¡Uno más, por favor! Cuentos cortos a la carta

Anne Fine, Vivian French, Adele Geras, Mary Hoffman and Michael Rosen are among the contributors to this collection of 50 stories. Perfect to read aloud, each one timed for two, five or ten minutes, they all have the magic touch that means children will want to hear them again and again. A huge value-packed book with gorgeous pictures.

Read Me a Story, Please

Strange Pilgrims is a collection of unforgettable stories about distinctive South American individuals in Europe from the Nobel laureate Gabriel Garcia Marquez author of *One Hundred Years of Solitude* and *Love in the Time of Cholera*. 'The first thing Senora Prudencia Linero noticed when she reached the port of Naples was that it had the same smell as the port of Riohacha' The twelve stories here tell of Latin Americans adrift in Europe: a bereaved father in Rome for an audience with the Pope carries a box shaped like a cello case; an aging streetwalker waits for death in Barcelona with a dog trained to weep at her grave; a panic-stricken husband takes his wife to a Parisian hospital to treat a cut and never sees her again. Combining terror and nostalgia, surreal comedy and the poetry of the commonplace, *Strange Pilgrims* is a triumph of storytelling by our most brilliant writer. 'Celebratory and full of strange relish at life's oddness, the stories draw their strength from Marquez's generous feel for character, good and bad, boorish and innocent' William Boyd 'The most important writer of fiction in any language' Bill Clinton 'Often touching, often funny, always unexpected, the experience is as enriching as travel itself' *New Statesman*

Little Red Riding Hood

An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James.

Hänsel und Gretel

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Strange Pilgrims

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

The Canterville Ghost

During his prolific career, Oscar Wilde also wrote several stories for children and fairy tales. In these stories Wilde really expressed his affection for aesthetic writing. *The Happy Prince and Other Tales* is a collection of stories for children by Oscar Wilde first published in May 1888. It contains five stories: "The Happy Prince"

One Hundred Years of Solitude

NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer,

but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Alice in Wonderland

'Has the power to move hearts and change minds' Guardian 'Tremendously uplifting and a novel of all-too-rare power' Sunday Express 'An amazing book . . . I absolutely loved it. I cried my eyes out' Tom Fletcher Read the award-winning, multi-million copy bestselling phenomenon that is WONDER in this new tenth anniversary edition. 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He feels ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds. Ordinary kids aren't stared at wherever they go. Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all? A funny, frank, astonishingly moving debut - and a true global phenomenon - to read in one sitting, pass on to others, and remember long after the final page. Discover more from the World of Wonder: *White Bird*, a graphic novel *Soon to be a motion picture!* *Auggie & Me* *365 Days of Wonder* *We're All Wonders* And read more from R. J. Palacio with *Pony*, an unforgettable new story!

Cascabel

A boy born to a poor couple receives the hand of the king's daughter in marriage, but in order to keep his bride, the boy must bring the king three golden hairs from the head of the devil.

The Happy Prince and Other Tales

THE INTERNATIONAL NO.1 BESTSELLER HELPING MILLIONS OF WOMEN FIND HEALTHIER RELATIONSHIPS 'A life-changing book' Erica Jong Is your relationship the most important thing in your life? Are you constantly thinking and talking about your partner, or finding excuses for their bad behaviour? If you have ever found yourself obsessing over an undeserving partner, this book was written for you. Many women are repeatedly drawn into unhappy and destructive relationships, and then struggle to make these doomed relationships work. In this bestselling psychology book, leading relationship and marriage therapist Robin Norwood reveals why we get into unhealthy relationships and how powerfully addictive they are - and shares her effective framework for finding and sustaining love. Updated edition with a new introduction What readers are saying: 'A must read for everyone, women and men alike' 'One of the best self-help books I have read' 'A life changing book - brutally honest and straightforward - yet full of love and compassion' 'Such an insightful read' 'Brilliant, life-changing'

The House on Mango Street

"The Purloined Letter" is a short story by Edgar Allan Poe that recounts the ingenuity of detective C. Auguste Dupin in recovering a stolen compromising letter, exploring themes of intellect, psychological analysis and the confrontation between the detective and the cunning thief.

Wonder

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

The Devil with the Three Golden Hairs

The Little Prince and
(French: and
Le Petit Prince) is a and
novella and
by French aristocrat, writer, and aviator and
Antoine de Saint-Exupéry. It was first published in English and

French in the US by and [Reynal and \[Hitchcock\]\(#\)](#) and [in April 1943](#), and posthumously in France following the and [liberation of France](#) and [as Saint-Exupéry's works had been banned by the and \[Vichy Regime\]\(#\)](#). The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and [The Little Prince](#) and [makes observations about life, adults and human nature](#). The Little Prince and [became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and \[best-selling and \\[and \\\[most translated books and \\\\[ever published\\\\]\\\\(#\\\\)\\\]\\\(#\\\)\\]\\(#\\). and \\[It has been translated into 301 languages and dialects\\]\\(#\\). and \\[The Little Prince\\]\\(#\\) and \\[has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera\\]\\(#\\).\]\(#\)](#)

Women Who Love Too Much

Classic, Renaissance-era guide to acquiring and maintaining political power. Today, nearly 500 years after it was written, this calculating prescription for autocratic rule continues to be much read and studied.

The Purloined Letter

In no other work does Kafka reveal himself as in the Letters to Milena, which begin essentially as a business correspondence but soon develop into a passionate "letter love." Milena Jesenská was a gifted and charismatic woman of twenty-three. Kafka's Czech translator, she was uniquely able to recognize his complex genius and his even more complex character. For the thirty-six-year-old Kafka, she was "a living fire, such as I have never seen." It was to her that he revealed his most intimate self. It was to her that, after the end of the affair, he entrusted the safekeeping of his diaries. Newly translated, revised, and expanded, this edition contains material previously omitted because of its extreme sensitivity. Also included for the first time are letters and essays by Milena Jesenská, herself a talented writer as well as the recipient of these documents of Kafka's love, anxiety, and despair.

The House of the Spirits

From time immemorial, men have trembled and withered before the power of the femme fatale. "Ligeia" is a story about a man, whose meeting with a strange, beautiful, and overly intellectual woman in an old city borders on the supernatural and even further into the realms of the unknown. Touching upon subjects like forbidden knowledge and bizarre beauty, Poe's story serves as an example of what awaits men who are easily led astray and then lost in the labyrinthine vistas of female beauty. Famous movie adaptations include Alfred Hitchcock's "Vertigo" (1958) and Roger Corman's "The Tomb of Ligeia" (1964). Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

The Little Prince

This carefully crafted ebook: "The Count Of Monte Cristo (Complete)" is formatted for your eReader with a functional and detailed table of contents. The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas (père). It is one of the author's most popular works, along with The Three Musketeers. Dumas completed the work in 1844. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815–1838. It is an adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood." This English translation was originally published in 1846 by Chapman and Hall, London.

The Prince

Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

LETTERS TO MILENA

In July 1942, thirteen-year-old Anne Frank and her family, fleeing the occupation, went into hiding in an Amsterdam warehouse. Over the next two years Anne vividly describes in her diary the frustrations of living in such close quarters, and her thoughts, feelings and longings as she grows up. Her diary ends abruptly when, in August 1944, they were all betrayed. First published over sixty years ago, Anne Frank's *Diary of a Young Girl* has reached millions of young people throughout the world. BBC TV's major new dramatization brings her extraordinary writing to life in a way that will engage and inspire a whole new generation. 'One of the greatest books of the last century' - Guardian

Little Women

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Enciclopedia universal ilustrada europeo-americana

The author shares brief anecdotes about life in South America, memories of incidents from his own past, and meditations on reading, literature, and freedom

Diccionario enciclopédico hispano-americano de literatura, ciencias y artes

Nobel prize winner and author of *One Hundred Years of Solitude* Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece *Love in the Time of Cholera*. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times

Diccionario enciclopédico hispano-americano de literatura, ciencias y artes: Apéndice 24-25. Segundo apéndice 26-28

La producción intelectual de la CEPAL en sus 70 años de existencia ha sido vasta en distintos ámbitos del desarrollo. En este libro se analizan y contextualizan los principales hitos e ideas del pensamiento económico de la CEPAL sobre recursos naturales, medio ambiente y sostenibilidad, organizados en las dos grandes etapas que han caracterizado la vida institucional: la estructuralista (1948-1990) y la neoestructuralista (de 1990 en adelante). A partir de una revisión sistemática de la literatura, se destacan ideas como el vínculo entre la especialización productiva en recursos naturales y los términos de intercambio desfavorables, formulada en los años cincuenta; la soberanía sobre los recursos naturales, en los sesenta; la enunciación temprana del principio de responsabilidades comunes pero diferenciadas, en los setenta; los estilos de desarrollo y medio ambiente, en los ochenta; la compet-

tividad espuria, en los noventa, y la gobernanza de los recursos naturales, el estilo de desarrollo sostenible con igualdad y el gran impulso ambiental, en las dos primeras décadas del siglo XXI. El pensamiento neoestructuralista de la CEPAL es dinámico, abierto y se renueva permanentemente sin perder su tradición estructuralista. El libro aporta también elementos conceptuales para formular un neoestructuralismo ecológico.

La Moda elegante ilustrada

First, there were ten—a curious assortment of strangers summoned as weekend guests to a little private island off the coast of Devon. Their host, an eccentric millionaire unknown to all of them, is nowhere to be found. All that the guests have in common is a wicked past they're unwilling to reveal—and a secret that will seal their fate. For each has been marked for murder. A famous nursery rhyme is framed and hung in every room of the mansion: "Ten little boys went out to dine; One choked his little self and then there were nine. Nine little boys sat up very late; One overslept himself and then there were eight. Eight little boys traveling in Devon; One said he'd stay there then there were seven. Seven little boys chopping up sticks; One chopped himself in half and then there were six. Six little boys playing with a hive; A bumblebee stung one and then there were five. Five little boys going in for law; One got in Chancery and then there were four. Four little boys going out to sea; A red herring swallowed one and then there were three. Three little boys walking in the zoo; A big bear hugged one and then there were two. Two little boys sitting in the sun; One got frizzled up and then there was one. One little boy left all alone; He went out and hanged himself and then there were none." When they realize that murders are occurring as described in the rhyme, terror mounts. One by one they fall prey. Before the weekend is out, there will be none. Who has choreographed this dastardly scheme? And who will be left to tell the tale? Only the dead are above suspicion.

The Divine Comedy

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.
