Buxton Iowa, Black Utopia, African American History, American Heritage, Racial Equality

Explore the fascinating history of Buxton, Iowa, a once-thriving coal-mining town that served as a beacon of racial equality and economic opportunity for African Americans in the late 19th and early

20th centuries. Discover how this unique community, often referred to as a 'Black Utopia,' challenged racial stereotypes and offered a glimpse of a more just and integrated society within the context of American Heritage.
