The Latest Word of Universalism

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Latest Word of Universalism

Excerpt from The Latest Word of Universalism: Thirteen Essays by Thirteen Clergymen Some of the topics with which religious discussion is concerned are of ephemeral interest only; some occupy attention for a considerable period, but at length fail to awaken sympathy; and some retain their hold on the regards of mankind permanently. The question with which Universalism is historically and dogmatically related, the question of human destiny, is one of perennial and absorbing interest. Into this opinion, however, it may be suspected we are beguiled by a natural partiality for the religious system whose fortunes we follow. For it has been observed that even persons of candor sometimes betray a habit of identifying their own fervors with the emotions of the race. It may be advisable, therefore, to appeal the case from our own tribunal to the more impartial decision of facts. The first discussion which Christianity provoked on this general subject, related to the truth of its affirmation of an after-death existence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
