The official sequel to Bram Stoker's classic novel *Dracula*, written by his direct descendent and endorsed by the Stoker family. The story begins in 1912, twenty-five years after the events described in the original novel. Dr. Jack Seward, now a disgraced morphine addict, hunts vampires across Europe with the help of a mysterious benefactor. Meanwhile, Quincey Harker, the grown son of Jonathan and Mina, leaves law school to pursue a career in stage at London's famous Lyceum Theatre. The production of *Dracula* at the Lyceum, directed and produced by Bram Stoker, has recently lost its star. Luckily, Quincey knows how to contact the famed Hungarian actor Basarab, who agrees to take the lead role. Quincey soon discovers that the play features his parents and their former friends as characters, and seems to reveal much about the terrible secrets he's always suspected them of harbouring. But, before he can confront them, Jonathan Harker is found murdered. The writers were able to access Bram Stoker's hand-written notes and have included in their story characters and plot threads that had been excised by the publisher from the original printing over a century ago. *Dracula* is one of the most recognized fictional characters in the world, having spawned dozens of multi-media spin-offs. The *Un-Dead* is the first *Dracula* story to enjoy the full support of the Stoker estate since the original 1931 movie starring Bela Lugosi.

Jonathan Harker, a young English lawyer, travels to Castle Dracula in the Eastern European country of Transylvania to conclude a real estate transaction with a nobleman named Count Dracula. As Harker wends his way through the picturesque countryside, the local peasants warn him about his destination, giving him crucifixes and other charms against evil and uttering strange words that Harker later translates into "vampire." Frightened but no less determined, Harker meets the count's carriage as planned. The journey to the castle is harrowing, and the carriage is nearly attacked by angry wolves along the way. Upon arriving at the crumbling old castle, Harker finds that the elderly Dracula is a well educated and hospitable gentleman. After only a few days, however, Harker realizes that he is effectively a prisoner in the castle.

## Dracula's Guest

A few months before the lamented death of my husband-I might say even as the shadow of death was over him-he planned three series of short stories for publication, and the present volume is one of them. To his original list of stories in this book, I have added an hitherto unpublished episode from *Dracula*. It was originally excised owing to the length of the book, and may prove of interest to the many readers of

what is considered my husband's most remarkable work. The other stories have already been published in English and American periodicals. Had my husband lived longer, he might have seen fit to revise this work, which is mainly from the earlier years of his strenuous life. But, as fate has entrusted to me the issuing of it, I consider it fitting and proper to let it go forth practically as it was left by him.

#### The Journal of Professor Abraham Van Helsing

Professor Abraham Van Helsing was the fictional creation of Bram Stoker for his dark work of fantasy Dracula ...or was he? Fragments of a recently discovered journal suggest otherwise. For the first time, in his own words, the legendary vampire hunter tells his own story - his background and early years - his research in Rumania and the Mideast - his medical work ...and most importantly his discovery of perhaps the greatest threat to man's dominion on earth, vampires. Filled with data to inform, and tips to educate, the journal is more than a study of vampirism. It is also the story of a man's obsession with eradicating the world of its greatest scourge, a dark evil that claimed his wife in its thrall. Working with the textural fragments he inherited from his grandfather, Professor Allen Conrad Kupfer, has managed to piece together the story behind the story that did not begin and end with Bram Stoker's Dracula. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

#### Dracula(new Edition)(annotated)

Dracula is an epistolary novel, meaning that is composed from letters, journal and diary entries, telegrams, and newspaper clippings. Jonathan Harker, Mina Murray (later Mina Harker), and Dr. Seward write the largest contributions to the novel although the writings of Lucy Westenra and Abraham Van Helsing constitute some key parts of the book. The novel is meant to have a slightly journalistic feel, as it is a harrowing account supposedly written by the people who witnessed the book's events. A young Englishman named Jonathan Harker travels through Transylvania on a business trip. He is there to aid Count Dracula, a Transylvanian nobleman, in buying an English estate. His journey into the remote Eastern European landscape is fearsome, although initially he is charmed by the Count's generosity and intelligence. Gradually, he comes to realize that he is a prisoner in Dracula's castle, and that the Count is a demonic being who plans to prey on the teeming masses of London. Dracula leaves him to die at the hands of three female vampires, but Jonathan attempts a desperate escape. . .Meanwhile,

in England, Jonathan's fiancée Mina visits her best friend, Lucy Westenra. Lucy has recently been proposed to by three men Arthur Holmwood, Dr. Seward, and Quincey Morris. She chooses Arthur to be her happy fiancé. Mina and Lucy vacation together at Whitby, a quaint seaside town. While they are there, a Russian vessel is shipwrecked. A large dog leaps from the wreck and runs away. All of its crew are missing save one dead captain. The ship was carrying fifty boxes of earth from Dracula's castle. Despite the wreck, the boxes are delivered as ordered. Lucy begins to exhibit strange behavior: she sleepwalks often, and she seems to be growing paler and weaker. Eerie things happen one night, Mina finds her unconscious in the cemetery, as a figure with glowing eyes bends over her. The figure disappears as Mina comes closer, but night after night strange events continue and Lucy grows thinner and paler with each passing day. Word comes from Budapest that Jonathan has been found, sick with brain fever. He can remember nothing of his travels in Transylvania. Mina goes to nurse him back to health and to help him make the trip back to England. When she arrives, they marry immediately. He gives her his diary but is afraid to read it; she seals the diary and promises that she will never read it unless it is for his sake. Back in England, Lucy has returned to her home in London. Arthur, fearful for her health, asks Dr. Seward to try to figure out what is wrong with her. Seward is baffled by her illness, and calls in the aid of his old mentor, the brilliant Professor Abraham Van Helsing. Van Helsing seems to know from the beginning what he might be up against. He tries to use various charms, as well as constant blood transfusions, to keep Lucy alive. Again and again, his attempts are thwarted by a mixture of Dracula's cunning and bad luck. Lucy's mother is killed by a heart attack during one of Dracula's more dramatic plots to get to Lucy, and Lucy dies a few days later. Arthur's father dies at about this time. Van Helsing takes possession of Lucy's diary and correspondence, which lead him to make contact with Mina Harker. Meanwhile, the Harkers have returned to England. Peter Hawkins, Jonathan's boss, dies suddenly leaving the Harkers a considerable fortune. One day while they are in London, Jonathan actually sees the Count who has been restored to his youth by his feeding and although Jonathan cannot really remember things clearly, he has a nervous attack and falls unconscious. When he comes to, he cannot remember what upset him. Disturbed by this behavior, Mina decides to read the journal. The contents of the journal baffle her, and she wonders if her husband was already in the throes of brain fever. When Van Helsing comes to visit her to ask questions about Lucy, Mina is so impressed by the man that she gives him Jonathan's journal...

## Dracula

Before acclaimed playwright and filmmaker Neil LaBute became the creator and showrunner of Syfy's hit series *Van Helsing*, he had already adapted *Dracula* for the stage—with a fierce female *Van Helsing* as the vampire hunter. In this masterful adaptation, Neil LaBute brings a rich theatricality and his provocative way with language and story to the world of Count *Dracula*, *Van Helsing*, Jonathan Harker, and his beloved Mina—this time, with very much a mind of her own—infusing the classic gothic tale of terror, obsession, and pathos with a modern edge. Chilling yet stylish in its atmosphere, dark yet deeply human in its emotional impact, Neil LaBute's *Dracula: A Thriller in 2 Acts* is a tribute to both LaBute's dramatic vision and the timelessness of Stoker's novel.

The story is told in epistolary format, as a series of letters, diary entries, newspaper articles, and ships' log entries, whose narrators are the novel's protagonists, and occasionally supplemented with newspaper clippings relating events not directly witnessed. The events portrayed in the novel take place chronologically and largely in England and Transylvania during the 1890s and all transpire within the same year between the 3rd of May and the 6th of November. A short note is located at the end of the final chapter written 7 years after the events outlined in the novel. The tale begins with Jonathan Harker, a newly qualified English solicitor, visiting Count *Dracula* in the Carpathian Mountains on the border of Transylvania, Bukovina, and Moldavia, to provide legal support for a real estate transaction overseen by Harker's employer. After the preparations are made, *Dracula* leaves Transylvania and abandons Harker to the sisters. Harker barely escapes from the castle with his life. Not long afterward, a Russian ship, the *Demeter*, having weighed anchor at Varna, runs aground on the shores of Whitby in the east coast of England. The captain's log narrates the gradual disappearance of the entire crew, until the captain alone remained, himself bound to the helm to maintain course. An animal resembling

"a large dog" is seen leaping ashore. The ship's cargo is described as silver sand and 50 boxes of "mould," or earth, from Transylvania. It is later learned that Dracula successfully purchased multiple estates under the alias 'Count De Ville' throughout London and devised to distribute the 50 boxes to each of them utilizing transportation services as well as moving them himself. He does this to secure for himself "lair" and the 50 boxes of earth would be used as his graves which would grant safety and rest during times of feeding and replenishing his strength. Soon Dracula is indirectly shown to be stalking Lucy Westenra, who happens to live in Whitby. As time passes she begins to suffer from episodes of sleepwalking and dementia, as witnessed by her friend Mina Murray, the fiancée of Jonathan Harker. Lucy receives three marriage proposals from Dr. John Seward, Quincey Morris, and Arthur Holmwood (the son of Lord Godalming who later obtains the title himself. Eerie things happen one night, Mina finds her unconscious in the cemetery, as a figure with glowing eyes bends over her. The figure disappears as Mina comes closer, but night after night strange events continue and Lucy grows thinner and paler with each passing day. Word comes from Budapest that Jonathan has been found, sick with brain fever. He can remember nothing of his travels in Transylvania. Mina goes to nurse him back to health and to help him make the trip back to England. When she arrives, they marry immediately. He gives her his diary but is afraid to read it; she seals the diary and promises that she will never read it unless it is for his sake. Back in England, Lucy has returned to her home in London. Arthur, fearful for her health, asks Dr. Seward to try to figure out what is wrong with her. Seward is baffled by her illness, and calls in the aid of his old mentor, the brilliant Professor Abraham Van Helsing. Van Helsing seems to know from the beginning what he might be up against. He tries to use various charms, as well as constant blood transfusions, to keep Lucy alive. Again and again, his attempts are thwarted by a mixture of Dracula's cunning and bad luck. Lucy's mother is killed by a heart attack during one of Dracula's more dramatic plots to get to Lucy, and Lucy dies a few days later. Arthur's father dies at about this time. Van Helsing takes possession of Lucy's diary and correspondence, which lead him to make contact with Mina Harker. Meanwhile, the Harkers have returned to England. Peter Hawkins, Jonathan's boss, dies suddenly leaving the Harkers a considerable fortune. One day while they are in London, Jonathan actually sees the Count who has been restored to his youth by his feeding and although Jonathan cannot really remember things clearly, he has a nervous attack and falls unconscious. When he comes to, he cannot remember what upset him. Disturbed by this behavior, Mina decides to read the journal. The contents of the journal baffle her, and she wonders if her husband was already in the throes of brain fever. When Van Helsing comes to visit her to ask questions about Lucy, Mina is so impressed by the man that she gives him Jonathan's journal...
