the second novel from the author of the *The Night Circus*, out now. 'The only response to this novel is simply: wow. It is a breath-taking feat of imagination, a flight of fancy that pulls you in and wraps you up in its spell' *The Times*

The Night Circus

Suspense fiction. The men on board Her Britannic Majesty's Ships *Terror* and *Erebus* had every expectation of triumph. They were part of Sir John Franklin's 1845 expedition - as scientifically advanced an enterprise as had ever set forth - and theirs were the first steam-driven vessels to go in search of the fabled North-West Passage. But the ships have now been trapped in the Arctic ice for nearly two years. Coal and provisions are running low. Yet the real threat isn't the constantly shifting landscape of white or the flesh-numbing temperatures, dwindling supplies or the vessels being slowly crushed by the unyielding grip of the frozen ocean. No, the real threat is far more terrifying. There is something out there that haunts the frigid darkness, which stalks the ships, snatching one man at a time - mutilating, devouring. A nameless thing, at once nowhere and everywhere, this terror has become the expedition's nemesis. When Franklin meets a terrible death, it falls to Captain Francis Crozier of HMS *Terror* to take command and lead the remaining crew on a last, desperate attempt to flee south across the ice. With them travels an Eskimo woman who cannot speak. She may be the key to survival - or the harbinger of their deaths. And as scurvy, starvation and madness take their toll, as the *Terror* on the ice become evermore bold, Crozier and his men begin to fear there is no escape.

The Terror

Who are history's most influential graphic designers? In this fun, fast-paced introduction to the most iconic designers of our time, author John Clifford takes you on a visual history tour that's packed with the posters, ads, logos, typefaces, covers, and multimedia work that have made these designers great. You'll find examples of landmark work by such industry luminaries as El Lissitzky, Alexander Rodchenko, A.M. Cassandre, Alvin Lustig, Cipe Pineles, Paul Rand, Saul Bass, Milton Glaser, Wim Crouwel, Stefan Sagmeister, John Maeda, Paula Scher, and more. Who coined the term graphic design? Who turned film titles into an art? Who pioneered information design? Who was the first female art director of a mass-market American magazine? In *Graphic Icons: Visionaries Who Shaped Modern Graphic Design*, you start with the who and quickly learn the what, when, and why behind graphic design's most important breakthroughs and the impact their creators had, and continue to

have, on the world we live in. Your favorite designer didn't make the list? Join the conversation at www.graphiciconsbook.com .

Graphic Icons

The mountain paths are as treacherous as they are steep – the more so in the dark and in winter. Even for the fit the journey is a formidable challenge. Hundreds of those who climbed through the Pyrenees during the Second World War were malnourished and exhausted after weeks on the run hiding in barns and attics. Many never even reached the Spanish border. Today their bravery and endurance is commemorated each July by a trek along the Chemin de la Liberté – the toughest and most dangerous of wartime routes. From his fellow pilgrims Edward Stourton uncovers stories of midnight scrambles across rooftops and drops from speeding trains; burning Lancasters, doomed love affairs, horrific murder and astonishing heroism. The lives of the men, women and children who were drawn by the war to the Pyrenees often read as breathtakingly exciting adventure, but they were led against a background of intense fear, mounting persecution and appalling risk. Drawing on interviews with the few remaining survivors and the families of those who were there, Edward Stourton's vivid history of this little-known aspect of the Second World War is shocking, dramatic and intensely moving.

Crossing the Creek

This hair-raising collection includes eight of the most ingenious and gripping tales by the great master of suspense and creator of the American Gothic horror story. Includes "The Fall of the House of Usher," "The Tell-Tale Heart," "William Wilson," "The Pit and the Pendulum," "The Cask of Amontillado," "The Gold-Bug," "The Purloined Letter," and "The Murders in the Rue Morgue."

Cruel Crossing

Tell-Tale Heart

As seen on 'Larry King Live' and on other television shows, One Last Time is John Edward's remarkable account of how he came to be one of the most popular psychic mediums of our time. Now with a brand new workbook section written specially for this edition! His television appearances have made millions of people believe in the afterlife - and in his ability to reach it. Now John Edward's legion of fans can read his remarkable true story and compelling accounts of his most important readings, how they helped heal the scars of grief and gave way to more fulfilling lives for the living - lives where loved ones never cease to love you, and never really die...In an all-new chapter, written especially for this new edition, he also empowers readers to tune in to their own psychic abilities - and read and understand signs of spiritual contact they may be experiencing every day without even knowing it. Includes New chapter and an all-new workbook section to help readers tune in to their own psychic abilities "Compelling...poignant...like James Van Praagh (Talking to Heaven) tempered with the down-to-earth appeal of Caroline Myss." - Publishers Weekly "Astonishing." --Raymond Moody, Ph.D., M.D., author of Life After Life and Reunions

The Secrets To Unlocking Your Psychic Ability

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

One Last Time

Veronica Buccino has a plan: marry John DelMonico and quit her soul-sucking job as a lawyer. And when he tells her he has big news, she's certain he'll pop the question. But instead of proposing, John informs her that he's moving to London. Heartbroken, Veronica feels lost. Salvatore and Antoinette, her dead grandparents, begin to visit her dreams in an attempt to steer her in the right direction. At their suggestion, Veronica takes a news reporting class, which leads to a challenging freelance assignment covering a conspiracy trial. She also begins dating an unlikely suitor: creative Syd Blackman. Just when her love life and career are looking up, Veronica is tossed back to square one by an event that makes her question all her new choices.

Holy Bible (NIV)

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Better in the Morning

A survey of a range of irrationalisms, with explanations of their empirical and logical flaws, this book describes the differences between science and pseudo-science, and goes on to describe and critique popular contemporary irrationalisms. Why do smart people believe weird things? Why do so many people believe in mind reading, past-life regression therapy, extra-terrestrial abduction and ghosts? What is behind the rise of 'scientific creationism' and Holocaust denial? In an age of supposed scientific enlightenment why do we appear more impressionable than ever? Scientific historian, and director of the Skeptics Society, Michael Shermer debunks these extraordinary claims in a no-holds-barred assault on the popular superstitions and confused prejudices of our time. Exploring the very human reasons behind otherworldly phenomena, conspiracy theories and cults Shermer explains why are they are so appealing to so many. "Skepticism is the agent of reason against organized irrationalism -and is therefore one of the keys to human social and civic decency." Stephen Jay Gould, from his foreword Shermer reveals the darker side of wishful thinking, through the recovered memory movement, satanic rituals and other modern witch hunts, and ideologies of racial superiority. Confronting those who take advantage of the gullibility of other people to advance their own, self-serving agendas Why People Believe Weird Things is compelling and often disturbing. It is a perceptive portrait of the human capacity for self-delusion and a celebration of the scientific spirit.

The Gospel According to Matthew

The psychic medium for New York Times bestselling authors John Edward and James Van Praagh brings us his unparalleled insights on life after death and communication with the other side. For over 20 years, internationally known medium Robert Brown has seen every form of crossing over. As a psychic investigator, he has tested and retested the claim made by spirit communicators: that there is no death. Though many prominent people have sought Robert's services, including Princess Diana, Robert has also helped thousands around the world communicate with their lost loved ones. Now he reveals what those who have crossed over want us to know about the other side and this world, sharing stories of clients who have gained peace of mind knowing that their loved ones do go on. This book will explain all Brown has found to be true in mediumship and the spirit world, including how the spirit world works through spirit communicators--or mediums, how the process of spirit communication actually works--how John Edward does what he does on TV, what happens when our physical body dies and our beta body reaches the other side, and what the spirits really want us to know about abortion, capital punishment, suicide, evil spirits, and man's inhumanity to man. He has also witnessed firsthand some of the world's greatest mediums, and through these interactions, what he has learned could change people's views on life and death forever, confirming that there really is life after this one.

Why People Believe Weird Things
